Building Momentum for a Transforming India

At State Bank of India (SBI), we are firm believers of the 'Reform, Perform and Transform' mantra. We are passionately driven to meet the future needs of a transforming India and are guided by our unflinching commitment towards sustained value generation.

India is going through a remarkable transformation. Ease of doing business, mega tax reforms, financial inclusion, universal health insurance, mass digitalisation, infrastructure development and the growth of manufacturing and service sectors are just some of the change enablers. More so, the country currently enjoys prudent fiscal conditions, stable inflation, growing trade and steady employment creation to support sustainable GDP growth. Not surprisingly, the country is in the spotlight globally.

Focused on value creation, SBI has made strategic investments to strengthen its core businesses. Over the last 5 years, we have undertaken several initiatives in reshaping SBI into a technologically advanced universal banking institution, with optimised operational efficiency and with 'delighting customers' as its strategic driving priority.

Today, these transformative initiatives have made SBI highly competitive and relevant to its diverse base of customers. With this backdrop, we are now ideally positioned for delivering superior value creation through sustainable growth. We plan to fulfil this by enhancing our operations to the highest levels of excellence - be it lending performance; improving our asset quality; perking up our profitability; and ultimately hastening the pace of capital generation and, thus, wealth creation.

To power these efforts, we have made our own infrastructure extra robust, in terms of establishing a comprehensive monitoring and

control framework, and building on a large talent pool of committed workforce. To support this, we have re-engineered our internal processes for improving our risk management and growth velocity. We are also constantly recalibrating our lending strategy to bolster the quality of our loan book.

As a proxy to India's economy, we are building steady momentum to become even more emblematic of the resilience and transformation of the Indian economy.

Technology advancements are continuously being implemented both towards back-end processes, as well as robust and efficient customer service delivery channels. At the same time, our commitment to highest standards of risk management, ethics and governance safeguard our stakeholder's interests at all times. Through this upgraded framework, we have laid a strong foundation for sustained long-term growth, and are gradually moving towards a more transparent, cost-competitive, and innovation-driven organisation.

We are beginning to see clear signs of benefits from the merger with our associate banks, having unified multiple operations to match the highest standards, and stimulating superior synergistic performance. Going forward, an enhanced scale of operations, sharing of best practices and the rationalisation of common costs are expected to result in meaningful savings. This will further strengthen our mission for becoming an enduring value creator.

We are optimistic about the future. The success of the largest ever QIP floated in India by SBI, is a strong testimony to the faith reposed in us by our investors and to our capital raising capability overall. The QIP enjoyed wide participation by diverse sets of quality investors. Furthermore, the IPO of SBI Life, led to significant value discovery and is a strong indication of the Bank's ability to incubate and nurture future industry leaders with a strong potential for value creation in the times ahead.

The Bank is deeply committed to contributing to society at large. We will continue to serve as a trusted partner to all our stakeholders by responsibly providing financial services that enable growth and economic progress for people of all income groups. During major transformational reforms seen in the past, such as the Government's demonetisation measures and the tax reforms through the introduction of GST, the Bank has emerged as a resilient player on a steady path of quality growth.

Embracing Technological Advancements, to consolidate our Digital Banking Leadership.

A Transforming India is digitally savvy and has high expectations from the banking industry. We are committed to develop, deploy and maintain technology solutions that are stable, reliable and deliver what the business needs to optimise customer satisfaction and value creation.

We are committed towards transforming ourselves into a digitalised organisation, supported by technology enabled backend operations.

India is undergoing a digital transformation and witnessing an accelerated pace of innovation and technology adoption. As the digital economy is flourishing, the Bank is also progressing with its technological advancements and growing its presence in multi-channel platforms, keeping itself ahead of the curve. Consequent to our digital initiatives, we have improved the share of digital transactions as a percentage of total transactions by over 600 bps during the year.

During FY2018, we launched an integrated omni-channel digital platform YONO as an integral part of our digital drive. This is India's first fully digital service platform designed to facilitate banking as well as lifestyle needs of our customers through an all encompassing B2C marketplace. Apart from banking services, the application is designed to offer other financial products including investments, insurance and credit cards.

This path-breaking product has been developed using the latest digital technologies.

We are also committed towards transforming ourselves into a digitalised organisation, supported by technology enabled backend operations. Along with the digitalisation of consumer facing operations,

we continue to invest in the automation of our internal processes to improve efficiency, reduce cost of operations and re-deploy employees in revenue accretive roles.

With an all-pervasive digital transformation taking hold, we are highly motivated to integrate and absorb multiple technologies into

our operational culture. The potential and the productivity of new age technologies like block chain, machine learning, artificial intelligence and IoT with data and analytics as their foundation have been recognised by the Bank. Centres of excellence, proofs of concept and a collaborative and definitive time bound plan with fintech companies and vendors has been put in place to harness and harvest the benefits of these technologies for greater customer engagement, enhancing productivity of the Bank and empowering our employees. We are continuously training our employees to keep them updated on the technology front, and this enables them to deliver new-age banking for an aspiring and transforming India.

Progressively Enhancing Asset Quality and Processes, through Efficient Risk Management.

To be able to serve a transforming and demanding India, we need to be a strong bank with the best risk management practices. Going forward, we are making creditable progress in risk assessment and management, while working diligently to resolve legacy stressed assets.

“

We believe that our stringent credit underwriting processes will be the key driver of long-term sustainable quality growth and superior shareholder returns.

Stressed assets have been one of the biggest challenge to the growth of the Indian banking industry. At SBI, we are cognisant of these challenges, and are committed to improve the asset quality in our books. We have undertaken a multi-pronged approach to arrest fresh slippages by adopting technologically advanced underwriting practices for asset selection. We believe that our stringent credit underwriting processes will be the key driver of long-term sustainable quality growth and superior shareholder returns. Furthermore, we are strengthening our risk monitoring and assessment techniques, to prevent and avoid potential slippages through an early warning system that has been implemented.

It is incumbent upon us to ensure that our business operations remain fully compliant with laid down procedures and regulatory requirements. Over time, we have evolved a robust risk management model aligned with regulatory standards and international best practices. Our policies and procedures are in place to measure, assess, monitor and manage risks systematically across all our portfolios. We have undertaken initiatives to inculcate a risk and compliance culture across the organisation by imparting extensive training.

We are actively recognising and addressing the legacy credit issues, while striving to ensure that the new origination is well de-risked. Furthermore,

a large proportion of our stressed assets are under various resolution processes. These eventual resolutions will further improve our asset quality metrics meaningfully, and also make way for credit expansion and growth.

At SBI, we have been proactive towards making the banking system efficient and credible, which is essentially a prerequisite for stronger economic growth of our country.

Ability to Build Valuable Businesses to create Future Value for Stakeholders.

“

Our position in the Nation's financial system enables us to create scalable and profitable business models in the financial ecosystem.

As part of a strategy to meet capital needs as well as global risk norms, from time-to-time the Bank aims to monetise certain assets by partially divesting stake in select subsidiaries.

During the year, we divested a part of our stake in SBI Life through a highly successful initial public offering. As the largest public offer in the past seven years, at the time of listing on 3rd October 2017, SBI has demonstrated remarkable ingenuity in creating India's largest private life insurer in terms of new business premium (NBP) generated every year since FY2010.

SBI sold 8% of its stake in the IPO of SBI Life valuing SBI Life at ₹ 70,000 crore, thereby enabling SBI to add to its capital to support growth. This IPO stands as a strong testimony to SBI's capabilities in institution building and value discovery.

The Bank has many similar subsidiaries which have the potential to deliver future value. Over the years, the Bank has built value in various lines of business through its subsidiaries and investments in non-core assets. These non-core assets are fundamental to the nation's financial markets' infrastructure.

A Transforming India will need strong financial institutions beyond banking. SBI owns and manages several Non Banking Subsidiaries that are amongst industry leaders in their own right. As in the case of partial divestment and subsequent IPO of SBI Life in FY2018, we believe that we will be able to unlock huge value in these businesses.

Unlocking the Potential of our Human Capital, through structured Skill Development.

“

We are directing our efforts towards imparting continuous training on skill development and enhancing job knowledge.

People are our most valuable asset and nurturing their capability is at the core of driving business excellence and meeting the demands of a Transforming India. To improve the profitability and efficiency of the Bank, our concerns are also towards improving our productivity. We are directing our efforts towards this by imparting continuous training on skill development and enhancing job knowledge. This will empower us to offer excellent customer service and aid us in achieving our targeted performance. In this connection, we have established a state-of-the-art “State Bank Institute of Leadership” (SBIL) at Kolkata, for imparting world class training to senior

executives of the Bank. In addition to this, we also have a robust enterprise wide training system, which caters to all employees of the Bank and prepares them to stay ahead of the curve. Specialised in house training establishments in the areas of Credit, International Banking, Risk, Marketing, Rural Banking, IT, Leadership and Human Resources, among others, have been created to ensure that the Bank’s training systems is in sync with its growing needs.

During the year, we implemented a reward and recognition scheme which seeks to reward high performers. Performance Linked Incentives have also been rationalised and dashboards are provided to

all employees to help them track their own progress. We are targeting to bring over 95% of our employees under measurable roles to streamline their performance evaluation objective and ensure their systematic career development.

Our thrust is on identifying potential leaders and investing in their development, in order to create a leadership pipeline for succession. In addition to this, with streamlined recruitment process, average age of officers and associates are declining. The Bank aims at inducting young members while maintaining the overall manpower at optimal level, based on profit and cost projections.

As the Indian economy is witnessing a transformation, we are making ourselves more agile on the path of innovation and knowledge. This ensures that we are future-ready for India’s journey of transformation.

A Transforming India requires modern and capable institutions to help realise its aspirations. For SBI, this means having strong capabilities and a value based culture within our people. We continue to be focussed on embedding an ethical and value based culture throughout the organisation, which is at the core of our strategy and processes.

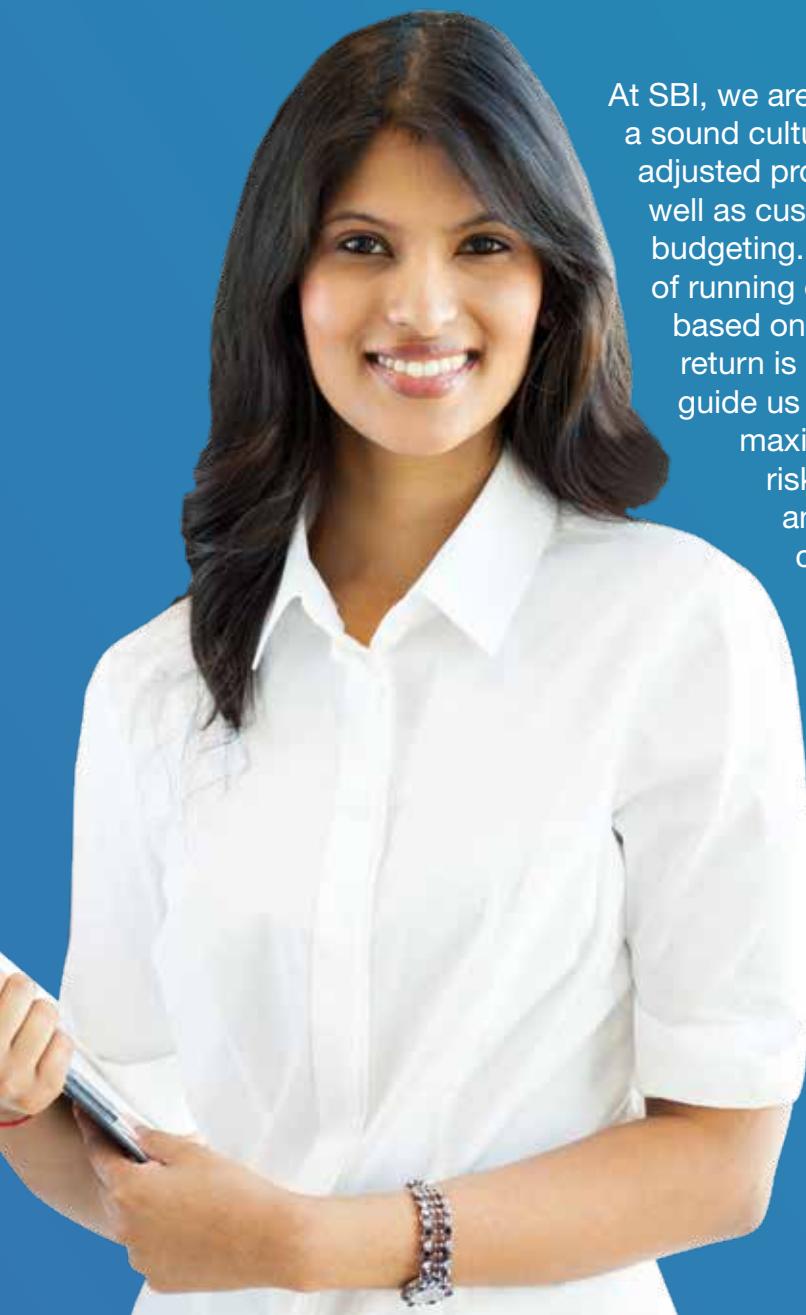

Driving Change to focus on Sustainable Growth.

To be worthy of serving a Transforming India, we ourselves need to have a strong introspective culture with the goal of being a strong and high-performing bank. With our new internal budgeting processes, we're making sure that every aspect of our business optimises our customer service levels, our risk management, and our returns to our stakeholders. With this result orientated discipline, we can play a pivotal role in catalysing India's transformation.

“

With a focus on risk adjusted return maximisation, we have completely revamped our budgeting processes.

At SBI, we are building a sound culture of risk adjusted profit based as well as customer-centric budgeting. The exercise of running our business based on risk adjusted return is intended to guide us towards return maximisation, risk mitigation and capital conservation.

This transformation is a pre-requisite to weather the challenges surrounding the banking sector, with efficiency and profitability parameters remaining under pressure.

We have re-organised our budgeting process by setting targets on key parameters, with granular roadmaps. Our efficiency parameters for the medium term include improving Return on Assets; Return on Equity; Cost to Income Ratio; Net Interest Margins (NIMs); and Credit to Deposit ratio, among others. Business units are similarly expected to target Returns on Risk weighted assets.

With defined strategies in place, it will be our endeavour to report positive outcomes for each of these parameters over the medium term.

The Chairman's Message

It gives me great pleasure to place before you the highlights of your Bank's performance during the financial year 2017-18.

Dear Shareholders,

It gives me great pleasure to place before you the highlights of your Bank's performance during the financial year 2017-18. Details of the achievements and initiatives taken by your Bank are provided in the enclosed Annual Report for the year 2017-18.

ECONOMIC OVERVIEW

Global economy experienced broad based growth in 2017. In particular, economic activity gained momentum in the US and the Euro area. Meanwhile, emerging market and developing economies have also performed better with growth pick-up in emerging Europe and emerging Asia being the major contributors to growth. Levying of tariffs by the US and fears of trade war between the US and China increased the financial volatility in 2018. However, with the US suspending the tariffs against China after some negotiations between the two countries, fear of full-fledged trade war has now abated. Overall, global GDP is expected to grow at 3.9% in 2018 with the advanced and emerging economies to post 2.5% and 4.9% growth respectively. Having said that, increase in protectionist policies, geo-political uncertainty and the escalation of US sanctions on Iran with the consequent impact on oil price represent the key risks to global growth.

Indian economy is expected to grow at 7.4% in FY2019 from 6.7% in FY2018 against the backdrop of improved global demand, better monsoon prospects, credit uptick and continued reforms undertaken by the Government. Furthermore, speeding up of the resolution process of distressed assets under the Insolvency and Bankruptcy Code is likely to improve confidence

in the economy. Increasing oil prices though remains a major risk to the country's external balance.

YOUR BANK'S PERFORMANCE

Sustained CASA growth Driving Deposits Growth

Due to higher base led by demonetisation, the aggregate deposits of your Bank grew at a modest rate of 4.68% to ₹ 27,06,343 crore from the previous year level of ₹ 25,85,320 crore. The growth in aggregate deposits is mainly due to the increase in savings bank deposits, which grew by 7.88% YoY and deposits from the foreign offices (grew by 17.07%). Your Bank has improved its CASA ratio to 45.68%, an improvement of 128 bps from 44.40% last year.

Retail Loans Drives Credit Growth

The gross advances of your Bank crossed the ₹ 20,00,000 crore mark, and grew at 4.91% to the level of ₹ 20,48,387 crore by March 2018 from the previous year level of ₹ 19,52,507 crore. Retail segments (Per, SME & Agri) now constitute 57.5% of the domestic loan book (₹ 17,46,389 crore). Much of the growth in advances came from Per Retail segments, including home loans and auto loans. Overall, Per Retail loans grew by 13.55% in FY2018, which is in line with the Bank's strategy of growing more aggressively in this segment. Within retail, home loans grew by 13.26% to ₹ 3,13,106 crore in FY2018 from ₹ 2,76,454 crore in FY2017. Your Bank's home loan portfolio now constitutes more than 57% of Per Retail loans. Additionally, your Bank continues to be the largest home loan provider in

the banking sector, with a market share of over 32% as on 31st March 2018 amongst ASCB.

Channel Strategy

With a view to building and sustaining the momentum for Transforming India, your Bank has created the largest number of touch points in terms of number of branches and other modes, reaching out to public at large. Today, we have 22,414 branches, 59,541 ATMs, CDMs, Recyclers, 6.10 lakh PoS machines and 58,274 Business Correspondent outlets. The Customer Experience Excellence Project (CEEP) has been rolled out in more than five thousand branches across the country which are equipped with Self Service machines such as ATM, CDM/ Recycler, SWAYAM for Passbook Printing, Electronic Cheque Drop Box and Internet enabled PCs.

Your Bank has been an epitome of trust across the length and breadth of the country. It has extended its wings across the globe with financial products for the NRI community, Indian corporates, exporters and importers as well as the local populace and corporates. The number of foreign offices of your Bank is currently 206, spread across 35 countries in all the continents. During FY2018, Your Bank opened one new branch in Maldives. Nepal SBI Bank Limited, a subsidiary of SBI opened seven branches. During the same period, Sylhet branch (Bangladesh) and Doha branch (Qatar) were closed. Further, two Managed Exchange companies and two Representative Offices (Dubai and Abu Dhabi) came within the ambit of SBI on account of merger with Associate Banks.

Technology & Digital Banking

Your Bank is a strong proponent of leveraging information technology to deliver convenience to its customers. Your Bank has been offering innovative and cutting-edge products to its customers with the objective of enabling banking transactions at anytime and from anywhere.

With approximately 27.83 crore Debit Cards as of March 2018, your Bank continues to lead in Debit Card issuance in the country, with a market share of 32.3%. In August 2017, your Bank has also launched, the facility of instant issuance of personalised Photo Debit Card – 'Quick Photo Debit Card' within five minutes to Saving Bank (SB) account holder of any branch of SBI.

Your Bank has one of the largest ATM networks in the world with 59,541 ATMs including Cash Deposit Machines (CDMs) and Recyclers as on 31st March, 2018. Your Bank has a 28.8% market share in ATM network in India. SBI ATM network transacts 47.2% of the country's total ATM transactions. On an average, over 1 crore transactions per day are routed through our ATM network.

The Mobile Banking channel now has over 305 lakh registered users and has processed transactions amounting to ₹ 6,00,000 crore in FY2018. Your Bank has also retained its prime numero uno position among Banks, both in terms of volume of transactions (21.2%) and value of transactions (19.8%).

SBI Online is the 5th most popular online global financial website with 4.79 crore users and 159 crore transactions during the year.

India is undergoing a digital transformation and witnessing an accelerated pace of innovation and technology adoption. As the digital economy is flourishing, your Bank is also progressing with its technological advancements and growing its presence in multi-channel platforms, keeping itself ahead of the curve. Consequent to our digital initiatives, we have improved the share of digital transactions as a percentage of total transactions by over 600 bps during the year.

On 24th November, 2017, State Bank of India launched India's first comprehensive digital service platform "YONO", an acronym for 'You Only Need One'. An integrated omni-channel digital platform, YONO offers banking and other financial products along with access to India's largest B2C marketplace for its customers to meet their lifestyle needs across 16 categories. As of 31st March, 2018, there were more than 4 million downloads with nearly 15 lakh registered users and 1.36 lakh Digital and Insta Savings Accounts opened.

We are also committed towards transforming ourselves into a digitalised organisation, supported by technology enabled backend operations. Along with the digitalisation of consumer facing operations, we continue to invest in the automation of our internal processes to improve efficiency, risk management, reduce cost of operations and re-deploy employees in revenue accretive roles. Further, such consistent initiative towards digitising payment transactions, not only reduces cost of transactions but also helps in reducing carbon footprint through lesser use of paper.

Profitability

The year 2017-18 was a difficult year as far as net profits are concerned. The main contributing factors being increase in loan loss provisions, mark to market losses on Government securities and provisions and payments to employees.

The Operating Profit and Net Interest Income of the Bank remained flat at ₹ 59,511 crore and ₹ 74,854 crore respectively in FY2018 on the back of reduction in MCLR and Base rate and continued Asset Quality stress.

The Non-interest and fee income registered a growth of 4.61% and 10.51% respectively in FY2018. Recovery in Written-Off Accounts registered a robust growth of 34.56% and the trend is expected to continue. The staff expenses declined by 2.34% during FY2018. While we did have 3,211 new employees who joined the Bank, due to retirement etc. of 18,973 employees, the overall staff strength declined by 15,762 during the year.

Similarly, due to strong awareness created across the organisation and various cost optimisation measures put in place, the increase in overheads was contained to below 10%.

On the trading side, Q4 was an exceptional quarter with domestic bond yields rising rapidly on the back of rise in crude oil prices, hardening of US interest rates and rise of geopolitical risks in Middle East region. As a result, trading income declined and significant MTM losses occurred. RBI had since then permitted banks to amortise losses on the trading book over four quarters, however, we have not availed the benefit of RBI dispensation.

Asset Quality

Gross NPAs of the Bank increased from ₹ 1,77,866 crore as on March 2017 to ₹ 2,23,427 crore as on March 2018, whereas Net NPA increased from ₹ 96,978 crore to ₹ 1,10,855 crore during the same period. Material changes in the method of recognising corporate stressed assets occurred after the RBI's February 2018 notification. Despite this, the slippage ratio in FY2018 has declined to 4.85% from 5.78% in the previous year. Overall the Gross NPA Ratio stood at 10.91% and the Net NPA ratio at 5.73% at the end of FY2018. Provision Coverage Ratio (PCR) improved by 464 bps from 61.53% as on March 2017 to 66.17% as on March 2018.

The Bank has approached the National Company Law Tribunal (NCLT) after the RBI issued directives under the Banking Regulation Act 1949. As on March 2018, the Bank has ₹ 77,626 crore of funds tied in accounts listed before NCLT for resolution. The PCR for these accounts is 63%, which we believe is adequate for resolution of these accounts. We expect bulk of the resolutions in NCLT List 1 to go through in H1FY19 and NCLT List 2 is likely to be resolved by end of FY2019.

The retail asset quality has held up well during this period and I do believe that the corporate credit cycle is also nearing the end. From FY2019 onwards we should see a significant improvement.

Capital Structure

Despite the drag on profitability due to higher provisioning, the Bank remained well capitalised. Through portfolio reordering, Credit Risk Weighted Assets (CRWA) to gross Advances ratio declined by 780 bps to 71.14% as on 31st March 2018. During the year, the Bank raised ₹ 15,000 crore of equity through a very successful QIP, which was the largest ever in India and the third largest in Asia-Pacific. The Government in turn has infused ₹ 8,800 crore. ₹ 5,436 crore was also raised through disinvestment of 8% stake in SBI Life through IPO route.

As a result, CET 1 Ratio of the Bank improved by 27 bps to 9.68% as on March 2018. Overall CAR remained at 12.60%, well above the regulatory requirements.

New Initiatives

During FY2018, your Bank has undertaken several innovative and new initiatives to give additional thrust to each and every business segment of the Bank. Some of the important initiatives taken are as under:

- Your Bank completed the historic merger of SBI with its five Associate Banks and Bhartiya Mahila Bank Ltd. on 1st April, 2017. Due to the tireless efforts of our team, the whole process went through seamlessly, with no hiccups either on the technology front or the HR front. Customer onboarding was very smooth and we are now reaping the synergies of merger on multiple fronts.
- In line with Government of India's priorities, your Bank has taken multiple initiatives to boost the affordable housing sector. To meet customer expectations of better and faster delivery in the home loan segment, your Bank undertook Assured Turn-Around-Time Drive which resulted in reduction of average turn-around time (TAT) of Home Loan Sanction to 9 days by March 2018. This TAT is comparable to the best in the industry.

- Your Bank has come up with two new websites, one exclusively for SBI Home Loans (<https://homeloans.sbi>). It updates customers with the latest information regarding Bank's home loan products. The other is SBI Realty Website (www.sbjreality.in). This website showcases your Bank's approved projects across India to prospective home buyers. It helps to bring together developers and buyers on a single platform, giving buyers access to the deals on SBI approved projects.
- Specific to the area of affordable housing, "SBI Grah Nirman Affordable Housing Project Finance Scheme" has been launched to tap the emerging potential for financing affordable Housing Projects and is especially geared towards first-time home buyers. Also, your Bank has partnered with CREDAI in an event where 375 affordable housing projects were launched by builders across India.
- Your Bank has integrated Bank's Loan Origination System with Vidya Lakshmi Portal (VLP) of Government of India to ensure better tracking of Education loan applications and faster sanctioning of loans.
- Wealth Management and Transaction Banking have now become sustainable levers for fee income. Under the Wealth Management Services, your Bank added 5 new centres and 55 dedicated new Wealth Hubs during the financial year. The number of customers has increased to 24,168 in March 2018 from 3,772 in March 2017 and AUM reached ₹ 14,284 crore in March 2018 from ₹ 2,996 crore in March 2017. Your Bank has also launched Wealth Management Services for Non-Resident Indians.
- Transaction Banking Unit (TBU), a technology driven platform, offers comprehensive transaction related products and solutions to clients. Fee income from TBU was up by 33.6% YoY and Turnover went up by 67.3% during FY2018. By keeping a track on market developments, your Bank provides technology based futuristic solutions to clients.
- Your Bank launched India's first comprehensive digital service platform "YONO" (You Only Need One) which offers banking and other financial products along with access to India's largest B2C marketplace for its customers to meet their lifestyle needs.
- With a vision to 'Be the Bank of Choice for a Transforming India', your Bank has successfully implemented the ambitious project of NHAI - National Electronic Toll Collection (NETC). Your Bank is issuing SBI FASTag, working on Radio Frequency Identification technology (RFID) which enables the customers to pay the toll electronically across all the National Highway Toll plazas. Using SBI FASTag customers can pay their toll electronically and can top up/recharge their SBI FASTag wallet online through a dedicated portal using cards or net banking of any bank.

CORPORATE SOCIAL RESPONSIBILITY

Your Bank believes that it has a solemn duty to make sustainable social change in the lives of the less fortunate and underprivileged members of the society. Your Bank always places the interest of the common man, especially the most marginalised, at its core. Your Bank earmarked 1% of the previous year's net profit as the budget for CSR spend for the year. Its CSR activities are widespread and deep-rooted and have made a true difference in the lives of thousands from the underserved and downtrodden communities. CSR is a continuing commitment of your Bank for developing the quality of life of the community and society as a whole. During the year, your Bank conducted 23,007 training programs, training 6,13,020 youngsters from rural areas with settlement rate of 68% through its 151 Rural Self Employment Training Institutes.

The CSR spend of the Bank for FY2018 stood at ₹ 112.96 crore. This is the sixth successive year, where your Bank's CSR spend has crossed the milestone of ₹ 100.00 crore.

ENVIRONMENT AND SUSTAINABILITY

Your Bank is committed to environment protection and contributes positively to reduce the carbon footprint. Major initiatives in this area are, (i) Waste to gold: A project that aims to motivate and develop the skills of youth to address waste management in the city; and develop small sustainable businesses for their livelihood as well, and (ii) SBI Corbett: Under this project, SBI Foundation is providing villages with a sustainable waste management system and conducting trainings of SHG Workers to provide awareness in nearby schools and hotels.

Responsible interaction with environment to avoid depletion and degeneration of natural resources and maintaining long term quality of the environment is a priority for your Bank. Your Bank has contributed ₹ 2.05 crore towards the following: (a) Acquiring solar power plant, solar water heater and solar street lamps, (b) Tree plantations and maintenance of parks and gardens, and (c) Donating battery operated vehicles.

Your Bank has shown its commitment in the renewable energy space not only by taking up renewable financing but also by building its own captive renewable capacity through wind energy and solar roof tops. Your Bank has so far installed 151 solar roof top sites with a capacity of 6.23 MW.

WAY FORWARD

The bygone financial year was an exceptional year in many ways. Additionally, the operating environment of the Banks became more challenging as the year progressed due to hardening of bond yields. Financial sector volatility also increased and macro challenges in terms of higher crude prices and trade wars have again gained prominence.

It is in this backdrop, the future strategy of the Bank has to be clearly articulated and executed. In the next two years

the Bank will adopt a strategy that will achieve a healthy credit growth of 10-12% by 2020. Growth in business will be achieved by a two pronged strategy comprising of portfolio reordering that will reduce the CRWA to Total advances ratio and internal reorganisation of the corporate banking.

Revamping of corporate credit structure and system within the Bank will proceed on such lines that will widen the universe of clients and focus on new segments. The Corporate Accounts Group (CAG) will focus on high priority and quality individual & group relationships and the concept of Group relationship coordinators will be introduced. CAG will offer an end-to-end solution to high quality large corporates focusing on fee income, project finance and supply chains around large corporates. The credit risk management function will also be strengthened by on-boarding sector specialists and improving due diligence.

Drawing lessons from the experiences in the banking industry during the last year, the Bank has further strengthened the overall internal audit and control process.

The threat of competition from market competitors cannot be taken lightly and the Bank will leverage its balance sheet strength and pricing power to optimise the risk return matrix.

HR issues need a fresh look as usage of advanced digital technology such as Artificial Intelligence (AI) and big data increases within the Bank. The skill set of the employees needs to be upgraded in line with the changing operating environment. Given the pace of retirements in the next five years, it is important to put in place a robust plan of succession. Potential leaders will be identified and mentored through customised training programmes to create a strong leadership pipeline. Some of these works are already in progress and concrete action plan will be implemented in the next two years.

The contours of banking sector are changing in line with the aspirations of young India who is becoming increasingly technology oriented. The Bank already has a dominant presence in digital space and we shall strive to further improve our position across all digital channels. The Bank is actively

exploring the use of AI, Cloud Platforms and collaboration with FinTechs to improve systems and processes. The investments in digital banking by your Bank will pay rich dividends as issues of asset quality are sorted out. I have no doubt in my mind that financial year 2019 will be the year of hope and financial year 2020 will be the year of happiness.

In the words of an unknown *“The past cannot be changed. The future is yet in your power”*.

I thank all our shareholders for their continued faith in our strength and capabilities, our customers for their valuable support and trust and our employees for their tireless efforts towards achieving our goals.

Yours Sincerely,

(Rajnish Kumar)

Directors' Report

I. ECONOMIC BACKDROP AND BANKING ENVIRONMENT

GLOBAL ECONOMIC SCENARIO

Global economic activity gathered momentum in the second half of last year and it continues to grow in 2018. World GDP growth recovered to an estimated 3.8% in 2017 compared to 3.2% in the previous year. Both the developed and the developing countries performed well, growing at 2.3% and 4.8% respectively. The US economy grew more than expected against the backdrop of abatement of past exchange rate appreciation impact and oil price movement coupled with support from good consumption growth and rebound in investment. Euro area also surprised positively witnessing its fastest pace of growth in a decade and surpassing the US growth in 2017. The uncertainty surrounding Brexit weighed on the UK economy, however it recovered in the final months of the year. In Japan, improved global demand for technological products stimulated investment in high-end sectors including auto, machinery including robots and semi-conductors.

Among the emerging and developing world, economic contraction ended in Russia and Brazil, thereby adding to growth. However, despite improvement in oil dynamics Saudi Arabia witnessed negative growth owing to low oil output and sluggish performance of non-oil sector. Even Mexico suffered against the backdrop of uncertainty surrounding NAFTA and presidential elections. Meanwhile, China witnessed its first annual acceleration since 2010 with export growing at their quickest pace in four years.

India's GDP growth is expected to have moderated to 6.6% in FY2018. However, this is likely to be transitory. Meanwhile, Government reforms continue to provide support to aggregate demand.

Looking ahead, as per IMF projections the world economy is poised to grow at 3.9% in 2018 as well as 2019. However, looming threat of trade wars against the background of increase in tariffs by the US and retaliation by China is one of the risks to global growth. World trade is recovering smartly in 2017, registering a growth of around 10% and 11% for exports and imports respectively, but rising protectionism and trade war can threaten trade and economic growth. In addition, uncertainty surrounding elections in many

European countries including Russia, Italy, Hungary among others and escalation of sanction issue in Iran are other key risks that could dampen the growth prospects.

Another major development having an impact on global economy is the oil price which has recovered to over US\$ 80 per barrel recently. Looking ahead, geo-political tensions in middle-east with probable sanctions on Russia may affect oil price dynamics.

INDIA'S ECONOMIC SCENARIO

India's economic growth is expected to gather momentum in FY2019, benefitting from a conducive domestic and global environment. The factors that will help in achieving 7.4% GDP growth in FY2019 compared to 6.7% in FY2018 are: (i) the troubles relating to implementation of the GST have been sorted out, (ii) credit off-take has improved and is becoming increasingly broad-based, (iii) large resource mobilisation from the primary market strengthening investment activity, (iv) the process of recapitalisation of PSBs and resolution of distressed assets under the Insolvency and Bankruptcy Code may improve the business and investment environment, (v) global trade growth has accelerated, which should encourage exports and reduce the drag from net exports, and (vi) the thrust on rural and infrastructure sectors in the Union Budget 2018-19 could rejuvenate rural demand and also encourage private investment.

Inflation, both CPI and WPI remain under control for entire FY2018. Average CPI was 3.6% in FY2018 compared to 4.5% in FY2017, while the corresponding figures for WPI are 2.9% and 1.8%, respectively. Assuming a normal monsoon and no major exogenous/policy shocks, CPI is expected to remain in the range of 4.0-4.5% for FY2019 and even go below 3.5% for some months in Q3 FY2019. Major risks to the inflation outlook are crude oil and other commodity prices and fiscal slippage at both the central and state levels.

For the third consecutive year, Indian Meteorological Department (IMD) has forecasted that monsoon would be "Normal" or around 97% of Long Period Average (LPA) with an error of ± 5% and

with a fair distribution of rainfall across major parts of country in 2018.

As a result of normal rainfall during monsoon 2017 and various policy initiatives taken by the Government, the country has witnessed record foodgrain production at 279.0 million tonnes for FY2018, 1.6% higher than the previous record achieved in FY2017 (275.1 million tonnes). The production of rice, pulses and coarse cereals touched new highs during the year, but wheat production declined.

Gross value added in the industrial sector at basic prices decelerated to 6.8% in FY2018 from 9.8% in FY2017. The slowdown in FY2018 was due to a sharp deceleration in mining and quarrying. In the mining sector, contraction was on account of slowdown in its key constituents such as coal and natural gas production, and decline in crude oil output. The growth of manufacturing, on the other hand, improved with the waning of the transient effects of GST.

On the external front, the current account deficit (CAD) increased to 2% of GDP (US\$ 13.5 billion) in Q3 FY2018 from 1.4% of GDP (US\$ 8.0 billion) a year ago. For FY2018, we believe CAD would be around 1.8% of GDP compared to 0.7% of GDP in FY2017. This slight increase in CAD during FY2018 is due to US\$ 156.8 billion trade balance, which is at a 5-year high.

BANKING ENVIRONMENT

FY2018 remained an eventful year for the banking fraternity. Asset quality, resolution of stressed assets and muted credit growth in H1 continued as major challenges for most banks during the current year. Higher NPAs impacted interest income adversely and led to elevated provisions, thus putting pressure on the profitability of banks. Further, some Public Sector Banks (PSBs) have been put under the Prompt Corrective Action (PCA) framework of RBI, which puts restrictions on key areas viz. dividend payment, branch expansion, etc.

After remaining depressed for nearly two years, the bank credit built upon the uptick that started around June, 2017 and expanded in double digits from December, 2017. The resurgence in credit growth was observed across bank groups, though the pace of growth continues to vary among bank groups. The YoY growth rate of bank

credit for ASCBs was 10% as on 30th March, 2018. Credit extended by private sector banks is higher than PSBs, while credit extended by foreign banks has returned to positive territory after a long contraction. Credit to sectors is becoming broad-based, with off-take by industry turning positive after a protracted period of contraction. Due to the continued stress in other sectors, most of the banks made efforts to lend to retail sector, which registered reasonably good growth, with most banks expanding their retail loan book. However, with resolutions through National Companies Law Tribunal (NCLT) expected to gather momentum and global growth and private investment in India beginning to pick up, green shoots of credit demand have started appearing. On the other hand, the aggregate deposits growth (YoY) continued to decline and is at 54-year low of 6.2%, due to the base effect and currency withdrawal by public.

During the last quarter of FY2018, the bond yields continued to firm up which hit severely the banks' balance sheet, due to the mark-to-market losses incurred by the banks in their investments. In the post-demonetisation period, banks have invested a huge amount of money in Government bonds due to tepid credit growth. In Q3 FY2018 quarterly results, most of the banks have reported a loss due to their higher provisioning against the mark-to-market losses in investments in Government bonds. To ease the pressure, RBI recently has advised the banks to do the mark-to-market loss provisioning in the next four quarters.

On a positive note, in the year, the Government took a significant step to capitalise PSBs in a front-loaded manner, with a view to support credit growth and job creation. This entails the mobilisation of capital to the tune of about ₹ 2.11 lakh crore over two years, through budgetary provisions of ₹ 18,139 crore, recapitalisation bonds to the tune of ₹ 1.35 lakh crore, and the balance through raising of capital by banks from the market while diluting non-Government equity (estimated potential ₹ 58,000 crore). The other possibility is to raise funds through rights issue to maintain parity of holdings. Going by the MoF (Ministry of Finance) estimates, the ₹ 1.35 lakh crore package seems largely adequate. In FY2018, Government has notified ₹ 80,000 crore recapitalisation bonds to capitalise 20

PSBs for meeting their regulatory capital requirement and growth needs.

State Bank of India has merged its five associate banks and Bharatiya Mahila Bank Ltd. with itself from 1st April, 2017. This is the first such large scale consolidation in the Indian Banking industry. With this merger, your Bank is ranked at the 54 position among the top 1,000 global banks, as per the global ranking by "The Banker" in July 2017. This merger helped your Bank to reduce 1,805 branches and rationalised 244 administrative offices, which saves around ₹ 1,099 crore per annum. We believe that the long-term benefits of the merger will significantly outweigh the near term challenges and the efficiencies generated through the merger will help the Bank to sustain the mission of being an enduring value creator.

Meanwhile, under the Pradhan Mantri Jan Dhan Yojna (PMJDY), banks have opened 31.4 crore accounts with ₹ 79,012 crore deposits (around 6% of the total demand deposits of the ASCBs) till 4th April, 2018 deposited in their accounts. Out of the 31.4 crore accounts, PSBs have opened 25.4 crore accounts, RRBs have opened 5.1 crore accounts, whereas private sector banks (PrSBs) have opened only 0.9 crore accounts. This indicates that PSBs have accepted the responsibility and have fulfilled their promises in a record time. On a positive note, zero balance accounts under PMJDY have been continuously declining from 76.8% in September, 2014 to around 20% now. PMJDY has also helped the implementation of the Mudra Yojana with ₹5.28 lakh crore distributed to 11.96 crore beneficiaries in the last 3-years. In an in-house study within your Bank, we have found that there is a traction across Jan Dhan and Mudra accounts.

In regards to competition, while the new breed of Payment and Small Finance Banks, which have started functioning, are still in the process of fine tuning their business models, the Fintech companies with disruptive technologies and having capabilities to address specific pain-points of financial customers, such as remittance, credit and savings, have emerged as a challenge to the banking system.

OUTLOOK

The coming years will be very challenging for the banking system as a whole. The operating environment has become increasingly complex. Although, resolution of stressed assets has progressed satisfactorily, the final outcome will take some more time to reflect in the P&L. This delay is mainly because new laws take some time to mature in practice. However, the structural transformation of banks must move beyond the NPA resolution and address other pressing issues, such as frauds, customer retention and servicing, human resource, cyber security and governance.

The policy initiatives over the last four years have gathered momentum with far reaching structural transformation in all sectors. GST is moving to the next phase with the introduction of e-ways module. Infrastructure growth has notably picked in roads, civil aviation and railways. Digitalisation will gather pace as evident from the Report of the Taskforce on Artificial Intelligence. It is unlikely that banks will escape these transformations. Digitalisation of banking process will continue during the next year creating new improved service experience. With capital infusion, it is now up to the banks to grab the opportunity and deploy technology in addressing some of the pressing issues mentioned above.

The external environment nevertheless has become uncertain, despite a positive outlook on growth. Trade wars, which are a sign of renegotiation of the old order, have become more acute. The situation will continue in the same direction in 2018. Thus, across the world, banks have revisited their foreign business strategy in line with growing risks. Such cautions prevails among Indian banks as well. The Government of India has advised banks to rationalise their foreign branches. However, this does not constitute a blanket withdrawal but a more realistic strategy in line with changing trade patterns of the country. This rationalisation in foreign business will therefore continue.

The coming year will be the last year after which general elections are due. However, we do not expect that policy direction will markedly turn populist. The fiscal and monetary conditions will continue to remain stable even if there are momentary aberrations. But the challenge will lie in taking a decision amid growing uncertainty. Overall the NPA resolution is in sight and the time is opportune for tough and strategic decision making.

II. FINANCIAL PERFORMANCE

ACQUISITION OF ERSTWHILE DOMESTIC BANKING SUBSIDIARIES (E-DBS) & BHARATIYA MAHILA BANK LIMITED:

Your Bank has acquired five domestic banking subsidiaries (DBS) of SBI; namely (i) State Bank of Bikaner & Jaipur (SBBJ), (ii) State Bank of Mysore (SBM), (iii) State Bank of Travancore (SBT), (iv) State Bank of Patiala (SPB), (v) State Bank of Hyderabad (SBH); and Bharatiya Mahila Bank Limited (BMBL) with effect from 01st April, 2017.

The merger of DBS & BMBL with SBI, has been accounted under the 'pooling of interest' method as per Accounting Standard 14 (AS 14), "Accounting for amalgamation" and the approved Scheme of Acquisition. Pursuant thereto, all assets and liabilities of the transferor Banks have been recorded in the books of SBI at their existing carrying amounts as on effective date. The net difference between share capital of transferor banks of e-DBS & BMBL and corresponding investments by SBI and cash in lieu of fractional entitlement of shares have been transferred to Capital Reserve.

The total assets taken over are as under:

Particulars	₹ in crore
Total	
Cash & balances with RBI	32,743.73
Balances with Banks & Money at Call & Short Notice	66,680.19
Investments	1,76,603.55
Advances	2,97,884.25
Fixed Assets	6,987.51
Other Assets	38,012.45
Total Assets	6,18,911.68

Since the figures of the current period include the results of the branches of these Banks, the figures of the previous period are strictly not comparable.

ASSETS AND LIABILITIES

The total assets of your Bank have increased by 27.67% from ₹ 27,05,966.30 crore at the end of March 2017 to ₹ 34,54,752.00 crore as at the end of March 2018. During the period, the loan portfolio increased by 23.16% from ₹ 15,71,078.38 crore to ₹ 19,34,880.19 crore. Investments increased by 38.51% from ₹ 7,65,989.63 crore to ₹ 10,60,986.71 crore as at the end of March 2018. A major portion of the investment was in the domestic market in government securities.

Your Bank's aggregate liabilities (excluding capital and reserves) rose by 28.52% from ₹ 25,17,680.24 crore as on 31st March, 2017 to ₹ 32,35,623.44 crore as on 31st March 2018. The deposits rose by 32.36% and stood at ₹ 27,06,343.28 crore as on 31st March 2018 against ₹ 20,44,751.39 crore as on 31st March 2017. The borrowings also increased by 13.99% from ₹ 3,17,693.66 crore, at the end of March 2017 to ₹ 3,62,142.07 crore as at the end of March 2018.

NET INTEREST INCOME

Net interest income increased by 21.01% from ₹ 61,859.74 crore in FY2017 to ₹ 74,853.71 crore in FY2018. Total interest income has increased from ₹ 1,75,518.24 crore in FY2017 to ₹ 2,20,499.31 crore in FY2018 registering a growth of 25.63%.

Total interest expenses have increased from ₹ 1,13,658.50 crore in FY2017 to ₹ 1,45,645.60 crore in FY2018. Interest expenses on deposits during FY2018 recorded an increase of 28.53%, compared to the previous year.

NON INTEREST INCOME AND EXPENSES

Non-interest income increased by 25.77% to ₹ 44,600.69 crore in FY2018, as against ₹ 35,460.93 crore in FY2017. During the year, your Bank received an income of ₹ 448.52 crore (₹ 688.35 crore in FY2017) by way of dividends from subsidiaries and joint ventures in India and abroad, and ₹ 13,423.35 crore (₹ 10,749.62 crore in FY2017) by way of profit on sale of investments, an increase of 24.87%. Cost to Income ratio is 50.18% in FY2018 as compared to 49.54% in FY2017.

OPERATING PROFIT

Your Bank registered a growth of 17.04% in Operating Profit in the current financial year. The Operating Profit of your Bank for FY2018 was at ₹ 59,510.95 crore as compared to ₹ 50,847.90 crore in FY2017. Your Bank posted a Net Loss of ₹ 6,547.45 crore for FY2018, as compared to profit of ₹ 10,484.10 crore in FY2017 due to higher provisioning requirements on NPAs, MTM losses in HFT and AFS portfolio, additional employee benefits provisions etc.

PROVISIONS & CONTINGENCIES

Major provisions made in FY2018 were as under:

₹ 70,680.24 crore for non-performing assets (as against ₹ 32,246.69 crore in FY2017), write back of ₹ 3,603.66 crore towards Standard Assets (as against provision of ₹ 2,499.64 crore in FY2017), ₹ 8,087.57 crore towards Investments Depreciation (as against ₹ 298.39 crore in FY2017).

RESERVE & SURPLUS

Since the Bank has incurred loss in FY2018, no amount (as against ₹ 3,145.23 crore in FY2017) has been transferred to Statutory Reserves. An amount of ₹ 3,288.88 crore (as against ₹ 1,493.39 crore in FY2017) has been transferred to Capital Reserves. An amount of ₹ 1,165.14 crore (as against ₹ 143.69 crore in FY2017) has been transferred from Investment reserve to Revenue and other Reserves and ₹ 192.32 crore from Revaluation Reserve to General Reserve.

REVALUATION OF FIXED ASSETS

Your bank has reversed the effect of revaluation amounting to ₹ 11,210.94 crore made in earlier periods in the value of certain leasehold properties, which has resulted in write back of depreciation charged in previous year amounting to ₹ 193.24 crore. Consequential effect on capital adequacy ratio arising from the above has been made in the results for the year ended March, 2018.

PROGRESS ON IMPLEMENTATION OF IND AS

RBI, in its press release dated 5th April, 2018, has deferred implementation of Ind AS by one year till 1st April, 2019. Earlier, RBI had issued a road map for implementation of Ind AS for Banks in India for accounting periods beginning from 1st April, 2018.

A Steering Committee headed by Managing Director (Risk, IT & Subsidiaries) is monitoring the progress in implementation of Ind AS in the Bank to ensure a smooth transition to Ind AS as per the time schedule.

III. CORE OPERATIONS

1. RETAIL & DIGITAL BANKING GROUP

The Retail & Digital Banking Group is the largest business vertical of your Bank, anchoring 96% of total Domestic Deposits, and 57.53% of total Domestic Advances, as of 31st March, 2018. The Group comprises seven strategic business units and is the largest in terms of its branch network and human resources.

Retail Banking is playing an increasing role in customer acquisition and CASA growth. Your Bank continues to see a strong momentum in the addition of retail deposit customers and consequently, a steady growth in the retail deposits base. Simultaneously, to meet the aspirations of this growing customer base, retail assets are being strategically positioned with a view to occupying a much larger proportion of total advances. Within the retail portfolio, Home and Auto loans are the major contributors. Your Bank is also the largest dispenser of education loans, which demonstrates its unflinching commitment to serve the society at large.

A steady stream of technology driven innovations necessitated by changing customer preferences are transforming the retail banking landscape. Your Bank has a multi-channel delivery model, which allows it to offer its customers a choice to carry out transactions through any channel, at any time and at any place. In FY2018, your Bank increased its offerings across various channels – digital, mobile, internet, social media, in addition to branches, ATMs and Customer Service Points.

With collective efforts across functions, especially operational level, your Bank has streamlined a number of key issues surrounding the Bank. Amidst heightened concern on future regulatory requirements, cost of funds, fast changing consumer preferences, intensifying competition and profitability pressure, your Bank has made a road map towards profitability-oriented performance management. As a way forward to achieve this, your Bank has introduced Return on Risk Weighted Assets (RoRWA) budgeting including benchmarking efficiency parameters.

With a view to increase the profitability and Return on Assets (ROA), curtailment of overheads has always been the prime focus of your Bank. With this objective

of containing costs, especially in the post-merger scenario, your Bank has conducted various audits like Space Audit, Energy Audit, Telephone Audit and Internet Audit, to name a few, in erstwhile Associate Bank (e-ABs') branches.

Your Bank accords highest priority towards creating an environment of increased risk awareness at all levels. It also aims at constantly safeguarding the appropriate security measures, including cyber security measures, to ensure avoidance or mitigation of various risks. Your Bank is equipped with a Disaster Recovery/Business Continuity Plan (BCP) across all branches and offices to render uninterrupted services in the event of any possible business disruption.

A. PERSONAL BANKING

The significant transformation of the banking industry in India is clearly evident from the changes that have occurred in the financial market. Disruptive innovations in the technological and digital banking products has opened up new vistas for banks to augment revenues and enhance customer delight. This has entailed greater competition and consequently greater risks. Cross-border flows and entry of new products have significantly impacted the domestic banking sector. This is paving the way for innovative product mix, and also necessitates rapid changes in the process and operations to remain competitive. These developments have facilitated greater choice for consumers, and subsequently requires adoption of a strong and transparent, prudential, regulatory, supervisory, technological and institutional framework in the financial sector at par with international best practices.

Your Bank offers a wide range of services in the Personal Banking Segment as mentioned below:

1. Home Loans

Your Bank has the largest Home Loan portfolio in the country, with a market share of 32.13% as on 31st March 2018, amongst All Scheduled Commercial Banks (ASCBs). Home Loan portfolio constituted 18% of the Whole Bank Advances as on 31st March 2018.

Total Home Loan and Home Loan Related portfolio as on 31st March 2018 stood at ₹ 3,41,081 crore.

During the current financial year, there were internal challenges with the merger of five Associate Banks and Bharatiya Mahila Bank Ltd. with your Bank. Further, slowdown in project launches, due to the teething problems in implementation of RERA, impacted business during the first half of the year. Your Bank undertook initiatives to streamline the operations post merger, and the growth revived back in second half of the year despite slow down in the Home Loan market. Various initiatives were taken up during the year to provide superior experience to a home buyer and maintain its position of the most preferred Home Loan provider. Some of the key initiatives undertaken during the year are as under:

To meet the customer expectations of better and faster delivery, your Bank undertook:

- Home Loan Customer Connect Programme, through which the Bank reached out to over 1 lakh Home Loan Customers across the country, to thank them for their continued patronage and to offer after-sales services.
- Assured Turn-Around-Time Drive, resulted in reduction of average turn around time (TAT) of Home Loan Sanction to 9 days for the month of March 2018. This TAT is comparable to the best in the industry.
- Increased number of feet-on-street to provide door step service at more than 25 centres.

The rise in internet penetration and faster adoption of internet has necessitated easy access to information at the touch of customers' fingertips. To fulfil these needs, your Bank launched two websites this financial year:

- SBI Home Loans website (<https://homeloans.sbi>): It is an exclusive website for Home Loans which apprise customers with instant information regarding Bank's home loan products. It also provides customers with pre and post sales services, including Application for Disbursement, Statement of Accounts, Next Instalment Due Date and Interest Rate History, among others.

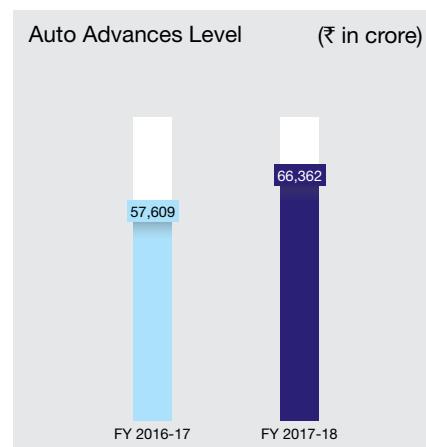

- SBI Realty Website (www.sbjrealty.in): This website showcases your Bank's approved projects across India to prospective home buyers. It helps to bring together developers and buyers on a single platform, giving buyers the access to the deals on SBI approved projects.

Affordable Housing is a thrust area of the Government to bridge the huge demand-supply gap of houses in India. Your Bank has been working in tandem to fulfil the mission of "Housing for All" by 2022, by facilitating affordable housing to home buyers. Few initiatives in this regard are as follows:

- The launch of "SBI Grah Nirman Affordable Housing Project Finance Scheme" with attractive features to tap the emerging potential for financing affordable Housing Projects and is especially geared towards first-time home buyers.
- Partnered with CREDAI in an event where 375 affordable housing projects were launched by builders across India.
- Sanctioned 37,007 home loans under PMAY scheme, aggregating to ₹ 7,997 crore during the financial year.

2. Auto Loans

Your Bank is helping upgrade the living standards of its customers by providing auto loans and making owning a car affordable. These auto loan products of your Bank are available in many variants to suit the requirements of various customer segments - salaried, businessmen, self-employed, professionals, senior citizens, NRIs, agriculturists and existing borrowers, among others. Multi-channel sourcing of proposals and faster TAT has made the auto loan products highly popular. This has helped your Bank to increase its penetration in financing cars sold by various manufacturers such as Maruti, Hyundai, TATA Motors, to name a few. The market share of your Bank in Car Loans has also gone up from 33.77% as on 31st March, 2017 to 34.97% as on 31st March, 2018.

3. Education Loans

Education is the key growth driver for any economy as it helps create skilled and productive human resources who contribute to the development of the nation. Your Bank takes pride in being the largest Education Loan provider in the country. It has helped 56,042 meritorious students during the financial year to realise their dreams by providing financial assistance to the tune of ₹ 4,949 crore (out of which 35% of the loans have been extended to girl students). In order to broaden the scope of Education Loans to book quality business and enhance customer satisfaction as under, your Bank has taken various steps:

- Provided Education Loans to students of 147 top-rated, premier and reputed institutions identified by the Bank at relaxed norms and concessional interest rates.

- Door-step services are extended for sourcing high-value education loan applications at select centres.
- All courses and institutes approved by the Director General of Civil Aviation (DGCA)/ Director General of Shipping (DGS) in the list of eligible courses covered under Education Loans, have been included for financing by the Bank.
- Bank's Loan Origination System has been integrated with Vidya Lakshmi Portal (VLP) of Government of India to ensure better tracking of the loan applications and faster sanctioning of loans.

4. Personal Loans

Personal Loan is one of the most popular products of your Bank and is amongst the leaders in this segment. Your Bank has been aggressively catering to the needs of salaried class (both government and private), pensioners and other customers. During FY2018, your Bank has provided Personal Loans to 14 lakh customers amounting to ₹ 50,971 crore. The Bank's delinquency under this segment is one of the lowest in the industry. This has been possible because of your Bank's utmost caution in selection of borrowers and careful due diligence.

Your Bank has adopted various technological innovations mentioned as under, to serve the digital-savvy customers:

- Top-up Insta Credit loan to existing Xpress credit Personal Loan borrowers through internet banking in an end to end digitised mode.
- Pre-approved instant Personal Loans to the existing SB account holders of the Bank through its YONO app.
- Overdraft (OD) facility for select customers for purchases done through online shopping websites like Flipkart.
- Tatkal e-Personal Loans to cater to the needs of unserved and underserved non-salaried customers, based on selected parameters.
- Personal loan against security of Sovereign Gold Bonds of Government of India on a pilot basis.
- Personal loans to non-customers by evaluating credit history of the applicants and Credit Information Reports (CIR) of various CICs.

9. Customer Experience Excellence Project (CEEP)

The Customer Experience Excellence Project CEEP has been rolled out at 5,364 branches across the country which are equipped with Self Service machines as ATM, CDM/ Recycler, SWAYAM for Passbook Printing, Electronic Cheque Drop Box and Internet enabled PCs. An integrated Queue Management system (QMS) is in place at these branches to ensure that the customers are serviced promptly without having to wait in queues at the counters. There is a provision of separate token for Senior Citizens/ Disabled persons in QMS to give them preferential service. A Customer Feedback Tab is provided at these branches to enable the customers to give their feedback on the services of the branch. Real time monitoring and Branch choreography are undertaken at these branches to give the customers an excellent service experience.

Your Bank's Mobile App "State Bank No Queue" enables customers to self-generate e-tokens for availing Banking services at CEEP Branches. This App is available on both Android and iOS phones and it helps in reducing waiting time for customers at the branch. It also reduces crowding at a branch as the token is generated before the customer reaches the branch. This helps customers to skip the queue and avail banking services faster. As on 31st March, 2018, the App has registered more than 23,66,000 (2.37 million) downloads. The usage of the App is increasing on daily basis. The HNI customers are tagged as Priority Customers at these branches.

Your Bank has also undertaken Customer Service Feedback Survey at select CEEP branches to assess the impact of the CEEP initiative on the quality of customer service. The feedback thus received is being used to improve the customer service and facilities available for the customers.

10. Digital Banking

Your Bank has always been a pioneer in innovating new concepts in Banking Sector. One such step was setting up the high-tech, one of its kind, sbiINTOUCH branches, which has brought in a new paradigm in banking. At present, your Bank has 262 sbiINTOUCH branches equipped with state-of-the-art digital technology. These sbiINTOUCH branches cover more than 148 districts across the country.

At the sbiINTOUCH branches, your Bank provides banking services such as the opening of accounts and the printing of personalised Debit Cards in 15 minutes. This has been made possible

by revolutionary Touch Technology. Your Bank's strategy is to create a 'Phygital' marketplace within these futuristic branches, to offer customers 1) Banking through self-service kiosks and 2) Services of other SBI subsidiaries such as Life Insurance, General Insurance, Mutual Funds, Credit Cards and online trading through SBI Cap Securities. Financial counselling through hi-definition Audio Video conferencing service is provided at select sbiINTOUCH branches, where customers can interact with financial experts.

In August, 2017, your Bank has also launched, the facility of instant issuance of personalised Photo Debit Card - 'Quick Photo Debit Card' within five minutes to Saving Bank (SB) account holder of any branch of SBI. Under the facility, an individual SB account holder who has an account with SBI and has lost or damaged his debit card, can visit any sbiINTOUCH Branch with his Aadhar Card and obtain Instant Photo Debit Card, bearing his photograph, through Debit Card Printing Kiosks.

This highly secure and cost-effective channel has processed 159 crore transactions during FY2018, and the addition of new INB users has registered a growth of 35% over the previous year.

To rejuvenate the e-Commerce ecosystem proactive initiatives have been taken for technology partnerships with various Government Departments enabling them to leverage their e-Governance channels like e-Auction, e-Tendering, e-Freight and online collection of tax dues. Over 17,515 merchants have been on-boarded under ASVA model during FY2018. BHIM SBI Pay has been added as one of the options in SBMOPS.

C. SMALL AND MEDIUM ENTERPRISES

Your Bank is pioneer and market leader in SME financing. With over one million customers, the SME portfolio of ₹ 2,69,875 crore, as on 31st March, 2018 accounts for nearly 13.17% of the Bank's total advances.

Considering the important role being played by SMEs in the Indian economy in terms of their contribution to manufacturing output, exports and employment generation, your Bank has always held SME as an important segment.

Your Bank is committed to providing Simple and Innovative Financial Solutions. Your Bank's approach in driving SME growth rests on the following three pillars:

- Customer Convenience,
- Risk Mitigation,
- Technology based digital offerings.

1) Customer Convenience

With a view to building and sustaining the momentum for Transforming India, your Bank has created largest number of touch points in terms of number of branches and other modes, reaching out to public at large, which includes RMSEs (866), RMMEs (775), CSOs (900), SMECs (89), RASMECs (81) and SME Intensive Branches (1,248).

With a view to enhancing Ease of Doing Business to the Small and Micro Enterprises, your Bank modified its existing delivery model for Small & Medium Enterprises Center (SMEC) and created Asset Management Teams (AMT) for providing end to end relationship with the customers for small value loans up to ₹ 50 lakh. The SMECs have also been strengthened in terms of manpower which has resulted in improvement in service.

Web based loan application and tracking system: Your Bank is hosting an online loan application and tracking facility for MSME borrowers on the Corporate Website www.sbi.co.in. It is an Intranet-based Credit Proposal Tracking System called Lead Management system (LMS), which allows customers to apply online loan request and receive an acknowledgement in the form of application reference number. The data of customers is then automatically forwarded (through concerned network in Circles) to relationship points for converting these leads into business.

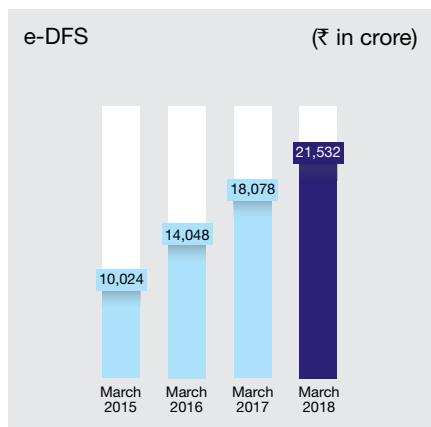

Participation in Business Conclaves/Summits: Your Bank has been actively participating in Business Conclaves and Summits to reach out to entrepreneurs and understand and meet their requirements.

2) Risk Mitigation

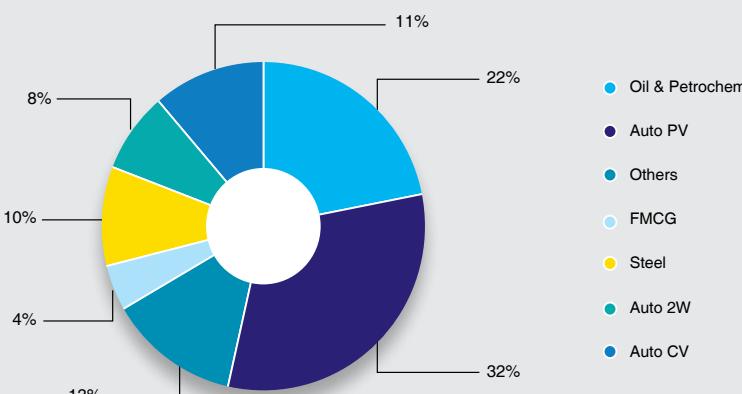

Your Bank has been increasingly shifting focus towards Risk Mitigated Products, which includes Supply Chain finance, Asset Backed Loans, Overdraft against Bank Deposits/Govt. Securities, Bills Discounting facility and CGTMSE covered loans, among others.

Supply Chain Finance: Leveraging the state-of-the-art technology and branch network, your Bank is further strengthening its relationship with the Corporate World and has emerged as a major player in Supply Chain Finance.

During the fiscal, your Bank entered into 49 new e-DFS (Electronic Dealer Finance Scheme) and 8 new e-VFS (Electronic Vendor Finance Scheme) tie-ups covering 292 Industrial Majors and 22,406 of their dealers and 12,512 vendors. The number of oil dealers (Petrol Pumps) on e-DFS crossed 13,000 during the last fiscal. There has been 19% YoY growth in e-DFS portfolio.

The market segment wise and sector wise diversification of eDFS portfolio is represented in the pie-chart below:

Shri P. K. Gupta, MD (R&DB), felicitating officials of M/s TATA Motors Ltd. for SBI-TATA Motors Ltd., Tie-up under SBI - Supply Chain Finance (e-DFS & e-VFS)

Pradhan Mantri Mudra Yojana: In line with the initiatives of the Government of India, your Bank has laid considerable emphasis on extending credit facilities to eligible units under different variants of Pradhan Mantri Mudra Yojana and has disbursed ₹ 28,556 crore for FY2018 under PMMY against a target of ₹ 28,300 crore.

Credit Flow to Micro and Small Enterprises under CGTMSE: Your Bank has been a pioneer in supporting MSMEs and for Micro and Small business. Your Bank is extending collateral free lending up to ₹ 2 crore under guarantee of CGTMSE. SBI has a portfolio of ₹ 12,549 crore under CGTMSE as on 31st March, 2018.

SME ASSIST: Introduction of GST is a transformational move by the Government of India. Your Bank conducted GST workshops in 91 modules/centers as a part of knowledge dissemination initiative on GST, covering 4,087 SME borrowers. Town Hall Meetings were also conducted at all the District Headquarters to bring awareness about GST among MSMEs.

Your Bank rolled out a new Product - SME ASSIST during the fiscal to finance pending input credit claims under GST. As on 31st March, 2018, your Bank has funded 431 units with a total portfolio of ₹ 228 crore.

3) Digital offerings

Your Bank is leveraging technology in every aspect of the value proposition from sourcing business, designing products, streamlining process, improving delivery to monitoring.

Your Bank has taken several initiatives to build SME portfolio in a risk mitigated manner and has brought about significant changes in (i) Product suite, (ii) Process (iii) Delivery.

Ecosystem Financing (Project Shikhar) has been introduced by your Bank to take advantage of growing e-commerce footprint in the economy.

Cluster Based Funding: Cluster based approach enables your Bank to deal with well-defined and recognised groups and

to tap the growth potential. Since the units belong to a cluster with same kind of activity, it helps in assessing their needs and monitor the overall portfolio. As on 31st March, 2018, your Bank has helped 441 units under Cluster Finance with total portfolio of ₹ 450 crore.

Warehouse Receipt Finance: Your Bank has introduced Warehouse Receipt Financing scheme (WHR) to extend finance to traders/owners of goods/manufacturers for own processing against Warehouse Receipts. Warehouse receipt is issued by Collateral Managers with whom your Bank has a tie-up (presently NBHC, NCML, Star Agri, Origo). Further, WHR issued by Central Warehousing Corporation (CWC)/State Warehousing Corporation (SWC) is also eligible for WHR finance. The WHR portfolio as on 31st March, 2018 stands at ₹ 5,795 crore.

Project Vivek

Project Vivek, heralded paradigm shift in your Bank's appraisal system from traditional Balance Sheet based funding to a more objective appraisal system of leveraging cash flow and other information sources. It is a promising initiative taken and launched by your Bank for new Credit Underwriting Engine (CUE) for the SME segment, which brings in objectivity for better risk assessment. It also reduces Turn Around Time (TAT) resulting in better customer experience. As on 31st March, 2018 , a total 13,713 proposals have been processed under Project Vivek.

Trade Receivables Discounting System (TReDS): TReDS have been set up for flow of finance to MSMEs. Your Bank was first among all PSBs to register on the TReDS platform RXIL and M1xchange. Your Bank has been actively participating in the online biddings on the platform and has been offering very competitive rates to the benefit of MSMEs.

Loan Origination Software (LOS-SME) and Loan Life-Cycle Management System (LLMS): With a view to adopt the uniform standards of credit dispensation and for ensuring quality and preserving corporate memory, LOS & LLMS have been introduced for small and high value loans, respectively.

Digital Inspection Application (DIA-SME): This is a Tab and Mobile based application for recording inspection of SME units as a process of digitalisation of pre-sanction/ post sanction processes of SME units. Your Bank also records collateral security, location of the properties and place of business with photograph and geo-coordinates through this Digital application.

D. RURAL BANKING

1. Agri Business

Against the background of the Union Government's goal of doubling farmers' income by 2022, Agriculture and allied activities have got greater focus during the year in your Bank's lending activity. Your Bank serves about 1.35 crore farmer families all over India. It surpassed the Agri credit flow target set by the Government of India during FY2018, as it has done in the past. This is depicted in the table below:

Flow of Credit to Agriculture Trend

Year	Target	Disbursement	(₹ in crore) % Achievement
FY2015	84,500	86,193	102%
FY2016	89,781	1,02,423	114%
FY2017	95,168	1,25,270	132%
FY2018	1,05,741	1,66,819	158%

In order to ease the flow of credit for Agriculture, your Bank has now raised the limit for renewal of mortgage-free crop loans from ₹ 1 lakh to ₹ 1.5 lakh. It has also introduced a scheme for financing of dairy units under the Mudra scheme with liberalised terms for loans up to ₹ 10 lakh, as allied agricultural activity is a mean of increasing farmers' income.

A new product which is designed to meet the general-purpose needs of farmers against the collateral of property called the Asset Backed Agri Loan (ABAL), picked up momentum during the year and the growth under this product was about 200%, albeit on a lower base. This product has been accepted by customers because of the flexibility it offers.

Your Bank is de-risking its Agri portfolio and supporting farmers at the same time

by entering into local level and national level tie-ups with Agri Corporates, wherein the supply chain will ensure cash flows for timely renewal of loan and better incomes for the farmers. Your Bank is also lending under a Cluster-based approach to tap opportunities that revolve around areas and centres which have traditionally been known for activities like shrimp farming, dairy, poultry and higher value horticulture crops like pineapple and mango.

Recognising the contribution of rural India to the nation's economic growth, your Bank has been striving to meet the financial needs of the rural segment through various new channels and services. A pilot project on a hub-and-spoke model for improving turn-around time and the quality of credit appraisals in the Rural and Semi-urban branches was rolled out in over 80 Regions across the country.

Improving Productivity through Soil Testing Programme
Branch : Dalgaon, North-East Circle

As widely reported, the Agriculture sector saw a number of developments with a few States announcing waiver of farm loans in response to demands by the farmers. Your Bank on its own announced two Rinn Samadhan schemes, covering farm sector loans and the internal targets set under both the schemes were achieved.

Keeping in view the large number of customers served by your Bank, it took the lead and organised mass contact programmes on six occasions during the year. Under this initiative, on a pre-fixed day, all Rural and Semi-urban branches of your Bank held informal meetings with farmers to improve customer connect and spread awareness about the Bank's and Government's schemes. It is estimated that at least 1.5 million farmers attended these meets.

Other important initiatives taken during the year included issuance of 71.66 lakh KCC-ATM-RuPay Cards to Kisan Credit Card (KCC) borrowers for ease and operational convenience. KCC RuPay Cards work seamlessly with ATMs and PoS machines, enabling farmers to purchase their day-to-day farm requirements on 24x7 basis.

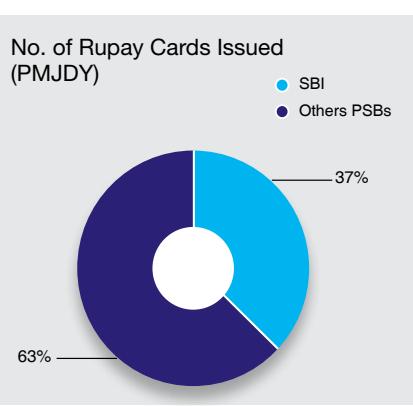

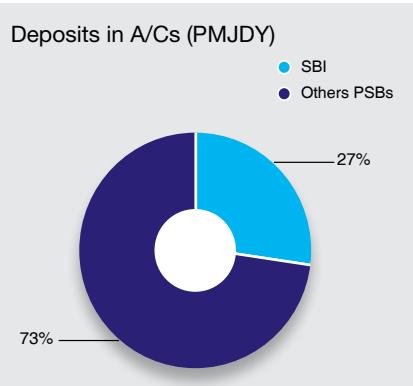

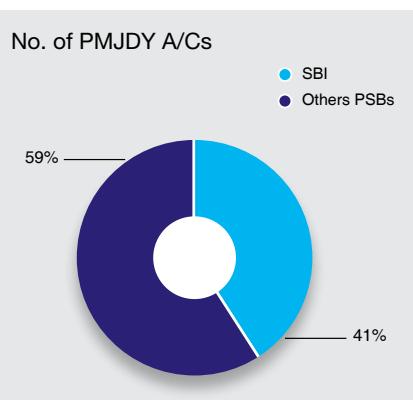

2. Financial Inclusion (FI)

Your Bank realises the role it must play as the largest bank in the country in practicing and promoting financial inclusion activities. The spread of digital banking channels and expansion of Business Correspondents (BC) networks are giving your Bank the impetus to further grow its financial inclusion activities. Thus, to achieve inclusive development and growth, your Bank has worked out several strategies and leveraged technology to expand financial services to the door steps of people with the purpose of bringing the excluded under the ambit of formal banking system.

Your Bank has 58,274 operating Business Correspondents and over 22,400 branches across the country to offer banking services. The Business Correspondent channel has recorded 31.21 crore transactions amounting to ₹ 1,24,930 crore in FY2018, translating to around 1-1.5 million transactions per day. The Business Correspondent channel provides customers with access to various banking products and services, reducing the foot-falls in the branches.

Under the Pradhan Mantri Jan Dhan Yojana (PMJDY), your Bank has paved the way for universal financial access by being a pioneer in implementing the programme. Your Bank has opened

more than 10 crore accounts up to 31st March, 2018 and issued 6.62 crore RuPay debit cards to eligible customers. These initiatives taken under financial inclusion are a part of key economic policy agenda of the Government. Over the last decade, your Bank has a major share in providing access to banking services to the excluded in the ecosystem.

To fulfill the needs of Social Security measures, low cost Micro insurance products (PMJJBY, PMSBY) and pension schemes(APY) to the unorganised sector are also provided in a big way, covering over 2 crore of customers. These initiatives are empowering the population to have the benefit of the financial system and move towards a cashless economy.

a. Imparting Financial Literacy

With the objective of imparting financial literacy and facilitating effective use of financial services, your Bank has set up 336 Financial Literacy Centres (FLCs) across the country. During FY2018, a total of 23,962 financial literacy camps were conducted by these FLCs across the country. As part of the pilot project being implemented by RBI, your Bank has also set up 15 centres for Financial Literacy at Block level, 5 each in the state of Maharashtra, Chhattisgarh and Telangana in association with NGOs identified by RBI.

b. Rural Self Employment Training Institutes (RSETIs)

Rural Self Employment Training Institutes (RSETIs) play an important role in skill development by imparting comprehensive quality training programme to rural youth. It also facilitates them in setting up of micro enterprises. Your Bank has set up 151 RSETIs spread across 27 States and one Union Territory.

Your Bank RSETIs have trained more than 1 lakh rural youth during FY2018. Over 63% of the candidates trained are women and 83% of the candidates trained belong to non-general categories (SC/ST/OBC/Minorities). More than 6 lakh candidates have been trained by SBI-RSETIs over a period of seven years of which 67% have been settled, thus building momentum for transforming rural India.

E. OTHER NEW BUSINESS INITIATIVES

1. Payment Solution Vertical

Banking system is witnessing new challenges in its traditional business domain from new digitally enabled entrants. Payment systems, of late, have become the most sought after aspect of banking business on account of the growing penetration of smart phones, e-commerce and launch of a number of innovative products/mobile apps.

Debit Cards: With approximately 26 crore actively used Debit Cards as on 31st March, 2018, your Bank continues to lead in Debit Card issuance in the country. SBI has a market share of 32.35% in terms of Debit Card penetration as on 31st March, 2018. In line with the approach of moving towards a digital economy, your Bank has adopted a focused strategy on shifting the usage of Debit Cards by customers from ATM (for cash withdrawals) to PoS/eCom websites by executing regular promotional/activation campaigns in collaboration with leading

e-comm and retailers. Your Bank has successfully launched various innovations and functionalities around Debit Cards like Contactless Debit Cards, Bharat QR, Samsung Pay and Visa Checkout.

In order to increase digital participation with customers, your Bank has also tied up with various institutions like Mumbai Metro, Chennai Metro, IIM Ahmedabad, College of Engineering - Pune and others for launching co-branded Debit Cards/combo Cards.

Such consistent initiatives towards digitising payment transactions, not only reduce cost of transactions but also help in reducing carbon footprint through lesser use of paper. As a result of these initiatives, your Bank has improved its market share in Debit Card spends from 29.33% as on 31st March, 2017 to 30.40% as on 31st March, 2018.

State Bank Foreign Travel Cards: State Bank Foreign Travel Cards (SBFTC) are available on the VISA platform, in eight Foreign currencies namely Japanese Yen, Canadian Dollar, Australian Dollar, Saudi Riyal, Singapore Dollar, US Dollar, Euro and British Pound, providing safety, security and convenience to overseas travellers. SBFTC is also issued as Multicurrency card on MasterCard platform. Initially, it was launched in four currencies viz. US\$, GBP, Euro and SGD. During the year, three new currencies viz. AUD, CAD and AED have been added. Your Bank is also aggressively promoting tie-ups with FFMCs (Full Fledged Money Changers).

Rupee Prepaid Cards: Prepaid card usage has been growing for purchase of goods and services as well as for funds transfer in India. Your Bank has issued PPIs for ₹ 950.31 crore during FY2018 registering a growth of 122.90% over the previous year.

Enterprise Wide Loyalty Program - State Bank Rewardz: To encourage and maximise digital adoption amongst SBI customers and also to attract more customers on SBI platform, your Bank launched Loyalty Rewardz program across seven channels during 2015, which is being extended to 4 more channels including YONO. This will encourage repetitive usage of digital transactions thereby creating digital habit amongst customers. State Bank Rewardz has also been implemented through mobile app, which can be downloaded from the Google Play Store and from App Store in iOS

Foray into digitalisation of Mass Transit:

The advent in digital technology along with rapid urbanisation and infrastructure development, has given a significant boost to the urban public transportation in India. With a vision to 'Be the Bank of Choice for a Transforming India', your Bank has taken the following steps on its journey of transforming the transit space in India:

- (a) Your Bank has successfully implemented the ambitious project of NHAI - National Electronic Toll Collection (NETC). Your Bank is issuing SBI FASTag; working on Radio Frequency Identification technology (RFID) and enables the Customers to pay the toll electronically across all the National Highway Toll plazas.

Through SBI FASTag, customers can pay their toll electronically and can top up/recharge their SBI FASTag wallet online through a dedicated portal by using various modes like Debit Cards, Credit Cards, Internet Banking of any Bank. The customer can also view the history of transactions of their vehicle.

Your Bank has issued more than 2.7 lakh tags to customers. Toll transactions through the SBI FASTag has crossed a mark of 68 lakh and total transaction amount has crossed ₹ 140 crore level in FY2018.

- (b) With the aim of digitising micro-payments rapidly, your Bank has participated in various metro and transit projects. Your Bank has been awarded the Nagpur and Noida metro project for implementation of open loop Automatic Fare Collection System based on the qSPARC technology on the RuPay platform.

Your Bank has designed SARVATRA Card in line with the National Common Mobility Card (NCMC) guidelines as envisioned by Ministry of Urban Development (MoUD). This card offers features of a metro travel card on RuPay Prepaid Card, wherein transactions can be conducted offline. Apart from payment of fares in the multi modal transit, this card offers extended usage for retail payments as well as e-commerce.

2. Acceptance Infrastructure (Merchant Acquiring Businesses vertical)

Your Bank is playing effective role in building momentum for transforming India through digitalisation of the economy. In sync with the focus of the Government of India to create a less-cash economy, your Bank has expanded digital payment acceptance infrastructure and rolled out new payment acceptance solutions.

Your Bank continues to be the top acquirer in the country in terms of number of terminals with a market share of 20.20% (as per the latest available RBI data as on 28th February, 2018). During the year, your Bank introduced two new digital payment acceptance products - Bharat QR and BHIM-Aadhaar-SBI; and on-boarded 2.02 lakh and 4.97 lakh merchants respectively on these platforms. PoS deployed by your Bank has grown from 5.09 lakh as on 31st March, 2017 to 6.10 lakh as on 31st March, 2018. In total, the number of merchant payment acceptance touch points crossed 1.96 million as on 31st March, 2018.

The value of acquiring transactions has reached almost ₹ 1 trillion with 68% increase on Y-o-Y basis. Your Bank has been successful in digitising sale transactions of retail outlets of oil marketing companies by installing 34,000+ PoS terminals at more than 20,000 retail outlets.

In order to increase penetration of digital merchant payment acceptance infrastructure in semi-urban and rural areas, your Bank has focused on tier V and tier VI centers. As on 31st March, 2018, about 31% of total PoS terminals deployed are in rural and semi urban areas.

In addition to offering basic acquiring services, your Bank is also providing Value Added Services such as:

- DCC-Dynamic Currency Conversion
- EMI facility
- Cash@POS facility for cash dispensation to debit card holders

State Bank of India has collaborated with major Corporates and also with government departments in digitising their operations from cash to digital mode. Your Bank has created a robust payment infrastructure for facilitating digital acceptance, which involved customisation and integration of its systems with those of corporates and Government departments to ensure seamless flow of

digital transactions. Some of the notable integrations have been with the systems of Indian Railways, India Posts and e-GRAS for the Government of Haryana.

F GOVERNMENT BUSINESS

Your Bank has traditionally been the preferred and accredited Banker to major Central Government Ministries/Departments. Commanding the market in Government Business, your Bank has a share of more than 80% in Government Commission. Your Bank is at the forefront in developing e-Solutions for both Central and State Government undertakings. This has facilitated transition of Government Business to the online mode, resulting in greater efficiency and transparency. Your Bank is an active stakeholder in the Government's latest initiatives such as the Government e-Marketplace and is continuously engaged in developing customised technology solutions such as e-Tendering, e-BG and e-Trade to keep pace with the Government's digital initiatives.

This will help facilitate digital storage and retrieval of AOFs data for operational purpose.

As a result of these initiatives, Branch premises will be decongested and have more space and better look to offer to the customers for their convenience and more fulfilling experience.

2. CORPORATE BANKING GROUP

The Wholesale Banking business ecosystem at your Bank focuses on servicing corporate customers, through customised financial solutions, and is comprised of several teams focused on specific areas to facilitate specialisation and customised product offerings to your Bank's clients.

A. CORPORATE BANKING

The Corporate Accounts Group (CAG), provides corporate banking services to large corporates and institutions, including state-owned enterprises and caters to customers with total credit exposure in excess of ₹ 5 billion.

It offers fund-based and non-fund-based products, fee and commission-based products and services, deposits, foreign exchange services as well as a range of foreign currency and treasury services, including RBI permitted derivative arrangements provided by the International Banking Group and the Global Markets Group. It also facilitates cash management initiatives, centralised payment solutions, derivatives products, wealth management services, remittance and collection services, online tax payment, end to end payment solutions, cross-selling of a variety of financial

products and services offered by other groups in the Bank, including personal banking services, co-branded credit cards and supply chain finance.

Corporate Accounts

The Corporate Accounts unit focuses on your Bank's prime corporate clients across India. Each client is assigned a dedicated accounts management team led by a relationship manager to coordinate the client's banking requirements. The Corporate Accounts unit aims to leverage its corporate relationships to grow its fund-based, non-fund-based and fee-based products.

Your Bank ensures focused marketing and customer service for its corporate clients. In addition to corporate internet banking facility with multi-level access and authorisation controls, other delivery channels include the Bank's extensive branch network, credit card offerings and electronic payments platforms. The Corporate Account units' services are delivered through the Bank's specialised branches in Mumbai, New Delhi, Chennai, Kolkata, Ahmedabad and Hyderabad.

The Corporate Accounts unit's corporate loan portfolio primarily consists of fund based products (including cash credit, working capital demand loans, bills discounting, export finance, corporate loans and term loans for project and corporate finance) and non-fund based products (including letters of credit, bank guarantees, deferred payment guarantees). Varied investment products like bonds, commercial paper and non-convertible debentures, among others are arranged by the Global Market Group of your Bank to corporate customers.

The total outstanding loans to clients in the Corporate Accounts unit stood at ₹ 3,385.78 billion and ₹ 4,118.97 billion in respect of fund-based products, and ₹ 1,895.99 billion and ₹ 2,172.88 billion in respect of non-fund-based products as of 31st March, 2017 and 31st March, 2018 respectively.

The CAG has been instrumental and a co-participant in various development schemes of the Government aimed towards transforming India through sustainable development within the 15-year road map. Towards achieving this vision, CAG has been actively supporting many Infrastructure projects like Roads and Ports (improving connectivity all over India and also contributing to ease of business); Power (in line with the

Government's Saubhagya Scheme of providing power to all households by March, 2019; Renewable Energy (including wind power, solar roof top and hydro projects, among others for sustainability) and various EPC Projects (to support Government priority projects).

B. TRANSACTION BANKING UNIT

Transaction Banking Unit (TBU), a technology driven platform offers comprehensive transaction related products and solutions to clients. The objectives of TBU are to adopt new technology initiatives catering to bulk transaction requirements of clients along with other value additions like customised MIS, integration with ERP and dedicated single point Client Support Cell, among others. Study and analysis of transaction patterns enables your Bank to develop non-traditional techniques for assessing other Banking requirements like Credit, Fund Management, Cross Selling and other for clients.

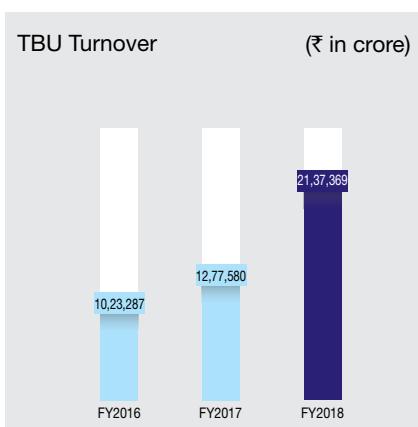

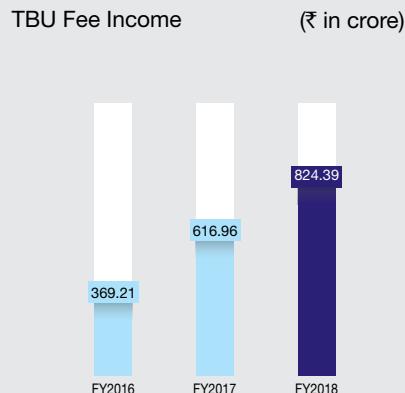

Your Bank offers a wide range of TBU products to Corporates, Mid-Corporates, Government Departments, Financial Institutions viz. NBFCs, Insurance Companies, Banks, Mutual Funds and SME Clients which facilitates their fund management requirements.

By keeping a track on market development, your Bank provides technology based futuristic solutions to clients to keep TBU products updated and ahead of its competitors.

While, Corporate Customers and Government clients (both Central and State Government) continue to be the key focus segment, your Bank has grown thrust to SME sector to increase

penetration among existing as well as start-up business.

TBU fee Income increased by 33.62% from ₹ 616.96 crore in FY2017 to ₹ 824.39 crore in FY2018. A 30% growth in fee Income has remained consistent in the last three years. Turnover registered a Y-o-Y increase of 67.30% with transactions amounting to ₹ 21,37,369 crore in FY2018 over ₹12,77,580 crore in FY2017. Your Bank was awarded with "Best Transaction Bank in India" by The Asian Banker for FY2017.

C. PROJECT FINANCE AND LEASING

The project finance environment presented contrasting pictures of sector-specific challenges where on the one hand sectors like Roads exhibited some signs of revival while on the other hand Power, in particular non-renewable and telecom sectors continued to grapple with the macro-economic issues. The overall sentiments of the promoters and lenders remained subdued owing to the continuously rising number of bad loans and stalled infrastructure projects. There are several new initiatives taken by Government as well as RBI, and if these steps deliver successfully, FY2019 may offer some hope to all the stakeholders.

Your Bank's special business unit Project Finance and Leasing (PFSBU) deals with the appraisal and arrangement of funds for large projects in infrastructure sectors such as power, telecom, roads, ports and airports. It also covers other non-infrastructure projects in sectors like metals, cements, oil & gas, among others, with certain threshold on minimum project cost. PFSBU also provides support to other verticals for vetting their large ticket term loan proposals. In order to strengthen the policy and regulatory framework for financing infrastructure, inputs are also provided to various Ministries of Government of India and the RBI with respect to lenders' views on new policies, Model Concession Agreements and broader issues being faced in infrastructure financing. The role of PFSBU has further expanded in stressed asset management in view of the substantial increase in the number of stressed assets.

During the year, PFSBU in all earned ₹176 crore as fee income, which was a growth of 25% over previous year.

MCG follows the approach of having periodical structured interactions, essentially serving as brain-storming sessions, among the key functionaries in the Group, for better understanding of the portfolio handled by the Group. The exchange of ideas and views in these interactions, among the top executives and the operating officials on the ground,

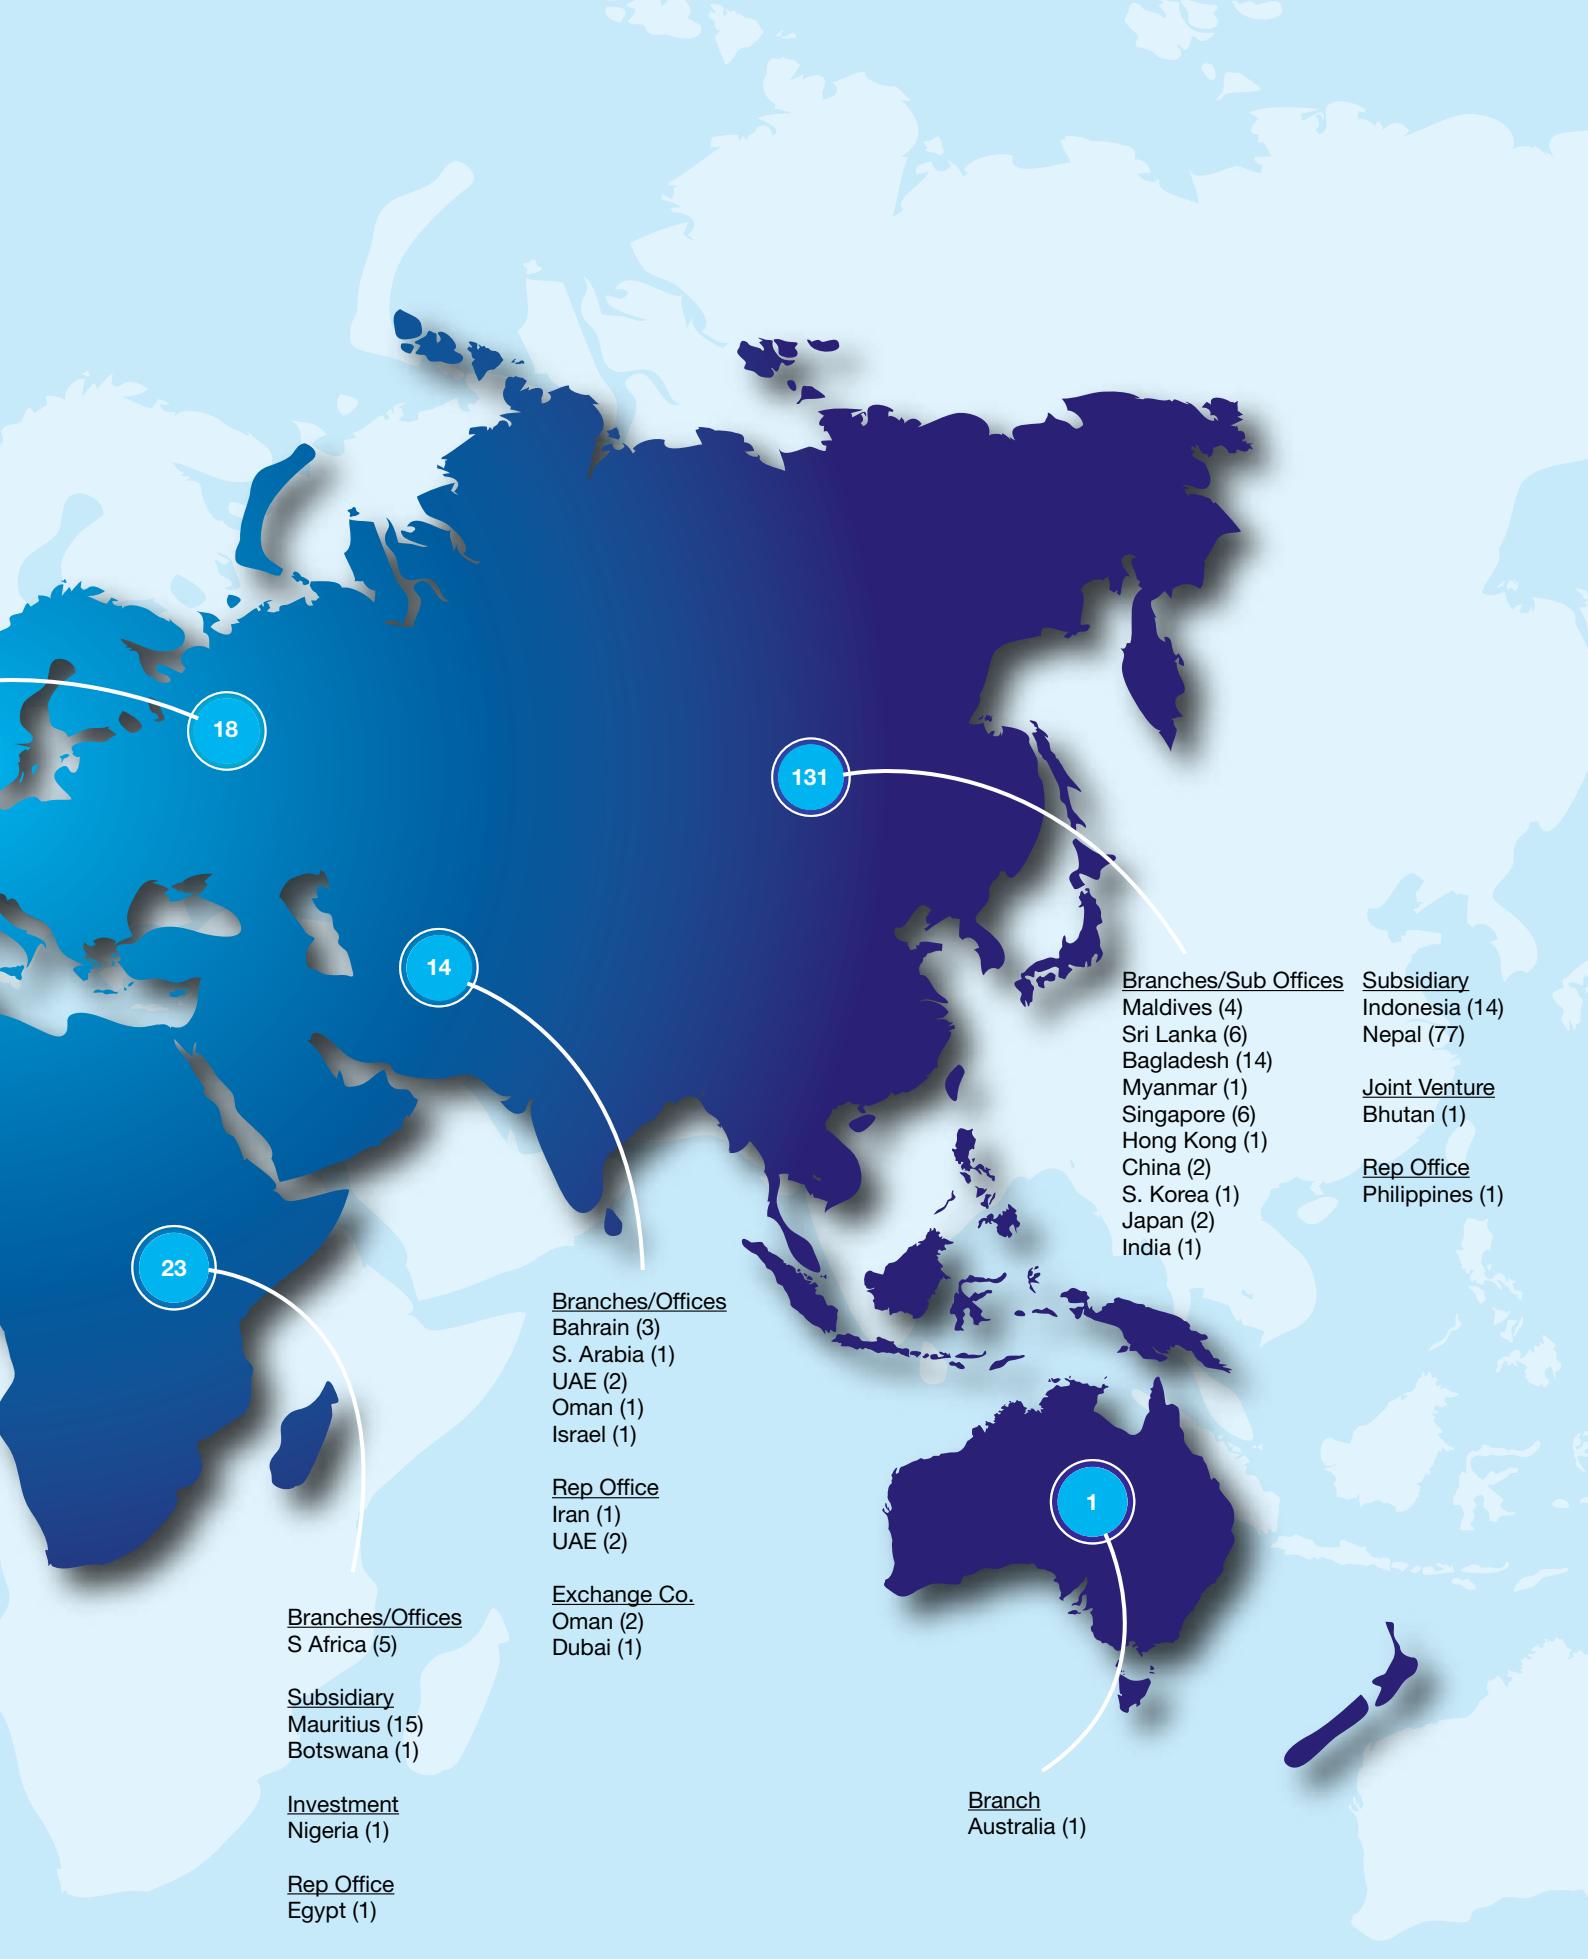

has been useful in the Group's planning for business growth and asset quality management.

The Group continues to partner in growth of its customers in India to expand their activities and provides them support for acquiring assets/companies overseas, including by way of loans to overseas subsidiaries/JVs (backed by Letters of Comfort or Stand-by Letters of Credit).

E. INTERNATIONAL OPERATIONS

INTERNATIONAL BANKING NETWORK OF 206 OFFICES ACROSS 35 COUNTRIES

Your Bank has been an epitome of trust across the length and breadth of the country. It has extended its wings across the globe with financial products for the NRI community, Indian corporates, exporters and importers as well as the local populace and corporates.

Your Bank was the first Indian bank to transcend borders with opening of branch

of Bank of Madras in Colombo, Sri Lanka in July, 1864. A branch of Imperial Bank of India at London followed in 1921. SBI has now become a pioneer of International Banking among the Indian Public Sector Banks with its presence across all time zones in 206 offices in 35 countries. These offices are being managed by the International Banking Group of the Bank.

Telecom: Your Bank is the only Indian Bank to have extended External Commercial Borrowings to one of the leading telecom players.

Energy - Oil & Natural Gas: Your Bank has been active in funding overseas acquisition by Oil Exploration and Marketing companies. These acquisitions have significant strategic importance to India, both in terms of augmenting India's energy security amid unstable crude prices by tying up new sources of crude oil as well as enhancing India's stature in the global political and economic arenas.

Power: Your Bank has always been leader in providing External Commercial Borrowings to Power sector companies and NBFCs engaged in on-lending to power sector.

Ports: With the current emphasis on "Make in India", the proportion of merchandise trade in India's GDP is expected to increase rapidly. Thus, ports would play a vital role in enhancing trade and commerce potential of the country by enhancing their operational efficiency and capacity. With this backdrop and with the intent to have access to cheaper cost of funds, Ministry of Shipping, Government of India has directed all major ports to avail External Commercial Borrowing (ECB) to fund their future capex program. Your Bank was the first among major Banks to support the initiative and meet the foreign currency requirements of Integrated Ports, thus demonstrating its long-term commitment to support country's infrastructure needs.

Fertiliser: The fertilizer industry has a major role to play in transforming the Indian farming sector and helping India achieve the goal of self-sufficiency in agricultural production. Your Bank has extended External Commercial Borrowing facility to major fertilizer producers in India that is slated to play a very important role in achieving the GoI's stated target of doubling the income of the farmers in five years.

2. Collaborative Partnership and Image Building

DIFC Dubai Branch of your Bank has partnered with Indian Companies in setting up green field projects in Dubai, thereby promoting Indian Entrepreneurship Skills and Technology, providing employment to the local populace and Indian immigrants and contributing to the New Image of India to be reckoned with in the global arena.

- Standalone SWIFT Centers at London and New York have been migrated back to India to ensure better control, oversight and protection against possible cyber threats
- Enterprise level CRM solution is being implemented across all Foreign offices to improve deep understanding of customer needs and behaviour, requiring very little remote support.
- Bank's Digital Banking strategy is continuously reworking to initiate various technologies such as Internet of Everything, Open Banking to enhance the choice, utility and experience, Mobility and Wearable. Your Bank has initiated : **Enterprise Project Management tool where every IT project is tracked.**
- a. Big data analytics to help deliver products on customer preferences and tracking customer stickiness for successful customer retention.
- b. Bank has begun using Private Cloud selectively and has plan for Document Management Solution to capture its records digitally.
- c. Generation of regulatory and other reports directly from core data under ADF (Automatic Data Flow) for International Banking Statistics (IBS), Bank Exposure and Country Exposure.

Your Bank has always been an integral part of the growth strategy of the Indian economy, and has once again been on the forefront in stimulating growth and facilitating opportunities for building momentum towards a transforming India.

3. STRESSED ASSET MANAGEMENT

For the last few years, the entire banking sector has been under stress due to a spurt in the growth of Non-Performing Assets (NPAs). Rising NPA levels and fresh slippages across sectors can be attributed to the following factors:

- i. Inadequate pickup in the global economy and negative spill overs from global financial markets.
- ii. Less than adequate pick up in domestic growth and declining exports.
- iii. Cancellation of coal blocks.
- iv. Delay in realisation of receivables due to subdued demand and reduced market confidence, among others.
- v. Stress in Steel sector due to volatility in prices of steel; low capacity utilisation and cheap imports from other countries; imposition of trade barriers by countries; and inverted duty structure.
- vi. Stress in Power sector due to delayed tariff revisions; issues in environmental clearances and land acquisition; high Aggregate Technical & Commercial (AT&C) losses; and poor financial health of DISCOMS.
- vii. Delay in execution of infrastructure projects and related escalation of costs coupled with increase in receivable days and unbilled WIP impacting EBITDA margins, stalled projects, highly leveraged business model and lower than expected equity returns for promoters/ sponsors.
- viii. Stress in other major sectors like Textiles, Telecom, Sugar and Aviation, among others.

According to the Financial Stability Report of RBI for December 2017, risks to the Banking sector remained at an elevated level weighed down by further asset quality deterioration. Further, results of macro stress tests for credit risk at system, bank group and sectoral levels (to test the resilience of the Indian banking system against macroeconomic shocks) predict a grim picture under which GNPA ratio of all Scheduled Commercial Banks (SCB) may increase to 10.8% by March 2018, 11.1% by September 2018 and may

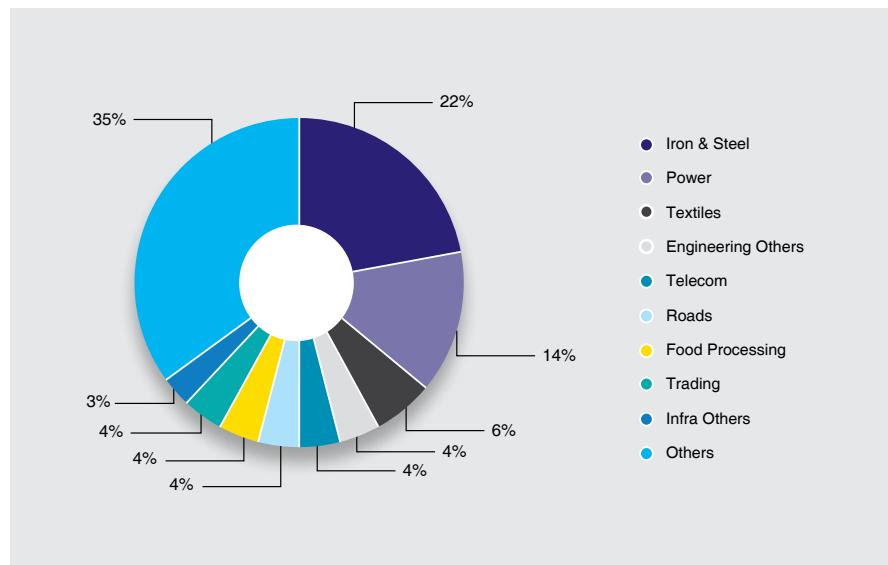

further deteriorate if macro-economic situation worsens. Moreover, sensitivity analysis conducted to study the resilience of SCBs with respect to credit, interest rate, equity prices and liquidity risks predicts that a severe credit shock is likely to impact the capital adequacy and profitability of a significant number of banks, mostly PSBs.

The movement of NPAs and recovery in written-off accounts during the last four years are furnished below:

	(₹ in crore)			
	FY2015	FY2016	FY2017	FY2018
Gross NPA	56,725	98,173	177,866	223,427
Gross NPA (%)	4.25%	6.50%	9.11%	10.91%
Net NPA (%)	2.12%	3.81%	5.19%	5.73%
Fresh Slippages + Increase in O/s	29,444	64,198	115,932	100,287
Cash Recoveries / Up-gradations	13,011	6,987	32,283	14,530
Write-Offs	21,313	15,763	27,757	40,196
Recoveries in AUCA	2,318	2,859	3,963	5,333
PCR (%)	69.13%	60.69%	61.53%	66.17%

The substantial rise in Gross NPAs is partly due to the merger of erstwhile Associate Banks (e-ABs) and Bhartiya Mahila Bank Ltd. (BMBL) with your Bank, wherein a total of ₹ 65,523 crore of NPAs were added to the portfolio.

Industry wise distribution of the NPA portfolio is represented as under:

The Government of India in its Reforms Agenda for Responsive and Responsible PSBs has directed creation of a Stressed Assets Management Vertical (SAMV). Your Bank takes immense pride in the fact that SBI has been a pioneer in establishing such a dedicated vertical almost decade and a half ago by establishing Stressed Assets Management Group (SAMG) during FY2005.

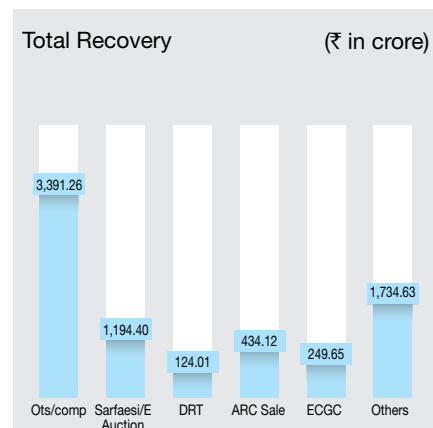

In order to give dedicated focus towards resolution of stressed accounts, SAMG has been renamed as Stressed Assets Resolution Group (SARG). SARG continues to work as a dedicated and

specialised vertical for efficient resolution of high value NPAs. At present, it is headed by a Deputy Managing Director with three Chief General Managers overseeing the entire effort. SARG has turned into a centre of excellence in resolution of NPA and stressed assets. As on 31st March 2018, SARG has 20 Stressed Assets Management Branches (SAMBs) and 57 Stressed Assets Recovery Branches (SARBs) across the country and covers 26.34% and 73.16% of your Bank's Non-Performing Assets (NPAs) and Advances under Collection Account (AUCA) respectively. Besides initiating hard recovery measures, SARG

introduced certain innovative methods and thus gave first mover advantage to your Bank in areas like arranging Mega e-Auction of large number of properties on Pan-India basis, identification of unencumbered properties of the borrowers/guarantors and arranging for attachment of properties before judgement. NCLT cell has also been created in SARG to monitor all the cases referred to NCLT for resolution. A total of 232 cases have so far been referred to NCLT, out of which 215 cases have been admitted. Many cases referred to NCLT from the first list of 12 accounts are expected to be resolved by H1, FY2019.

A major portion of the recovery in SARG comes from OTS/Compromise. The vertical also comes up with special OTS schemes (Non-discretionary and Non-discriminatory) from time to time, to give the borrowers one-time opportunity to settle their dues. A dedicated team is also set up to look after the sale of Assets to Asset Reconstruction Companies (ARCs). Stressed assets are sold to these ARCs on Cash and Security Receipts (SR) basis.

The recovery in NPA and AUCA accounts in SARG through various modes is represented below:

Despite making concerted efforts to expedite recovery and reducing NPAs, your Bank often faces impediments in the form of legal hurdles, unavailability of strategic investors and lack of buyers for properties put up for auction, among others. For legal constraints, your Bank has approached the concerned authorities at appropriate levels and relevant fora like Gyan Sangam, IBA, etc. The Government and RBI have also responded by enacting new laws, issuing new instructions and amending some of the existing ones, wherever required. RBI has recently come

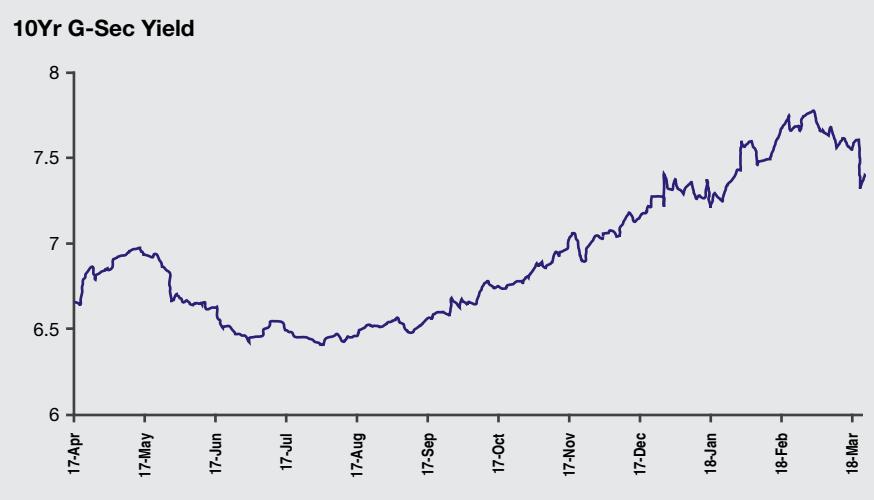

out with a revised framework for resolution of stressed assets, scrapping various restructuring schemes like S4A, SDR, CDR, 5:25 Flexi restructuring. The revised framework sends out a strong message by ending regulatory forbearance and places higher reliance on the NCLT framework for resolution of stressed assets. In fact, enforcement of Insolvency and Bankruptcy Code (IBC) for resolution of Stressed/NPA borrowers has provided Banks with a time bound, transparent and effective mechanism to tackle stressed assets. Some of the large accounts initially referred to NCLT are moving towards resolution. It is reckoned that most of the large value accounts referred to NCLT may undergo resolution, preventing banks from taking up huge haircuts as the going concern value of those accounts shall be realised. As the system evolves with IBC, it may even pave the way for development of a robust secondary market for stressed assets, leading to efficient price discovery and transparent resolution of accounts resulting in unlocking maximum value for your Bank.

4. TREASURY OPERATIONS

The Global Markets Group performs the treasury functions of your Bank. It is responsible for ensuring safety, liquidity and yield, besides maintaining statutory reserve requirements. The corpus under management of Global Markets increased by 13.6% Y-o-Y to ₹ 10,26,439 crore, as of 31st March, 2018. Global Market Group also provides foreign exchange services and hedging instruments for risk management to customers and offers portfolio management services to many retirement funds. The year started off with a challenge to complete the merger of treasuries of the five Associate Banks and Bhartiya Mahila Bank Ltd. with SBI's treasury. This was successfully completed and the combined treasury started operations on 3rd April, 2017.

A. SLR AND NON SLR PORTFOLIO

Your Bank's Global Markets Group is also responsible for managing the Bank's SLR portfolio, as well as liquidity management which includes maintenance of CRR and HQLAs for Liquidity Coverage Ratio (LCR). After an impressive performance in the last two years, this year has proven to be challenging for bond markets due to rising yields. During the year, RBI had cut repo rate by 25 bps to 6% in August, 2017 but has held rates constant since then. The benchmark 10 year (of 6.97% due 2026) paper which was trading at 6.69% on 31st March, 2017, ended the current fiscal year at 7.53% as on 28th March, 2018. The new benchmark (of 6.79% due 2027) paper introduced in May, 2017, fell to a low of 6.41% in July, 2017 (on closing basis), but increased for most of the remaining period and reached a high of 7.95% in March, 2018 before easing off to 7.55% as on 28th March 2018. Due to this sharp rise in yields, your Bank had to increase provisions on investments. The rise in yields was significantly sharper by historical parameters like repo-GSec spread and real interest rates.

During the year, the net interest income from treasury investments grew 15% Y-o-Y. Global Markets' G-Sec portfolio also increased 22% Y-o-Y, mainly on account of the merger with Associate Banks and Bhartiya Mahila Bank Ltd. on 1st April, 2017.

To improve the portfolio yield and to optimally utilise the surplus liquidity, your Bank has increased its Commercial Paper and Corporate Bond portfolio by around 9% on a Y-o-Y basis.

B. EQUITY MARKETS

Equity markets continued their rally for most of FY2018. However, post budget, tracking global equity markets, a sharp correction in the markets was seen but Nifty still ended FY2018 with 10.25% gains. Your Bank has managed the equity portfolio using a strategy of actively rebalancing the portfolio based on key events, global and domestic market conditions, quarterly earnings of the companies and their future outlook backed by its research. In addition to the secondary markets, your Bank continues to profitably invest in IPOs to improve the return on the portfolio. A 112% Y-o-Y profit growth has been achieved from equity investments during the year.

Nifty 50 Index

C. FOREX MARKETS

The Global Markets Group also handles the foreign exchange business of your Bank, providing solutions to customers for managing their currency flows and hedging risks through options, swaps and forwards, in addition to providing liquidity to markets. The Group also manages the FCNR(B) deposit corpus of your Bank and provides FCNR(B) loans and Pre & Post shipment Export Finance in foreign currency to its customers.

In order to improve ease of doing business for its customers and to keep pace with the transforming India, your Bank continues to increase the use of IT in its Forex offerings. A new platform for large volume customers, Forex Edge, has been launched during the year. This is in addition to your Bank's earlier platforms, e-Forex and FX-Out, which completes the bouquet of products for forex services. While the Forex Edge platform is for high volume customers, e-Forex is committed towards providing a world class forex solution to medium and small corporate customers, and FX-Out caters to the forex remittances of retail clients without having to route them through a forex authorised branch.

Treasury Marketing Group is the customer engagement arm of Global Markets and plays a pivotal role in marketing of Treasury Products to Institutional and Corporate clients of your Bank. Treasury Marketing Units located across the country, are the face of Global Markets to the customers. They interact with the customers on a daily basis, identify their needs, and coordinate with other business units for pricing, product structuring and delivery.

In May, 2017, your Bank has set up a separate FPI desk for focused attention on FPI/FDI business. Various processes have been put in place to mobilise business from these large investors and the desk has successfully on-boarded 33 counterparties for the fixed income market along with catering to the forex requirements of many large FPI clients. Earlier, in order to improve engagement with other financial sector players including banks and financial institutions, an Interbank Marketing Desk was created under Global Markets Group. This desk is actively building and maintaining mutually beneficial relationships with these clients. Global Markets Group has also augmented its in-house market research team to enhance value added services to your Bank's clients as well as its own investment decisions. Your Bank believes that increased resources dedicated towards building relationships with customers and counterparties, as well as augmenting the scope and quality of its research, will bear rich dividends and help your Bank in maintaining its leadership position well into the future.

Private Equity / Venture Capital Fund

In this space, the JV set up with Macquarie and IFC in 2008, to manage the US\$ 1.2 billion India-focused PE fund, has invested approximately 96% of its total capital commitments. The Fund has invested across eight infrastructure assets namely Telecom Towers, Airport, Thermal Power, Hydro power and NHAI road assets. It is currently in the exit phase and has successfully exited from two road assets.

The Oman India Joint Investment Fund (OIJF), a JV set up in 2010 in partnership with State General Reserve Fund of Oman, has completed its investments for Fund-I of US\$ 100 million. Fund-I has made two full exits and one partial exit. Based on the success of Fund-I, both the partners (SBI and SGRF) decided to launch Fund-II with a target corpus of US\$ 300 million. Till date, Fund-II has received commitments of US\$ 230 million from sponsors and various domestic financial institutions. Fund-II is currently assessing various opportunities for investing.

During FY2018, your Bank picked up a stake in National e-Repository Ltd. and made an additional equity investment in National e-Governance Services Ltd.

Portfolio Management Services

Your Bank is the largest retirement benefit fund manager in the country with an impeccable track record. The total AUM as on 31st March 2018 is ₹4,51,237 crore. Your Bank is ranked No. 1 fund manager (out of 3 fund managers) by Coal Mines Provident Fund Organisation and No. 2 fund manager (out of 5 fund managers) by Employees Provident Fund Organisation as per the latest data made available by respective client.

IV SUPPORT AND CONTROL OPERATIONS

1. HUMAN RESOURCES AND TRAINING

A. HUMAN RESOURCES

Human Capital is the most critical component for your Bank to achieve the Strategic Corporate Goals. Your Bank's HR policy is being constantly reviewed to align with business goals.

Your Bank considers its employees as its core strength and is proud of its performance oriented and meritocratic culture. It cares for the aspirations of its staff members by constantly trying to enrich their lives and job experiences. Your Bank believes that challenges of the future

can be overcome only by a committed and dedicated work force. Your Bank's HR vision has been built around the principles of inclusiveness, empowerment and development.

The financial year began with the historic merger of SBI with its five Associate Banks and Bhartiya Mahila Bank Ltd. (BMB). The merger also witnessed the addition of around 71,000 new employees to the existing work force of around 2,00,000 employees. Initiatives introduced by your Bank such as 'SANGAM', helped in smooth on-boarding of employees. The summarised HR Profile of your Bank as on 31st March, 2018 is as under:

1. Vision, Mission & Value

Your Bank is a pioneer, in the Indian public sector in starting an independent 'Ethics & Business Conduct' Department to weave its ethos in the operational fabric. Your Bank's entire work force is committed to adhere to its newly crafted Vision, Mission and Values.

The entire team at SBI is dedicated towards providing simple, responsive and innovative financial solutions to a transforming India by being the preferred choice for any banking transaction. Your Bank believes in providing world class banking facilities through living daily its values of Service, Transparency, Ethics, Politeness & Sustainability (STEPS) towards creating a differentiated experience of our esteemed customers.

2. Recruitment

Your Bank is focused on developing processes to attract the best talent within the country. It has revamped the recruitment process and developed a stronger employee value proposition to attract the right talent. During FY2018, 2,220 young tech savvy and customer friendly probationary officers, and 600 Specialist Officers were selected through lateral and contractual recruitment process.

3. Manpower Planning

Your Bank has adopted a scientific model for manpower planning to ensure optimal utilisation of its human resources. To foster optimum expertise and deep domain knowledge, your Bank introduced Job Families concept which is being adopted to place right person in the right job. Your Bank has anticipated the need to prepare future leaders of the Bank. Project Saksham is designed to achieve all this in a structured and holistic way. Leadership development will remain the key focus of the HR function.

4. Staff Welfare Measures

Your Bank believes its human resource to be professionally trained with high standards of proficient competence. At the same time your Bank also cares for the employee's personal life. With this motive, your Bank has taken a transformative initiative to promote healthy work-life balance. The Bank is also taking proactive measures to reduce the hardship of the officers by reducing the transfer/posting to its minimum and curtailing it to need based. This new approach will provide the employees a good and healthy work

environment encompassing mutual respect and empathy in the work place. The fact that the global job site 'indeed.com' recently named SBI among the Top 3 Best places to work in India validates this cultural transformation.

Shri Rajnish Kumar, Chairman inaugurating 'Sanjeevani' HR Helpline.

Your Bank believes in recognising and rewarding good work done by the employees. It has rolled out the scheme called 'SBI Gems'. Senior officials may award Gems to the junior colleagues across the Bank as a token of appreciation. It enhances the loyalty and motivation of employees for the organisation.

In extension of the various HR best practices to increase employees engagement, your Bank has launched 'SANJEEVANI-SBI HR Helpline'. It is a two-way communication channel between the employees and HR Team through Interactive Voice Response System, to provide quick and meaningful resolution of HR matters. Employees can approach SANJEEVANI through phone, SMS and e-mail.

Your Bank always aims to set examples by adopting best HR practices to make SBI as a model organisation to work for. Your Bank introduced the 'Bereavement Leave' of seven days, to help the employee to cope with loss of a near and dear ones. This leave allows employees to spend time with their families in the hour of crisis and grief.

5. Gender Diversity

Gender sensitivity and inclusiveness have always been the corner stone of your Bank's HR policy. Women employees are spread across all levels of hierarchy, as well as geographical spread. Close to 2,400 Branches are being headed by women officers. Out of total work force of 2,64,041, 24% comprises of women employees.

Your Bank maintains a Zero Tolerance Policy against Sexual Harassment at Workplace and has put in place an appropriate mechanism for prevention as well as redressal of complaints of sexual harassment.

7. Industrial Relations

Your Bank has a strong focus on industrial relations. Apart from proactively taking measures towards employee welfare, your Bank holds constructive dialogue with Associations and Unions for understanding and addressing the needs of our employees.

8. Care for Retired Employees

Your Bank recognises the contribution of its employees who have retired from active service and extends a helping hand whenever required. During the year, your Bank has not only provided financial aid for partially meeting the premium for Medical Insurance but has also set aside

funds from the Staff Welfare Fund to provide assistance to the retirees in case of critical illnesses.

9. Inculcating Learning Culture

Your Bank emphasises on the importance of skill in its work force and constantly upgrades it through continuous learning process. Your Bank has designed inhouse e-Learning courses for the entire team according to the nature and role of the employee's function. The completion of such courses has been made mandatory by linking them with Annual Appraisal System of the employees.

B. STRATEGIC TRAINING UNIT

Your Bank has always been a learning organisation. To achieve this objective, over the years, your Bank has developed a robust training system, which caters to all categories of the Bank employees. It gears them not only to meet the present needs, but also enables them to remain ahead of the learning and competitive curve. SBI's training infrastructure in terms of facilities (consisting of six Apex Training Institutes, 54 State Bank Institutes of Learning and Development), content, programmes and trainers is the largest and unparalleled in the Indian Banking space.

Your Bank's endeavour is always to ensure a continuous, planned and proactive training process for individual growth and organisational effectiveness. New techniques and methodologies are adopted and imparted on a regular basis to establish a virtuous cycle of teach and learn to enhance quality and efficacy of training. This will also transform employees into knowledge workers and enable them to carry forward the Bank's initiatives towards creating customer delight and enhanced customer experience. Further, in the fast-changing Banking environment, in order to stay relevant, your Bank is continuously grooming all new employees and reskilling the existing ones by adopting world class and prudent techniques in training and development.

REVAMPING THE 'TRAINING SYSTEM' AND MAKING SBI FUTURE READY

As quality and competence of the workforce is most critical to your Bank's performance and future growth, there is a continuous need to inculcate a culture of self-learning and skill enhancement. Moreover, to enhance the reach of training to more employees in a uniform manner, use of digital technology to transform learning is increasingly being adopted through e-learning, e-Gyanshala and Knowledge Helpline. Mass communication programmes for building employee ownership and internal branding have successfully helped your Bank in the past to overcome challenges, and will also continue to be a part of the new dispensation. With the objective of making the Bank future ready, several new initiatives have been taken, few of them are as follows:

1. Resource Optimisation

- Faculty Selection Process:** The selection process for faculty / trainer has been modified with the objective of selecting officials with passion and flair for teaching, as well as requisite command over the chosen field of subject.
- Verticalisation of Apex Training Institutes (ATIs) to provide specific domain knowledge:** With Banking becoming increasingly specialised, a need was felt to have institutes which would specialise in providing domain specific quality training in areas of Credit, International Banking, Risk, Marketing, Rural Banking, IT, Leadership and Human Resources, among others. In this backdrop, the Apex Training Institutes have been entrusted to focus on specialised domains. Each ATI will be guided by an Advisory Council comprising of senior officials of your Bank and an eminent external expert to steer the way forward. An Apex Advisory Council for the whole training system has also been formed.
- Centralised Control of Learning Centres:** The Learning Centres have been renamed as "State Bank Institute of Learning & Development" (SBILD). These ILDs provide short duration role based capsule programs for certifications.

2. Capacity Building

- Taking Classroom to Desktop - e-Gyanshala:** To assist your Bank's operational workforce in their daily functioning, a google like search engine - e-Gyanshala, has been developed for providing real time on-line support through various help documents which can be emailed and printed.
- E-learning:** To inculcate self-learning, your Bank continues to invest in its e-learning portal to develop e-learning courses on all relevant topics with in-built opportunity of self-assessment and certification through tests.
- Certification Programmes for Capacity Building:** The banking Industry is witnessing change at an unprecedented and relentless pace. It therefore becomes imperative that your Bank's workforce is abreast of the changes and equipped with latest knowledge and operational guidelines for effectively discharging

their duties. Your Bank is the first Bank to roll out this initiative as per RBI directives in all areas, in association with external accredited agencies including Forex Operations (IIBF), Treasury Operations (IIBF), Risk Management (IIBF), Accounts & Audit (NIBM) and Credit Management (Moody's).

- Launch of Moody's Certification:** With the objective of Capacity Building in the area of Commercial credit, your Bank launched Credit Certification programme in association with Moody's Analytics on 10th October, 2017.
- Role Based Grade Level Certifications for Employees:** All roles in your Bank are being divided in over 40 major categories and role manuals for certifications have been developed by the ATIs for each of these categories to ensure quality and uniformity. All employees up to Assistant General Manager grade will be required to do role specific certification. This will also ensure that all employees attend at least one training during FY2019.

Shri Rajnish Kumar, Chairman releasing 'Role Guide and Certification Manuals' designed for all roles and each employee upto scale-V

- Institutional Training for Skill Development:** While the ATIs would be imparting domain specific specialised training programmes related to job families, SBILDs will be providing role-based trainings in a uniform manner across locations.
- Leadership Development:** Your Bank has set up the new state-of-the-art 'State Bank Institute of Leadership' in Kolkata which has become operational on 23rd September, 2017. Originally named as State Bank Institute of Management, it has been rechristened to focus on Leadership Development in the changing paradigm. SBIL has been launched as a flagship institute for training senior executives in the BFSI sector and envisioned as a centre of global excellence with world class infrastructure. The facility will be used for enhancing the Leadership Skills of senior executives of SBI/BFSI sector in collaboration with reputed institutions (in India and abroad).

State Bank Institute of Leadership, Kolkata

In addition, your Bank is engaging external faculty and subject matter experts apart from its senior executives selected as Guest Faculty. Engaging such external faculty from reputed universities and business schools will not only make participants aware of the best practices in leadership and management across the world, but will also equip them with contemporary managerial and leadership knowledge and skills.

- **National Pool of Trainers:** Your Bank is associated with retired officers, who have domain knowledge, requisite communication skills for imparting knowledge and a flair for teaching.
- **Participants Trained through ATIs/SBILDs:** During FY2018, over 1,93,994 SBI employees have received at least one training (excluding multiple trainings).
- **Agradoot:** This mass communication programme is conducted for all sub-staff members. Under this programme in FY2018, 43,275 subordinate staff, constituting 94% of total subordinate staff (including subordinate staff of e-ABs) were covered.

3. Honing Skills Of Leadership

- **Comprehensive Development Plan for Probationary and Trainee Officers:** To ensure proper onboarding of new entrants and imparting of comprehensive training, the training policy for Probationary and Trainee Officers has been revised to facilitate continuous learning.
- **Competency Assessment and 360 degree Feedback for Leadership Development:** A leadership competency framework helps in defining the knowledge and skills required for effective leadership. Your Bank has a predefined leadership competency framework for its top executives detailing the desired competencies and proficiency level for each grade. All TEG officials are being taken through the Assessment Process to identify their developmental areas.

4. Marketing of Training

- **Marketing of Training Capacity to other Banks and Undertakings:** Spare capacity at ATIs and SBILDs would get created once our proposed digital and structured training interventions viz. e-Gyanshala, e-learning and Certification programmes are fully implemented. This surplus capacity is proposed to be used for revenue generation from other Banks and undertakings .
- **Marketing of e-lessons:** Your Bank's generic e-lessons, which have a huge demand due to its rich content is also proposed to be marketed to other Banks in India and abroad.

5. Research

A dedicated research wing is being set up at SBIL, Kolkata for high end quality research focused on banking and financial services in the areas across management discipline and fintech.

6. Transition To Retirement

Your Bank conducts this programme for the senior executives of the Bank on the eve of their retirement. This is to equip and orient them with the change and enable

them to lead a happy and satisfying second innings, after having served the Bank for long years.

2. INFORMATION TECHNOLOGY

Your Bank is a strong proponent of leveraging information technology to deliver convenience to its customers. Your Bank has been offering innovative and cutting-edge products to its customers with the objective of enabling banking transactions at anytime and from anywhere.

Digitalisation and excellence in operations has been core to your Bank's strategy in providing convenience to customers. It has resulted in a reduction in turnaround time and extended benefits to your Bank's customers.

3. RISK MANAGEMENT

A. RISK MANAGEMENT OVERVIEW

Risk Management at your Bank includes risk identification, risk assessment, risk measurement and risk mitigation and its main objective is to minimise negative impact on profitability and capital.

Your Bank is exposed to various risks that are an inherent part of any banking business. The major risks are credit risk, market risk, liquidity risk and operational risk which includes IT risk.

Your Bank has policies and procedures in place to measure, assess, monitor and manage these risks systematically across all its portfolios. Your Bank is amongst the leaders to undertake implementation of the Advanced Approaches under Credit, Market and Operational risk. Your Bank has also undertaken the Enterprise and Group Risk Management Projects, which aim to adopt global best practices. The projects are being implemented with support from external consultants.

RBI Guidelines on Basel III Capital Regulations have been implemented and your Bank is adequately capitalised as per the current requirements under Basel III. An independent Risk Governance Structure, in line with international best practices, has been put in place, in the context of separation of duties and ensuring independence of Risk Measurement, Monitoring and Control functions. This framework visualises empowerment of Business Units at the operating level, with technology being the key driver, enabling identification and management of risk at the place of origination. The various risks across Bank and the SBI Group are monitored and reviewed through the Executive Level Committees and the Risk Management Committee of the Board (RMCB) which meets regularly. Risk Management Committees at Operational unit and Business unit level are also in place.

1. Credit Risk

Credit Risk is defined as the possibility of losses associated with the diminution in the credit quality of borrowers or counterparties from outright default or from reduction in portfolio value. Credit Risk emanates from a bank's dealings with an individual, non-corporate, corporate, Bank, financial institution or sovereign.

Mitigation Measures

Your Bank has put in strong credit appraisal and risk management frameworks in place for identification, measurement, monitoring and control of the risks in credit exposures. Industrial environment is scanned, researched and analysed in a structured manner by a dedicated team for deciding your Bank's outlook and growth appetite for each of the identified 39 industries/sectors, which constitute about 70% of the Bank's total domestic exposure. Risks in these sectors are monitored continuously and wherever warranted, the industries concerned are reviewed immediately. Impact of events like rise in Crude oil prices, profitability of telecom majors, power sector reforms, RERA implementation, Gems & Jewellery, the upheaval in commodity prices to name a few, were analysed and appropriate responses to these situations were strategised by your Bank to mitigate possible risks. Exposure to sensitive/stressed sectors like Real Estate/Telecom are reviewed at regular intervals. Sectors like Power, Telecom, Iron & Steel, Textiles, which are going through a challenging phase, are watched continuously and analysis of new developments are shared with the business groups to enable them to make informed credit decisions. Knowledge sharing sessions are conducted for the benefit of the operating staff at various levels.

Credit rating thresholds for each industry are decided on the basis of the outlook. Your Bank uses various internal Credit Risk Assessment Models and scorecards for assessing borrower wise credit risk. Models for internal credit ratings of the borrowers have been developed in-house. They are reviewed through cycles of comprehensive validation and back testing frameworks.

Your Bank has adopted an IT platform for credit appraisal processes through a Loan Originating Software/Loan Lifecycle Management system (LOS/LLMS). Models developed by the Bank are hosted on these platforms which are interfaced with CIBIL and RBI defaulter's lists.

In order to focus on capital conservation and maximisation of return on capital, your Bank has introduced Risk Based Budgeting (RBB). Risk sensitive return on capital is measured based on Return on Credit Risk Capital (RoCrC). Achievement of the budgeted advances level are subject to scrutiny under the specified levers. Risk Adjusted Return on Capital (RAROC) framework has been implemented from July'2015. The Customer level RAROC calculation has also been digitised. Further, behavioural models for monitoring and scoring the retail borrower

performance have been developed and hosted on Credit Risk Data Mart. Your Bank has procured the ORACLE "OFSAA" platform for the Credit Risk Management System and the implementation of the system has been initiated with the shortlisted System Integrator.

Your Bank has put improved mechanism in place to manage Credit Concentration Risk, by way of risk sensitive Internal Prudential Exposure Limits framework for single as well as group borrowers. These limits are fixed on the basis of the internal risk rating of the borrower. This framework is one step ahead of the regulatory prescription of Prudential Exposure norms, which is 'one size fits all' in nature. These exposure norms are monitored regularly at a defined periodicity.

Your Bank conducts Stress Tests every half-year on its Credit portfolio. Stress Scenarios are regularly updated in line with RBI guidelines, industry best practices and changes in macro economic variables.

RBI has allowed your Bank to participate in the parallel run process for Foundation Internal Ratings Based (FIRB) under the Advanced Approaches for Credit Risk. The data under parallel run of FIRB is being submitted to RBI. Models for estimation of Probability of Default (PD), Loss Given Default (LGD) and Exposure at Default (EAD) are hosted in Credit Risk Data mart for computation of IRB capital. Independent Risk Advisory (IRA) launched last year to examine Medium and High value credit proposals, has been further strengthened to increase the coverage.

2. Market Risk

Market Risk is the possibility of loss that Bank may suffer on account of change in value of its trading portfolio, on account of market variables such as exchange rate, interest rate and equity price, among others.

Mitigation Measures

Your Bank's market risk management consists of identification and measurement of risks, control measures, monitoring and reporting systems.

Market risks are controlled through various risk limits, such as Net Overnight Open Position, Modified Duration, PV01, Stop Loss, Upper Management Action Trigger, Lower Management Action Trigger, Concentration and Exposure Limits.

Your Bank has Asset class wise risk limits for its trading portfolio and monitors the same on an ongoing basis.

Currently, market risk capital is computed under the Standardised Measurement Method (SMM). Your Bank has submitted Letter of Intent to the Reserve Bank of India for migration to Internal Models Approach (IMA) under the Advanced Approaches for market risk.

Value at Risk (VaR) is a tool used for monitoring risk in your Bank's trading portfolio. Enterprise level VaR of the Bank is calculated on a daily basis and also back tested daily. The Stressed VaR for market risk is also computed on a daily basis. The VaR methodology is supplemented by conducting quarterly stress tests of the trading portfolio.

3. Operational Risk

Operational Risk is the risk of loss resulting from inadequate or failed internal processes, people and systems or from external events.

Mitigation Measures

Key elements of your Bank's Operational Risk Management Policy, among others, include ongoing review of systems and controls, creation of awareness of operational risk throughout the Bank, timely incident reporting, enhancing operational risk awareness through RAW (Risk Awareness Workshop), improving early warning information through implementation of Key Indicators (comprising of Key Risk Indicators (KRIs), Key Control Indicators (KCIs) and Key Process Indicators (KPI)), the resolution of risk issues by effectively tracking and follow-up of outcomes of assessment, assigning risk ownership, aligning risk management activities with business strategy. All these components ensure better capital management and improve quality of Bank's services/ products/ processes, besides ensuring compliance with regulatory requirements.

RBI has granted In-Principle approval to your Bank (on a solo basis) to migrate to AMA (Advanced Measurement Approach) for computation of operational risk capital charge on Parallel Run basis.

For FY2018, your Bank on a stand-alone basis, had assigned capital for Operational Risk as per Basic Indicator Approach (BIA). Capital charge as per AMA has also been calculated as part of Parallel Run.

Your Bank Celebrated Risk Awareness Day on 1st September. Risk culture is being embedded through training to staff at all levels through e-learning lessons.

4. Enterprise Risk

Enterprise Risk Management aims to put in place a comprehensive framework to manage various risks and alignment of risk with strategy at the whole Bank level. It encompasses global best practices such as Risk Appetite, Material Risk Assessment and Risk Aggregation, among others.

Mitigation Measures

As part of your Bank's vision to transform the role of Risk into a Strategic function, a Board approved Enterprise Risk Management (ERM) Policy is in place.

With an objective of maintaining a sound risk profile, your Bank has developed a Risk Appetite Framework incorporating limits for major risk metrics. For promotion of a strong risk culture in the Bank, Risk Culture Framework is being operationalised in a phased manner.

Your Bank conducts a comprehensive Internal Capital Adequacy Assessment Process (ICAAP) exercise on a yearly basis with respect to adequacy of Capital under normal and stressed conditions. The Pillar 2 risks, such as Liquidity Risk, Interest Rate Risk in Banking Book (IRRBB), Concentration Risk and others along with the Pillar 1 risks such as Credit, Market and Operational risks are covered under ICAAP.

5. Group Risk

Group Risk Management aims to put in place standardised risk management processes in Group entities.

Mitigation Measures

Policies relating to Group Risk Management, Group Liquidity and Contingency Funding Plan (CFP), Arm's Length and Intra Group Transactions and Exposures are in place.

Monitoring of consolidated Prudential Exposures and Group Risk components is also being done regularly. A quarterly analysis of risk-based parameters for Credit Risk, Market Risk, Operational Risk and Liquidity Risk, among others, is presented to the Enterprise & Group Risk Management Committee (EGRMC)/ Risk Management Committee of the Board (RMCB).

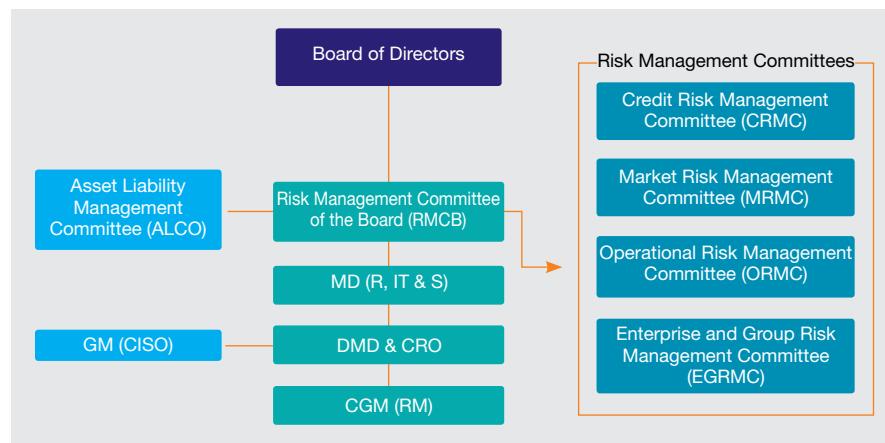

The Group Internal Capital Adequacy Assessment Process (Group ICAAP) document includes an assessment of identified risks by Group entities, internal controls and mitigation measures, and capital assessment, under normal and stressed conditions. All Group entities where SBI has 20% or more stake and management control, including Non-banking entities, carry out the ICAAP exercise and a Group ICAAP Policy is in place to ensure uniformity.

6. Basel Implementation

Your Bank has been identified as D-SIB by the Regulator and has to keep additional Common Equity Tier 1 (CET1) 0.60% of RWAs applicable from 1st April, 2016 in a phased manner and it will become fully effective from 1st April, 2019. Your Bank has also started maintaining Capital Conservation Buffer (CCB) in a phased manner and will reach 2.5% by 31st March, 2019.

Your Bank has been declared as the Winner of 'Golden Peacock Award for Risk Management' for the year 2017.

Risk Management Structure

B. INTERNAL CONTROL

Your Banks' internal audit function evaluates effectiveness of controls and the adherence to internal processes and procedures. The internal audit function undertakes a comprehensive risk based audit of all operating units of your Bank in line with regulatory guidelines relating to Risk Based Supervision. Internal audit in your Bank is independent, enjoys sufficient standing in the Bank and is headed by a Deputy Managing Director. The Internal Audit (IA) function works under the guidance and supervision of the Audit Committee of the Board.

Keeping pace with rapid digitalisation, your Bank has initiated technology driven interventions, in conducting various audits and moving towards automation in your Bank's audit processes. Some key initiatives include the following:

- a) System-based off-site transaction monitoring and Concurrent Audit of business units to ensure continuous monitoring of controls.
- b) Early Review of sanctions, to assess quality of loans of ₹ 50 lakh and above.
- c) Web based RFIA (Risk Focused Internal Audit) which is flexible, scalable and expandable with enhanced level of automation.
- d) Online self audit by branches, for self-assessment by branches and vetting by controllers.
- e) Audit findings are made available on MIS dash board on T+1 basis, to facilitate identification of concerns and monitoring of compliance by Management.
- ii. Your Bank has adopted the process of Risk Focused Internal Audit (RFIA), wherein audit prioritisation is decided based on assessment of risk in various activities and businesses conducted by the Bank.
- iii. As part of RFIA, IA Department conducts various audit, viz., Credit Audit, Information Systems Audit, Home Office Audit (audit of foreign offices), Concurrent Audit, FEMA Audit, Audit of Outsourced Activities of the Bank, Expenditure Audit and compliance audit. It also undertakes Management Audit of business verticals to assess their strategic effectiveness.

Risk Focused Internal Audit (RFIA)

IA Department undertakes a critical review of the entire operations of auditee units through RFIA, an adjunct to Risk Based Supervision, as per RBI directives. The domestic branches have been broadly segregated into three groups (Group I, II & III) on the basis of business profile and risk exposures. During FY2018, IAD has audited 14,638 domestic branches/BPR entities under the RFIA.

FEMA Audit

FEMA Audit of branches categorised as authorised dealers is conducted by audit officials, who are well versed with Foreign Exchange Business and FEMA / RBI guidelines. During the FY2018, 430 auditee units were covered, under FEMA Audit.

Credit Audit

Credit Audit aims at achieving continuous improvement in the quality of Commercial Credit portfolio of the Bank, through critically examining individual large commercial loans with exposures of ₹ 10 crore and above annually. Critical accounts with exposure of ₹ 100 crore and above, are reviewed at Half-Yearly intervals. The Credit Audit System also provides feedback to the Business Units, by way of warning signals, about the quality of advance portfolio in the unit and suggests remedial measures.

Early Review of Sanction (ERS – Large Loans)

Audit in high value credit area has an off-site review mechanism (Early Review of Sanction – Large Loans) of all the pre-sanction and sanction process of individual advances of ₹ 5 crore and above, within 3-6 months of sanction / enhancement / renewal. ERS has been integrated with Loan processing software for online review, submission of ATR and monitoring by controllers.

Early Review of Sanction (ERS – Small Loans) was introduced to review sanctions of more than ₹ 50 lakh up to ₹ 5 crore, to capture the critical risks in the proposals sanctioned at an early stage and apprise the Controllers of such risks, for mitigation thereof.

Information System and Cyber Security Audit

All Branches are subjected to Information System (IS) Audit to assess the IT related risks, as part of the periodic audit. IS Audit of centralised IT establishments is carried out by a team of qualified officials/ outside experts. During the FY2018, IS Audits of 86 centralised IT establishments were conducted. In line with the RBI guidelines on ensuring Cyber Security of the IT System of the Bank, we have initiated the process of conducting Cyber Security audit from the year 2017-18.

Foreign Offices Audit – Home Office Audit

During the FY2018, Home Office Audit was carried out at 20 foreign offices. Management Audit was completed at one Representative office and one Subsidiary.

Concurrent Audit System

Concurrent Audit system is essentially a control process, integral to the establishment of sound internal accounting functions and effective controls. Concurrent Audit covers your Bank's Advances and other risk exposures as prescribed by the regulatory authority. Concurrent Audit System has been revamped by introducing a web-based solution.

Off-Site Transaction Monitoring System (OTMS)

As part of our initiative towards continuous monitoring of controls, Off-Site Transaction Monitoring System (OTMS), a web based solution, was introduced, to further strengthen the transaction audit, to capture control gaps without much loss of time and take corrective actions. At Present, 37 types of exceptions are being monitored and flagged to the branches for verification by them. The exceptions are periodically reviewed and enlarged, depending upon the need and certain triggers.

Legal Audit

Legal Audit was conducted, to cover all loan and Mortgage related documents of high value loans of ₹ 5 crore and above. During the FY2018, Legal Audit has been completed in 11,100 accounts.

Audit of Outsourced Activities

Audit of Outsourced activities is conducted to provide reasonable assurances that adequate systems and procedures are in place to mitigate legal, financial and reputational risks that may arise on account of outsourcing of financial and IT related activities to third parties. During FY2018, 657 audits have been conducted covering 57 activities, which includes ATM services, Corporate BCs, Recovery & Resolution agents, Doorstep banking, Cheque printing etc. Total No. of 537 vendors have been covered during the year.

The Bank has engaged the services of 58,000 individual BCs and CSP under financial inclusion plan, who are being audited and during FY2018, 29,038 such audits were conducted.

Management Audit

Management Audit covers business verticals, administrative Offices / departments and examines the strategy, processes and risk management practices. It encompasses Corporate Centre establishments / Circle Local Head Offices / Apex Training Institutions and Regional Rural Banks (RRB) sponsored by the Bank. During FY2018, 38 establishments / administrative offices were audited under Management Audit.

C. COMPLIANCE RISK MANAGEMENT

Your Bank has been ascribing highest level of importance to Compliance Risk Management and has taken a number of initiatives to strengthen compliance function keeping in view the scale and complexities of business operations. Some key initiatives are:

All products, process, policies are vetted from the regulatory compliance perspective before they are approved and operationalized or reviewed.

A Compliance Risk Management Committee, comprising of Senior Executives from Business Verticals and Support functions oversees all compliance related issues. The committee meets regularly and extends necessary guidance to the all concerned in the smooth implementation of Risk Based Supervision (RBS) of RBI and other regulatory matters.

Compliance Testing of RBI's regulations and guidelines is regularly carried out and the testing universe is being expanded to ensure that the control mechanisms are in place to comply with regulatory guidelines.

Compliance culture is crucial for the Bank to manage the compliance risk effectively and is being strengthened through various forms of communication and interactions across the organization. The Bank has also created a pool of trainers capable of handling sessions on compliance.

All of the above will help your Bank in strengthening compliance function.

D. AML-CFT MEASURES:

In order to mitigate risks arising out of non-compliance of KYC norms, AML/CFT guidelines, your Bank has put in place a Board approved and transparent Know Your Customer (KYC) Policy incorporating therein Bank's framework for customer acceptance, customer identification, monitoring of transactions, Customer Risk categorisation and reporting of transactions to FIU-IND. The Policy has been updated and subsequent changes, as and when notified by RBI, are also being circulated through e-Circular for Branches /Offices for ensuring meticulous compliance of the same by all operating functionaries. A robust system is in place containing a combination of manual as well as system enabled methodology to ensure KYC compliance in the Bank.

Your Bank has allotted Uniform Customer Identification Code (UCIC) to all individual customers as per RBI guidelines. Periodical updation of KYC is undertaken by the bank as per RBI guidelines. E-KYC is made mandatory for account opening to strengthen its AML and KYC procedures.

A number of initiatives have been undertaken to bring greater awareness amongst Bank staff about KYC and AML/CFT compliances. For creating awareness of KYC Compliance e-lessons have been mandatory for all staff members. AML-CFT Day is being observed on 2nd November every year. Pledge has been taken on that day at all branches/processing centres and Administrative Offices. Similarly 1st August is observed as KYC Compliance and Fraud Prevention Day.

Your Bank has procured a new Anti-Money Laundering solution (FICO) which is being rolled out in Domestic and Foreign branches and will enable online screening of transactions/SWIFT messages, Risk Scoring and Transaction Monitoring to fully comply with the regulatory requirements in India and respective geographies of Foreign Offices.

5. MARKETING AND COMMUNICATIONS

The Marketing & Communications (M&C) department is responsible for your Bank's initiatives for all brand and product marketing and public relations. The primary objective of this department is to optimise your Bank's efforts in promoting its products and services, adopting contemporary marketing approach to get brand prominence among prospective customers as well as to reinforce the brand's image among existing customers. The M&C department's key responsibilities include developing and implementing integrated marketing strategies to address business challenges of different business units/divisions of your Bank including Indian and overseas operations. This department comprises of skilled professionals and domain specialists drawn from various relevant fields of media, marketing communications, advertising and public relations.

Your Bank took a giant leap by merging five subsidiaries and Bhartiya Mahila Bank Ltd. with itself. With this mega merger, your Bank also undertook a re-branding exercise. The M&C department, under the guidance of the Bank's senior management undertook the implementation of a brand identity refresh to energise the brand to stay relevant to the youth as well as global

audiences. While the legendary SBI monogram has been retained, combining it with the abbreviated SBI word is the key change in the refreshed brand identity. The monogram has been refined for greater clarity. The M&C department played a vital role in the implementation of the new brand identity across the country.

Apart from the re-branding campaign, the M&C department rolled another big campaign 'Home Loan Balance Transfer Campaign'. The department also rolled out integrated campaign merging products for six different festivals. Appropriate media vehicles were used for all these campaigns.

Your Bank launched YONO – India's only comprehensive, omni channel digital platform in November, 2017. The M&C department played a key role in this launch, by way of developing the go-to-market strategy and executing a comprehensive communications plan across multiple media including digital media.

The M&C department developed and rolled out 'The Green Marathon' in collaboration with your Bank's sustainability department. This initiative will raise consciousness among the Bank's staff and public at large. This activity was conducted in six cities in two months.

As a transforming economy, India is witnessing several changes across various aspects. To help build momentum for the Bank's growth, alongside routine marketing activities, promotion of the Bank's various digital initiatives will hold the centre stage. The core responsibility of the department will remain towards maintaining favourable brand perception of SBI among varied cross sections of the country's populace; while playing the role of a catalyst in marketing its products and services by way of appropriate marketing and communications strategy implementation.

It would be the department's continued endeavour to enable business units to strategise and implement cost efficient marketing programs and to enhance your Bank's image among different stakeholders. Your Bank is committed towards enhancing its brand equity and affinity through concerted marketing initiatives.

6. VIGILANCE MECHANISM

At your Bank there are three aspects to the vigilance function – Preventive, Punitive and Participative. During this year Vigilance Awareness Week was

observed from 30th October, 2017 to 4th November, 2017, with the theme "My Vision - Corruption Free India". Vigilance Department has taken initiatives for spreading this messages through various channels during the Vigilance Awareness Week, 2017, through Alternate Channels, IVR, Social Media, Gram Sabha by RRBs and Mass pledge at RRB's.

The concept of Whistleblower is another effective tool for Preventive Vigilance. To highlight any malpractices under Whistle Blower Scheme, a portal has been launched by your Bank. Whistle Blower can lodge a complaint online and also monitor the progress made in this regard. There is already a well-defined Whistle Blower policy in our Bank, which acts as a deterrent for the employees to keep themselves away from malicious activities. We keep the secrecy of the whistleblower and give protection to them so that they continue to be an effective tool against wrongdoings without fear.

Branches, where certain lapses of grave nature are observed, are identified and suo-motu investigations are conducted so that possible fraudulent activities could be checked, and remedial measures are undertaken.

During FY2018, a total of 1,266 cases (908 new cases) were taken up for examination, out of which 786 cases have since been concluded.

7. ASSET AND LIABILITY MANAGEMENT

Effective Asset and Liability Management (ALM) is vital for sustainable and qualitative growth of banks. It aims to strengthen Balance Sheet Management by constantly reviewing the market conditions, capturing the signals emanating, scanning the regulatory environment and initiating proactive measures for value creation.

The Asset Liability Management Committee (ALCO) of your Bank oversees the Interest Rate and Liquidity Risks, reviews the components of balance sheet and sets up benchmarks for efficient management of these risks and constantly monitors them. ALCO inter alia, reviews the Interest Rate scenarios, pattern of growth of liability products, credit growth, market behaviour, liquidity management and adherence to the regulatory prescriptions. ALCO sets the pricing of the liabilities and reviews at monthly intervals, the Marginal Cost of Funds based Lending Rates (MCLR) in

terms of regulatory requirements. Your Bank, a pioneer in introducing global best practices, has transformed the process of Asset & Liability Management and rolled out updated Oracle Financial Services Analytical Application (OFSAA) during the year.

In order to encourage branches to garner stable funds and assess their profitability based on cost of funds, a new model for Funds Transfer Pricing based on daily average balances and dynamic bid/offer curves for pricing loans and deposits raised by branches has been implemented.

The levels of High Quality Liquid Assets (HQLA) and cash outflows are effectively monitored in a highly dynamic environment. As per regulatory requirement, your Bank has started computing LCR on daily basis. Monitoring LCR in significant currency (US\$) is also undertaken and reviewed by ALCO.

Studies are conducted at regular intervals to assess the behavioural pattern of non-contractual assets and liabilities, embedded options available to customers, off-balance sheet exposures, impact of probable loan losses and others. The inputs derived therefrom are used for effective management of on-balance sheet and off-balance sheet items.

As part of best Risk Management practices, updated Internal Policies are put in place on 'Deposits', 'Whole Bank Asset and Liability Management', 'Whole Bank Stress Testing of Liquidity and Interest Rate Risks' by introducing the concepts such as 'reverse stress testing'. As part of contingency planning, Contingency Funding Plan (CFP) is in place and reviewed regularly.

Your Bank has adopted the advanced approach for assessing the impact on Earnings at Risk (EaR) and Market Value of Equity (MVE) with pre-defined tolerance limits that determine the risks associated with them and enables the Management to initiate appropriate preventive steps in a likely scenario of erosion in Net Interest Income.

In line with the regulatory requirements, your Bank has evolved Internal Capital Adequacy Assessment Process (ICAAP) with robust methodology, responses and an effective framework.

8. ETHICS AND BUSINESS CONDUCT

Banking deals with the trust of the people. Trust calls for the highest level of ethical conduct from the Banking sector. This is the reason for creation of Ethics & Business Control Department at SBI. This department came into operation last year under Chief Ethics Officer, who plays a major role. Ethical conditioning empowers its human resources and helps in distinguishing right from wrong, in a particular situation.

Your Bank firmly believes that ethical character is shaped, reinforced and influenced by the decisions we make every day. In this context, sustained promotion of ethical awareness will give impetus to the overall operating culture and take the Bank to the next level by strengthening its moral muscles. Towards this purpose, best international practices are being learnt, technology being leveraged and ethics being encouraged as a part of regular conversations at different organisational layers; and a normative sense of congruence is being developed across various functions in the Bank.

Synergise & Energise Top Management Summit

Your Bank has already unveiled its New Vision, Mission and Values Statements after a gap of almost 10 years to reflect its contemporary persona as an agile and tech savvy bank.

9. CORPORATE SOCIAL RESPONSIBILITY

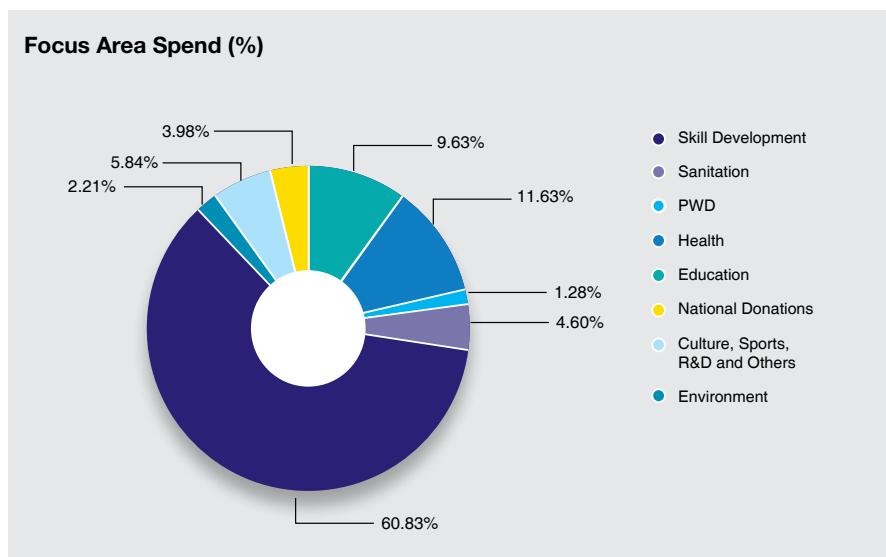

Your Bank believes that it has a solemn duty to make sustainable social change in the lives of the less fortunate and underprivileged members of the society. Your Bank always places the interest of the common man, especially the most marginalised, at its core. Your Bank earmarked 1% of the previous year's net profit as the budget for CSR spend for the year. Its CSR activities are widespread and deep-rooted and have made true difference in the lives of thousands from the underserved and downtrodden communities. CSR is a continuing commitment of your Bank for developing the quality of life of the community and society as a whole.

SBI Foundation is presently working on various projects and many initiatives has been taken to build a momentum for a transforming India by creating an inclusive development paradigm, that serves all Indians without any discrimination on the basis of regional, linguistic, caste, creed, religious or other barriers.

The CSR budget for FY2018 was ₹20 crore, the grant received was ₹25.71 crore (including grant received from subsidiaries). SBI Foundation sanctioned 28 proposals amounting to ₹49.53 crore. The total disbursement during the year stood at ₹ 27.18 crore.

The CSR activities are undertaken in the following focus areas:

A. HEALTHCARE

The vast majority of rural population is deprived of basic medical facilities due to lack of healthcare infrastructure in various parts of the country. SBI Foundation is committed to contribute positively to United Nation's Sustainable Development Goals (SDGs)-Goal#3: Good Health and Well Being by bringing about positive changes in the lives of underprivileged sections of society by providing free access to quality healthcare.

To contribute towards improve the health scenario, your Bank has undertaken the following CSR projects through SBI Foundation.

- Sishu Raksha:** A project to curtail infant mortality rate by providing complete screening facilities and immediate treatment to the infants.
- SBI Life:** An initiative to prevent and control of Thalassemia diseases by facilitating Thalassemia tests to the public.
- Cancer Care:** A project which aims to prevent and control of Breast and Cervical Cancer among women.
- SBI Darpan:** This project works on mitigating damages of Sickle Cell Anaemia diseases.
- SBI Umeed:** The objective of the program is to curtail maternal, infant mortality and morbidity in expecting mothers and their infants by providing the preventive care information through mobile call facilities.
- SBI Eye care:** This initiative aims to provide free cataract surgeries in the underprivileged rural areas of India.

B. EDUCATION

Education is one of the most powerful and proven vehicle to bring transformational change in the development landscape. Education plays a vital role in improving the standard of life of an individual and is viewed as an effective tool for bringing social economic changes. Scarcity of resources and lack of infrastructure are the major hindrances in the education sector in India. SBI Foundation is committed to contribute positively to United Nation's Sustainable Development Goals (SDGs) Goal#4: Quality Education. Through SBI Foundation, your Banks has initiated various projects as mentioned below:

- Gyanshala:** This is a middle school education project for urban slum children (Grade IV to Grade VIII) to provide them quality education as other privileged children receive in their schools.
- Beti Padhao Kendras:** Under this initiative, Beti Padhao centres were started with an aim to provide basic education (up to Grade V) to girl children in remote rural areas.
- SBI Udaan:** This project works towards quality education along with Arts, Crafts and Sports development for children in slums and remote areas.
- Shiksha Sahay:** This project supports tribal school for maintaining the quality education and other basic needs.

C. ENVIRONMENT AND SUSTAINABILITY

Your Bank is committed to environment protection and contribution to reduce the carbon footprint.

- Waste to gold:** A project that aims to motivate and develop the skills of vulnerable youth to address waste management in the city; and develop small sustainable businesses for their livelihood as well.
- SBI Corbett:** Under this project, SBI Foundation is providing villages a sustainable waste management system and conducting trainings of SHG Workers to provide awareness in nearby schools and hotels.

D. ARTS, CULTURE, HERITAGE AND OTHERS

To achieve the dual goal of preservation of culture & heritage and contribute to 'The Swachh Iconic Places', SBI Foundation has started two projects under this category as mentioned below:

- Swachh Iconic CSMT:** This initiative aims for conservation and restoration of south and east façade of the heritage building at Chhatrapati Shivaji Maharaj Terminus Mumbai (A UNESCO World Heritage Site).
- SBI Eklavya:** SBI Foundation is providing basic sports facility to the children under ashram schools of Marathwada region of Maharashtra.

E. DISABILITY

The vision is to enable the Persons with Disabilities (PwDs) to avail better livelihood opportunities by market linked training and jobs in the organised sector. Therefore, to support the PwDs your Bank has started the following projects:

- Project Parivarthan:** The initiative aims to make inclusive employment of the underprivileged and PwDs the norm in companies by providing them market-oriented trainings.
- Project SBI Shravan Shakti:** Under this initiative, your Bank has facilitated fitment of Cochlear Implants to hearing impaired children.
- Project Swabhiman:** This project aims to provide job linked training to PwDs by establishing and running skill centres.

Flagship Programs

SBI Youth for India Fellowship program: SBI Youth for India (YFI) is a Fellowship program initiated, funded and managed by the SBI Foundation in partnership with reputed NGOs. It provides a framework for India's best young minds to join hands with rural communities, empathise with their struggles and connect with their aspirations

Under the initiative, SBI Foundation has partnered with the reputed NGOs, engaged in development work in rural

areas, to deploy the youth enrolling for the fellowship, for conceiving and working on innovative projects. YFI has an alumni base of 184 passionate change makers, 60% of Alumni are associated with the development sector after the fellowship.

Centre of Excellence for PwDs (CoE): Majority of persons with disabilities can lead a better quality of life if they have equal opportunities and effective access to rehabilitation measures. There has been an increasing recognition of abilities of persons with disabilities and emphasis on mainstreaming them in the society based on their capabilities. It was conceptualised with a goal to be a centralised support centre for persons with disabilities.

CoE primarily works on empowering PwDs through skill enhancement to make significant and measurable improvement that enables individuals to enjoy a more productive and satisfying life by

optimising their cognitive, physical, social and vocational functioning.

CoE has conducted five inclusive training programs for employees with disabilities and their trainers. Seven public sector Banks participated in the training program. CoE has also signed MoUs with Bank of Baroda and Union Bank of India for institutionalisation of inclusion and empowerment of employees with disabilities. CoE has set up skilling centres in various cities for placement linked skill development of PwDs.

SBI Gram Seva: India resides in its villages, and for the holistic development of the villages, SBI Foundation has adopted 10 Gram panchayats covering 50 of villages in 6 states of India.

The objectives of the flagship program are:

- a. To link and leverage the specific government schemes/services to villages (families)
- b. To lay emphasis on digitalisation and create awareness about online service (including online banking)
- c. Improve the basic infrastructure of villages (set up computer labs, community rooms and others)
- d. Encourage Panchayat/Village self-governance and create environment for participatory efforts by the people for rural asset creation and community development.
- e. Integrated village development is aimed to promote education for all, environment protection, livelihood development, digitalisation in Gram Panchayat, skill development and improvement of preventive and primary health care in villages.

Corporate Governance

THE BANK'S PHILOSOPHY ON CODE OF GOVERNANCE

State Bank of India is committed to the best practices in the area of Corporate Governance, in letter and in spirit. The Bank believes that good Corporate Governance is much more than complying with legal and regulatory requirements. Good governance facilitates effective management and control of business, enables the Bank to maintain a high level of business ethics and to optimise the value for all its stakeholders. The objectives can be summarised as:

- To protect and enhance shareholder value.
- To protect the interest of all other stakeholders such as customers, employees and society at large.
- To ensure transparency and integrity in communication and to make available full, accurate and clear information to all concerned.
- To ensure accountability for performance and customer service and to achieve excellence at all levels.
- To provide corporate leadership of highest standard for others to emulate.

THE BANK IS COMMITTED TO:

- Ensuring that the Bank's Board of Directors meets regularly, provides effective leadership and insights in business and functional matters and monitors Bank's performance.
- Establishing a framework of strategic control and continuously reviewing its efficacy.
- Establishing clearly documented and transparent management processes for policy development, implementation and review, decision-making, monitoring, control and reporting.
- Providing free access to the Board to all relevant information, advices and resources as are necessary to enable it to carry out its role effectively.
- Ensuring that the Chairman has the responsibility for all aspects of executive management and is

accountable to the Board for the ultimate performance of the Bank and implementation of the policies laid down by the Board. The role of the Chairman and the Board of Directors are also guided by the SBI Act, 1955 with all relevant amendments.

- Ensuring that a senior executive is made responsible in respect of compliance issues with all applicable statutes, regulations and other procedures, policies as laid down by the GOI/RBI and other regulators and the Board, and reports deviations, if any.

The Bank has complied with the provisions of Corporate Governance as per SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 with the Stock Exchanges except where the provisions of these regulations are not in conformity with SBI Act, 1955 and the directives issued by RBI/GOI. A report on the implementation of these provisions of Corporate Governance in the Bank is furnished below:

CENTRAL BOARD: ROLE AND COMPOSITION

State Bank of India was formed in 1955 by an Act of the Parliament, i.e., The State Bank of India Act, 1955 (Act). A Central Board of Directors was constituted according to the Act.

The Bank's Central Board draws its powers from and carries out its functions in compliance with the provisions of SBI Act & Regulations 1955. Its major roles include, among others,

- Overseeing the risk profile of the Bank;
- Monitoring the integrity of its business and control mechanisms;
- Ensuring expert management, and
- Maximising the interests of its stakeholders.

The Central Board is headed by the Chairman, appointed under section 19(a) of SBI Act; four Managing Directors are also appointed members of the Board under section 19(b) of SBI Act. The

Chairman and Managing Directors are Whole Time Directors. As on 31st March 2018, there were eight other directors on the Board who are eminent professionals representing Technology, Accountancy, Finance, Economics and Academics. The composition of the Central Board, as on 31st March 2018, was as under:

- Chairman appointed by the Central Government in consultation with the RBI u/s 19(a)
- three Managing Directors, appointed by the Central Government in consultation with the RBI u/s 19(b)
- three directors, elected by the Shareholders under Section 19(c),
- three directors, nominated by the Central Government under Section 19(d),
- one director (official from the Govt. of India), nominated by the Central Government under Section 19(e), and
- one director (official from the Reserve Bank of India), nominated by the Central Government under Section 19(f) on the recommendations of the RBI.

The composition of the Board complies with provisions laid down in Regulation 17(1) of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015. There is no inter-se relationship between Directors.

A brief resume of each of the Non-Executive Directors is given in Annexure I. Particulars of the directorships/memberships held by all the Directors in various Boards/Committees are given in Annexure II and the details of their Shareholding in the Bank are mentioned in Annexure III.

DEVELOPMENTS DURING THE YEAR

1. The Bank has successfully completed the election of Directors for appointment of four Shareholder Directors u/s 19(c) of the SBI Act in June 2017. On-Boarding programmes for newly elected Directors were arranged during this year. It included, inter alia, the organization structures, Overview of various business groups and Associates & Subsidiaries of the Bank, IT Developments, IT Security, HR and Training Etc.
2. **Performance Evaluation of the Board:** With an objective to continuously improve Board's governance, your Bank had engaged a reputed external consulting organization, which assisted in laying down parameters for performance evaluation of Directors, Chairman, Board Level Committees and Central Board as a whole and also assisted in facilitating the overall evaluation process. The parameters of evaluation and the overall process was aligned to the provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and new SEBI Guidance Note on Board Evaluation, 2017. The performances of the Non-Executive Directors of the Central Board, Chairman and Central Board as a whole were evaluated at the separate meeting of the Independent Directors of the Central Board held on March 21, 2018. The Performance Evaluation of Independent Directors and Board Level Committees were also carried out by the Central Board.

The evaluation process validated the Board of Directors' confidence in the governance values of the Bank, the synergy that exists amongst the Board of Directors and the collaboration between the Chairman, the Board and the Management.
3. Looking to the varied demands being increasingly placed on the Boards of Banks in terms of governance and key role played by our Bank in the economy, a Strategy Workshop (7th January to 9th January 2018) "Rann Neeti" was organised at Jaipur to keep the Board members and the Senior Management of the Bank abreast with the latest trend in

the industry and to decide on the way forward. A blend of brain storming sessions on various topics viz. HR Challenges for building an effective organisations, Building of a robust Corporate asset book, optimizing Balance Sheet allocation with focus on Return on Assets & Profitability, IT Security, Strategy for Growth of International Banking Footprint, Value Creation by Subsidiaries and Customer centricity as key to sustainable growth were presented in the Workshop. The Board during the workshop laid down certain strategies and set goals for Business Growth and Key financial parameters and each individual Business Group had to come up with monitorable action plans with specific targets. The detailed Action Plan with specific timelines and the progress report thereafter giving the status of implementation of the various strategic initiatives shall be put up to the Central Board.

4. In an effort to keep the Directors abreast with better understanding in the areas of Corporate Governance, Risk Management, Information Security, Insolvency & Bankruptcy Code 2016, etc., the Bank took the following initiatives during the year :
 - (i) Four Non-Executive Directors participated at Programme for Non Executive Directors on the Boards of Commercial Banks and Financial Institutions from 23rd to 24th October 2017, organised by Centre for Advances Financial Research and Learning (CAFRAL) at Mumbai. Commodity price risk or foreign exchange risk and hedging activities

The Bank currently deals in over-the-counter (OTC) interest rate and currency derivatives as also in Interest Rate Futures and exchange traded currency derivatives. Interest rate derivatives dealt by the Bank are rupee interest rate swaps, foreign currency interest rate swaps, forward rate agreements, cap, floor and collars. Currency derivatives dealt by the Bank are currency swaps, rupee dollar options and cross-currency options. The products are offered to the Bank's customers to hedge their exposures and the Bank also enters into derivative contracts to cover off such exposures. Derivatives are used by the Bank both for trading as well as hedging balance sheet items. The bank also runs option position in US\$/INR, which is managed through various types of loss limits and Greek limits.

Derivative transactions carry market risk i.e. the probable loss the Bank may incur as a result of adverse movements in

interest rates/exchange rates and credit risk i.e. the probable loss the Bank may incur if the counterparties fail to meet their obligations. The Bank's "Policy for Derivatives" approved by the Board prescribes the market risk parameters (Greek limits, Loss limits, cut-loss triggers, open position limits, duration, modified duration, PV01, etc.) as well as customer eligibility criteria (credit rating, tenure of relationship, limits and customer appropriateness & suitability policy (CAS) etc.) for entering into derivative transactions. Credit risk is controlled by entering into derivative transactions only with counterparties satisfying the criteria prescribed in the Policy. Appropriate limits are set for the counterparties taking into account their ability to honor obligations and the Bank enters into ISDA agreement with each counterparty.

Derivative deals are entered into with only those interbank participants for whom counterparty exposure limits are sanctioned. Similarly, derivative deals are entered into with only those corporates for whom credit exposure limits are

sanctioned. Collateral requirements are part of credit sanction process.

The Asset Liability Management Committee (ALCO) of the Bank oversees efficient management of these risks. The Bank's Market Risk Management Department (MRMD) identifies, measures, monitors market risk associated with derivative transactions, assists ALCO in controlling and managing these risks and reports compliance with policy prescriptions to the Risk Management Committee of the Board (RMCB) at regular intervals.

The accounting policy for derivatives has been drawn up in accordance with the RBI guidelines, the details of which are presented under Schedule 17: Principal Accounting Policies (PAP) for the FY2018.

Schedule 17- Significant Accounting Policies:

A. Basis of Preparation:

The Bank's financial statements are prepared under the historical cost convention, on the accrual basis of accounting on going concern basis, unless otherwise stated and conform in all material aspects to Generally Accepted Accounting Principles (GAAP) in India, which comprise applicable statutory provisions, regulatory norms/guidelines prescribed by the Reserve Bank of India (RBI), Banking Regulation Act, 1949, Accounting Standards issued by the Institute of Chartered Accountants of India (ICAI), and the practices prevalent in the banking industry in India.

B. Use of Estimates:

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities (including contingent liabilities) as on the date of the financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ from these estimates.

C. Significant Accounting Policies:

1. Revenue recognition:

- 1.1 Income and expenditure are accounted on accrual basis, except otherwise stated. As regards Bank's foreign offices, income and expenditure are recognised as per the local laws of the country in which the respective foreign office is located.
- 1.2 Interest/ Discount income is recognised in the Profit and Loss Account as it accrues except: (i) income from Non-Performing Assets (NPAs), comprising of advances, leases and investments, which is recognised upon realisation, as per the prudential norms prescribed by the RBI/ respective country regulators in the case of foreign offices (hereafter collectively referred to as Regulatory Authorities), (ii) overdue interest on investments and bills discounted, (iii) Income on Rupee Derivatives designated as "Trading", which are accounted on realisation.
- 1.3 Profit or Loss on sale of investments is recognised in the Profit and Loss Account. However, the profit on sale of investments in the "Held to Maturity" category is appropriated (net of applicable taxes and amount required to be transferred to statutory reserve) to "Capital Reserve Account".
- 1.4 Income from finance leases is calculated by applying the interest rate implicit in the lease to the net investment outstanding in the lease, over the primary lease period. Leases effective from April 1, 2001 are accounted as advances at an amount equal to the net investment in the lease as per Accounting Standard 19 –"Leases" issued by ICAI. The lease rentals are apportioned between principal and finance income based on a pattern reflecting a constant periodic return on the net investment outstanding in respect of finance leases. The

principal amount is utilized for reduction in balance of net investment in lease and finance income is reported as interest income.

- 1.5 Income (other than interest) on investments in "Held to Maturity (HTM)" category acquired at a discount to the face value, is recognised as follows :
 - a. On Interest bearing securities, it is recognised only at the time of sale/ redemption.
 - b. On zero-coupon securities, it is accounted for over the balance tenor of the security on a constant yield basis.
- 1.6 Dividend income is recognised when the right to receive the dividend is established.
- 1.7 Commission on LC/ BG, Deferred Payment Guarantee, Government Business, ATM interchange fee & "Upfront fee on restructured account" are recognised on accrual basis proportionately for the period. All other commission and fee income are recognised on their realisation.
- 1.8 One time Insurance Premium paid under Special Home Loan Scheme (December 2008 to June 2009) is amortised over average loan period of 15 years.
- 1.9 Brokerage, Commission etc. paid/ incurred in connection with issue of Bonds/ Deposits are amortized over the tenure of the related Bonds/ Deposits and the expenses incurred in connection with the issue are charged upfront.
- 1.10 The sale of NPA is accounted as per guidelines prescribed by RBI :
 - i. When the bank sells its financial assets to Securitisation Company (SC)/ Reconstruction Company (RC), the same is removed from the books.
 - ii. If the sale is at a price below the net book value (NBV) (i.e. book value less provisions held), the shortfall is debited to the Profit and Loss Account in the year of sale.
 - iii. If the sale is for a value higher than the NBV, the excess provision is written back in the year the amounts are received, as permitted by the RBI.

2. Investments:

The transactions in all securities are recorded on "Settlement Date".

2.1 Classification:

Investments are classified into three categories, viz. Held to Maturity (HTM), Available for Sale (AFS) and Held for Trading (HFT) as per RBI Guidelines

2.2 Basis of classification:

- i. Investments that the Bank intends to hold till maturity are classified as "Held to Maturity (HTM)".
- ii. Investments that are held principally for resale within 90 days from the date of purchase are classified as "Held for Trading (HFT)".

- iii. Investments, which are not classified in the above two categories, are classified as "Available for Sale (AFS)".
 - iv. An investment is classified as HTM, HFT or AFS at the time of its purchase and subsequent shifting amongst categories is done in conformity with regulatory guidelines.
 - v. Investments in subsidiaries, joint ventures and associates are classified as HTM.
- 2.3 Valuation:**
- i. In determining the acquisition cost of an investment:
 - (a) Brokerage/commission received on subscriptions is reduced from the cost.
 - (b) Brokerage, Commission, Securities Transaction Tax (STT) etc., paid in connection with acquisition of investments are expensed upfront and excluded from cost.
 - (c) Broken period interest paid / received on debt instruments is treated as interest expense/ income and is excluded from cost/ sale consideration.
 - (d) Cost is determined on the weighted average cost method for investments under AFS and HFT category and on FIFO basis (first in first out) for investments under HTM category.
 - ii. Transfer of securities from HFT/AFS category to HTM category is carried out at the lower of acquisition cost/book value/market value on the date of transfer. The depreciation, if any, on such transfer is fully provided for. However, transfer of securities from HTM category to AFS category is carried out on acquisition price/book value. After transfer, these securities are immediately revalued and resultant depreciation, if any, is provided.
 - iii. Treasury Bills and Commercial Papers are valued at carrying cost.
 - iv. Held to Maturity category: a) Investments under Held to Maturity category are carried at acquisition cost unless it is more than the face value, in which case the premium is amortised over the period of remaining maturity on constant yield basis. Such amortisation of premium is adjusted against income under the head "interest on investments". b) Investments in subsidiaries, joint ventures and associates (both in India and abroad) are valued at historical cost. A provision is made for diminution, other than temporary, for each investment individually. c) Investments in Regional Rural Banks are valued at carrying cost (i.e. book value).
 - v. **Available for Sale and Held for Trading categories:** Investments held under AFS and HFT categories are individually revalued at the market price or fair value determined as per Regulatory guidelines, and only the net depreciation of each group for each category (viz. (i) Government securities (ii) Other Approved Securities (iii) Shares (iv) Bonds and Debentures (v) Subsidiaries and Joint Ventures; and (vi) others) is provided for and net appreciation, is ignored. On provision for depreciation, the book value of the individual security remains unchanged after marking to market.
 - vi. In case of sale of NPA (financial asset) to Securitisation Company (SC)/ Asset Reconstruction Company (ARC) against issue of Security Receipts (SR), investment in SR is recognised at lower of: (i) Net Book Value (NBV) (i.e. book value less provisions held) of the financial asset; and (ii) Redemption value of SR. SRs issued by an SC/ ARC are valued in accordance with the guidelines applicable to non-SLR instruments. Accordingly, in cases where the SRs issued by the SC/ ARC are limited to the actual realisation of the financial assets assigned to the instruments in the concerned scheme, the Net Asset Value, obtained from the SC/ ARC, is reckoned for valuation of such investments.
 - vii. Investments are classified as performing and non-performing, based on the guidelines issued by the RBI in the case of domestic offices and respective regulators in the case of foreign offices. Investments of domestic offices become non-performing where:
 - (a) Interest/ installment (including maturity proceeds) is due and remains unpaid for more than 90 days.
 - (b) In the case of equity shares, in the event the investment in the shares of any company is valued at ₹ 1 per company on account of the non availability of the latest balance sheet, those equity shares would be reckoned as NPI.
 - (c) If any credit facility availed by an entity is NPA in the books of the Bank, investment in any of the securities issued by the same entity would also be treated as NPI and vice versa.
 - (d) The above would apply mutatis-mutandis to Preference Shares where the fixed dividend is not paid.
 - (e) The investments in debentures/ bonds, which are deemed to be in the nature of advance, are also subjected to NPI norms as applicable to investments.
 - (f) In respect of foreign offices, provisions for NPIs are made as per the local regulations or as per the norms of RBI, whichever is more stringent.
 - viii. Accounting for Repo/ Reverse Repo transactions (other than transactions under the Liquidity Adjustment Facility (LAF) with the RBI):
 - (a) The securities sold and purchased under Repo/ Reverse Repo are accounted as Collateralized lending and borrowing transactions. However, securities are transferred as in the case of normal outright sale/ purchase transactions and such

- movement of securities is reflected using the Repo/ Reverse Repo Accounts and Contra entries. The above entries are reversed on the date of maturity. Costs and revenues are accounted as interest expenditure/ income, as the case may be. Balance in Repo Account is classified under Schedule 4 (Borrowings) and balance in Reverse Repo Account is classified under Schedule 7 (Balance with Banks and Money at Call & Short Notice).
- (b) Interest expended/ earned on Securities purchased/ sold under LAF with RBI is accounted for as expenditure/ revenue.
- ix. Market repurchase and reverse repurchase transactions as well as the transactions with RBI under Liquidity Adjustment Facility (LAF) are accounted for as Borrowings and Lending transactions in accordance with the extant RBI guidelines.

3. Loans/ Advances and Provisions thereon:

- 3.1 Loans and Advances are classified as performing and non-performing, based on the guidelines/ directives issued by the RBI. Loan Assets become Non-Performing Assets (NPAs) where:
- i. In respect of term loans, interest and/ or instalment of principal remains overdue for a period of more than 90 days;
 - ii. In respect of Overdraft or Cash Credit advances, the account remains "out of order", i.e. if the outstanding balance exceeds the sanctioned limit/ drawing power continuously for a period of 90 days, or if there are no credits continuously for 90 days as on the date of balance sheet, or if the credits are not adequate to cover the interest debited during the same period;
 - iii. In respect of bills purchased/ discounted, the bill remains overdue for a period of more than 90 days;
 - iv. In respect of agricultural advances: (a) for short duration crops, where the instalment of principal or interest remains overdue for two crop seasons; and (b) for long duration crops, where the principal or interest remains overdue for one crop season.
- 3.2 NPAs are classified into Sub-Standard, Doubtful and Loss Assets, based on the following criteria stipulated by RBI:
- i. Sub-standard: A loan asset that has remained non-performing for a period less than or equal to 12 months.
 - ii. Doubtful: A loan asset that has remained in the sub-standard category for a period of 12 months.
 - iii. Loss: A loan asset where loss has been identified but the amount has not been fully written off.
- 3.3 Provisions are made for NPAs as per the extant guidelines prescribed by the regulatory authorities, subject to minimum provisions as prescribed below:

Substandard Assets:

- i. A general provision of 15% on the total outstanding;
- ii. Additional provision of 10% for exposures which are unsecured ab-initio (i.e. where realisable value of security is not more than 10 percent ab-initio);
- iii. Unsecured Exposure in respect of infrastructure advances where certain safeguards such as escrow accounts are available - 20%.

Doubtful Assets:

- Secured portion:
 - i. Upto one year – 25%
 - ii. One to three years – 40%
 - iii. More than three years – 100%
- Unsecured portion 100%

Loss Assets: 100%

- 3.4 In respect of foreign offices, the classification of loans and advances and provisions for NPAs are made as per the local regulations or as per the norms of RBI, whichever is more stringent.
- 3.5 Advances are net of specific loan loss provisions, unrealised interest, ECGC claims received and bills rediscounted.
- 3.6 For restructured/ rescheduled assets, provisions are made in accordance with the guidelines issued by the RBI, which require that the difference between the fair value of the loans/ advances before and after restructuring is provided for, in addition to provision for the respective loans/ advances. The Provision for Diminution in Fair Value (DFV) and interest sacrifice, if any, arising out of the above, is reduced from advances.
- 3.7 In the case of loan accounts classified as NPAs, an account may be reclassified as a performing asset if it conforms to the guidelines prescribed by the regulators.
- 3.8 Amounts recovered against debts written off in earlier years are recognised as revenue in the year of recovery.
- 3.9 In addition to the specific provision on NPAs, general provisions are also made for standard assets as per extant RBI Guidelines. These provisions are reflected in Schedule 5 of the Balance Sheet under the head "Other Liabilities & Provisions – Others" and are not considered for arriving at the Net NPAs.
- 3.10 Appropriation of recoveries in NPAs (not out of fresh/ additional credit facilities sanctioned to the borrower concerned) towards principal or interest due as per the Bank's extant instructions is done in accordance with the following priority:
- a. Charges
 - b. Unrealized Interest / Interest
 - c. Principal

4. Floating Provisions:

The Bank has a policy for creation and utilisation of floating provisions separately for advances, investments and general purposes. The quantum of floating provisions to be created is assessed at the end of the financial year. The floating provisions are utilised only for contingencies under extraordinary circumstances specified in the policy with prior permission of Reserve Bank of India.

5. Provision for Country Exposure:

In addition to the specific provisions held according to the asset classification status, provisions are also made for individual country exposures (other than the home country). Countries are categorised into seven risk categories, namely, insignificant, low, moderate, high, very high, restricted and off-credit and provisioning made as per extant RBI guidelines. If the country exposure (net) of the Bank in respect of each country does not exceed 1% of the total funded assets, no provision is maintained on such country exposures. The provision is reflected in Schedule 5 of the Balance Sheet under the head "Other Liabilities & Provisions – Others".

6. Derivatives:

- 6.1 The Bank enters into derivative contracts, such as foreign currency options, interest rate swaps, currency swaps, cross currency interest rate swaps and forward rate agreements in order to hedge on-balance sheet/ off-balance sheet assets and liabilities or for trading purposes. The swap contracts entered to hedge on-balance sheet assets and liabilities are structured in such a way that they bear an opposite and offsetting impact with the underlying on-balance sheet items. The impact of such derivative instruments is correlated with the movement of the underlying assets and accounted in accordance with the principles of hedge accounting.
- 6.2 Derivative contracts classified as hedge are recorded on accrual basis. Hedge contracts are not marked to market unless the underlying assets/ liabilities are also marked to market.
- 6.3 Except as mentioned above, all other derivative contracts are marked to market as per the Generally Accepted Accounting Practices prevalent in the industry. In respect of derivative contracts that are marked to market, changes in the market value are recognised in the Profit and Loss Account in the period of change. Any receivable under derivative contracts, which remain overdue for more than 90 days, are reversed through Profit and Loss Account to "Suspense Account Crystallised Receivables". In cases where the derivative contracts provide for more settlement in future and if the derivative contract is not terminated on the overdue receivables remaining unpaid for 90 days, the positive MTM pertaining to future receivables is also reversed from Profit and Loss Account to "Suspense Account - Positive MTM".

6.4 Option premium paid or received is recorded in Profit and Loss Account at the expiry of the option. The balance in the premium received on options sold and premium paid on options bought is considered to arrive at Mark-to-Market value for forex Over-the-Counter (OTC) options.

6.5 Exchange Traded Derivatives entered into for trading purposes are valued at prevailing market rates based on rates given by the Exchange and the resultant gains and losses are recognized in the Profit and Loss Account.

7. Fixed Assets, Depreciation and Amortisation:

- 7.1 Fixed Assets are carried at cost less accumulated depreciation/ amortisation.
- 7.2 Cost includes cost of purchase and all expenditure such as site preparation, installation costs and professional fees incurred on the asset before it is put to use. Subsequent expenditure(s) incurred on the assets put to use are capitalised only when it increases the future benefits from such assets or their functioning capability.
- 7.3 The rates of depreciation and method of charging depreciation in respect of domestic operations are as under:

Sr. No.	Description of Fixed Assets	Method of charging depreciation	Depreciation/ amortisation rate
1	Computers	Straight Line Method	33.33% every year
2	Computer Software forming an integral part of the Computer hardware	Straight Line Method	33.33% every year
3	Computer Software which does not form an integral part of Computer hardware and cost of Software Development	Straight Line Method	33.33% every year
4	Automated Teller Machine/ Cash Deposit Machine/ Coin Dispenser/ Coin Vending Machine	Straight Line Method	20.00% every year
5	Server	Straight Line Method	25.00% every year
6	Network Equipment	Straight Line Method	20.00% every year
7	Other fixed assets	Straight Line Method	On the basis of estimated useful life of the assets Estimated useful life of major group of Fixed Assets are as under: Premises 60 Years Vehicles 05 Years Safe Deposit Lockers 20 Years Furniture & Fixtures 10 Years

- 7.4 In respect of assets acquired during the year (for domestic operations), depreciation is charged on proportionate basis for the number of days the assets have been put to use during the year.
- 7.5 Assets costing less than ₹ 1,000 each are charged off in the year of purchase.
- 7.6 In respect of leasehold premises, the lease premium, if any, is amortised over the period of lease and the lease rent is charged in the respective year(s).
- 7.7 In respect of assets given on lease by the Bank on or before 31st March, 2001, the value of the assets given on lease is disclosed as Leased Assets under Fixed Assets, and the difference between the annual lease charge (capital recovery) and the depreciation is taken to Lease Equalisation Account.
- 7.8 In respect of fixed assets held at foreign offices, depreciation is provided as per the regulations / norms of the respective countries.
- 7.9 The Bank considers only immovable assets for revaluation. Properties acquired during the last three years are not revalued. Valuation of the revalued assets is done at every three years thereafter.
- 7.10 The increase in Net Book Value of the asset due to revaluation is credited to the Revaluation Reserve Account without routing through the profit and loss statement. The depreciation provided on the increase in the Net Book Value is recouped from Revaluation Reserve.
- 7.11 The Revalued Assets is depreciated over the balance useful life of the asset as assessed at the time of revaluation.

8. Leases:

The asset classification and provisioning norms applicable to advances, as laid down in Para 3 above, are applied to financial leases also.

9. Impairment of Assets:

Fixed Assets are reviewed for impairment whenever events or changes in circumstances warrant that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future Net Discounted Cash Flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognised is measured by the amount by which the carrying amount of the asset exceeds the fair value of the asset.

10. Effect of changes in the foreign exchange rate:

10.1 Foreign Currency Transactions

- i. Foreign currency transactions are recorded on initial recognition in the reporting currency by applying

- to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the date of transaction.
- ii. Foreign currency monetary items are reported using the Foreign Exchange Dealers Association of India (FEDAI) closing (spot/ forward) rates.
- iii. Foreign currency non-monetary items, which are carried at historical cost, are reported using the exchange rate on the date of the transaction.
- iv. Contingent liabilities denominated in foreign currency are reported using the FEDAI closing spot rates.
- v. Outstanding foreign exchange spot and forward contracts held for trading are revalued at the exchange rates notified by FEDAI for specified maturities, and the resulting Profit or Loss is recognised in the Profit and Loss account.
- vi. Foreign exchange forward contracts which are not intended for trading and are outstanding on the Balance Sheet date, are re-valued at the closing spot rate. The premium or discount arising at the inception of such forward exchange contract is amortised as expense or income over the life of the contract.
- vii. Exchange differences arising on the settlement of monetary items at rates different from those at which they were initially recorded are recognised as income or as expense in the period in which they arise.
- viii. Gains/ Losses on account of changes in exchange rates of open position in currency futures trades are settled with the exchange clearing house on daily basis and such gains/ losses are recognised in the Profit and Loss Account.

10.2 Foreign Operations:

Foreign Branches of the Bank and Offshore Banking Units (OBU) have been classified as Non-integral Operations and Representative Offices have been classified as Integral Operations.

a. Non-integral Operations:

- i. Both monetary and non-monetary foreign currency assets and liabilities including contingent liabilities of non-integral foreign operations are translated at closing exchange rates notified by FEDAI at the Balance Sheet date.
- ii. Income and expenditure of non-integral foreign operations are translated at quarterly average closing rates notified by FEDAI.
- iii. Exchange differences arising on investment in non-integral foreign operations are accumulated in Foreign Currency Translation Reserve until the disposal of the investment.

- iv. The Assets and Liabilities of foreign offices in foreign currency (other than local currency of the foreign offices) are translated into local currency using spot rates applicable to that country on the Balance Sheet date.

b. Integral Operations:

- i. Foreign currency transactions are recorded on initial recognition in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the date of transaction.
- ii. Monetary foreign currency assets and liabilities of integral foreign operations are translated at closing (Spot/ Forward) exchange rates notified by FEDAI at the Balance Sheet date and the resulting Profit/ Loss is included in the Profit and Loss Account. Contingent Liabilities are translated at Spot rate.
- iii. Foreign currency non-monetary items which are carried at historical cost are reported using the exchange rate on the date of the transaction.

11. Employee Benefits:

11.1 Short Term Employee Benefits:

The undiscounted amounts of short-term employee benefits, such as medical benefits which are expected to be paid in exchange for the services rendered by employees, are recognised during the period when the employee renders the service.

11.2 Long Term Employee Benefits:

i. Defined Benefit Plans:

- a. The Bank operates a Provident Fund scheme. All eligible employees are entitled to receive benefits under the Bank's Provident Fund scheme. The Bank contributes monthly at a determined rate (currently 10% of employee's basic pay plus eligible allowance). These contributions are remitted to a Trust established for this purpose and are charged to Profit and Loss Account. The Bank recognizes such annual contributions as an expense in the year to which it relates. Shortfall, if any, is provided for on the basis of actuarial valuation.
- b. The Bank operates Gratuity and Pension schemes which are defined benefit plans.
- i) The Bank provides for gratuity to all eligible employees. The benefit is in the form of lump sum payments to vested employees on retirement, or on death while in employment, or on termination of employment, for an amount equivalent to 15 days basic salary payable for each completed year of service, subject to the cap prescribed by the Statutory Authorities. Vesting occurs upon completion of five years of service. The Bank makes

periodic contributions to a fund administered by Trustees based on an independent external actuarial valuation carried out annually.

- ii) The Bank provides for pension to all eligible employees. The benefit is in the form of monthly payments as per rules to vested employees on retirement or on death while in employment, or on termination of employment. Vesting occurs at different stages as per rules. The Bank makes monthly contribution to the Pension Fund at 10% of salary in terms of SBI Pension Fund Rules. The pension liability is reckoned based on an independent actuarial valuation carried out annually and Bank makes such additional contributions periodically to the Fund as may be required to secure payment of the benefits under the pension regulations.
- c. The cost of providing defined benefits is determined using the projected unit credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains/ losses are immediately recognised in the Profit and Loss Account and are not deferred.

ii. Defined Contribution Plan:

The Bank operates a New Pension Scheme (NPS) for all officers/ employees joining the Bank on or after 1st August, 2010, which is a defined contribution plan, such new joinees not being entitled to become members of the existing SBI Pension Scheme. As per the scheme, the covered employees contribute 10% of their basic pay plus dearness allowance to the scheme together with a matching contribution from the Bank. Pending completion of registration procedures of the employees concerned, these contributions are retained as deposits in the Bank and earn interest at the same rate as that of the current account of Provident Fund balance. The Bank recognizes such annual contributions and interest as an expense in the year to which they relate. Upon receipt of the Permanent Retirement Account Number (PRAN), the consolidated contribution amounts are transferred to the NPS Trust.

iii. Other Long Term Employee benefits:

- a. All eligible employees of the Bank are eligible for compensated absences, silver jubilee award, leave travel concession, retirement award and resettlement allowance. The costs of such long term employee benefits are internally funded by the Bank.
- b. The cost of providing other long term benefits is determined using the projected unit credit method with actuarial valuations being carried out at each Balance Sheet date. Past service cost is immediately recognised in the Profit and Loss Account and is not deferred.

11.3 Employee benefits relating to employees employed at foreign offices are valued and accounted for as per the respective local laws/ regulations.

12. Taxes on income:

Income tax expense is the aggregate amount of current tax and deferred tax expense incurred by the Bank. The current tax expense and deferred tax expense are determined in accordance with the provisions of the Income Tax Act, 1961 and as per Accounting Standard 22 – “Accounting for Taxes on Income” respectively after taking into account taxes paid at the foreign offices, which are based on the tax laws of respective jurisdictions. Deferred Tax adjustments comprises of changes in the deferred tax assets or liabilities during the year. Deferred tax assets and liabilities are recognised by considering the impact of timing differences between taxable income and accounting income for the current year, and carry forward losses. Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted at the balance sheet date. The impact of changes in deferred tax assets and liabilities is recognised in the profit and loss account. Deferred tax assets are recognised and re-assessed at each reporting date, based upon management’s judgment as to whether their realisation is considered as reasonably certain. Deferred Tax Assets are recognised on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty supported by convincing evidence that such deferred tax assets can be realised against future profits.

13. Earnings per Share:

- 13.1 The Bank reports basic and diluted earnings per share in accordance with AS 20 –“Earnings per Share” issued by the ICAI. Basic Earnings per Share are computed by dividing the Net Profit after Tax for the year attributable to equity shareholders by the weighted average number of equity shares outstanding for the year.
- 13.2 Diluted Earnings per Share reflect the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted Earnings per Share are computed using the weighted average number of equity shares and dilutive potential equity shares outstanding at year end.

14. Provisions, Contingent Liabilities and Contingent Assets:

- 14.1 In conformity with AS 29, “Provisions, Contingent Liabilities and Contingent Assets”, issued by the Institute of Chartered Accountants of India, the Bank recognises provisions only when it has a present obligation as a result of a past event, and would result in a probable outflow of resources

embodying economic benefits will be required to settle the obligation, and when a reliable estimate of the amount of the obligation can be made.

14.2 No provision is recognised for:

- any possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Bank; or
- any present obligation that arises from past events but is not recognised because:

 - it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
 - a reliable estimate of the amount of obligation cannot be made.

Such obligations are recorded as Contingent Liabilities. These are assessed at regular intervals and only that part of the obligation for which an outflow of resources embodying economic benefits is probable, is provided for, except in the extremely rare circumstances where no reliable estimate can be made.

14.3 Provision for reward points in relation to the debit card holders of the Bank is being provided for on actuarial estimates.

14.4 Contingent Assets are not recognised in the financial statements.

15. Bullion Transactions:

The Bank imports bullion including precious metal bars on a consignment basis for selling to its customers. The imports are typically on a back-to-back basis and are priced to the customer based on price quoted by the supplier. The Bank earns a fee on such bullion transactions. The fee is classified under commission income. The Bank also accepts deposits and lends gold, which is treated as deposits/ advances as the case may be with the interest paid/ received classified as interest expense/ income. Gold Deposits, Metal Loan Advances and closing Gold Balances are valued at available Market Rate as on the date of Balance Sheet.

16. Special Reserves:

Revenue and other Reserve include Special Reserve created under Section 36(i)(viii) of the Income Tax Act, 1961. The Board of Directors of the Bank have passed a resolution approving creation of the reserve and confirming that it has no intention to make withdrawal from the Special Reserve.

17. Share Issue Expenses:

Share issue expenses are charged to the Share Premium Account.

C. Risk Exposure in Derivatives

(A) Qualitative Risk Exposure

- i. The Bank currently deals in over-the-counter (OTC) interest rate and currency derivatives as also in Interest Rate Futures and Exchange Traded Currency Derivatives. Interest Rate Derivatives dealt by the Bank are rupee interest rate swaps, foreign currency interest rate swaps and forward rate agreements, cap, floor and collars. Currency derivatives dealt by the Bank are currency swaps, rupee dollar options and cross-currency options. The products are offered to the Bank's customers to hedge their exposures and the Bank also enters into derivatives contracts to cover off such exposures. Derivatives are used by the Bank both for trading as well as hedging balance sheet items. The Bank also runs option position in US\$/INR, which is managed through various types of loss limits and Greek limits.
- ii. Derivative transactions carry market risk i.e. the probable loss the Bank may incur as a result of adverse movements in interest rates/exchange rates and credit risk i.e. the

probable loss the Bank may incur if the counterparties fail to meet their obligations. The Bank's "Policy for Derivatives" approved by the Board prescribes the market risk parameters (Greek limits, Loss Limits, cut-loss triggers, open position limits, duration, modified duration, PV01 etc.) as well as customer eligibility criteria (credit rating, tenure of relationship, limits and customer appropriateness and suitability of policy (CAS) etc.) for entering into derivative transactions. Credit risk is controlled by entering into derivative transactions only with counterparties satisfying the criteria prescribed in the Policy. Appropriate limits are set for the counterparties taking into account their ability to honour obligations and the Bank enters into ISDA agreement with each counterparty.

- iii. The Asset Liability Management Committee (ALCO) of the Bank oversees efficient management of these risks. The Bank's Market Risk Management Department (MRMD) identifies, measures, monitors market risk associated with derivative transactions, assists ALCO in controlling and managing these risks and reports compliance with policy

- prescriptions to the Risk Management Committee of the Board (RMCB) at regular intervals.
- iv. The accounting policy for derivatives has been drawn-up in accordance with RBI guidelines, the details of which are presented under Schedule 17: Significant Accounting Policies (SAP) for the financial year 2017-18.
 - v. Interest Rate Swaps are mainly used at Foreign Offices for hedging of the assets and liabilities.
 - vi. Apart from hedging swaps, swaps at Foreign Offices consist of back to back swaps done at our Foreign Offices which are done mainly for hedging of FCNR deposits at Global Markets, Kolkata.
 - vii. Majority of the swaps were done with First class counterparty banks.
- viii. Derivative transactions comprise of swaps which are disclosed as contingent liabilities. The swaps are categorised as trading or hedging.
- ix. Derivative deals are entered into with only those interbank participants for whom counterparty exposure limits are sanctioned. Similarly, derivative deals entered into with only those corporates for whom credit exposure limit is sanctioned. Collateral requirements for derivative transactions are laid down as a part of credit sanction terms on a case by case basis. Such collateral requirements are determined based on usual credit appraisal process. The Bank retains the right to terminate transactions as a risk mitigation measure in certain cases.

The estimates of future salary growth, factored in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market. Such estimates are very long term and are not based on limited past experience / immediate future. Empirical evidence also suggests that in very long term, consistent high salary growth rates are not possible. The said estimates and assumptions have been relied upon by the auditors.

Consequent upon amendment in Payment of Gratuity Act 1972 and revision in gratuity ceiling from ₹ 10.00 Lakh to ₹ 20.00 lakh, the additional liability works out to ₹ 3,610.00 crore. RBI has vide letter No. DBR.BP.9730/21.04.018/2017-18 dated 27th April 2018 advised that banks, may at their discretion, spread the expenditure involved over four quarters beginning from the

quarter ended 31st March, 2018. They have also advised that the enhanced gratuity related unamortized expenditure would not be reduced from Tier I capital.

Accordingly, out of the total additional liability of ₹ 3,610.00 crore, an amount of ₹ 902.50 crore have been charged to the Profit & Loss Account for the year ended 31st March, 2018 and the remaining unamortized liability of ₹ 2,707.50 crore shall be provided over next three quarters i.e. from June'18 quarter to December'18 quarter.

c) Accounting Standard – 17 "Segment Reporting"

1. Segment Identification

I. Primary (Business Segment)

The following are the primary segments of the Bank:-

- Treasury
- Corporate / Wholesale Banking
- Retail Banking
- Other Banking Business

The present accounting and information system of the Bank does not support capturing and extraction of the data in respect of the above segments separately. However, based on the present internal, organisational and management reporting structure and the nature of their risk and returns, the data on the primary segments have been computed as under:

i. Treasury –

The Treasury Segment includes the entire investment portfolio and trading in foreign exchange contracts and derivative contracts. The revenue of the treasury segment primarily consists of fees and gains or losses from trading operations and interest income on the investment portfolio.

ii. Corporate / Wholesale Banking –

The Corporate / Wholesale Banking segment comprises the lending activities of Corporate Accounts Group, Mid Corporate Accounts Group and Stressed Assets Resolution Group. These include providing loans and transaction services to corporate and institutional clients and further include non-treasury operations of foreign offices.

iii. Retail Banking –

The Retail Banking Segment comprises of branches in National Banking Group, which primarily includes Personal Banking activities including lending activities to corporate customers having banking relations with branches in the National Banking Group. This segment also includes agency business and ATMs.

iv. Other Banking business –

Segments not classified under (i) to (iii) above are classified under this primary segment.

II. Secondary (Geographical Segment)

i) Domestic Operations - Branches/Offices having operations in India

ii) Foreign Operations - Branches/Offices having operations outside India and offshore Banking units having operations in India

III. Pricing of Inter-segmental Transfers

The Retail Banking segment is the primary resource mobilising unit. The Corporate/Wholesale Banking and Treasury segments are recipient of funds from Retail Banking. Market related Funds Transfer Pricing (MRFTP) is followed under which a separate unit called Funding Centre has been created. The Funding Centre notionally buys funds that the business units raise in the form of deposits or borrowings and notionally sell funds to business units engaged in creating assets.

IV. Allocation of Expenses, Assets and Liabilities

Expenses incurred at Corporate Centre establishments directly attributable either to Corporate / Wholesale and Retail Banking Operations or to Treasury Operations segment, are allocated accordingly. Expenses not directly attributable are allocated on the basis of the ratio of number of employees in each segment/ratio of directly attributable expenses.

The Bank has certain common assets and liabilities, which cannot be attributed to any segment, and the same are treated as unallocated.

i) **Accounting Standards – 28 “Impairment of Assets”**

In the opinion of the Bank's Management, there is no indication of impairment to the assets during the year to which Accounting Standard 28 – “Impairment of Assets” applies.

j) **Accounting Standard – 29 “Provisions, Contingent Liabilities and Contingent Assets”**

Description of Contingent liabilities:

Sr. No.	Particulars	Brief Description
1	Claims against the Bank not acknowledged as debts	The Bank is a party to various proceedings in the normal course of business. The Bank does not expect the outcome of these proceedings to have a material adverse effect on the Bank's financial conditions, results of operations or cash flows. The Bank is also a party to various taxation matters in respect of which appeals are pending.
2	Liability on partly paid-up investments/Venture Funds	This item represents amounts remaining unpaid towards liability for partly paid investments. This also includes undrawn commitments for Venture Capital Funds.
3	Liability on account of outstanding forward exchange contracts	The Bank enters into foreign exchange contracts in its normal course of business to exchange currencies at a pre-fixed price at a future date. Forward exchange contracts are commitments to buy or sell foreign currency at a future date at the contracted rate. The notional amounts are recorded as Contingent Liabilities. With respect to the transactions entered into with its customers, the Bank generally enters into off-setting transactions in the interbank market. This results in generation of a higher number of outstanding transactions, and hence a large value of gross notional principal of the portfolio, while the net market risk is lower.

4	Guarantees given on behalf of constituents, acceptances, endorsements and other obligations	As a part of its commercial Banking activities, the Bank issues documentary credits and guarantees on behalf of its customers. Documentary credits enhance the credit standing of the customers of the Bank. Guarantees generally represent irrevocable assurances that the Bank will make payment in the event of the customer failing to fulfil its financial or performance obligations.
5	Other items for which the Bank is contingently liable.	The Bank enters into currency options, forward rate agreements, currency swaps and interest rate swaps with inter-Bank participants on its own account and for customers. Currency swaps are commitments to exchange cash flows by way of interest/principal in one currency against another, based on predetermined rates. Interest rate swaps are commitments to exchange fixed and floating interest rate cash flows. The notional amounts that are recorded as Contingent Liabilities, are typically amounts used as a benchmark for the calculation of the interest component of the contracts. Further, these also include estimated amount of contracts remaining to be executed on capital account and not provided for, letter of comforts issued by the Bank on behalf of Associates & Subsidiaries, Bank's Liability under Depositors Education and Awareness Fund A/c and other sundry contingent liabilities.

The Contingent Liabilities mentioned above are dependent upon the outcome of Court/ arbitration/out of Court settlements, disposal of appeals, the amount being called up, terms of contractual obligations, devolvement and raising of demand by concerned parties, as the case may be.

The Bank in accordance with RBI Circular No. DBOD.No.BP. BC.85/21.06.200/2013-14 dated January 15, 2014 on 'Capital and Provisioning Requirements for Exposure to entities has provided for Unhedged Foreign Currency Exposure'.

An amount of ₹ 86.44 crore (Previous Year ₹ 110.74 crore) was held as on 31st March 2018 for towards Currency Induced Credit Risk and Capital allocated for Currency Induced Credit Risk amounting to ₹ 66.49 crore (Previous Year ₹ 246.98 crore).

Liquid assets comprise of high quality assets that can be readily encashed or used as collateral to obtain cash in a range of stress scenarios. There are two categories of assets included in the stock of HQLAs, viz. Level 1 and Level 2 assets. While Level 1 assets are with 0% haircut, Level 2A and Level 2B assets are with 15% and 50% haircuts respectively. The total net cash outflow is the total expected cash outflows minus total expected cash inflows for the subsequent 30 calendar days. Total expected cash outflows are calculated by multiplying the outstanding balances of various categories or types of liabilities and off-balance sheet commitments by the rates at which they are expected to run off or be drawn down. Total expected cash inflows are calculated by multiplying the outstanding balances of various categories of contractual receivables by the rates at which they are expected to flow in up to an aggregate cap of 75% of total expected cash outflows.

18. Liquidity Coverage Ratio (LCR):**a) Standalone LCR**

Liquidity Coverage Ratio (LCR) standard has been introduced with the objective that a bank maintains an adequate level of unencumbered High Quality Liquid Assets (HQLAs) that can be converted into cash to meet its liquidity needs for a 30 calendar day time horizon under a significantly severe liquidity stress scenario.

LCR has been defined as :

Stock of high quality liquid assets (HQLAs)

Total net cash outflow over the next 30 calendar days

15 LIQUIDITY COVERAGE RATIO(%)		134.05%		138.91%		139.16%		127.63%		144.06%

Note 1 : In accordance with RBI Circular No. RBI/2014-15/529 DBR. No. BP.BC.80/21.06.201/2014-15 dated March 31, 2015 guidelines, average weighted and unweighted amounts have been calculated considering simple daily average from 1st January 2017 and taking 66 data points for the quarter January-March 2018.

Note 2 : Bank has automated computation of Domestic LCR since 1st March 2018.

Note 3 : LCR position for the quarter ended March 31, 2017 is based on figures of SBI stand alone basis i.e. excluding figures of erstwhile Associate Banks, which have merged with SBI on 1st April 2017.

The LCR position is above the minimum 90% prescribed by RBI. Bank's LCR comes to 134.05% based on daily average of three months (Q4 FY17-18). The average HQLA for the quarter was ₹ 6,74,894 crore, of which, Level 1 assets constituted 93.58% of total HQLA. Government securities constituted 96.92% of Total Level 1 Assets. Level 2A Assets constitutes 5.39% of total HQLA and Level 2B assets constitutes 1.03% of total HQLA. The net cash outflow position has slightly gone up on account of decrease in receivable RBI/Central Bank. Derivative exposures are considered insignificant due to almost matching inflows and outflows position. During the quarter, LCR for US\$ (significant Foreign Currency constituting more than 5% of the Balance Sheet of the Bank) was 77.98% on average.

Liquidity Management in the Bank is driven by the ALM Policy of the Bank and regulatory prescriptions. The Domestic and International Treasuries are reporting to the Asset Liability Management Committee (ALCO). The ALCO has been empowered by the Bank's Board to formulate the Bank's funding strategies to ensure that the funding sources are well diversified and is consistent with the operational requirements of the Bank. All the major decisions of ALCO are being reported to the Bank's Board periodically. In addition to daily/monthly LCR reporting, Bank prepares daily Structural Liquidity statements to assess the liquidity needs of the Bank on an ongoing basis.

The Bank has been maintaining HQLA mainly in the form of SLR investments over and above the mandatory requirements. Retail deposits constitute major portion of total funding sources, which are well diversified. Management is of the view that the Bank has sufficient liquidity cover to meet its likely future short term requirements.

b. Consolidated LCR

The RBI through a supplementary guideline issued on March 31, 2015 had stipulated the implementation of LCR at a consolidated level from January 1, 2016. Accordingly, SBI Group has been computing the Consolidated LCR.

The entities covered in the Group LCR are State Bank of India and the seven Overseas Banking Subsidiaries: Bank SBI Botswana Ltd, Commercial Indo Bank LLC, Moscow, Nepal SBI Bank Ltd., State Bank of India (California), SBI Canada Bank, SBI (Mauritius) Ltd, and PT Bank SBI Indonesia.

SBI Group LCR comes out to 134.01% as on 31st March, 2018 based on average of three months January, February and March 2018.

28. a) On April 18, 2017, RBI through its circular advised that the provisioning rates prescribed as per the prudential norms circular are the regulatory minimum and banks are encouraged to make provisions at higher rates in respect of advances to stressed sectors of the economy. Accordingly, during the year, the Bank as per its Board approved policy made additional general provision amounting to ₹ 74.66 crore on standard loans to borrowers.
- b) RBI vide letter DBR.No.BP.8756/ 21.04.048/2017-18 dated 2nd April 2018, the provisioning requirements in respects of NCLT accounts is reduced from 50% of secured portion to 40% of secured portion as at 31st March 2018. Based on the prospects of recovery the bank has availed the relaxation in a few accounts.
29. RBI vide letter RBI 2017-18/131/DBR.No.BP.BC.101/ 21.04.048/2017-18 dated February 12, 2018, issued a Revised Framework for Resolution of Stressed Assets, which superseded the existing guidelines on CDR, SDR, change in ownership outside SDR, Flexible Structuring of Existing Long term project loans (5/25 Scheme) and S4A with immediate effect. Under the revised framework, the stand-still benefits for accounts where any of these schemes had been invoked but not yet implemented were revoked and accordingly these accounts have been classified as per the extant RBI prudential norms on Income Recognition and Asset Classification.
30. The bank has made an adhoc provision of ₹ 1,659.41 crore towards arrears of wages due for revision w.e.f 1st November 2017.
31. Profit / (loss) on sale of investment (net) under Schedule 14 "Other Income" includes ₹ 5,436.17 crore on sale of partial investment in SBI Life Insurance Company Limited.
32. (a) The results for the year ended 31st March, 2018 include the result of operations of the erstwhile Associate Banks (ABs) & Bharatiya Mahila Bank Limited (BMBL) for the period from 1st April 2017 to the year end. Hence, the results of the Bank are not comparable to that of the corresponding previous year.
- (b) Previous year figures have been regrouped/reclassified, wherever necessary, to confirm to current year classification. In cases where disclosures have been made for the first time in terms of RBI guidelines / Accounting Standards, previous year's figures have not been mentioned.

Report on the Standalone Financial Statements

1. We have audited the accompanying standalone financial statements of State Bank of India ("the Bank") as at March 31 2018, which comprise the Balance Sheet as on that date, and the Profit and Loss Account and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information. Incorporated in these standalone financial statements are the returns of -
 - i) The Central Offices, 16 Local Head Offices, Global Market Group, International Business Group, Corporate Accounts Group (Central), Mid-Corporate Group (Central), Stressed Assets Resolution Group (Central), Central Accounts Offices and 42 branches audited by us;
 - ii) 14,566 Indian Branches audited by other auditors;
 - iii) 51 Foreign Branches audited by the local auditors.

The branches audited by us and those audited by other auditors have been selected by the Bank in accordance with the guidelines issued to the Bank by the Reserve Bank of India. Also incorporated in the Balance Sheet and the Profit and Loss Account are the returns from 9,033 Indian Branches (including other accounting units) which have not been subjected to audit. These unaudited branches account for 3.49 % of advances, 12.56 % of deposits, and 4.62 % of interest income and 12.85 % of interest expenses.

Management's Responsibility for the Standalone Financial Statements

2. The Bank's management is responsible for the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Bank in accordance with the requirements of the Reserve Bank of India, the provisions of the Banking Regulation Act, 1949, the State Bank of India Act, 1955 and recognised accounting policies and practices, including the Accounting Standards issued by the Institute of Chartered Accountants of India (ICAI). This responsibility of the management includes the design, implementation and maintenance of internal controls and risk management systems relevant to the preparation of the standalone financial statements that are free from material misstatement, whether due to fraud or error. In making those risk assessments, the management has implemented such internal controls that are relevant to the preparation of the standalone financial statements and designed procedures that are appropriate in the circumstances so that the internal control with regard to all the activities of the Bank is effective.

Auditors' Responsibility

3. Our responsibility is to express an opinion on these standalone financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.
4. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Bank's preparation and fair presentation of the standalone financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the standalone financial statements.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

6. In our opinion, as shown by books of the Bank, and to the best of our information and according to the explanations given to us:
 - (i) the Balance Sheet, read with the significant accounting policies and the notes thereon is a full and fair Balance Sheet containing all the necessary particulars, is properly drawn up so as to exhibit a true and fair view of state of affairs of the Bank as at March 31, 2018 in conformity with accounting principles generally accepted in India;
 - (ii) the Profit and Loss Account, read with the significant accounting policies and the notes thereon shows a true balance of loss, in conformity with accounting principles generally accepted in India, for the year covered by the account; and
 - (iii) the Cash Flow Statement gives a true and fair view of the cash flows for the year ended on that date.

Emphasis of Matter

7. We draw attention to:
 - a) Note no 18(9)(b), regarding unamortized balance of INR 2,707.50 crore on account of additional liabilities towards Gratuity; and
 - b) Note no 18(9)(g), regarding recognition of Deferred Tax Assets of INR 2,461.40 Crore on provision for standard assets.

Our Opinion is not modified in respect of the above stated matters.

Report on Other Legal and Regulatory Requirements

8. The Balance Sheet and the Profit and Loss Account have been drawn up in Forms "A" and "B" respectively of the Third Schedule to the Banking Regulation Act, 1949 and these give information as required to be given by virtue of the provisions of the State Bank of India Act, 1955 and regulations there under.
9. Subject to the limitations of the audit indicated in paragraphs 1 to 5 above and as required by the State Bank of India Act, 1955, and subject also to the limitations of disclosure required there in, we report that:
 - a) We have obtained all the information and explanations which to the best of our knowledge and belief, were necessary for the purposes of our audit and have found them to be satisfactory.
 - b) The transactions of the Bank, which have come to our notice, have been within the powers of the Bank.
 - c) The returns received from the offices and branches of the Bank have been found adequate for the purposes of our audit.
10. We further report that:
 - a) The Balance Sheet, the Profit and Loss Account and the Cash Flow Statement dealt with by this report are in agreement with the books of account and returns.
 - b) The reports on the accounts of the branch offices audited by branch auditors of the Bank as per the provisions of the Banking Regulation Act, 1949, and the State Bank of India Act, 1955 have been sent to us and have been properly dealt with by us in preparing this report.
 - c) In our opinion, the Balance Sheet, the Profit and Loss Account and the Cash Flow Statement comply with the applicable accounting standards.

Schedule 17- Significant Accounting Policies:

A. Basis of Preparation:

The accompanying financial statements have been prepared under the historical cost convention, on the accrual basis of accounting on going concern basis, unless otherwise stated and conform in all material aspects to Generally Accepted Accounting Principles (GAAP) in India, which comprise applicable statutory provisions, regulatory norms/guidelines prescribed by the Reserve Bank of India (RBI), Banking Regulation Act, 1949, Insurance Regulatory and Development Authority of India (IRDAI), Pension Fund Regulatory and Development Authority (PFRDA), SEBI (Mutual Funds) Regulations, 1996, Companies Act 2013, Accounting Standards issued by the Institute of Chartered Accountants of India (ICAI), and the prevalent accounting practices in India. In case of foreign entities, Generally Accepted Accounting Principles as applicable to the foreign entities are followed.

B. Use of Estimates:

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) as on the date of the financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ from these estimates.

C. Basis of Consolidation:

1. Consolidated financial statements of the Group (comprising of 28 subsidiaries, 8 Joint Ventures and 20 Associates) have been prepared on the basis of:
 - a. Audited financial statements of State Bank of India (Parent).
 - b. Line by line aggregation of each item of asset/liability/ income/expense of the subsidiaries with the respective item of the Parent, and after eliminating all material intra-group balances/transactions, unrealised profit/loss, and making necessary adjustments wherever required for non-uniform accounting policies as per AS 21 "Consolidated Financial Statements" issued by the ICAI.
 - c. Consolidation of Joint Ventures – 'Proportionate Consolidation' as per AS 27 "Financial Reporting of Interests in Joint Ventures" issued by the ICAI.
 - d. Accounting for investment in 'Associates' under the 'Equity Method' as per AS 23 "Accounting for Investments in Associates in Consolidated Financial Statements" issued by the ICAI.
 - e. In terms of RBI circular on "Strategic Debt Restructuring Scheme", the controlling interest acquired in entities as part of Strategic Debt Restructuring Scheme is neither considered for consolidation nor such investment is treated as investments in subsidiary/ associate as the control is protective in nature and not participative.
2. The difference between cost to the group of its investment in the subsidiary entities and the group's portion of the equity of the subsidiaries is recognised in the financial statements as goodwill / capital reserve.

3. Minority interest in the net assets of the consolidated subsidiaries consists of:

- a. The amount of equity attributable to the minority at the date on which investment in a subsidiary is made, and
- b. The minority share of movements in revenue reserves/loss (equity) since the date the parent-subsidiary relationship came into existence.

D. Significant Accounting Policies

1. Revenue recognition:
- 1.1 Income and expenditure are accounted on accrual basis, except otherwise stated. As regards, foreign offices/entities, income and expenditure are recognised as per the local laws of the country in which the respective foreign offices/entities are located.
- 1.2 Interest/Discount income is recognised in the Profit and Loss Account as it accrues except (i) income from Non-Performing Assets (NPAs), comprising of advances, leases and investments, which is recognised upon realisation, as per the prudential norms prescribed by the RBI/ respective country regulators in the case of foreign offices/ entities (hereafter collectively referred to as Regulatory Authorities), (ii) overdue interest on investments and bills discounted, (iii) Income on Rupee Derivatives designated as "Trading", which are accounted on realisation .
- 1.3 Profit or Loss on sale of investments is recognised in the Profit and Loss Account. However, the profit on sale of investments in the 'Held to Maturity' category is appropriated (net of applicable taxes and amount required to be transferred to statutory reserve) to 'Capital Reserve Account'.
- 1.4 Income from finance leases is calculated by applying the interest rate implicit in the lease to the net investment outstanding in the lease, over the primary lease period. Leases effective from April 1, 2001 are accounted as advances at an amount equal to the net investment in the lease as per Accounting Standard 19 – "Leases", issued by ICAI. The lease rentals are apportioned between principal and finance income based on a pattern reflecting a constant periodic return on the net investment outstanding in respect of finance leases. The principal amount is utilized for reduction in balance of net investment in lease and finance income is reported as interest income.
- 1.5 Income (other than interest) on investments in "Held to Maturity" (HTM) category acquired at a discount to the face value, is recognised as follows:
 - i. On Interest bearing securities, it is recognised only at the time of sale/ redemption.
 - ii. On zero-coupon securities, it is accounted for over the balance tenor of the security on a constant yield basis.
- 1.6 Dividend income is recognised when the right to receive the dividend is established.

- 1.7 Commission on LC/ BG, Deferred Payment Guarantee, Government Business, ATM interchange fee & 'Upfront fee on restructured account' are recognised on accrual basis proportionately for the period. All other commission and fee income are recognised on their realisation.
- 1.8 One time Insurance Premium paid under Special Home Loan Scheme (December 2008 to June 2009) is amortised over average loan period of 15 years.
- 1.9 Brokerage, Commission etc. paid/incurred in connection with issue of Bonds/Deposits are amortized over the tenure of the related Bonds/Deposits and the expenses incurred in connection with the issue are charged upfront.
- 1.10 The sale of NPA is accounted as per guidelines prescribed by RBI:-
 - i. When the bank sells its financial assets to Securitisation Company (SC)/Reconstruction Company (RC), the same is removed from the books.
 - ii. If the sale is at a price below the net book value (NBV) (i.e., book value less provisions held), the shortfall is debited to the Profit and Loss Account in the year of sale
 - iii. If the sale is for a value higher than the NBV, the excess provision is written back in the year the amounts are received, as permitted by the RBI.

1.11 Non-banking entities:

Merchant Banking:

- a. Issue management and advisory fees are recognised based on the stage of completion of assignments and as per the terms of the agreement with the client, net of pass-through.
- b. Fees for private placement are recognised on completion of assignment.
- c. Brokerage income in relation to stock broking activity is recognized on the trade date of transaction and includes stamp duty, transaction charges and is net of scheme incentives paid.
- d. Commission relating to public issues is accounted for on finalisation of allotment of the public issue/receipt of information from intermediary.
- e. Brokerage income relating to public issues/mutual fund/other securities is accounted for based on mobilisation and intimation received from clients/intermediaries.
- f. Depository income – Annual Maintenance Charges are recognised on accrual basis and transaction charges are recognised on trade date of transaction.

Asset Management:

- a. Management fee is recognised at specific rates agreed with the relevant schemes, applied on the average daily net assets of each scheme (excluding inter-scheme investments, wherever applicable, investments made by the company in the respective scheme and deposits with Banks), and are in conformity with the limits specified under SEBI (Mutual Funds) Regulations, 1996.

- b. Portfolio Advisory Services, Portfolio Management Services and Management Fees on Alternative Investment Fund (AIF) are recognised on accrual basis as per the terms of the contract.
- c. Recovery, if any, on realisation of devolved investments of schemes acquired by the company, in terms of the right of subrogation, is accounted on the basis of receipts. Recovery from funded guarantee schemes is recognised as income in the year of receipt.
- d. Expenses of schemes in excess of the stipulated rates and expenses relating to new fund offer are charged to the Profit and Loss Account in the year in which they are incurred in accordance with the requirements of SEBI (Mutual Funds) Regulations, 1996.

Brokerage and/or incentive paid on investments in open-ended Equity Linked Tax Saving Schemes and Systematic Investment Plans (SIPs) are amortised over a period of 36 months and in case of other schemes, over the claw back period. In case of close-ended schemes, brokerage is amortised over the tenure of schemes.

Credit Card Operations:

- a. First annual fee and subsequent renewal fee are recognised over a period of one year as this more closely reflects the period to which the fee relates to.
- b. Interchange income is recognised on accrual basis.
- c. The total unidentified receipts which could not be credited or adjusted in the customers' accounts for lack of complete & correct information is considered as liability in balance sheet. The estimated unidentified receipts aged more than 6 months and up to 3 years towards the written off customers is written back as income on balance sheet date. Further, the unresolved unidentified receipts aged more than 3 years are also written back as income on balance sheet date. The liability for stale cheques aged for more than three years is written back as income.
- d. All other service income/fees are recorded at the time of occurrence of the respective events.

Factoring:

Factoring charges are accrued on factoring of debts at the applicable rates as decided by the company. Processing fees are recognised as income only when there is reasonable certainty of its receipt after execution of documents. Facility Continuation fees (FCF) are calculated and charged in the month of May for the entire next financial year on all live standard accounts. 1st of May is deemed as date for accrual of the FCF.

Life Insurance:

- a. Premium of non-linked business is recognised as income (net of service tax/ goods and service tax) when due from policyholders. In respect of linked business, premium income is recognised when the associated units are allotted. In case of Variable Insurance Products (VIPs), premium income is recognised on the date when the Policy Account Value is credited. Uncollected premium from lapsed policies is not recognised as income until such policies are revived.

- b. Top-up premiums are considered as single premium.
- c. Income from linked funds which includes fund management charges, policy administration charges, mortality charges, etc. are recovered from linked fund in accordance with terms and conditions of policy and recognised when recovered.
- d. Realised gains and losses in respect of equity securities and units of mutual funds are calculated as the difference between the net sales proceeds and their cost. In respect of debt securities, the realised gains and losses are calculated as difference between net sale proceeds or redemption proceeds and weighted average amortised cost. Cost in respect of equity shares and units of mutual fund are computed using the weighted average method.
- e. Fees received on lending of equity shares under Securities lending and borrowing scheme (SLB) is recognised as income over the period of the lending on straight-line basis.
- f. Premium ceded on reinsurance is accounted in accordance with the terms of the re-insurance treaty or in-principle arrangement with the re-insurer.
- g. Benefits paid:
 - ◆ Claims cost consist of the policy benefit amounts and claims settlement costs, where applicable.
 - ◆ Claims by death and rider are accounted when intimated. Intimations up to the end of the period are considered for accounting of such claims.
 - ◆ Claims by maturity are accounted on the policy maturity date.
 - ◆ Survival and Annuity benefits claims are accounted when due.
 - ◆ Surrenders and withdrawals are accounted as and when intimated. Benefits paid also includes amount payable on lapsed policies which are accounted for as and when due. Surrenders, withdrawals and lapsation are disclosed at net of charges recoverable.
 - ◆ Repudiated claims disputed before judicial authorities are provided for based on management prudence considering the facts and evidences available in respect of such claims.
 - ◆ Amounts recoverable from re-insurers are accounted for in the same period as the related claims and are reduced from claims.
- h. Acquisition costs such as commission, medical fees, etc. are costs that are primarily related to the acquisition of new and renewal insurance contracts. The same are expensed in the period in which they are incurred.
- i. **Liability for life policies:** The actuarial liability of all the life insurance policies has been calculated by the Appointed Actuary in accordance with the Insurance Act 1938, and as per the rules and regulations and circulars issued by IRDAI and the relevant Guidance Notes and/or Actuarial Practice Standards (APS) issued by the Institute of Actuaries of India.

Non-linked business is reserved using a prospective gross premium valuation method. Mathematical reserves are calculated based on future assumptions having regard to current and future experience. The unit liability in respect of linked business has been considered as the value of the units standing to the credit of the policy holders, using the Net Asset Value (NAV) as on the valuation date. Variable insurance policies (VIPs) have also been valued in a manner similar to the ULIP business by considering liability as the policy account standing to the credit of the policy holders plus additional provisions for adequacy of charges to meet expenses.

General Insurance:

- a. Premium including reinsurance accepted (net of goods & service tax) is recorded in the books at the commencement of risk. In case the premium is recovered in instalments, amount to the extent of instalment due is recorded on the due date of the instalment. Premium (net of goods & service tax), including reinstatement premium, on direct business and reinsurance accepted, is recognized as income over the contract period or the period of risk, whichever is appropriate, on a gross basis under 1/365 method. Any subsequent revision to premium is recognized over the remaining period of risk or contract period. Adjustments to premium income arising on cancellation of policies are recognised in the period in which they are cancelled.
- b. Commission received on reinsurance ceded is recognised as income in the period in which reinsurance risk is ceded. Profit commission under re-insurance treaties, wherever applicable, is recognized as income in the year of final determination of the profits as intimated by Reinsurer and combined with commission on reinsurance ceded.
- c. In respect of proportional reinsurance ceded, the cost of reinsurance ceded is accrued at the commencement of risk. Non-proportional reinsurance cost is recognized when due. Non-proportional reinsurance cost is accounted as per the terms of the reinsurance arrangements. Any subsequent revision to, refunds or cancellations of premiums is recognized in the period in which they occur.
- d. Reinsurance inward acceptances are accounted for on the basis of returns, to the extent received, from the insurers.
- e. Acquisition costs are expensed in the period in which they are incurred. Acquisition costs are defined as costs that vary with, and are primarily related to the acquisition of new and renewal insurance contracts viz. commission, policy issue expenses etc. The primary test for determination as acquisition cost is the obligatory relationship between the costs and the execution of the insurance contracts (i.e. commencement of risk).
- f. Claim is recognised as and when a loss occurrence is reported. Claim is recognised by creation of provision for the amount of claim payable as estimated by the management based on available information and past experience, on receipt of claim notification. Such provision is reviewed / modified as appropriate on the basis of additional information as and when available. Amounts received/receivable from the re-insurers/

co-insurers, under the terms of the reinsurance and coinsurance arrangements respectively, is recognised together with the recognition of claim. Provision for claims outstanding payable as on the date of Balance Sheet is net of reinsurance, salvage value and other recoveries as estimated by the management.

- g. Provision in respect of claim liabilities that may have been incurred before the end of the accounting year but are
- not yet reported or claimed (IBNR) or
 - not enough reported i.e. reported with information insufficient for making a reasonable estimate of likely claim amount (IBNER),

The provision is made according to the amount determined by the Appointed Actuary based on actuarial principles in accordance with the Actuarial Practice Standards and Guidance Notes issued by the Institute of Actuaries of India and IRDAI regulations and guidelines.

Custody & Fund accounting services:

The revenue (net of goods & service tax) is recognised to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured.

Pension Fund Operation:

Management fee is recognized at specific rates agreed with the relevant schemes, applied on daily net assets of each scheme, and is in conformity with the regulatory guidelines issued by Pension Fund Regulatory and Development Authority (PFRDA). The Company presents revenues net of Service Tax/ goods and service tax

Trustee Operations:

- a. Mutual Fund Trusteeship fee is recognised at specific rates agreed with relevant schemes, applied on the average daily Net Assets of each scheme (excluding inter-scheme investment, investment in fixed deposits, investments made by the Asset Management Company and deferred revenue expenses, where applicable), and is in conformity with the limits specified under SEBI (Mutual Funds) Regulations, 1996.
- b. Corporate Trusteeship Acceptance fees are recognised on the acceptance or execution of trusteeship assignment whichever is earlier. Corporate Trusteeship service charges are recognised/accrued on the basis of terms of trusteeship contracts/agreements entered into with clients.
- c. Income from online "will" services is recognised when the right to receive the fee is established, as all certainty for revenue recognition is present at the time of establishment of such right.

Infrastructure and Facility Management:

Revenue from management and consultancy fees is recognised as and when the agreed scope of work is completed and the said contractual work is awarded to the vendor.

Investments:

The transactions in all securities are recorded on "Settlement Date"

1.12 Classification:

Investments are classified into three categories, viz. Held to Maturity (HTM), Available for Sale (AFS) and Held for Trading (HFT) as per RBI Guidelines.

1.13 Basis of classification:

- i. Investments that the Bank intends to hold till maturity are classified as "Held to Maturity (HTM)".
- ii. Investments that are held principally for resale within 90 days from the date of purchase are classified as "Held for Trading (HFT)".
- iii. Investments, which are not classified in the above two categories, are classified as "Available for Sale (AFS)".
- iv. An investment is classified as HTM, HFT or AFS at the time of its purchase and subsequent shifting amongst categories is done in conformity with regulatory guidelines.

1.14 Valuation:

A. Banking Business:

- i. In determining the acquisition cost of an investment:
 - a. Brokerage/commission received on subscriptions is reduced from the cost.
 - b. Brokerage, commission, securities transaction tax, etc. paid in connection with acquisition of investments are expensed upfront and excluded from cost.
 - c. Broken period interest paid / received on debt instruments is treated as interest expense/income and is excluded from cost/sale consideration.
 - d. Cost of investment under AFS and HFT category is determined at the weighted average cost method by the group entities and cost of investments under HTM category is determined on FIFO basis (first in first out) by SBI and weighted average cost method by other group entities.
- ii. Transfer of securities from HFT/AFS category to HTM category is carried out at the lower of acquisition cost/book value/market value on the date of transfer. The depreciation, if any, on such transfer is fully provided for. However, transfer of securities from HTM category to AFS category is carried out on acquisition price/book value. After transfer, these securities are immediately revalued and resultant depreciation, if any, is provided.
- iii. Treasury Bills and Commercial Papers are valued at carrying cost.

- iv. **Held to Maturity category:** Investments under Held to Maturity category are carried at acquisition cost unless it is more than the face value, in which case the premium is amortised over the period of remaining maturity on constant yield basis. Such amortisation of premium is adjusted against income under the head "interest on investments". A provision is made for diminution, other than temporary, for each investment individually. Investments in Regional Rural Banks (RRBs) are valued at equity cost determined in accordance with AS 23 of the ICAI.
 - v. **Available for Sale and Held for Trading categories:** Investments held under AFS and HFT categories are individually revalued at the market price or fair value determined as per Regulatory guidelines, and only the net depreciation of each group for each category (viz, (i) Government securities (ii) Other Approved Securities (iii) Shares (iv) Bonds and Debentures (v) Subsidiaries and Joint Ventures; and (vi) others) is provided for and net appreciation, is ignored. On provision for depreciation, the book value of the individual security remains unchanged after marking to market.
 - vi. In case of sale of NPA (financial asset) to Securitisation Company (SC)/ Asset Reconstruction Company (ARC) against issue of Security Receipts (SR), investment in SR is recognised at lower of (i) Net Book Value (NBV) (i.e., book value less provisions held) of the financial asset and (ii) Redemption value of SR. SRs issued by an SC/ARC are valued in accordance with the guidelines applicable to non-SLR instruments. Accordingly, in cases where the SRs issued by the SC/ARC are limited to the actual realisation of the financial assets assigned to the instruments in the concerned scheme, the Net Asset Value, obtained from the SC/ARC, is reckoned for valuation of such investments.
 - vii. Investments are classified as performing and non-performing, based on the guidelines issued by the RBI in the case of domestic offices/entities and respective regulators in the case of foreign offices/entities. Investments of domestic offices become non-performing where:
 - a. Interest/installment (including maturity proceeds) is due and remains unpaid for more than 90 days.
 - b. In the case of equity shares, in the event the investment in the shares of any company is valued at ₹ 1 per company on account of the non availability of the latest balance sheet, those equity shares would be reckoned as NPI.
 - c. If any credit facility availed by an entity is NPA in the books of the bank, investment in any of the securities issued by the same entity would also be treated as NPI and vice versa.
 - d. The above would apply mutatis-mutandis to Preference Shares where the fixed dividend is not paid.
 - e. The investments in debentures/bonds, which are deemed to be in the nature of advance, are also subjected to NPI norms as applicable to investments.
 - f. In respect of foreign offices/entities, provisions for NPIs are made as per the local regulations or as per the norms of RBI, whichever is more stringent.
 - viii. **Accounting for Repo/Reverse Repo transactions (other than transactions under the Liquidity Adjustment Facility (LAF) with the RBI)**
 - a. The securities sold and purchased under Repo/ Reverse Repo are accounted as Collateralized lending and borrowing transactions. However securities are transferred as in the case of normal outright sale/ purchase transactions and such movement of securities is reflected using the Repo/ Reverse Repo Accounts and Contra entries. The above entries are reversed on the date of maturity. Costs and revenues are accounted as interest expenditure/income, as the case may be. Balance in Repo A/c is classified under Schedule 4 (Borrowings) and balance in Reverse Repo A/c is classified under Schedule 7 (Balance with Banks and Money at Call & Short Notice).
 - b. Interest expended/earned on Securities purchased/ sold under LAF with RBI is accounted for as expenditure/revenue.
- Market repurchase and reverse repurchase transactions as well as the transactions with RBI under Liquidity Adjustment Facility (LAF) are accounted for as Borrowings and Lending transactions in accordance with the extant RBI guidelines.
- B. Insurance Business:**
- In case of life and general insurance subsidiaries, investments are made in accordance with the Insurance Act, 1938, the IRDAI (Investment) Regulations, 2016 and IRDA (Presentation of Financial Statements and Auditor's Report of Insurance Companies) Regulations, 2002, investment policy of the company and various other circulars / notifications as issued by IRDAI from time to time.
- (i) Valuation of investment pertaining to non-linked life insurance business and general insurance business:-**
- ◆ All debt securities, including government securities and money market securities are stated at historical cost subject to amortisation of premium or accretion of discount.
 - ◆ Listed equity shares, equity related instruments and preference shares are measured at fair value on the Balance Sheet date. For the purpose of determining fair value, the closing price at primary exchange i.e. National Stock Exchange of India Limited ('NSE') is considered. If NSE closing price is not available, the closing price of the secondary exchange i.e. BSE Limited ('BSE') is considered.
 - ◆ Unlisted equity securities, equity related instruments and preference shares are measured at historical cost.

- ◆ In case of Security Lending and Borrowing (SLB), equity shares lent are valued as per valuation policy for equity shares as mentioned above.
- ◆ Additional Tier 1 (Basel III compliant) Perpetual Bonds classified under "Equity" as specified by IRDAI, are valued at prices obtained from CRISIL.
- ◆ Investments in mutual fund units are valued at the Net Asset Value (NAV) of previous day in life insurance and of balance sheet date in general insurance.
- ◆ Investment in Alternative Investment Funds (AIFs) are valued at latest available NAV.

Unrealized gains or losses arising due to change in the fair value of listed equity shares, mutual fund units and AIFs pertaining to shareholders' investments and non-linked policyholders investments are taken to "Revenue & Other Reserves (Schedule 2)" and "Liabilities relating to Policyholders in Insurance Business (Schedule 5)" respectively, in the Balance Sheet.

- (ii) **Valuation of investment pertaining to linked business:** -
- ◆ Debt Securities including Government securities with remaining maturity of more than one year are valued at prices obtained from Credit Rating Information Services of India Limited ('CRISIL'). Debt securities including Government securities with remaining maturity of less than one year are valued on yield to maturity basis, where yield is derived using market price provided by CRISIL on the day when security is classified as short term. If security is purchased during its short term tenor, it is valued at amortised cost using yield to maturity method. In case of securities with options, earliest Call Option/Put Option date will be taken as maturity date for this purpose. Money market securities are valued at historical cost subject to amortization of premium or accretion of discount on yield to maturity basis.
 - ◆ Listed equity shares, equity related instruments and preference shares are measured at fair value on the Balance Sheet date. For the purpose of determining fair value, the closing price at primary exchange i.e. NSE is considered. If NSE closing price is not available, closing price of the BSE is considered.
 - ◆ Unlisted equity shares, equity related instruments and preference shares are measured at historical cost.
 - ◆ In case of Security Lending and Borrowing (SLB), equity shares lent are valued as per valuation policy for equity shares as mentioned above.
 - ◆ Additional Tier 1 (Basel III compliant) Perpetual Bonds classified under "Equity" as specified by IRDAI, are valued at prices obtained from CRISIL.
 - ◆ Investments in mutual fund units are valued at the previous day's Net Asset Value (NAV).
 - ◆ Unrealized gains or losses arising due to changes in the fair value are recognized in the Profit & Loss Account.

2. Loans /Advances and Provisions thereon:

- 2.1 Loans and Advances are classified as performing and non-performing, based on the guidelines/directives issued by the RBI. Loan Assets become Non-Performing Assets (NPAs) where:
- i. In respect of term loans, interest and/or instalment of principal remains overdue for a period of more than 90 days;
 - ii. In respect of Overdraft or Cash Credit advances, the account remains "out of order", i.e. if the outstanding balance exceeds the sanctioned limit/ drawing power continuously for a period of 90 days, or if there are no credits continuously for 90 days as on the date of balance-sheet, or if the credits are not adequate to cover the interest debited during the same period;
 - iii. In respect of bills purchased/discounted, the bill remains overdue for a period of more than 90 days;
 - iv. In respect of agricultural advances (a) for short duration crops, where the instalment of principal or interest remains overdue for two crop seasons; and (b) for long duration crops, where the principal or interest remains overdue for one crop season.

2.2 NPAs are classified into Sub-Standard, Doubtful and Loss Assets, based on the following criteria stipulated by RBI:

- i. Sub-standard: A loan asset that has remained non-performing for a period less than or equal to 12 months.
- ii. Doubtful: A loan asset that has remained in the sub-standard category for a period of 12 months.
- iii. Loss: A loan asset where loss has been identified but the amount has not been fully written off.

2.3 Provisions are made for NPAs as per the extant guidelines prescribed by the regulatory authorities, subject to minimum provisions as prescribed below:

Substandard Assets:

- i. A general provision of 15% on the total outstanding;
- ii. Additional provision of 10% for exposures which are unsecured ab-initio (i.e. where realisable value of security is not more than 10 percent ab-initio);
- iii. Unsecured Exposure in respect of infrastructure advances where certain safeguards such as escrow accounts are available – 20%.

Doubtful Assets:

- Secured portion:
- i. Upto one year – 25%
 - ii. One to three years – 40%
 - iii. More than three years – 100%
- Unsecured portion 100%

Loss Assets: 100%

- 2.4** In respect of foreign offices/entities, the classification of loans and advances and provisions for NPAs are made as per the local regulations or as per the norms of RBI, whichever is more stringent.
- 2.5** Advances are net of specific loan loss provisions, unrealised interest, ECGC claims received and bills rediscounted.
- 2.6** For restructured/rescheduled assets, provisions are made in accordance with the guidelines issued by the RBI, which require that the difference between the fair value of the loan/advances before and after restructuring is provided for, in addition to provision for the respective loans/advances. The Provision for Diminution in Fair Value (DFV) and interest sacrifice, if any, arising out of the above, is reduced from advances.
- 2.7** In the case of loan accounts classified as NPAs, an account may be reclassified as a performing asset if it conforms to the guidelines prescribed by the regulators.
- 2.8** Amounts recovered against debts written off in earlier years are recognised as revenue in the year of recovery.
- 2.9** In addition to the specific provision on NPAs, general provisions are also made for standard assets as per extant RBI Guidelines. These provisions are reflected in Schedule 5 of the Balance Sheet under the head "Other Liabilities & Provisions – Others" and are not considered for arriving at the Net NPAs.
- 2.10** Appropriation of recoveries in NPAs (not out of fresh/additional credit facilities sanctioned to the borrower concerned) towards principal or interest due as per the Bank's extant instructions is done in accordance with the following priority.
 - a. Charges
 - b. Unrealized Interest/Interest
 - c. Principal

3. Floating Provisions:

The Bank has a policy for creation and utilisation of floating provisions separately for advances, investments and general purposes. The quantum of floating provisions to be created is assessed at the end of the financial year. The floating provisions are utilised only for contingencies under extra ordinary circumstances specified in the policy with prior permission of Reserve Bank of India.

4. Provision for Country Exposure for Banking Entities:

In addition to the specific provisions held according to the asset classification status, provisions are also made for individual country exposures (other than the home country). Countries are categorised into seven risk categories, namely, insignificant, low, moderate, high, very high, restricted and off-credit and provisioning made as per extant RBI guidelines. If the country exposure (net) of the Bank in respect of each country does not exceed 1% of the total funded assets, no provision is maintained on such country exposures. The provision is reflected

in Schedule 5 of the Balance Sheet under the "Other liabilities & Provisions – Others".

5. Derivatives:

- 5.1** The Bank enters into derivative contracts, such as foreign currency options, interest rate swaps, currency swaps, cross currency interest rate swaps and forward rate agreements in order to hedge on-balance sheet/off-balance sheet assets and liabilities or for trading purposes. The swap contracts entered to hedge on-balance sheet assets and liabilities are structured in such a way that they bear an opposite and offsetting impact with the underlying on-balance sheet items. The impact of such derivative instruments is correlated with the movement of the underlying assets and accounted in accordance with the principles of hedge accounting.
 - 5.2** Derivative contracts classified as hedge are recorded on accrual basis. Hedge contracts are not marked to market unless the underlying assets / liabilities are also marked to market.
 - 5.3** Except as mentioned above, all other derivative contracts are marked to market as per the Generally Accepted Accounting Practices prevalent in the industry. In respect of derivative contracts that are marked to market, changes in the market value are recognised in the Profit and Loss Account in the period of change. Any receivable under derivatives contracts, which remain overdue for more than 90 days, are reversed through Profit and Loss Account to "Suspense Account - Crystallised Receivables". In cases where the derivative contracts provide for more settlement in future and if the derivative contract is not terminated on the overdue receivables remaining unpaid for 90 days, the positive MTM pertaining to future receivables is also reversed from Profit and Loss Account to "Suspense Account - Positive MTM".
 - 5.4** Option premium paid or received is recorded in Profit and Loss Account at the expiry of the option. The balance in the premium received on options sold and premium paid on options bought is considered to arrive at Mark to Market value for forex Over the Counter (OTC) options.
 - 5.5** Exchange Traded Derivatives entered into for trading purposes are valued at prevailing market rates based on rates given by the Exchange and the resultant gains and losses are recognized in the Profit and Loss Account.
- ### **6. Fixed Assets Depreciation and Amortisation:**
- 6.1** Fixed Assets are carried at cost less accumulated depreciation/ amortisation.
 - 6.2** Cost includes cost of purchase and all expenditure such as site preparation, installation costs and professional fees incurred on the asset before it is put to use. Subsequent expenditure(s) incurred on the assets put to use are capitalised only when it increases the future benefits from such assets or their functioning capability.

- 6.3 The rates of depreciation and method of charging depreciation in respect of domestic operations are as under:

Sr. No.	Description of Fixed Assets	Method of charging depreciation	Depreciation/amortisation rate
1	Computers	Straight Line Method	33.33% every year
2	Computer Software forming an integral part of the Computer hardware	Straight Line Method	33.33% every year
3	Computer Software which does not form an integral part of Computer hardware and cost of Software Development	Straight Line Method	33.33% every year
4	Automated Teller Machine/ Cash Deposit Machine/Coin Dispenser / Coin Vending Machine	Straight Line Method	20.00% every year
5	Servers	Straight Line Method	25.00% every year
6	Network Equipment	Straight Line Method	20.00% every year
7	Other fixed assets	Straight Line Method	On the basis of estimated useful life of the assets
	Estimated useful life of major group of Fixed Assets are as under:		
	Premises	60 Years	
	Vehicles	5 Years	
	Safe Deposit Lockers	20 Years	
	Furniture & Fixtures	10 Years	

- 6.4 In respect of assets acquired during the year for domestic operations, depreciation is charged on proportionate basis for the number of days assets have been put to use during the year.
- 6.5 Assets costing less than ₹ 1,000 each are charged off in the year of purchase.
- 6.6 In respect of leasehold premises, the lease premium, if any, is amortised over the period of lease and the lease rent is charged in the respective year (s).
- 6.7 In respect of assets given on lease by the Bank on or before 31st March, 2001, the value of the assets given on lease is disclosed as Leased Assets under Fixed Assets, and the difference between the annual lease charge (capital recovery) and the depreciation is taken to Lease Equalisation Account.
- 6.8 In respect of fixed assets held at foreign offices/entities, depreciation is provided as per the regulations /norms of the respective countries.
- 6.9 The Bank considers only immovable assets for revaluation. Properties acquired during the last three years are not

revalued. Valuation of the revalued assets is done at every three years thereafter.

- 6.10 The increase in Net Book Value of the asset due to revaluation is credited to the Revaluation Reserve Account without routing through the profit and loss statement.

- 6.11 The Revalued Assets is depreciated over the balance useful life of the asset as assessed at the time of revaluation.

7. **Leases:**

The asset classification and provisioning norms applicable to advances, as laid down in Para 3 above, are applied to financial leases also.

8. **Impairment of Assets:**

Fixed Assets are reviewed for impairment whenever events or changes in circumstances warrant that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future Net Discounted Cash Flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognised is measured by the amount by which the carrying amount of the asset exceeds the fair value of the asset.

9. **Effect of changes in the foreign exchange rate:**

9.1 **Foreign Currency Transactions**

- Foreign currency transactions are recorded on initial recognition in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the date of transaction.
- Foreign currency monetary items are reported using the Foreign Exchange Dealers Association of India (FEDAI) closing (spot/forward) rates.
- Foreign currency non-monetary items, which are carried at historical cost, are reported using the exchange rate on the date of the transaction.
- Contingent liabilities denominated in foreign currency are reported using the FEDAI closing spot rates.
- Outstanding foreign exchange spot and forward contracts held for trading are revalued at the exchange rates notified by FEDAI for specified maturities, and the resulting Profit or Loss is recognised in the Profit and Loss account.
- Foreign exchange forward contracts which are not intended for trading and are outstanding on the Balance Sheet date, are re-valued at the closing spot rate. The premium or discount arising at the inception of such a forward exchange contract is amortised as expense or income over the life of the contract.
- Exchange differences arising on the settlement of monetary items at rates different from those at

- which they were initially recorded are recognised as income or as expense in the period in which they arise.
- viii. Gains / Losses on account of changes in exchange rates of open position in currency futures trades are settled with the exchange clearing house on daily basis and such gains/losses are recognised in the Profit and Loss Account.

9.2 Foreign Operations:

Foreign Branches/Subsidiaries / Joint Ventures of the Bank and Offshore Banking Units (OBU) have been classified as Non-integral Operations and Representative Offices have been classified as Integral Operations.

a. Non-integral Operations:

- i. Both monetary and non-monetary foreign currency assets and liabilities including contingent liabilities of non-integral foreign operations are translated at closing exchange rates notified by FEDAI at the Balance Sheet date.
- ii. Income and expenditure of non-integral foreign operations are translated at quarterly average closing rates notified by FEDAI.
- iii. Exchange differences arising on investment in non-integral foreign operations are accumulated in Foreign Currency Translation Reserve until the disposal of the investment.
- iv. The Assets and Liabilities of foreign offices/ subsidiaries /joint ventures in foreign currency (other than local currency of the foreign offices/ subsidiaries/joint ventures) are translated into local currency using spot rates applicable to that country on the Balance Sheet date.

b. Integral Operations:

- i. Foreign currency transactions are recorded on initial recognition in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the date of transaction.
- ii. Monetary foreign currency assets and liabilities of integral foreign operations are translated at closing (Spot/Forward) exchange rates notified by FEDAI at the Balance Sheet date and the resulting Profit/ Loss is included in the Profit and Loss Account. Contingent Liabilities are translated at Spot rate.
- iii. Foreign currency non-monetary items which are carried at historical cost are reported using the exchange rate on the date of the transaction.

10. Employee Benefits:

10.1 Short Term Employee Benefits:

The undiscounted amounts of short-term employee benefits, such as medical benefits, which are expected to be paid in exchange for the services rendered by employees are recognised during the period when the employee renders the service.

10.2 Long Term Employee Benefits:

i. Defined Benefit Plan

- a. SBI operates a Provident Fund scheme. All eligible employees are entitled to receive benefits under the Provident Fund scheme. SBI contributes monthly at a determined rate (currently 10% of employee's basic pay plus eligible allowance). These contributions are remitted to a Trust established for this purpose and are charged to Profit and Loss Account. SBI recognizes such annual contributions as an expense in the year to which it relates, Shortfall, if any, is provided for on the basis of actuarial valuation.

SBI Life Insurance Company Limited makes contribution towards provident fund, a defined benefit retirement plan. The provident fund is administered by the trustees of the SBI Life Insurance Company Limited Employees PF Trust. The contribution paid or payable under the schemes is charged to the Profit and Loss Account during the period in which the employee renders the related service. Further, an actuarial valuation is conducted annually by an independent actuary to recognise the deficiency, if any, in the interest payable on the contributions as compared to the interest liability as per the statutory rate.

- b. The group entities operate separate Gratuity schemes, which are defined benefit plans. The group entities provide for gratuity to all eligible employees. The benefit is in the form of lump sum payments to vested employees on retirement or on death while in employment, or on termination of employment, for an amount equivalent to 15 days basic salary payable for each completed year of service, subject to the cap prescribed by the Statutory Authorities. Vesting occurs upon completion of five years of service. SBI makes periodic contributions to a fund administered by Trustees based on an independent external actuarial valuation carried out annually.
- c. SBI provides for pension to all eligible employees. The benefit is in the form of monthly payments as per rules to vested employees on retirement or on death while in employment, or on termination of employment. Vesting occurs at different stages as per rules. SBI makes monthly contribution to the Pension Fund at 10% of salary in terms of SBI Pension Fund Rules. The pension liability is reckoned based on an independent actuarial valuation carried out annually and SBI makes such additional contributions periodically to the Fund as may be required to secure payment of the benefits under the pension regulations.
- d. The cost of providing defined benefits is determined using the projected unit credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains/losses are immediately recognised in the Profit and Loss and are not deferred.

ii. Defined Contribution Plans:

SBI operates a New Pension Scheme (NPS) for all officers/employees joining SBI on or after 1st August, 2010, which is a defined contribution plan, such new joinees not being entitled to become members of the existing SBI Pension Scheme. As per the scheme, the covered employees contribute 10% of their basic pay plus dearness allowance to the scheme together with a matching contribution from SBI. Pending completion of registration procedures of the employees concerned, these contributions are retained as deposits in SBI and earn interest at the same rate as that of the current account of Provident Fund balance. SBI recognizes such annual contributions and interest as an expense in the year to which they relate. Upon receipt of the Permanent Retirement Account Number (PRAN), the consolidated contribution amounts are transferred to the NPS Trust.

iii. Other Long Term Employee benefits:

- a. All eligible employees of the Group are eligible for compensated absences, silver jubilee award, leave travel concession, retirement award and resettlement allowance. The costs of such long term employee benefits are internally funded by the group entities.

The cost of providing other long term benefits is determined using the projected unit credit method with actuarial valuations being carried out at each Balance Sheet date. Past service cost is immediately recognised in the Profit and Loss and is not deferred.

- 10.3 Employee benefits relating to employees employed at foreign offices/ entities are valued and accounted for as per the respective local laws/regulations.

11. Taxes on income

Income tax expense is the aggregate amount of current tax, deferred tax and fringe benefit tax expense incurred by the Group. The current tax expense and deferred tax expense are determined in accordance with the provisions of the Income Tax Act, 1961 and as per Accounting Standard 22 – “Accounting for Taxes on Income” respectively after taking into account taxes paid at the foreign offices/entities, which are based on the tax laws of respective jurisdiction. Deferred Tax adjustments comprises of changes in the deferred tax assets or liabilities during the year. Deferred tax assets and liabilities are recognised by considering the impact of timing differences between taxable income and accounting income for the current year, and carry forward losses.

Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted at the balance sheet date. The impact of changes in deferred tax assets and liabilities is recognised in the profit and loss account. Deferred tax assets are recognised and re-assessed at each reporting date, based upon management's judgement as to whether their realisation is considered as reasonably certain. Deferred Tax Assets are recognised on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty supported by convincing evidence that such deferred tax assets can be realised against future profits.

In Consolidated Financial Statement, income tax expenses are the aggregate of the amounts of tax expense appearing in the separate financial statements of the parent and its subsidiaries/joint ventures, as per their applicable laws.

12. Earnings per Share:

- 12.1 The Bank reports basic and diluted earnings per share in accordance with AS 20 –“Earnings per Share” issued by the ICAI. Basic Earnings per Share are computed by dividing the Net Profit after Tax for the year attributable to equity shareholders (other than minority) by the weighted average number of equity shares outstanding for the year.
- 12.2 Diluted Earnings per Share reflect the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted Earnings per Share are computed using the weighted average number of equity shares and dilutive potential equity shares outstanding at year end.

13. Provisions, Contingent Liabilities and Contingent Assets:

- 13.1 In conformity with AS 29, “Provisions, Contingent Liabilities and Contingent Assets”, issued by the Institute of Chartered Accountants of India, the Group recognises provisions only when it has a present obligation as a result of a past event and would result in a probable outflow of resources embodying economic benefits will be required to settle the obligation, and when a reliable estimate of the amount of the obligation can be made.
 - 13.2 No provision is recognised for
 - i. any possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the group entities; or
 - ii. any present obligation that arises from past events but is not recognised because
 - a. it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
 - b. a reliable estimate of the amount of obligation cannot be made.
- Such obligations are recorded as Contingent Liabilities.

These are assessed at regular intervals and only that part of the obligation for which an outflow of resources embodying economic benefits is probable, is provided for, except in the extremely rare circumstances where no reliable estimate can be made.

- 13.3 Provision for reward points in relation to the debit card holders of SBI is being provided for on actuarial estimates.
- 13.4 Contingent Assets are not recognised in the financial statements.

14. Bullion Transactions:

SBI imports bullion including precious metal bars on a consignment basis for selling to its customers. The imports

are typically on a back-to-back basis and are priced to the customer based on price quoted by the supplier. SBI earns a fee on such bullion transactions. The fee is classified under commission income. SBI also accepts deposits and lends gold, which is treated as deposits/advances as the case may be with the interest paid/received classified as interest expense / income. Gold Deposits, Metal Loan Advances and closing Gold Balances are valued at available Market Rate as on the date of Balance Sheet

15. Special Reserves:

Revenue and other Reserve include Special Reserve created under Section 36(i)(viii) of the Income Tax Act, 1961. The Board of Directors have passed a resolution approving creation of the reserve and confirming that it has no intention to make withdrawal from the Special Reserve.

16. Share Issue Expenses:

Share issue expenses are charged to the Share Premium Account.

Insurer Managed Funds	2.19%	30.22%
Others	9.88%	7.35%
Total	100.00%	100.00%

Principal actuarial assumptions:

Particulars	Pension Plans		Gratuity Plans	
	Current Year	Previous Year	Current Year	Previous Year
Discount Rate	7.76%	7.45% to 7.51%	7.78%	7.27% to 7.27%
Expected Rate of return on Plan Asset	7.76%	7.00% to 8.00%	7.78%	7.00% to 8.00%
Salary Escalation	5.00%	5.00%	5.00%	5.00%
Attrition Rate	2.00%	2.00%	2.00%	2.00%

The estimates of future salary growth, factored in actuarial valuation, taking account of inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market. Such estimates are very long term and are not based on limited past experience / immediate future. Empirical evidence also suggests that in the very long term, consistent high salary growth rates are not possible. The said estimates and assumptions have been relied upon by the auditors.

Consequent upon amendment in Payment of Gratuity Act 1972 and revision in gratuity ceiling from ₹ 10.00 lakh to ₹ 20.00 lakh, the additional liability of SBI works out to ₹ 3,610 crore. RBI has vide letter No. DBR.BP.9730/21.04.018/2017-18 dated April 27,2018 advised that banks, may at their discretion, spread the expenditure involved over four quarters beginning from the quarter ended March 31, 2018. They have also advised that the enhanced gratuity related unamortized expenditure would not be reduced from Tier I capital.

Accordingly, out of the total additional liability of ₹ 3,610 crore, an amount of ₹ 902.50 crore has been charged to the Profit & Loss Account for the year ended March 31, 2018 by SBI and the remaining unamortized liability of ₹ 2,707.50 crore shall be provided over next three quarters i.e. from June 2018 quarter to December 2018 quarter.

3.2.1 Segment identification

A) Primary (Business Segment)

The following are the Primary Segments of the Group:

- Treasury
- Corporate / Wholesale Banking
- Retail Banking
- Insurance Business
- Other Banking Business

The present accounting and information system of the Group does not support capturing and extraction of the data in respect of the above segments separately. However, based on the present internal, organisational and management reporting structure and the nature of their risk and returns, the data on the Primary Segments have been computed as under:

- a) **Treasury:** The Treasury Segment includes the entire investment portfolio and trading in foreign exchange contracts and derivative contracts. The revenue of the treasury segment primarily consists of fees and gains or losses from trading operations and interest income on the investment portfolio.

b) **Corporate / Wholesale Banking:** The Corporate / Wholesale Banking segment comprises the lending activities of Corporate Accounts Group, Mid Corporate Accounts Group and Stressed Assets Resolution Group. These include providing loans and transaction services to corporate and institutional clients and further include non treasury operations of foreign offices/entities.

c) **Retail Banking:** The Retail Banking Segment comprises of branches in National Banking Group, which primarily includes Personal Banking activities including lending activities to corporate customers having banking relations with branches in the National Banking Group. This segment also includes agency business and ATMs

d) **Insurance Business** – The Insurance Business Segment comprises of the results of SBI Life Insurance Co. Ltd. and SBI General Insurance Co. Ltd.

e) **Other Banking business**– Segments not classified under (a) to (d) above are classified under this primary segment. This segment also includes the operations of all the Non-Banking Subsidiaries/Joint Ventures other than SBI Life Insurance Co. Ltd. and SBI General Insurance Co. Ltd. of the group.

B) Secondary (Geographical Segment):

a) **Domestic Operations** - Branches, Subsidiaries and Joint Ventures having operations in India.

b) **Foreign Operations** - Branches, Subsidiaries and Joint Ventures having operations outside India and offshore banking units having operations in India.

C) Pricing of Inter-segmental Transfers

The Retail Banking segment is the primary resource mobilising unit. The Corporate/Wholesale Banking and Treasury segments are recipient of funds from Retail Banking. Market related Funds Transfer Pricing (MRFTP) is followed under which a separate unit called Funding Centre has been created. The Funding Centre notionally buys funds that the business units raise in the form of deposits or borrowings and notionally sell funds to business units engaged in creating assets.

D) Allocation of Revenue, Expenses, Assets and Liabilities

Expenses of parent incurred at Corporate Centre establishments directly attributable either to Corporate / Wholesale and Retail Banking Operations or to Treasury Operations segment, are allocated accordingly. Expenses not directly attributable are allocated on the basis of the ratio of number of employees in each segment/ratio of directly attributable expenses.

Revenue, expenses, assets and liabilities which relate to the enterprise as a whole and are not allocable to any segment on a reasonable basis, have been reported as Unallocated.

◆ Description of contingent liabilities (AS - 29)

Sr. No	Particulars	Brief Description
1	Claims against the Group not acknowledged as debts	The parent and its constituents are parties to various proceedings in the normal course of business. It does not expect the outcome of these proceedings to have a material adverse effect on the Group's financial conditions, results of operations or cash flows. The Group is a party to various taxation matters in respect of which appeals are pending.
2	Liability on partly paid-up investments/ Venture Funds	This item represents amounts remaining unpaid towards liability for partly paid investments. This also includes undrawn commitments for Venture Capital Funds.
3	Liability on account of outstanding forward exchange contracts	The Group enters into foreign exchange contracts in its normal course of business to exchange currencies at a pre-fixed price at a future date. Forward exchange contracts are commitments to buy or sell foreign currency at a future date at the contracted rate. The notional amounts are recorded as contingent liabilities. With respect to the transactions entered into with its customers, SBI generally enters into off-setting transactions in the interbank market. This results in generation of a higher number of outstanding transactions, and hence a large value of gross notional principal of the portfolio, while the net market risk is lower.
4	Guarantees given on behalf of constituents, acceptances, endorsements and other obligations	As a part of its commercial banking activities, the Group issues documentary credits and guarantees on behalf of its customers. Documentary credits enhance the credit standing of the customers of the Group. Guarantees generally represent irrevocable assurances that the Bank will make payment in the event of the customer failing to fulfil its financial or performance obligations.
5	Other items for which the Group is contingently liable	The Group enters into currency options, forward rate agreements, currency swaps and interest rate swaps with inter-Bank participants on its own account and for customers. Currency swaps are commitments to exchange cash flows by way of interest/principal in one currency against another, based on predetermined rates. Interest rate swaps are commitments to exchange fixed and floating interest rate cash flows. The notional amounts that are recorded as Contingent Liabilities, are typically amounts used as a benchmark for the calculation of the interest component of the contracts. Further, these also include estimated amount of contracts remaining to be executed on capital account and not provided for, letter of comforts issued by SBI on behalf of Associates & Subsidiaries, SBI's Liability under Depositors Education and Awareness Fund A/c and other sundry contingent liabilities.

The contingent liabilities mentioned above are dependent upon the outcome of court/arbitration/out of court settlements, disposal of appeals, the amount being called up, terms of contractual obligations, devolvement and raising of demand by concerned parties, as the case may be.

◆ Movement of provisions against contingent liabilities:

₹ in crore

Particulars	Current Year	Previous Year

d) Unused amount reversed during the year	399.80	127.66
e) Closing balance	526.29	1,026.38

4 Inter-Bank/ Company balances between group entities are being reconciled on an ongoing basis. No material effect is expected on the profit and loss account of the current year.

5 Reversal of Revaluation Reserve of SBI's Leasehold Properties:

In compliance with the RBI instructions, SBI has reversed the effect of revaluation amounting to ₹ 11,210.94 crore made in earlier periods in the value of certain leasehold properties, which has resulted in write back of depreciation earlier charged amounting to ₹ 193.24 crore.

6 RBI Circular DBR.No.BP.BC.102/21.04.048/2017-18 dated April 2, 2018 grants banks an option to spread provisioning on mark to market losses on investments held in AFS and HFT for the quarters ended December 31, 2017 and March 31, 2018. The circular states that the provisioning for each of these quarters may be spread equally over up to four quarters, commencing with the quarter in which the loss was incurred. The Bank has recognized the entire net mark to market loss on investments in the respective quarters and has not availed the said option

7 The disclosures relating to the divergence for the financial year 2016-17 in respect of provisions made by SBI against non-performing assets (excluding provisions made against standard assets) mandated in circular No. DBR. - 9** On April 18, 2017, RBI through its circular advised that the provisioning rates prescribed as per the prudential norms circular are the regulatory minimum and banks are encouraged to make provisions at higher rates in respect of advances to stressed sectors of the economy. Accordingly, during year, SBI as per its Board approved policy made additional general provision amounting to ₹ 74.66 crore on standard loans to borrowers.
- 10** RBI vide letter RBI 2017-18/131/DBR.No.BP.BC.101/21.04.048 /2017-18 dated February 12, 2018, issued a Revised Framework for Resolution of Stressed Assets, which superseded the existing guidelines on CDR, SDR, change in ownership outside SDR, Flexible Structuring of Existing Long term project loans (5/25 Scheme) and S4A with immediate effect. Under the revised framework, the stand-still benefits for accounts where any of these schemes had been invoked but not yet implemented were revoked and accordingly these accounts have been classified by SBI as per the extant RBI prudential norms on Income Recognition and Asset Classification.
- 11** SBI has made an adhoc provision of ₹ 1,659.41 crore towards arrears of wages due for revision w.e.f November 01, 2017.
- 12** Profit/(loss) on sale of investment (net) under schedule 14 "Other Income" includes ₹ 5,036.21 crore on sale of partial investment in SBI Life Insurance Company Limited.
- 13** **Counter Cyclical Provisioning Buffer (CCPB)**
RBI vide Circular No. DBR.No.BP.BC.79/21.04.048/2014-15 dated March 30, 2015 on 'Utilisation of Floating Provisions/Counter Cyclical Provisioning Buffer' has allowed the banks, to utilise up to 50 per cent of CCPB held by them as on December 31, 2014, for making specific provisions for Non-Performing Assets (NPAs) as per the policy approved by the Bank's Board of Directors.

During the year, SBI has not utilized the CCPB for making specific provision for NPAs.
- 14** In respect of SBI Life Insurance Company Ltd., IRDAI has issued directions under Section 34(1) of the Insurance Act, 1938 to distribute the administrative charges paid to Master policy holders vide order no. IRDA/Life/ORD/Misc/228/10/2012 dated October 5, 2012 amounting to ₹ 84.32 crore (Previous Year ₹ 84.32 crore) and to refund the excess commission paid to corporate agent vide order no. IRDA/Life/ORD/Misc/083/03/2014 dated March 11, 2014 amounting to ₹ 275.29 crore (Previous Year ₹ 275.29 crore) respectively to the members or the beneficiaries. IRDAI issued further directions dated January 11, 2017 reiterating the directions issued on October 5, 2012. The company has filed appeals against the said directions/orders with the Appellate Authorities (i.e. Ministry of Finance, Govt. of India) and Securities Appellate Tribunal (SAT). As the final orders are pending, the aforesaid amounts have been disclosed as contingent liability.
- 15** The investments of life and general insurance subsidiaries have been accounted for in accordance with the IRDAI (Investment) Regulations, 2016 instead of restating the same in accordance with the accounting policy followed by SBI. The investments of insurance subsidiaries constitute approximate 9.87% (Previous Year 9.35%) of the total investments as on March 31, 2018.
- 16** In accordance with RBI circular DBOD NO.BP.BC.42/21.01.02/2007-08, redeemable preference shares (if any) are treated as liabilities and the coupon payable thereon is treated as interest.
- 17** In accordance with current RBI guidelines, the general clarification issued by ICAI has been considered in the preparation of the consolidated financial statements. Accordingly, additional statutory information disclosed in separate financial statements of the parent and its subsidiaries having no bearing on the true and fair view of the consolidated financial statements and also the information pertaining to the items which are not material have not been disclosed in the consolidated financial statements in view of the Accounting Standard Interpretation issued by ICAI.

- 18** a) The results for the year ended March 31, 2018 include the result of operations of the erstwhile domestic banking subsidiaries (DBS) & Bharatiya Mahila Bank Limited (BMBL) for the period from April 1, 2017 to the year end. Hence, the results of the SBI Group are not comparable to that of the corresponding previous year
- b) Previous year figures have been regrouped/reclassified, wherever necessary, to confirm to current year classification. In cases where disclosures have been made for the first time in terms of RBI guidelines/Accounting Standards, previous year's figures have not been mentioned.

Independent Auditor's Report

To,
 The Board of Directors,
 State Bank of India,
 Corporate Centre,
 State Bank Bhavan, Mumbai

Report on the Consolidated Financial Statements

- We have audited the accompanying Consolidated Financial Statements of State Bank of India (the "Bank") and its Subsidiaries, Joint Ventures and Associates (the "Group") [The entities of the Group whose Financial Statements are included in the Consolidated Financial Statements are listed in Schedule 18 - Notes to Accounts - which forms part of the Consolidated Financial Statements of the Group] which comprise the Consolidated Balance Sheet as at March 31, 2018, the Consolidated Profit and Loss Account and the Consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

- The Management of State Bank of India is responsible for the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the requirements of the Accounting Standard 21 – "Consolidated Financial Statements", Accounting Standard 23 – "Accounting for Investment in Associates in Consolidated Financial Statements" and Accounting Standard 27 – "Financial Reporting of Interest in Joint Ventures" issued by the Institute of Chartered Accountants of India, the requirements of Reserve Bank of India, the State Bank of India Act, 1955 and other accounting principles generally accepted in India. This responsibility of the management of State Bank of India includes the design, implementation and maintenance of internal controls and risk management systems relevant to the preparation and presentation of the consolidated financial statements of the SBI Group that give a true and fair view and are free from material misstatement, whether due to fraud or error. We are informed that the management of the individual entities of the group have implemented such internal controls and risk management systems that are relevant to the preparation of the financial statements and the designed procedures that are appropriate in the circumstances so that the internal controls with regard to all the activities of the SBI Group are effective. These statements have been prepared on the basis of separate financial statements and other financial information regarding components,

Auditor's Responsibility

- Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan

and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

- An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Group's preparation of consolidated financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the management of the entities of the Group, as well as evaluating the overall presentation of the consolidated financial statements.
- We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

- In our opinion and to the best of our information and according to the explanations given to us, and based on our consideration of the reports of other auditors on separate financial statements of Subsidiaries, Joint Ventures and Associates, the unaudited financial statements and the other financial information of a subsidiary and certain associates as furnished by the Management, the attached consolidated financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:

- in the case of the Consolidated Balance Sheet, of the state of affairs of the Group as at March 31, 2018;
- in the case of the Consolidated Profit and Loss Account, of the consolidated loss of the Group for the year ended on that date; and
- in the case of the Consolidated Cash Flow Statement, of the cash flows of the Group for the year ended on that date.

Other Matters

- Incorporated in these consolidated financial statements are the:
 - Audited accounts of the Bank audited by 14 (fourteen) Joint Auditors including us which reflect total assets of INR 34,54,752 crores as at March 31, 2018, total revenue of INR 2,65,100 crores, and net cash inflows amounting to INR 19,927 crore for the year then ended;

- (b) Audited accounts of 26 (twenty six) Subsidiaries, 8 (eight) Joint Ventures and 19 (nineteen) Associates audited by other auditors whose financial statements reflects the Group's share in total assets of INR 1,76,687 crore as at March 31, 2018, the Group's share in total revenue of INR 44,143 crore, the Group's share in net cash inflows amounting to INR 2,774 crore, and the Group's share in profit from associates of INR 435 crore for the year then ended;
- (c) Accounts of 1(one) Subsidiary which has been reviewed by another auditor whose financial statements reflects the Group's share in total assets of INR 312 crore as at March 31, 2018, the Group's share in total revenue of INR 15 crore, the Group's share in net cash outflows amounting to INR 0.32 crore, for the year then ended;
- (d) Unaudited accounts of 1 (one) Subsidiary and 1 (one) Associates whose financial statements reflect total assets of INR 5,308 crore as at March 31, 2018, total revenue of INR 188 crore, net cash outflows amounting to INR 125 crore and the Group's share in profit from associates of INR 3 crore for the year then ended.

These financial statements and other financial information have been furnished to us by the management. Our opinion, in so far as it relates to the affairs of such subsidiaries, joint ventures and associates, is based solely on the report of the other auditors and unaudited financial statements referred to above.

8. The auditors of SBI Life Insurance Company Ltd., a subsidiary of the Group have reported that the actuarial valuation of liabilities for life policies in force is the responsibility of the Company's Appointed Actuary (the "Appointed Actuary"). The actuarial

valuation of these liabilities for life policies in force and for policies in respect of which the premium has been discontinued but liability exists as at 31 March 2018 has been duly certified by the Appointed Actuary and in his opinion, the assumptions for such valuation are in accordance with the guidelines and norms issued by the Insurance Regulatory and Development Authority of India ("IRDAI / "Authority") and the Institute of Actuaries of India in concurrence with the Authority. We have relied upon the Appointed Actuary's certificate in this regard for forming our opinion on the valuation of liabilities for life policies in force and for policies in respect of which premium has been discontinued but liability exists on standalone financial statements of the Company.

Emphasis of Matter

9. We draw attention to:

- a) Note no 3.2.1.1, regarding unamortized balance of INR 2,707.50 crore on account of additional liabilities towards Gratuity; and
- b) Note no 3.7, regarding recognition of Deferred Tax Assets of INR 2,461.40 crore on provision for standard assets;

Our opinion is not modified in respect of the above stated matters.

- (f) Any restrictions or impediments on transfer of funds or regulatory capital within banking group:

Subsidiaries	Restriction
SBI California	As per regulations, the only way to transfer capital to parent bank is to pay dividends or buyback shares or capital repatriation to parent bank.
SBI Canada	Prior permission from the regulatory (OSFI) before transferring any type of capital (equity or debt) to parent bank.
Bank SBI Botswana Ltd.	Only after permission of the Bank of Botswana the transfer of regulatory capital within the banking group/Group company is allowed. The same to be approved by the Board with Statutory Auditor certificate for the capital maintained by the bank on date.
SBI Mauritius Ltd.	There are regulatory restrictions for the reduction of the Bank's capital to be paid back to the shareholders including the parent bank. Any reduction in capital can be made either through payment of dividend or reduction in stated capital as provided in the banking act and the companies Act of Mauritius. The amount to be paid is subject to SBIML maintaining adequate capital and the liquidity ratio as per the regulatory requirements. (a) The central bank shall not grant, and no bank shall hold, a banking license unless it maintains and continues to maintain in Mauritius, an amount paid as stated capital or an amount of assigned capital or not less than 200 million rupees of the equivalent. (b) Every bank shall maintain in Mauritius, capital of not less than 10%, or such higher ratio as may be determined by the central bank, of such of that bank's risk assets and of other types of risks.
Bank SBI Indonesia	The Bank maintains a minimum regulatory capital to be able to operate as a Book II bank as well as a forex bank. However, transfer of funds as dividend to parent bank is allowed on 31st March 2018 after generation of sufficient profit.
Nepal SBI Bank Ltd.	Under the laws of Nepal, Assets and Liabilities of the Company are exclusive and non-transferable. Hence, the transfer of funds or regulatory capital within the banking group is not possible.
CIBL	There are no restrictions or impediments on transfer of funds or regulatory capital within the banking group.

DF-2 : CAPITAL ADEQUACY

Qualitative Disclosures

- (a) A summary discussion of the Bank's approach to assessing the adequacy of its capital to support current and future activities
- The Bank and its Banking Subsidiaries undertake the Internal Capital Adequacy Assessment Process (ICAAP) on an annual basis in line with the New Capital Adequacy Framework (NCAF) Guidelines of RBI. The ICAAP details the capital planning process and carries out an assessment covering measurement, monitoring, internal controls, reporting, capital requirement and stress testing of the following Risks:
 - ◆ Credit Risk ◆ Credit Concentration Risk
 - ◆ Operational Risk ◆ Interest Rate Risk in the Banking Book
 - ◆ Liquidity Risk ◆ Country Risk
 - ◆ Compliance Risk ◆ New Businesses Risk
 - ◆ Pension Fund Obligation Risk ◆ Strategic Risk
 - ◆ Reputation Risk ◆ Model Risk
 - ◆ Residual Risk from Credit Risk Mitigants ◆ Contagion Risk
 - ◆ Settlement Risk ◆ Securitization Risk
 - ◆ Talent Risk ◆ Cyber Risk
 - ◆ Market Risk
 - Sensitivity Analysis is conducted annually or more frequently as required, on the movement of Capital Adequacy Ratio (CAR) in the medium horizon of 3 to 5 years, considering the projected investment in Subsidiaries / Joint Ventures by SBI and growth in Advances by SBI and its Subsidiaries (Domestic / Foreign). This analysis is done for the SBI and SBI Group separately.
 - CRAR of the Bank and for the Group as a whole is estimated to be well above the Regulatory CAR in the medium horizon of 3 to 5 years. However, to maintain adequate capital, the Bank has options to augment its capital resources by raising Subordinated Debt and Perpetual Debt Instruments, besides Equity as and when required.
 - Strategic Capital Plan for the Foreign Subsidiaries covers an assessment of capital requirement for growth of assets and the capital required complying with various local regulatory requirements and prudential norms. The growth plan is approved by the parent bank after satisfying itself about the capacity of the individual subsidiaries to raise CET 1 / AT 1 / Tier 2 Capital to support the increased level of assets and at the same time maintaining the Capital Adequacy Ratio (CAR).

DF-3: CREDIT RISK: GENERAL DISCLOSURES**As on 31.03.2018****Qualitative Disclosures**

- **Definitions of past due and impaired assets (for accounting purposes)**

Non-performing assets

An asset becomes non-performing when it ceases to generate income for the Bank. As from 31st March 2006, a non-performing Asset (NPA) is an advance where

- (i) Interest and/or instalment of principal remain 'overdue' for a period of more than 90 days in respect of a Term Loan
- (ii) The account remains 'out of order' for a period of more than 90 days, in respect of an Overdraft/Cash Credit (OD/CC)
- (iii) The bill remains 'overdue' for a period of more than 90 days in the case of bills purchased and discounted
- (iv) Any amount to be received remains 'overdue' for a period of more than 90 days in respect of other accounts
- (v) A loan granted for short duration crops is treated as NPA, if the instalment of principal or interest thereon remains overdue for two crop seasons and a loan granted for long duration crops is treated as NPA, if instalment of principal or interest thereon remains overdue for one crop season
- (vi) An account would be classified as NPA only if the interest charged during any quarter is not serviced fully within 90 days from the end of the quarter.
- (vii) The amount of a liquidity facility remains outstanding for more than 90 days, in respect of securitization transactions undertaken in accordance with the RBI guidelines on securitization dated February 1, 2006.
- (viii) In respect of derivative transactions, the overdue receivables representing the positive mark to market value of a derivative contract, remain unpaid for a period of 90 days from the specified due date for payment.

'Out of Order' status

An account is treated as 'out of order' if the outstanding balance remains continuously in excess of the sanctioned limit/drawing power.

In cases where the outstanding balance in the principal operating account is less than the sanctioned limit/drawing power, but there are no credits continuously for 90 days as on the date of Bank's Balance Sheet, or where credits are not enough to cover the interest debited during the same period, such accounts are treated as 'out of order'.

'Overdue'

Any amount due to the Bank under any credit facility is 'overdue' if it is not paid on the due date fixed by the Bank.

- Discussion of the Bank's Credit Risk Management Policy

The Bank has an integrated Credit Risk Management, Credit Risk Mitigation and Collateral Management Policy in place which is reviewed annually. Over the years, the policy & procedures in this regard have been refined as a result of evolving concepts and actual experience. The policy and procedures have been aligned to the approach laid down in Basel-II and RBI guidelines.

Credit Risk Management encompasses identification, assessment, measurement, monitoring and control of the credit risk in exposures.

In the processes of identification and assessment of Credit Risk, the following functions are undertaken:

- (i) Developing and refining the Credit Risk Assessment (CRA) Models/Scoring Models to assess the Counterparty Risk, by taking into account the various risks categorized broadly into Financial, Business, Industrial and Management Risks, each of which is scored separately.
- (ii) Conducting industry research to give specific policy prescriptions and setting quantitative exposure parameters for handling portfolio in large / important industries, by issuing advisories on the general outlook for the Industries / Sectors, from time to time.

The measurement of Credit Risk involves computation of Credit Risk Components viz Probability of Default (PD), Loss Given Default (LGD) and Exposure At Default (EAD).

The monitoring and control of Credit Risk includes setting up exposure limits to achieve a well-diversified portfolio across dimensions such as single borrower, group borrower and industries. For better risk management and avoidance of concentration of Credit Risks, internal guidelines on prudential exposure norms in respect of individual companies, group companies, Banks, individual borrowers, non-corporate entities, sensitive sectors such as capital market, real estate, sensitive commodities, etc., are in place. Credit Risk Stress Tests are conducted at half yearly interval to identify vulnerable areas for initiating corrective action, where necessary.

The Bank has also a Loan Policy which aims at ensuring that there is no undue deterioration in quality of individual assets within the portfolio. Simultaneously, it also aims at continued improvement of the overall quality of assets at the portfolio level, by establishing a commonality of approach regarding credit basics, appraisal skills, documentation standards and awareness of institutional concerns and strategies, while leaving enough room for flexibility and innovation

The Bank has processes and controls in place in regard to various aspects of Credit Risk Management such as appraisal, pricing, credit approval authority, documentation, reporting and monitoring, review and renewal of credit facilities, management of problem loans, credit monitoring, etc. The Bank also have a system of Credit Audit with the aims of achieving continuous improvement in the quality of the Commercial Credit portfolio with exposure of ₹ 10 crore and above. Credit Audit covers audit of credit sanction decisions at various levels. Both the pre-sanction process and post-sanction position are examined as a part of the Credit Audit System. Credit Audit also examines identified Risks and suggests Risk Mitigation Measures.

DF-4: CREDIT RISK: DISCLOSURES FOR PORTFOLIOS SUBJECT TO THE STANDARDISED APPROACH

Qualitative Disclosures

- **Names of Credit Rating Agencies used, plus reasons for any changes**

As per RBI Guidelines, the Bank has identified CARE, CRISIL, ICRA, India Rating, SMERA, Brickwork (Domestic Credit Rating Agencies), INFOMERICS, FITCH, Moody's, INFOMERICS and S&P (International Rating Agencies) as approved Rating Agencies, for the purpose of rating Domestic and Overseas Exposures, respectively, whose ratings are used for the purpose of computing Risk-weighted Assets and Capital Charge.

- **Types of exposures for which each Agency is used**

- (i) For Exposures with a contractual maturity of less than or equal to one year (except Cash Credit, Overdraft and other Revolving Credits), Short-term Ratings given by approved Rating Agencies are used.
- (ii) For Cash Credit, Overdraft and other Revolving Credits (irrespective of the period) and for Term Loan exposures of over 1 year, Long Term Ratings are used.

- **Description of the process used to transfer Public Issue Ratings onto comparable assets in the Banking Book**

The key aspects of the Bank's external ratings application framework are as follows:

- All long term and short term ratings assigned by the credit rating agencies specifically to the Bank's long term and short term exposures respectively are considered by the Bank as issue specific ratings.
- Foreign sovereign and foreign bank exposures are risk-weighted based on issuer ratings assigned to them.
- The Bank ensures that the external rating of the facility/borrower has been reviewed at least once by the ECAI during the previous 15 months and is in force on the date of its application.
- Where multiple issuer ratings are assigned to an entity by various credit rating agencies, In this context, the lower rating, where there are two ratings and the second-lowest rating where there are three or more ratings are used for a given facility.

Long-term Issue Specific Ratings (For the Bank's own exposures or other issuance of debt by the same borrower-constituent/counter-party) or Issuer (borrower-constituents/counter-party) Ratings are applied to other unrated exposures of the same borrower-constituent/counter-party in the following cases:

- If the Issue Specific Rating or Issuer Rating maps to Risk Weight equal to or higher than the unrated exposures, any other unrated exposure on the same counter-party is assigned the same Risk Weight, if the exposure ranks paripassu or junior to the rated exposure in all respects.
- In cases where the borrower-constituent/counter-party has issued a debt (which is not a borrowing from the Bank), the rating given to that debt is applied to the Bank's unrated exposures, if the Bank's exposure ranks paripassu or senior to the specific rated debt in all respects and the maturity of unrated Bank's exposure is not later than the maturity of the rated debt

DF-5: CREDIT RISK MITIGATION: DISCLOSURES FOR STANDARDISED APPROACHES**(a) Qualitative Disclosures****● Policies and Processes for, and indication of the extent to which the bank makes use of, on-and off-balance Sheet netting**

On-balance sheet netting is confined to loans/advances and deposits, where the Bank have legally enforceable netting arrangements, involving specific lien with proof of documentation. The Bank calculates capital requirements on the basis of net credit exposures subject to the following conditions:

Where bank,

- a. has a well-founded legal basis for concluding that the netting or offsetting agreement is enforceable in each relevant jurisdiction regardless of whether the counterparty is insolvent or bankrupt;
- b. is able at any time to determine the loans/advances and deposits with the same counterparty that are subject to the netting agreement; and
- c. monitors and controls the relevant exposures on a net basis, it may use the net exposure of loans/advances and deposits as the basis for its capital adequacy calculation. Loans/advances are treated as exposure and deposits as collateral

● Policies and Processes for Collateral Valuation and Management

The Bank has an integrated Credit Risk Management, Credit Risk Mitigation and Collateral Management Policy in place which is reviewed annually. Part B of this policy deals with Credit Risk Mitigation and Collateral Management, addressing the Bank's approach towards the credit risk mitigants used for capital calculation.

The objective of this Policy is to enable classification and valuation of credit risk mitigants in a manner that allows regulatory capital adjustment to reflect them.

The Policy adopts the Comprehensive Approach, which allows full offset of collateral (after appropriate haircuts), wherever applicable against exposures, by effectively reducing the exposure amount by the value ascribed to the collateral. The following issues are addressed in the Policy :

- (i) Classification of credit risk-mitigants
- (ii) Acceptable credit risk-mitigants
- (iii) Documentation and legal process requirements for credit risk-mitigants
- (iv) Valuation of collateral
- (v) Margin and Haircut requirements
- (vi) External ratings
- (vii) Custody of collateral
- (viii) Insurance
- (ix) Monitoring of credit risk mitigants
- (x) General guidelines.

● Description of the main types of collateral taken by the Bank

The following collaterals are usually recognised as Credit Risk Mitigants under the Standardised Approach :

Cash or Cash equivalent (Bank Deposits/NSCs/KVP/LIC Policy, etc.)

Gold

Securities issued by Central / State Governments

Debt Securities rated BBB- or better/ PR3/P3/F3/A3 for Short-Term Debt Instrument

- Main types of Guarantor Counterparty and their creditworthiness**

The Bank accepts the following entities as eligible guarantors, in line with RBI guidelines :

- ◆ Sovereign, Sovereign entities [including Bank for International Settlements (BIS), International Monetary Fund (IMF), European Central Bank and European Community as well as Multilateral Development Banks, Export Credit & Guarantee Corporation (ECGC) and Credit Guarantee Fund Trust for Micro and Small Enterprises (CGTMSE)], Public Sector Enterprises (PSEs), Banks and Primary Dealers with a lower risk weight than the counterparty.
- ◆ Other guarantors having an external rating of AA or better. In case the guarantor is a parent company, affiliate or subsidiary, they should enjoy a risk weight lower than the obligor for the guarantee to be recognised by the Bank. The rating of the guarantor should be an entity rating which has factored in all the liabilities and commitments (including guarantees) of the entity.

Information about (Market or Credit) risk concentrations within the mitigation taken:

The Bank has a well-dispersed portfolio of assets which are secured by various types of collaterals, such as:-

- Eligible financial collaterals listed above
- Guarantees by sovereigns and well-rated corporates,
- Fixed assets and current assets of the counterparty.

- ◆ Business Continuity Management System (BCMS) Manual
- ◆ External Loss Data Manual

Domestic Non-Banking and Overseas Banking entities

Policies and Manuals, as relevant to the business model of Non-Banking entities and as per the requirements of the overseas regulators in respect of Overseas Banking subsidiaries are in place. A few of the policies in place are – Disaster Recovery Plan/ Business Continuity Plan, Incident Reporting Mechanism, Near Miss Events Reporting Mechanism, Outsourcing Policy, etc.

C. Strategies and Processes

Advanced Measurement Approach (Parallel Run)

- ◆ In SBI, in order to successfully embed the risk culture and operational risk management, Risk Management Committees at various levels at circles like RMCAOs, RMCCs, and also RMCs at the Business and Support Groups (RNC-NBG, RMC-IBG, RMC-GMU, RMC-CBG, RMC-MCG, RMC-SAMG & RMC-IT) are in place in addition to the Operational Risk Management Committee (ORMC) and the Risk Management Committee of the Board (RMCB).
 - ◆ The process of building a comprehensive database of internal and external losses due to Operational Risks as per Basel defined 8 Business Lines and 7 Loss Event Types is in place, as part of AMA process. In addition, Near Miss Events and external losses are also captured so as to improve risk management practices.
 - ◆ Excel based template for conducting Risk & Control Self-Assessment (RCSA) exercise through workshops has been introduced with the provision of Inherent Risk and Residual Risk, control element to arrive at and assess the effectiveness of the current control environment and heat maps to describe the Risk Levels. During current financial year RCSA Phase-6 was rolled out across major branches/CPCs. Top risks identified in the RCSA exercises along with their mitigation plan are being addressed on an ongoing basis.
 - ◆ Key Indicators (KIs) have been identified across the Business and Support Groups with threshold and monitoring mechanism. KIs are being monitored at quarterly intervals by the RMCs, the ORMC and the RMCB. Top 10 KIs have been identified during current financial year.
 - ◆ Bank also periodically undertakes the process of AMA Use-Test.
 - ◆ Development of internal systems for quantifying and monitoring operational risk as required under Basel II defined Advanced Measurement Approach (AMA) is in place.
 - ◆ The Bank has already received approval for parallel run for AMA from RBI.
- Others
- ◆ The following measures are being used to control and mitigate Operational Risks in the Domestic Banking entities:
 - ◆ "Book of Instructions" (Manual on General Instructions, Manual on Loans & Advances) which contains detailed procedural guidelines for processing various banking transactions. Amendments and modifications to update these guidelines are being carried out regularly through e-circulars/Master circulars. Guidelines and instructions are also propagated through Job Cards, e-Circulars, E-Learning Lessons, Mobile nuggets, Training Programs, etc.
 - ◆ Updated Manuals and operating instructions relating to Business Process Re-engineering (BPR) units.
 - ◆ Delegation of Financial powers, which details sanctioning powers of various levels of officials for different types of financial and non-financial transactions.
 - ◆ Training of staff-Inputs on Operational Risk is included as a part of Risk Management modules in the trainings conducted for various categories of staff at Bank's Apex Training Institutes and State Bank Learning Centers.
 - ◆ Insurance cover is obtained for most of the potential operational risks excluding frauds as per Bank's policy on insurance.
 - ◆ Internal Auditors are responsible for the examination and evaluation of the adequacy and effectiveness of the control systems and the functioning of specific control procedures. They also conduct review of the existing systems to ensure compliance with legal and regulatory requirements, codes of conduct and the implementation of policies and procedures.
 - ◆ In order to ensure business continuity, resumption and recovery of critical business process after a disaster, the Bank has robust Business Continuity Management Policy and Manuals in place.
 - ◆ Stringent Implementation of vacation policy.
 - ◆ Conduct of RAW (Risk Awareness Workshop) at all branches.

Domestic Non-Banking and Overseas Banking entities

Adequate measures by way of systems and procedures and reporting has been put in place in the Domestic Non-Banking and Overseas Banking entities.

D. The scope and nature of Risk Reporting and Measurement Systems

- ◆ A system of prompt submission of reports on Frauds is in place in all the Group entities.
- ◆ A comprehensive system of Preventive Vigilance & Whistle Blowing has been established in all the Group entities.
- ◆ Significant risks thrown up in RCSA/RAW exercise, Scenario Analysis and loss data analysis are reported to Top Management at regular intervals and corrective actions are initiated on an ongoing basis.
- ◆ Basic Indicator Approach with capital charge of 15% of average gross income for previous 3 years is applied for Operational Risk, except Insurance Companies, for the year ended 31st March, 2018. Bank's Capital under AMA is also computed for the year ended 31st March, 2018 as part of AMA Parallel Run.

DF-9: Interest Rate Risk in the Banking Book (IRRBB)**As on 31.03.2018****Qualitative Disclosures****INTEREST RATE RISK:**

Interest rate risk refers to impact on Bank's Net Interest Income and the value of its assets and liabilities arising from fluctuations in interest rate due to internal and external factors. Internal factors include the composition of the Bank's assets and liabilities, quality, maturity, existing rates and re-pricing period of deposits, borrowings, loans and investments. External factors cover general economic conditions. Rising or falling interest rates impact the Bank depending on whether the Balance Sheet is asset sensitive or liability sensitive.

The Asset - Liability Management Committee (ALCO) is responsible for evolving appropriate systems and procedures for ongoing identification and analysis of Balance Sheet risks and laying down parameters for efficient management of these risks through Asset Liability Management Policy of the Bank. ALCO, therefore, periodically monitors and controls the risks and returns, funding and deployment, setting Bank's lending and deposit rates, and directing the investment activities of the Bank. ALCO also develops the market risk strategy by clearly articulating the acceptable levels of exposure to specific risk types (i.e. interest rate, liquidity etc.). The Risk Management Committee of the Board of Directors (RMCB) oversees the implementation of the system for ALM and reviews its functioning periodically and provides direction. It reviews various decisions taken by Asset - Liability Management Committee (ALCO) for managing interest risk.

- 1.1 RBI has stipulated monitoring of interest rate risk through a Statement of Interest Rate Sensitivity (Repricing Gaps) to be prepared on a monthly basis. Accordingly, ALCO reviews Interest Rate Sensitivity statement on monthly basis and monitors the Earning at Risk (EaR) which measures the change in Net Interest Income of the Bank due to parallel change in interest rate on both the assets & liabilities.
- 1.2 RBI has also stipulated to estimate the impact of change in interest rates on economic value of bank's assets and liabilities through Interest rate sensitivity under Duration Gap Analysis (IRS-DGA). Bank also carries out Duration Gap Analysis as stipulated by RBI on monthly basis. The impact of interest rate changes on the Market Value of Equity is monitored through Duration Gap Analysis by recognizing the changes in the value of assets and liabilities by a given change in the market interest rate. The change in value of equity (including reserves) with 2% parallel shift in interest rates for both assets and liabilities is estimated.
- 1.3 The following prudential limits have been fixed for monitoring of various interest risks:

Changes on account of Interest rate volatility	Maximum Impact (as % of capital and reserve)
Changes in Net Interest Income (with 1% change in interest rates for both assets and liabilities)	5%
Change in Market value of Equity (with 2% change in interest rates for assets and liabilities) – Banking Book only	20%

- 1.4 The prudential limit aims to restrict the overall adverse impact on account of interest rate risk to the extent of 20% of capital and reserves, while part of the remaining capital and reserves serves as cushion for other risks.

DF-10: GENERAL DISCLOSURE FOR EXPOSURE RELATED TO COUNTERPARTY CREDIT RISK**As on 31.03.2018****Qualitative Disclosure:**

Counterparty Credit Risk is the risk that the counterparty to a derivative transaction can default before the final settlement of the transaction's cash flow. To mitigate this risk, derivative transactions are undertaken only with those counterparties where approved counterparty limits are in place. Counterparty limits for banks are assessed using internal models considering a number of financial parameters like networth, capital adequacy ratio, rating etc. For corporates, the Derivatives limits are assessed and sanctioned in conjunction with regular credit limit as part of regular appraisal.

Green Initiative

Dear Shareholder,

Green Initiative in Corporate Governance

In accordance with SEBI guidelines, we are issuing Annual Report in electronic form to those shareholders whose e-mail addresses are available.

Your Bank invites you to participate in the Green initiative by enabling the Bank to communicate with you through electronic mode i.e. e-mail. It will not only contribute to conservation of environment, but also bring in better efficiency in communication by obviating transit delays and losses. We request you to join us in this initiative by updating your email ID with your Depository Participant, if your holding is in demat form. Shareholders holding shares in physical form shall have to send their updated information / changes to the Registrar & Transfer Agent (RTA), M/s Alankit Assignments Ltd. through email to sbi.igr@alankit.com.

Further, while most of you hold shares of your Bank in demat form, some of you are still retaining the shares in physical form. The Shares held by you in physical form can be easily dematerialized i.e converted into electronic form. The various benefits derived out of dematerialization of shares are:-

- Immediate transfer of securities. No stamp duty on transfer of securities
- Reduction in risks associated with holding securities in paper form such as theft, damage due to fire, wear & tear etc., bad delivery in settlement process, fake / forged securities etc.
- Change in address recorded with DP gets registered electronically with all companies in which investor holds securities eliminating the need to correspond with each of them separately;
- Transmission of securities is done by DP eliminating correspondence with companies;
- Holding investments in equity, debt instruments and Government securities in a single account;
- Automatic credit into demat account, of shares, arising out of bonus/ split/consolidation/ merger etc;

If you are holding shares in physical form, please approach any Depository Participant (DP) (like SBICAP Securities Limited toll free number 1800223345 email- helpdesk@sbicapsec.com) of your choice for opening the Demat account. Fill in a Demat Request Form (DRF) and handover the relative shares certificate(s) to your DP for Dematerialisation of your shares. Shares will get converted into electronic form and will automatically be credited to your Demat Account.

If you are receiving dividend in the physical form, you are requested to furnish/ update bank account details with DP/RTA, as the case may be, to receive dividend electronically.

We are sure that you will appreciate the "Green Initiative" taken by your Bank and hope that you will enthusiastically participate in the effort.

Kind Attention of shareholders is brought to Section 38A of the State Bank of India Act, 1955 inserted with effect from 15.09.2010 by the State Bank of India (Amendment) Act, 2010. As per the said section, a dividend declared by the State Bank which has not been paid to a shareholder or claimed by any eligible shareholder, within thirty days from the date of declaration shall be transferred to a special account called as "unpaid dividend account". Further, all unpaid dividend amount of period prior to the above amendment was already transferred to the said "unpaid dividend account." Any money transferred to the unpaid dividend account of the State Bank as above which remains unpaid or unclaimed for a period of seven years from the date of such transfer shall be transferred by the Bank to the Investor Education and Protection Fund established under Section 125 of the Companies Act, 2013, for being utilised for the purpose and in the manner specified in that section. In view of the above, all shareholders are requested to ensure that any dividend payable to them, are claimed without any delay.

you only need one

Life's cluttered. So is your phone.
Too many accounts. Forgotten passwords.
An army of attention-seeking apps.

For you, though, less is more.
Shopping sprees and banking.
Hunger pangs and your love for travel.
You want it all in one single tap.

So why fuss over many,
when all you need is one app?
