# Chairman's Letter

## Dear Shareholder,

I thought of starting with encouraging news about India's economic growth in 2016-17 (FY2017). But as I started looking at the latest evidence, it didn't seem as encouraging as I believed it might be. In its latest advance estimate, the Central Statistical Organisation of the Government of India has pegged India's real GDP growth for FY2017 at 7.1%. No doubt it is better than all developed countries and most emerging markets including China. However, it is not as good as the 7.9% GDP growth achieved in FY2016.

So, we have grown; but not as much as last year. And we possibly have a longer way to go to attain a steady state annual growth rate between 7.5% and 8%, which is what we need to create a launchpad for greater employment, a more significant global economic presence and accelerated poverty reduction.

In my view three factors have played a role in dampening growth this year. The first is the lack of significant investments over the last four to five years. Of late, there has been a serious effort at government investments in some key infrastructure areas. But that takes time to translate into additional income and employment. And truth be told, there is hardly any private sector investment worth the name.

The second is also related to private sector investments but linked to the state of our banks, especially many of those under government ownership. The data for the quarter ended 31 December 2016 shows that for the 27 public sector banks which account for the vast majority of the nation's loans and advances, bad loans, called gross non-performing assets (NPAs), were estimated at ₹ 647,759 crore, or 88% of the total recorded NPAs across all banks. This represents a 140% increase over what it was two years earlier, and constitutes 12% of total loans and advances. With these banks being badly stressed, there seems to be no appetite for advancing term loans without which it is virtually impossible to envisage the kind of investment spends needed for getting us securely on to a higher growth path.

The third is a shorter term aberration related to FY2017. I refer to the temporary negative effects of demonetising ₹ 500 and ₹ 1,000 notes on 8 November 2016. Although the estimates for October-December 2016 show no appreciable dip in either real GDP or GVA, there seems to be enough evidence on the ground that removing over four-fifth of the value of currency in circulation almost overnight and substituting it with a much slower injection of the new ₹ 500 and ₹ 2,000 notes created constraints across various sectors of the economy. It remains to be seen what the overall effect of this will be on growth for the first half of FY2018. If at all, I hope it will be moderate.

In such a milieu, how has your Company fared? I would say this: Bajaj Auto could have possibly done better, but given the circumstances, it has done reasonably well to be where it is. Here are the key financials:

- Net sales de-grew by 3.5% to ₹ 21,374 crore. Total operating income (net sales plus other operating income) decreased by 3.2% to ₹ 22,026 crore.
- Operating earnings before interest, taxes, depreciation and amortisation (EBITDA) reduced by 5.3% to ₹ 4,778 crore.
- The operating EBITDA margin was 21.7% of net sales and other operating income. This continues to remain the highest in the industry.
- Operating profit reduced by 5.6% to ₹ 4,470 crore.
- At 20.3%, the operating profit margin to net sales plus other operating income was also the highest in the industry.
- Profit before tax (PBT) de-grew by 3.8% to ₹ 5,336 crore.
- Profit after tax (PAT) declined by 2.6% to ₹ 3,828 crore.
- Surplus cash and cash equivalents as on 31 March 2017 was up by 36% to ₹ 12,368 crore.

At a time of sluggish domestic growth and credit constraints coupled with political, economic and currency problems in many countries that are your Company's leading importers of motorcycles and three-wheelers, it requires considerable effort to fight against a strong negative under-current and stay profitable. That is what Bajaj Auto has done in FY2017.

Let me give you two examples. Consider the domestic market for motorcycles. Last year, despite an overall de-growth of 0.4% in the number of motorcycles sold in India, Bajaj Auto grew its sales by 7.2%. This year, while the industry as a whole grew its domestic sales by 3.7%, your Company's sales increased by 5.4% in terms of volume to over 2 million motorcycles. I need to emphasise that in FY2017, your Company's motorcycle sales grew faster than its major competitors.

Similarly, in a year when domestic three-wheeler sales for the industry as a whole dropped by 5%, Bajaj Auto ended FY2017 by selling 253,226 vehicles, just 0.7% below its all-time record sales of FY2016. Consequently, in the domestic three-wheeler segment (passenger as well as goods), your Company's market share increased from 47.4% last year to 49.5% in FY2017. In the domestic three-wheeler passenger vehicle industry, BAL expanded its market share by 2.2 percentage points, from 57.5% last year to 59.7% in FY2017.

Moreover, despite sluggish growth, Bajaj Auto's operating EBITDA was at 21.7%, which continues to be the highest in the industry.

To me, the more significant problem in FY2017 has been the external sector. In my letter to you last year, I had written that "due to external factors, especially poor economic conditions and severe foreign currency constraints in some of the key importing countries, we have not succeeded in equal measure on the export front — both in motorcycles and three-wheelers". Unfortunately, this has been true for FY2017 as well and, if I may say so, worse than in the previous year. Motorcycle exports de-grew by 16.5%; and three-wheeler exports fell by 31.2%. In terms of rupees, your Company's exports fell by over 19% to ₹ 7,880 crore. In US dollars, it shrank by 23% to \$1.09 billion.

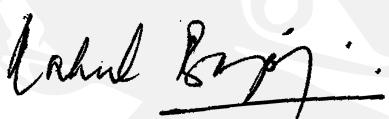

Even so, Bajaj Auto is still India's largest exporter of both motorcycles and three-wheelers and it enjoys significant market shares. I hope that exports will pick up when some of these markets abroad get into better economic and financial shape. I am no soothsayer, and cannot forecast when.

Bajaj Auto is a sound and profitable company. What we need is a year's uptick to take us on to a new growth trajectory. May that be FY2018.

Let me share with you one more piece of information. Madhur Bajaj, who was the Executive Vice Chairman has, from 1 April 2017, demitted his executive role within the Company. He continues as your Non-executive Vice Chairman. My sincere thanks to him for the role that he has played in Bajaj Auto.

Equally, my sincere thanks to our customers, dealers, vendors and employees who have always done their utmost for your Company. And to you for your continued support.

With best regards,

Rahul Bajaj  
Chairman

# Management Discussion and Analysis

On 28 February 2017, the Central Statistical Organisation of the Government of India has pegged its advance estimate of India's real GDP growth for 2016-17 (or FY2017) at 7.1%. While better than all developed and most emerging markets of the world, including China, it was not as good as the 7.9% GDP growth achieved in FY2016. Qualitatively, the results were similar when measured in terms of gross value added (GVA) at constant prices. Real GVA growth for FY2017 is estimated at 6.7% versus 7.8% in FY2016.

There are three main reasons for this deceleration of growth. The first is insufficient investments which translate to additional income and employment. Gross fixed capital formation (GFCF) for FY2017 as a share of GDP has steadily fallen: from 31.7% in FY2015 to 31.1% in FY2016 to a low of 29.2% for FY2017.

The second has to do with the substantial overhang of non-performing loans across the banking system, especially the public sector banks. This has significantly reduced the banks' appetite for making large term loans, without which there can be no investment-led growth.

The third reason may be related to the temporary effects of demonetising ₹ 500 and ₹ 1,000 notes, which came into effect on 8 November 2016. Although the third quarter estimates (for October-December 2016) show no appreciable dip in either real GDP or GVA, there is no doubt that removing over 86% of the value of currency in circulation and substituting it with a slower injection of new notes created demand and cash constraints throughout the economy. It remains to be seen what the overall effect of this will be on growth for the second half of FY2017.

How was FY2017 for India's two-and three-wheeler industry? The market for motorcycles has continued to remain sluggish. Though domestic sales grew by 3.7% in the year, it was after a de-growth of 0.4% in the previous year. Compared to FY2015, the growth in FY2017 was a mere 1.6% per annum — from 10.7 million units two years earlier to 11.1 million in the current year. In fairness, it needs to be told that ungeared scooters have continued to do well. Leveraging urban commuter demand especially among younger women, these have grown at 11.5% in FY2017 and currently account for almost 30% of total two-wheeler domestic sales and exports.

Not surprisingly, given the sluggish growth of economy and the impact of cash shortages due to demonetisation, overall three-wheeler sales have been negatively affected: domestic sales were down by almost 5% to 511,658 units in FY2017. Exports, too, were lower on account of major depreciation of currencies of key importing nations plus the fact that many of them faced acute shortage of hard currencies. More of this is discussed in the section on exports.

In such a difficult scenario, how did Bajaj Auto Ltd. ('Bajaj Auto' or 'BAL') perform? Sales and profits fell, but BAL continued to earn the highest operating margins in the industry and grew its net surplus by 36%. This is best seen by a quick look at the financials.

## Bajaj Auto's Financial Performance for FY2017

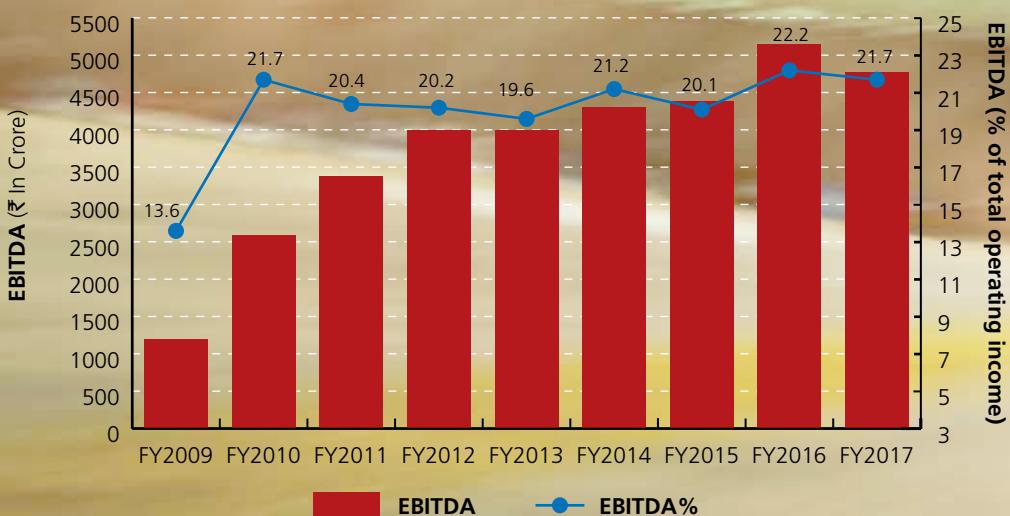

- Net sales de-grew by 3.5% to ₹ 21,374 crore. Total operating income (net sales plus other operating income) decreased by 3.2% to ₹ 22,026 crore.
- Operating earnings before interest, taxes, depreciation and amortisation (EBITDA) reduced by 5.3% to ₹ 4,778 crore.
- The operating EBITDA margin was 21.7% of net sales and other operating income, which continues to remain the highest in the industry.
- Operating profit reduced by 5.6% to ₹ 4,470 crore.
- At 20.3%, the operating profit margin to net sales plus other operating income was also the highest in the industry.
- Profit before tax (PBT) de-grew by 3.8% to ₹ 5,336 crore.
- Profit after tax (PAT) declined by 2.6% to ₹ 3,828 crore.
- Surplus cash and cash equivalents as on 31 March 2017 was up by 36% at ₹ 12,368 crore.
- Consolidated Profit after tax remained flat at ₹ 4,079 crore.

Charts A and B illustrate Bajaj Auto's financial performance. The data for FY2016 and FY2017 is as per Indian Accounting Standards (Ind-AS).

Chart C shows the overall industry's sale of two-wheelers.

## Motorcycles

As is evident from Chart C, there has been hardly any growth in motorcycle sales for the last four years.

Table 1 gives the data on Bajaj Auto's sales of motorcycles, both domestic and exports, over the last five years. Consider the domestic market. Last year, when the overall domestic market had shrunk by 0.4%, Bajaj Auto grew its motorcycle sales by 7.2%. And in FY2017, it also grew faster than the market: at 5.4% versus an overall market growth of 3.7%. This outperformance can be partly attributed to the success of new and differentiated products launched during the year — such as the V-series which sold over 234,000 units, and the Dominar 400, launched in January 2017, which has sold more than 9,300 units in just three months.

**Table 1: Bajaj Auto's Sale of Motorcycles, Domestic and Exports (in numbers)**

Year ended 31 March	Domestic Sales		Exports	
	BAL (nos.)	BAL's growth	BAL (nos.)	BAL's growth
2013	2,463,874	(4.0%)	1,293,231	2.0%
2014	2,099,230	(14.8%)	1,323,173	2.3%
2015	1,770,778	(15.6%)	1,521,306	15.0%
2016	1,898,957	7.2%	1,459,295	(4.1%)
2017	2,001,391	5.4%	1,218,541	(16.5%)

In FY2017, Bajaj Auto sold over 2 million motorcycles in India, which was 5.4% higher than in the previous year. This was driven by:

- a) The CT and the Platina in the entry or utility segment. By creating a new value proposition for the Platina and through aggressive marketing of the CT 100, the Company sold 836,304 units in FY2017, and earned a healthy market share of 32%.
- b) The 'V' in the commuter segment. Through its creatively differentiated offering, the V15 sold 203,262 units. In addition, the newly launched sibling in this category — the V12 — has sold over 31,000 units. Bajaj Auto is confident that the V family will occupy a white space where the traditional commuter segment ends (100 cc to 125 cc) and the sports / performance segment begins (150 cc and above); and, in doing so, increase its market presence in the commuter category.
- c) The Pulsar and the Avenger in the sports or performance segment. For the year, Bajaj Auto sold 734,590 units and continued to reinforce its leadership position in this segment, with a market share of 45% versus 43% in the previous year.
- d) The KTM, the Pulsar RS200 and the Dominar 400 in the niche super-sports segment. KTM is India's fastest growing sports motorcycle brand. Its sale of 34,970 units in FY2017 was 15% higher than the previous year. Together, KTM, the Pulsar RS200 and the Dominar 400 sold 63,575 units.

Export is a different story altogether. As mentioned earlier, many of the key markets where Bajaj Auto sells its motorcycles have been badly affected by sharp currency devaluations, often accompanied by very strict quantitative restrictions on the repatriation of 'hard' currency. These began in FY2016 and intensified throughout FY2017. We discuss this later in the section on exports.

## Commercial Vehicles: Three-Wheelers

Bajaj Auto continues to be the world's largest three-wheeler manufacturer. Its performance in this segment is given in Table 2.

**Table 2: Three-Wheeler Sales, Industry and Bajaj Auto (in numbers)**

Particulars	Total sales		Domestic sales		Exports	
	FY2017	FY2016	FY2017	FY2016	FY2017	FY2016
<b>Passenger sales</b>						
Industry sales	671,034	842,588	402,034	441,091	269,000	401,497

Bajaj Auto market share	64.2%	63.3%	59.7%	57.5%	71.0%	69.7%
<b>Goods carriers</b>						
Industry sales	112,518	99,945	109,624	97,001	2,894	2,944
Bajaj Auto sales	13,440	1,325	13,162	1,325	278	-
Bajaj Auto market share	11.9%	1.3%	12.0%	1.4%	9.6%	-
<b>Total Three-wheelers</b>						
Industry sales	783,552	942,533	511,658	538,092	271,894	404,441
Bajaj Auto sales	444,462	534,995	253,226	254,995	191,236	280,000
Bajaj Auto market share	56.7%	56.8%	49.5%	47.4%	70.3%	69.2%

In a year when domestic three-wheeler sales for the industry as a whole dropped by 5%, Bajaj Auto ended FY2017 with 253,226 vehicles, just 0.7% below its all-time record sales of FY2016. Consequently, in the domestic three-wheeler segment (passenger as well as goods), BAL's market share increased from 47.4% last year to 49.5% in FY2017. In the domestic three-wheeler passenger vehicle industry, BAL expanded its market share by 2.2 percentage points, from 57.5% last year to 59.7% in FY2017.

Bajaj Auto continues to dominate the petrol and alternate fuel market with a domestic market share of 88%. In the small diesel category, its market share now stands at 71%. In the larger diesel segment, the market share is up from 20% to 23%. Thus, in the overall diesel category, BAL's market share now stands at 34%.

It may be recalled that Bajaj Auto entered the goods carrier business last year. In the course of a single year it increased its domestic sales from 1,325 units last year to 13,162 units in FY2017, and accounted for 12% of that market — a creditable achievement for a newcomer.

As in the case of motorcycles, Bajaj Auto saw a drop in the volume of exports, from 280,000 units last year to 191,236 three-wheelers in FY2017. The reasons, as mentioned in the case of motorcycles, were the economic difficulties and currency as well as payment constraints of several importing countries.

## International Business

Bajaj Auto's international business was somewhat muted in FY2017, for reasons that have been touched upon earlier — specifically, continuing economic and political uncertainties in several importing countries, often accompanied by sharp devaluation of currencies and the inability of many to repatriate dollars because of acute currency and balance of payment crises. Consequently, motorcycle exports de-grew by 16.5%; while three-wheeler (including quadricycle) exports fell by 31.2%. In terms of US dollars, exports shrank by 23.2% to \$1.09 billion. Table 3 gives the data.

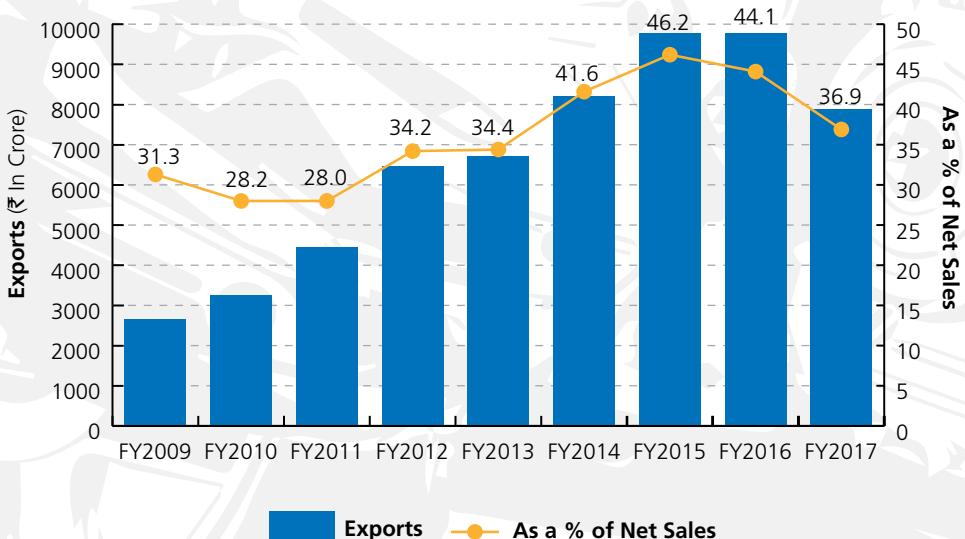

**Table 3: Export, in Units and Revenue, for Bajaj Auto**

Particulars	FY2017	FY2016
<b>Units</b>		
Motorcycles	1,218,541	1,459,295
Three-wheelers + Quadricycles	192,792	280,334
<b>Total numbers</b>	<b>1,411,333</b>	<b>1,739,629</b>
<b>Exports in ₹ (crore)</b>	<b>7,880</b>	<b>9,774</b>
<b>Exports in USD (million)</b>	<b>1,089</b>	<b>1,418</b>

Despite this downturn, it is necessary to mention a noteworthy feature of the key export markets. In motorcycles, of the 18 markets which contributed to 85% of its exports, BAL gained market share in 16, reaching a healthy 40%+ in South Asia and the Middle East and 25% in Latin America. It is worth noting that over 85% of its sales come from 21 countries where Bajaj Auto is either No.1 or No.2. In three-wheelers, it continues to remain the dominant player and has actually improved its competitive position. Moreover, BAL continues to enter new markets. In FY2017, it entered four new markets each for motorcycles and three-wheelers, three of which were in the ASEAN.

Chart D plots the growth of exports of the Company.

**Chart D: Bajaj Auto's Export Performance**

## R&D

Bajaj Auto's R&D had a very productive year, helping the Company launch one product after another and meeting the new regulatory requirements. The key highlights are given below.

## New Products

### Dominar 400

Inspired by the stance of a lion, the distinctive design principles of the Dominar 400 are visible from the aggressive naked face to the large contoured tank. It incorporates advanced LED lighting technology, with a first of its kind, mosaic shaped, full LED headlamp with a vertical Auto Headlamp On feature.

The Dominar 400's engineering highlight is its massive perimeter frame which provides exceptional torsional rigidity and lateral strength and the wide rear tyre gives the bike a dominating look and latches on to the tarmac with superior grip.

The 373 cc, fuel injected, triple-spark four-valve DTS-i engine has been designed for a refined performance across the entire revolution band. With an enormous 35PS of power and 35Nm of torque, the Dominar 400 propels itself from 0 to 100 km/h in just 8.23 seconds. Its slipper clutch provides precise gear shifts at any rpm and a complete rider control whilst decelerating.

### KTM Duke & RC

KTM models have been upgraded with several enhanced features such as optimal illumination of the near field with maximum light output, use of the latest open-cartridge technology in upside-down fork for easy maintenance, light weight, ruggedness and a broad spectrum of use for all demands – from relaxed cruising to hammering around on closed circuits.

Use of Drive-by-Wire, CAN system, LED headlamp, additional DRL features, auto lamp control based on ambient light setting and connectivity feature with Bluetooth in mobile adds to its customer friendliness.

Adjustable clutch and brake levers added to suit different persons' hand reach in Duke 390 cc and 125 cc. It comes with larger tank capacity for longer distance coverage. The models have been upgraded to meet the Euro 4 regulatory requirement.

## V12

The 'neo retro' styling of the Bajaj V15 has a new sibling on the same platform. The V12 comes with an all new 125 cc, air cooled single-cylinder DTS-i engine which offers a maximum output of 10.6PS power at 7,500 rpm and a peak torque of 1.12 Kg-m at 5,500 rpm. Its power train consists of five-speed gear box.

The throaty exhaust note differentiates this vehicle from others and gives it a unique character. The double cradle frame combined with 30 mm dia fork gives an edge to the handling of the bike.

## Pulsar NS 160

The Pulsar NS 160 is developed on the platform of NS 150 and is powered by an all-new 160 cc oil-cooled single-cylinder engine with an improved low end torque for better drivability and generates maximum power of 15.5 PS at 8,500 rpm and maximum torque of 14.3 Nm at 6,500 rpm.

## BM 125

The BM 125 is a new variant of Boxer family. This entry level commuter bike with its 124.6 cc engine, produces 9.0 PS power at 7,500 rpm and torque of 1.02 Kg-m at 5,000 rpm. It meets the customer expectations of comfort and reliability, with a strong visual appeal comprising a flat, longer and comfortable seat and round head lamp. The bike has a conventional telescopic suspension in the front and SNS suspension at the rear.

## CT 125

The CT 125 is designed with tubular semi double cradle fame. Its SNS suspension is carried from the proven model of the CT 100. The 125 cc engine delivers 10PS power and solid torque of 1.02 Kg-m. It comes with additional twin shocker mounting provision and specifically built for side-car application in the Philippines. It meets the latest Euro 3 regulation of the Philippines.

## Platina UG

Platina ES is upgraded to achieve 'ComforTec' with superior front and rear suspensions. The unique foam structure of the seat provides better cushioning and comfort. The pillion footrest is modified to platform type from rod type to improve pillion comfort. It is made to provide the best-in-class mileage.

# Meeting Regulatory Requirements

## Domestic regulations

Bajaj Auto is committed to compliance with regulatory requirements. In keeping up with this commitment, the complete range of two-and three-wheeler models has been upgraded to comply with the Bharat Stage 4 (BS4) emission norm. The changeover in production for all BS4 compliance vehicles was completed at least two months before the norm implementation schedule to ensure the availability at sales point well in time and ahead of the competition. To ensure that the critical safety requirement is also available with the customer on time, Bajaj Auto has implemented the Automatic Headlamp On (AHO) in all its two-wheeler models in January 2017. Thus the Company has ensured that the regulatory requirement of AHO from 1 April 2017 is fully met.

## Regulatory requirement of European markets

Bajaj Auto has already demonstrated that its five leading models are designed to be fully compliant with the new regulatory requirement of Euro 4 Whole Vehicle Type Approval as per the European standard. These models are: the V15 FI, the Pulsar NS 160 FI, the Pulsar NS 200 FI, the Pulsar RS 200 and the Dominar 400.

## Regulatory requirement of Iran

Three of its major models, the BM 150 FI, the V15 FI and the Pulsar NS 160 FI have been freshly incorporated with electronic fuel injection system and have been proven to be satisfactory for meeting the Euro 3 emission norms. This adds to the lineup of models which are already available with electronic fuel injection, namely the Pulsar NS 200, the Pulsar RS 200 and the Dominar 400. This ensures full compliance to the new regulatory requirement of Iran for the two-wheeler models sold in the country, which need to comply with Euro 3 emission norms and be fitted with electronic fuel injection system.

# Operations, Productivity and Quality

Bajaj Auto's 'back end' is guided by the principles of TPM to continuously improve the core competency in development, engineering and manufacturing and to imbibe the TPM philosophy in the work culture. Operational excellence is the essential core behind all activities, both internally and with its vendors and dealers.

Last year, the TPM activity was further enhanced towards:

1. 'Deepening TPM', to sustain the ongoing activities and to improve further.
2. 'Evolving TPM', to meet the changing business needs and future challenges. All functions like R&D, materials, operations and engineering are aligned to meet the requirements so as to further improve operational and business parameters.

Bajaj Auto's Vendor TPM is a unique activity. At present, 154 vendors are practising TPM; 112 have qualified for the BAL TPM Award; and 59 further qualified for the BAL TPM Excellence Award. In addition, 14 vendors have worked even further and got qualified for the JIPM TPM Award.

## Woman only Assembly Line

Bajaj Auto encourages women empowerment. All its plants have female employees and they operate in all work areas. At Chakan Plant, an assembly line is run by an all-woman team which produces high end bikes like Dominar 400 and Pulsar RS 200.

In FY2017, Waluj – the export hub of Bajaj Auto, produced 1.64 million motorcycles of which over 1.03 million were exported; and 445,563 three-wheelers of which 191,000 were shipped abroad. The Chakan plant has used its core competencies in developing and manufacturing the high end sports bikes, and manufactured 608,974 units in FY2017. The Panthagar plant manufactured 960,686 motorbikes.

Table 4 gives the Company's plant-wise capacities, and their product range.

**Table 4: Plant-wise capacities (in numbers) and Product Range**

## Cautionary Statement

*Statements in this Management Discussion and Analysis describing the Company's objectives, projections, estimates and expectations may be 'forward looking' within the meaning of applicable laws and regulations. Actual results may differ from those expressed or implied.*

# Corporate Governance

In accordance with the provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred to as 'SEBI Listing Regulations, 2015'), which were made applicable with effect from 1 December 2015, given below are the corporate governance policies and practices of Bajaj Auto Ltd. ('the Company' or 'BAL') for the year 2016-17.

This Report, therefore, states compliance as per requirements of the Companies Act, 2013 and SEBI Listing Regulations, 2015, as applicable to the Company. As will be seen, the Company's corporate governance practices and disclosures have gone well beyond complying with the statutory and regulatory requirements stipulated in the applicable laws, including SEBI Listing Regulations, 2015.

## Philosophy

The commitment of the Bajaj Group to the highest standards of good corporate governance practices predates SEBI and the provisions of the recent SEBI Listing Regulations, 2015. Ethical dealings, transparency, fairness, disclosure and accountability are the main thrust of the working of the Bajaj Group. Bajaj Auto Ltd. ('BAL' or 'the Company' or 'Bajaj Auto') maintains the same tradition and commitment.

## Board of Directors

In keeping with the commitment of the Management to the principle of integrity and transparency in business operations for good corporate governance, the Company's policy is to have an appropriate blend of executive and independent directors to maintain the independence of the Board and to separate the Board functions of governance and management.

## Composition

As on 31 March 2017, the Board of the Company consisted of fifteen directors, of whom four were executive, seven were non-executive independent (including one woman director) and four were non-executive and non-independent. The Board has no institutional nominee director. The Company has an executive Chairman.

According to regulation 17 (1) (b) of the SEBI Listing Regulations, 2015, where the Chairman is executive or a promoter, at least one half of the Board of the Company should consist of independent directors.

During the year under review, Kantikumar R Podar, an independent director, resigned from the Board w.e.f. 15 March 2017, on health grounds. Hence, the provision of independent directors comprising at least one half of the Board was strictly not met at Bajaj Auto Ltd. as on 31 March 2017.

However, as provided under regulation 25 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, a vacancy caused by the resignation of an independent director may be filled by the Board within three months from the date of resignation or the next Board meeting, whichever is later. The Company had adequate time as on 31 March 2017 to comply with the requirement within the time period stipulated under the Regulations.

Subsequent to the year end, J N Godrej has also resigned from the Board w.e.f. 10 April 2017, due to his preoccupation with his group businesses and his various interests.

The Board at its meeting held on 18 May 2017 has filled the two vacancies by appointing Dr. Naushad Forbes and Dr. Omkar Goswami as independent directors in place of Kantikumar R Podar and J N Godrej respectively.

With the said appointments, the requirement of regulation 17(1) stands fulfilled.

## **Number of meetings of the Board**

During the financial year 2016-17, the Board of Directors met seven times, viz. 25 May 2016, 27 July 2016, 14 September 2016, 28 October 2016, 31 January 2017, 15 March 2017 and 16 March 2017. The gap between any two meetings has been less than one hundred and twenty days.

## **Non-executive directors' compensation**

The shareholders of the Company vide special resolution passed at the annual general meeting of the Company held on 27 July 2016 have by way of an enabling provision approved the payment of commission up to a sum not exceeding one percent of the net profits of the Company, calculated in accordance with the provisions of section 197 and 198 of the Companies Act, 2013, to the non-executive directors in the manner as may be decided by the Board of Directors for a period up to 31 March 2021.

In terms of the said approvals, non-executive directors of the Company are being paid, in addition to the sitting fee of ₹ 100,000 per meeting for every meeting of the Board and its Committees, commission at the rate of ₹ 150,000 per meeting of the Board and its Committees attended by them as a member, subject to the overall ceiling of one percent of net profits.

Further, in terms of the approvals given by the Board of Directors and shareholders, Nanoo Pamnani will be paid ₹ 2,000,000 as additional commission for the year 2016-17 in consideration of the extra services rendered by him at the request of the Management during the year 2016-17.

The Company currently does not have a stock option programme for any of its directors.

## Information supplied to the Board

In advance of each meeting, the Board is presented with relevant information on various matters related to the working of the Company, especially those that require deliberation at the highest level. Presentations are also made to the Board by different functional heads on important matters from time to time. Directors have separate and independent access to the officers of the Company. In addition to items required to be placed before the Board for its noting and/or approval, information is provided on various significant items.

In terms of quality and importance, the information supplied by the Management to the Board of the Company is far ahead of the list mandated under regulation 17(7) read with Part A of Schedule II to the SEBI Listing Regulations, 2015. As stated elsewhere, the independent directors of the Company at their meeting held on 15 March 2017 expressed satisfaction on the quality, quantity and timeliness of flow of information between the Company Management and the Board, that is necessary for the Board to effectively and reasonably perform their duties.

## Orderly succession to Board and Senior Management

The Board of the Company has satisfied itself that plans are in place for orderly succession for appointments to the Board and to Senior Management.

## Directorships and memberships of Board Committees

Details of directorships and memberships in various committees as held by the directors of the Company are given in Table 2.

**Table 2: Number of directorships/committee positions of directors as on 31 March 2017**

Name of director	Directorships			Committee positions in listed and unlisted public limited companies

Dr. Gita Piramal	4	—	2	1	3

\* Out of the total directorships, Naresh Chandra held the position of 'non-executive non-independent director' in two companies.

**Notes:**

None of the directors holds office as a director, including as alternate director, in more than twenty companies at the same time. None of them has directorships in more than ten public companies. For reckoning the limit of public companies, directorships of private companies that are either holding or subsidiary company of a public company are included.

As per declarations received, none of the directors serves as an independent director in more than seven listed companies. Further, the whole-time directors in the Company do not serve as an independent director in more than three listed companies.

None of the directors was a member in more than ten committees, nor a Chairman in more than five committees across all companies in which he was a director.

For the purpose of considering the limit of the committees on which a director can serve, all public limited companies, whether listed or not, have been included and all other companies including private limited companies, foreign companies and companies under section 8 of the Companies Act, 2013 have been excluded. Only audit committee and stakeholders relationship committee are considered for the purpose of reckoning committee positions.

## Review of legal compliance reports

During the year, the Board periodically reviewed compliance reports with respect to the various laws applicable to the Company, as prepared and placed before it by the Management.

## Code of Conduct

Regulation 17(5) of the SEBI Listing Regulations, 2015 requires listed companies to lay down a Code of Conduct for its directors and senior management, incorporating duties of directors as laid down in the Companies Act, 2013.

As required under clause 49 of the erstwhile Listing Agreement (now corresponding to regulation 17(5) of the SEBI Listing Regulations, 2015), the Board at its meeting held on 15 September 2014 adopted a revised Code of Conduct for all Directors and Senior Management of the Company and the same has been placed on <http://www.bajajauto.com>

All Directors and Senior Management personnel have affirmed compliance with the new Code for 2016-17. A declaration to this effect signed by the Managing Director is given in this Annual Report.

## **Maximum tenure of independent directors**

The maximum tenure of independent directors is in accordance with the Companies Act, 2013 and regulation 25(2) of the SEBI Listing Regulations, 2015.

## **Formal letter of appointment to independent directors**

The Company issues a formal letter of appointment to independent directors in the manner as provided in the Companies Act, 2013. As per regulation 46(2) of SEBI Listing Regulations, 2015, the terms and conditions of appointment of independent directors are placed on the Company's website [www.bajajauto.com](http://www.bajajauto.com)

## **Performance evaluation**

Pursuant to the provisions of the Companies Act, 2013 and SEBI Listing Regulations, 2015, the Board has carried out an annual performance evaluation of its own performance, and that of its Committees and individual directors. The manner in which such formal annual evaluation was made by the Board is given below:

- Performance evaluation criteria for Board, Committees of the Board and Directors were approved by the Board at its meeting held on 14 October 2014 and the same were placed on the Company's website [www.bajajauto.com](http://www.bajajauto.com)
- Based on the said criteria, rating sheets were filled by each of the directors towards the end of the year with regard to evaluation of the performance of the Board, its Committees and Directors (except for the director being evaluated) for the year under review.
- A consolidated summary of the ratings given by each of the director was then prepared, based on which a report of performance evaluation was prepared by the Chairman in respect of the performance of the Board, its Committees and Directors during the year under review.
- The report of performance evaluation so arrived at was then noted and discussed by the Nomination and Remuneration Committee and the Board at their meetings held on 15 March 2017.
- Under law, as per the report of performance evaluation, the Board shall determine, inter alia, whether to continue the term of appointment of the independent director. During the year under review, there was no occasion to decide on the continuance of the term of appointment of any of the independent directors and hence, the question of taking a decision on their re-appointment did not arise.

Details on the evaluation of Board, Non-Independent directors and Chairperson of the company as carried out by the independent directors at their meeting held in March 2017 have been furnished in a separate para elsewhere in this Report.

During the year under review, SEBI vide its circular dated 5 January 2017 came out with a Guidance Note of Board Evaluation, which was to be adopted by the Company, as considered appropriate. The performance evaluation criteria for the Board, Committees of the Board, Chairperson and Directors were accordingly modified by the Board at its meeting held on 15 March 2017, as approved and recommended by the Nomination and Remuneration Committee. The updated criteria are placed on the Company's website [www.bajajauto.com](http://www.bajajauto.com) and will be applicable for evaluation from the year 2017-18.

## Remuneration Policy

The Board, on the recommendation of the Nomination and Remuneration Committee, has framed a Remuneration Policy providing (a) criteria for determining qualifications, positive attributes and independence of directors and (b) a policy on remuneration for directors, key managerial personnel and other employees. The detailed Remuneration Policy is placed on  
<http://www.bajajauto.com/remuneration-policy.asp>

## Board Diversity Policy

In compliance with the provisions of the SEBI Listing Regulations, 2015, the Board through its Nomination and Remuneration Committee has devised a Policy on Board Diversity. The objective of the Policy is to ensure that the Board comprises an adequate number of members with diverse experience and skills, such that it best serves the governance and strategic needs of the Company. The Board composition as at present meets with the above objective.

## Familiarisation programmes

With a view to familiarising the independent directors with the Company's operations, as required under regulation 25(7) of the SEBI Listing Regulations, 2015, the Company has held various familiarisation programmes for the independent directors throughout the year on an ongoing and continuous basis.

The details of such familiarisation programmes are placed on  
[http://www.bajajauto.com/pdf/Familiarisation\\_programme-BAL.pdf](http://www.bajajauto.com/pdf/Familiarisation_programme-BAL.pdf)

## Whistle Blower Policy/Vigil mechanism

Pursuant to section 177(9) of the Companies Act, 2013 and clause 49 of the erstwhile Listing Agreement (now corresponding to regulation 22 of the SEBI Listing Regulations, 2015), the Board at its meeting held on 15 May 2014 amended the existing Whistle Blower Policy.

The Whistle Blower Policy/Vigil mechanism provides a mechanism for the director/employee to report, without fear of victimisation, any unethical behaviour, suspected or actual fraud, violation of the Code of Conduct etc. which are detrimental to the organisation's interest. The mechanism protects whistle blower from any kind of discrimination, harassment, victimisation or any other unfair employment practice. The Company affirms that no employee has been denied access to the Audit Committee.

The directors in all cases and employees in appropriate or exceptional cases will have direct access to the Chairman of the Audit Committee. The said Policy is placed on the Company's website [www.bajajauto.com](http://www.bajajauto.com)

## Dividend Distribution Policy

As mandated by SEBI (Listing Obligations and Disclosure Requirements) (Second Amendment) Regulations, 2016, dated 8 July 2016, for the top 500 companies as on 31 March 2016 by market capitalisation, the Board at its meeting held on 28 October 2016, adopted a Dividend Distribution Policy for the Company. The same is placed on the Company's website [www.bajajauto.com](http://www.bajajauto.com)

## Subsidiary companies

The Company has two overseas subsidiaries, viz. PT. Bajaj Auto Indonesia and Bajaj Auto International Holdings BV, Netherlands, which however, are not 'material subsidiaries' as prescribed under regulation 16(1)(c) of the SEBI Listing Regulations, 2015.

A Policy on 'material subsidiaries' in terms of clause 49 of the erstwhile Listing Agreement had been formulated by the Board at its meeting held on 15 September 2014. Pursuant to regulation 16(1)(c) of the SEBI Listing Regulations, 2015, the Board at its meeting held on 4 February 2016 modified the aforesaid Policy. The same is placed on  
[http://www.bajajauto.com/pdf/bal\\_policy\\_on\\_material\\_subsidiary\\_final.pdf](http://www.bajajauto.com/pdf/bal_policy_on_material_subsidiary_final.pdf)

Provisions to the extent applicable as required under regulation 24 of the SEBI Listing Regulations, 2015 with reference to subsidiary companies were duly complied with.

During the year under review, the Audit Committee reviewed the financial statements (in particular, the investments made) of each unlisted subsidiary company to the extent applicable. Minutes of the Board meetings of the subsidiary companies as well as a statement of all significant transactions and arrangements entered into by these subsidiary companies, as applicable, were regularly placed before the Board of the Company.

## **Related party transactions**

All related party transactions (RPTs), which were entered into by the Company during the year under review, were on arms' length basis and in the ordinary course of business and did not attract provisions of section 188 of the Companies Act, 2013 and were also not material RPTs under regulation 23 of the SEBI Listing Regulations, 2015.

During the year 2016-17, as required under section 177 of the Companies Act, 2013 and regulation 23 of the SEBI Listing Regulations, 2015, all RPTs were placed before Audit Committee for approval.

A statement showing the disclosure of transactions with related parties as required under Indian Accounting Standard 24 is set out separately in this Annual Report.

There were no material transactions entered into with related parties, during the year under review, which may have had any potential conflict with the interests of the Company.

A Policy on materiality of RPTs and also on dealing with RPTs has been formulated by the Board at its meeting held on 17 July 2014 and amended on 14 October 2014. The same is placed on <http://www.bajajauto.com/pdf/final-policy-on-materiality-of-rpts-bajaj-auto-limited.pdf>

## **Disclosures**

Suitable disclosures have been made in the financial statements, together with the Management's explanation in the event of any treatment being different from that prescribed in the Accounting Standards.

## **Audit Committee**

### **Constitution and composition**

After the demerger of erstwhile BAL in 2008, the new Bajaj Auto set up its Audit Committee in 2008 under the erstwhile Companies Act, 1956 and clause 49 of the erstwhile Listing Agreement. To meet the additional requirement of the Companies Act, 2013 and clause 49 of the erstwhile Listing Agreement (now corresponding to regulation 18 of the SEBI Listing Regulations, 2015), the terms of reference of the Committee were amended by the Board at its meeting held on 15 May 2014. The said terms of reference are placed on <http://www.bajajauto.com/pdf/term-of-reference-ACM.pdf> The Board has been reviewing the working of the Committee from time to time to bring about greater effectiveness in order to comply with the various requirements under the Companies Act, 2013 and the SEBI Listing Regulations, 2015.

All members of the Audit Committee are independent, non-executive directors and are 'financially literate' as required by regulation 18(1)(c) of the SEBI Listing Regulations, 2015. Moreover, the Chairman and members of the Audit Committee have 'accounting or related financial management expertise'.

### **Meetings, attendance and topics discussed**

During 2016-17, the Audit Committee met four times: 25 May 2016, 27 July 2016, 28 October 2016 and 31 January 2017. The meetings were scheduled well in advance and not more than one hundred and twenty days elapsed between any two meetings.

In addition to the members of the Audit Committee, these meetings were attended by the heads of finance, internal audit functions and the statutory auditor of the Company and those executives who were considered necessary for providing inputs to the Committee. Further, on invitation, directors who are not members of the Committee also attended the meetings of the Committee.

The Company Secretary acted as the secretary to the Audit Committee.

## Risk Management Committee

SEBI vide its circular dated 15 September 2014, revised clause 49 of the erstwhile Listing Agreement (now corresponding to regulation 21 of the SEBI Listing Regulations, 2015) making risk management committees applicable to the top 100 listed companies by market capitalisation as at the end of the immediate previous financial year. The list includes Bajaj Auto Ltd. in the top 100 companies.

In light of the above, the Board at its meeting held on 14 October 2014 constituted the Risk Management Committee, consisting of the following members:

1. Nanoo Pamnani, Chairman
2. D J Balaji Rao
3. Kevin D'sa

The Committee met on 16 March 2017. All the members attended the meeting. Further, on invitation, directors who are not members of the Committee also attended the meeting of the Committee.

At the meeting, inter alia, the statement on Risk Management Policy, including identification therein of elements of risk, which may threaten the existence of the Company, was discussed at length.

Further, at the same meeting, various aspects of cyber-attack risk, including cyber threats to data, and protection measures and applicability of Place of Effective Management (PoEM) to the Company and its wholly owned subsidiary companies were also discussed.

The Committee and Board have laid down procedures to inform it of the Company's risk assessment and minimisation procedures. These are periodically reviewed to ensure that the Management identifies and controls risk through a properly defined framework.

## Stakeholders Relationship Committee

The Board of Directors of the Company constituted its Shareholders' and Investors' Grievance Committee at its meeting held on 30 January 2008. This Committee was constituted to specifically look into the shareholders' and investors' complaints on matters relating to transfer of shares, non-receipt of annual report, non-receipt of dividend, payment of unclaimed dividends, etc.

In addition, the Committee also looked into matters that can facilitate better investor services and relations. The Board was kept apprised of all the major developments on investors' issues through various reports and statements furnished to the Board from time to time throughout the year.

In compliance with the provisions of section 178 of the Companies Act, 2013 and clause 49 of the erstwhile Listing Agreement (now corresponding to regulation 20 of the SEBI Listing Regulations, 2015), the Board re-named the Committee as 'Stakeholders Relationship Committee' and revised the terms of reference of said Committee as follows:

1. To look into the redressal of complaints of security-holders on matters relating to transfer of shares, dematerialisation of shares, non-receipt of annual report, non-receipt of dividend, matters relating to issue of new share certificates, etc.
2. To look into matters that can facilitate better security-holders services and relations.

During the year under review, the Committee met on 15 March 2017 to, inter alia, review the status of investors' services rendered.

- b) to all those shareholders holding shares in physical form, after giving effect to all the valid share transfers lodged with the Company/share transfer agent (i.e., Karvy Computershare Pvt. Ltd.) on or before the closing hours on Friday, 7 July 2017.

## Payment of dividend

As per the SEBI Listing Regulations, 2015, the Company shall use any electronic mode of payment approved by the Reserve Bank of India for making payment to the members. Where dividend payments are made through electronic mode, intimations regarding such remittance would be sent separately to the members. Where the dividend cannot be paid through electronic mode, the same will be paid by warrants with bank account details printed thereon. In case of non-availability of bank account details, address of the members will be printed on the warrants.

For enabling the payment of dividend through electronic mode, members holding shares in physical form are requested to furnish updated particulars of their bank account to the share transfer agent of the Company i.e., Karvy along with a photocopy of a 'cancelled' cheque of the bank account and self-attested copy of PAN card.

Beneficial owners holding shares in electronic form are requested to furnish their bank account details to their respective depository participants and make sure that such changes are recorded by them correctly. The request for updating of particulars of bank account should be signed as per the specimen signature registered with Karvy/depository participants, as the case may be.

## Unclaimed dividends

As per section 205-C of the Companies Act, 1956, any money transferred by the Company to the unpaid dividend account and remaining unclaimed for a period of seven years from the date of such transfer shall be transferred to a fund called the Investor Education and Protection Fund (Fund) set up by the Central Government. Accordingly, the unpaid/unclaimed dividend for the financial year 2008-09 was transferred to the Fund in September 2016.

The Ministry of Corporate Affairs (MCA) on 5 September 2016 notified 7 September 2016 as the commencement date for section 124 and few sub-sections of section 125 of the Companies Act, 2013 and also notified the new Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ('IEPF Rules, 2016'), to come into effect from 7 September 2016, outlining the detailed procedure for implementation regarding the Fund and Authority under the Companies Act, 2013.

As previously provided under the IEPF Rules, 2012 and now under the IEPF Rules, 2016, the Company filed the necessary e-form with MCA on 26 November 2016 for the financial year ended 31 March 2016 and the details of unpaid and unclaimed dividends for the financial years 2008-09 to 2015-16 were uploaded on the Company's website on [www.bajajauto.com](http://www.bajajauto.com)

Unpaid/unclaimed dividend for 2009-10 shall become due for transfer to the Fund in August 2017. Members are requested to verify their records and send their claim, if any, for the financial year 2009-10, before the amount becomes due for transfer to the Fund. Communication has been sent to the members, who have not yet claimed dividend for the financial year 2009-10, requesting them to claim the same as well as unpaid dividends, if any, for the subsequent years.

Under section 124(6) of the Companies Act, 2013, as amended, there is a further provision that all shares in respect of which dividend has not been paid or claimed for seven consecutive years or more shall be transferred by the Company in the name of IEPF.

Accordingly, in due compliance of the provisions of rule 6(3) of the aforesaid IEPF Rules, 2016, the Company sent individual letters through Speed Post to such shareholders, in respect of whom dividend for a consecutive period of 7 years had remained unpaid and public notice was released in newspapers on 10 December 2016. These details have been made available on the Company's website.

Subsequently, MCA vide its notification dated 28 February 2017 amended the said rules, stating that due date for transfer of shares under the said Rules shall be 31 May 2017 and hence another public notice was released in newspapers on 25 April 2017 giving such shareholders a fresh opportunity to claim the unpaid dividends, up to such date of transfer. The Company is accordingly in the process of taking appropriate steps with regard to transfer of such shares in accordance with the amended Rules, in line with the necessary guidelines being issued by MCA in this regard.

*pulsar*  
220F

As provided under these Rules, the shareholder shall be allowed to claim such unpaid dividends and shares transferred to the funds by following the required procedure. The said IEPF Rules, 2016 and IEPF Amendment Rules, 2017 are available on the Company's website [www.bajajauto.com](http://www.bajajauto.com)

Shareholders are requested to get in touch with the Compliance Officer for further details on the subject at [investors@bajajauto.co.in](mailto:investors@bajajauto.co.in)

## Share transfer agent

The Company has appointed Karvy Computershare Pvt. Ltd. as its share transfer agent and accordingly, processing of share transfer/dematerialisation/rematerialisation and allied activities was outsourced to Karvy Computershare Pvt. Ltd., Hyderabad (Karvy) with effect from 10 July 2008.

All physical transfers, transmission, transposition, issue of duplicate share certificate(s), issue of demand drafts in lieu of dividend warrants, etc. as well as requests for dematerialisation/rematerialisation are being processed in periodical cycles at Karvy. The work related to dematerialisation/rematerialisation is handled by Karvy through connectivity with NSDL and CDSL.

## Share transfer system

Share transfers received by the share transfer agent/Company are registered within 15 days from the date of receipt, provided the documents are complete in all respects. ## Conservation of energy

The company continues its efforts to reduce and optimize the energy consumption at all its manufacturing facilities, including the corporate office at Pune.

Significant reduction in energy consumption has been achieved by:

### A) Electrical energy

- Elimination of compressors for pneumatically operated 132 kv circuit breakers; by modifying circuit breakers to spring mechanism.
- Optimisation of centralised coolant system by relocation of production cells.
- Reduction in energy consumption by providing inverter drives with pressure transmitter for hydraulic motors.
- Replacing conventional blower with higher capacity induction motor to achieve optimal design in paint shop-tank cell air supply unit.
- Optimising compressed air pressure by use of portable small compressors on holidays.
- Reduction in hidden loss by providing on-line loss measurement system for transformer.
- Use of HVLS (High volume and Low Speed) fans for fixed load reduction of air circulators.

### B) Water

- Rain water harvesting.
- Re-use of treated water for processes like cooling towers, central coolant systems, de-sludge pool and incinerator, compressor cooling tower and AHU, etc.
- Replacing rusty underground hydrant and raw water pipeline with above ground level pipeline to arrest water leakages.
- Installation of second stage reverse osmosis at paint shop.

### C) LPG/propane

- Thermal imaging/audit for ovens in paint shop and countermeasure.
- Weight reduction of job fixtures in heat treatment.
- Burner efficiency improvement through efficient burners.
- Upgrade of furnace insulation to reduce heat losses.
- Providing magnetic resonator in gas train pipeline to increase combustion efficiency.
- Usage of low temperature chemicals for pre-treatment process.

### D) Utilisation of renewable energy-key initiatives

- Two PV Solar Power Plants, with capacity of 110 KWp and 1100 KWp, are installed at the Company's Akurdi Plant. Recurring saving of 1.57 L KWH and 15.5 L KWH respectively is being realised yearly. Benefit of ₹ 70 lakh per year.

- Additionally 1228 KWP (roof top) solar power plant installation is in progress at the Company's Chakan Plant. Electricity saving to the extent of 17 L KWH per year is expected. Benefit of ₹ 19 lakh per year.
- Installation of natural light transparent roof sheets.

## Industrial relations

Industrial relations with staff and workmen across all the plants, viz. Akurdi, Waluj, Chakan and Pantnagar, continued to be cordial.

During the year, a wage settlement has been signed at Pantnagar on 1 August 2016 for a period of three and half years from 1 June 2016 to 30 November 2019, on expiry of the earlier settlement on 31 May 2016.

For the Akurdi and Chakan plants, periodic wage reviews are due with effect from 1 April 2016, as per the terms of the respective wage settlements signed for a period of 9 years, in the year 2010.

In view of the financial difficulties faced by the workmen, an interim wage raise has been given to all Chakan workmen in October 2016, with effect from 1 April 2016.

The existing settlement at Akurdi Plant has been terminated in November 2016. The wage review process will commence on receipt of a fresh charter of demands from the Union.

With active participation and involvement of employees, the Company has been able to inculcate TPM culture for excellence and continuous improvement across all plants. The plants have received many Awards during the year from Confederation of Indian Industry (CII), Quality Circle Forum of India (QCFI), Indian Institution of Industrial Engineering (IIIE) and National Convention Quality Circle (NCQC).

Waluj Motorcycle Division (MCD) received Gold Awards in QC Circle competitions organised by QCFI at Nagpur and Aurangabad, apart from Excellence Awards in the competitions held by QCFI at Raipur and Mumbai. It also received an Award in Champion of Champions competition organised by CII at Bangalore and in the 3M Kaizen competition organised by TPM Club and Institute of Quality at New Delhi.

Likewise, Waluj Commercial Vehicle Division (CVD) received Gold Medal/Gold Performance/Excellent/ Best of Best Poka Yoke/Best of Manufacturing Support Awards in the Mini/Annual Convention competitions organised by QCFI at Aurangabad and Nagpur. The CVD also received Excellence Awards in the competition organised by NCQC at Raipur, Chhattisgarh.

Chakan Plant received Gold Awards in the National Productivity Competition organised by IIIE at Nagpur. The plant was declared as First Prize Winner in the TPM Circle Competitions organised by CII at Aurangabad and Chennai.

Pantnagar Plant received Gold Award in the TPM Circle Competition organised by QCFI at Rudrapur. The plant was also declared as a Winner in the TPM Circle competition organised by CII at Chennai.

Ramkrishna Shekhaji Hivale, a workman from Central Heat Treatment (MCD) Waluj, has received the National 'Vishwakarma Rashtriya Puraskar' Award from the Labour and Employment Ministry, Government of India, for the year 2014.

Two workmen from Waluj plant, viz. Ratankumar S Kamble from Final Assly-3Wh. and Vishwanath Savta Jadhav from Final Assly-MCD, have received the Prime Minister's 'Shram Bhushan' and 'Shram Shree' Awards respectively for the year 2015.

## Subsidiaries and joint ventures

### PT. Bajaj Auto Indonesia

Routine business operations of PT. Bajaj Auto Indonesia, a 99.25% subsidiary of Bajaj Auto, have currently stopped.

The Company has an agreement with KTM to establish and distribute the KTM branded bikes in Indonesia, the largest motorcycle market in South-East Asia.

KTM and Bajaj Auto have decided for BAL to manage KTM in the Indonesian market with the jointly developed range of products. Towards this, the joint product range has been introduced in Jakarta through a local distributor. Further plans to build brand network and supply chain are being developed.

During the year under review, a total of 1,598 units of KTM were sold in Indonesia.

It is intended that PT. Bajaj Auto Indonesia will hold the necessary regulatory approvals for the Assembly operations and Product homologation in Indonesia.

## Annual Report on CSR activities

1. **Brief outline of Company's CSR Policy, including overview of projects or programmes proposed to be undertaken and a reference to the web-link to the CSR Policy and projects or programmes.**

### Introduction

The Corporate Social Responsibility (CSR) activities of Bajaj Group are guided by the vision and philosophy of its Founder, late Jamnalal Bajaj, who embodied the concept of Trusteeship in business and common good, and laid the foundation for ethical, value-based and transparent functioning.

The Bajaj Group believes that the true and full measure of growth, success and progress lies beyond balance sheets or conventional economic indices. It is best reflected in the difference that business and industry make to the lives of people.

Through its social investments, Bajaj Group addresses the needs of communities residing in the vicinity of its facilities, taking sustainable initiatives in the areas of health, education, environment conservation, infrastructure and community development, and response to natural calamities. For society, however, Bajaj is more than a corporate identity. It is a catalyst for social empowerment. It is the reason behind the smiles that light up a million faces.

Its goodwill resonates in the two simple words that live in the collective consciousness of Indians-Hamara Bajaj.

### Guiding Principles

The Bajaj Group believes that social investments should:

- **Benefit generations:** The Company believes in 'investment in resource creation' for use over generations. The Company tries to identify sustainable projects which will benefit the society over long periods.
- **Educate for self-reliance and growth:** To usher in a growth-oriented society and thereby a very strong and prosperous nation, by educating each and every Indian.
- **Promote health:** The Company believes good health is a pre-requisite for both education and productivity.
- **Encourage for self-help:** To guide and do hand holding for self-help, individually and collectively to create excellence for self and for the team.
- **Be focused:** The Company believes that activities should be preferably focused around locations where the Company has a presence and hence can effectively guide, monitor and implement specific projects.
- **Target those who need it most:** Care for sections of society, which are socially and economically at the lowest rung, irrespective of their religion or caste or language or colour.
- **Sustain natural resources:** The Company encourages balanced development and ensures least adverse impact on the environment-Growth with Mother Nature's-blessings

## Secretarial Audit Report (Form MR-3)

[Pursuant to section 204(1) of the Companies Act, 2013 and rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

For the financial year ended 31 March 2017.

To,  
The Members,  
**Bajaj Auto Ltd.**  
(CIN: L65993PN2007PLC130076)  
Bajaj Auto Ltd. Complex,  
Mumbai-Pune Road,  
Akurdi, Pune 411 035.

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Bajaj Auto Ltd., (hereinafter called as 'The Company'). The Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorised representatives during the conduct of the Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31 March 2017, complied with the applicable statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31 March 2017, according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the Rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') to the extent applicable:
  - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
  - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
  - (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;
  - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
  - (f) The Securities and Exchange Board of India (Registrars to an Issue and share transfer agents) Regulations, 1993 regarding the Companies Act and dealing with client;

- (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;
  - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; and
  - (i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
- (vi) Motor Vehicles Act, 1988 to the extent of product certification before production and from time to time, primarily in respect of vehicles manufactured by the Company.

I have also examined compliance with the applicable clauses of the following:-

- (i) Secretarial Standards pursuant to section 118(10) of the Act, issued by the Institute of Company Secretaries of India.
- (ii) Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the year under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that the Board of Directors of the Company is duly constituted with proper balance of executive directors, non-executive directors and independent directors including one woman director. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings including Committees thereof, along with the agenda and detailed notes on agenda at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting by the directors. The decisions were carried unanimously.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period, there was no other event/action having major bearing on the Company's affairs.

## Auditors' certificate regarding compliance of conditions of Corporate Governance

To the Members of **Bajaj Auto Ltd.**

We have examined the compliance of conditions of Corporate Governance by Bajaj Auto Ltd., for the year ended 31 March 2017 as stipulated in Regulations 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27 and clauses (b) to (i) of sub-regulation (2) of regulation 46 and para C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (collectively referred to as SEBI Listing Regulations, 2015).

The compliance of conditions of Corporate Governance is the responsibility of the Company's Management. Our examination was carried out in accordance with the Guidance Note on Certification of Corporate Governance, issued by the Institute of Chartered Accountants of India and was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the SEBI Listing Regulations, 2015.

We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

# **Standalone Financial Statements**

## **Independent Auditors' Report on the Standalone Indian Accounting Standards (Ind AS) Financial Statements**

To the Members of **Bajaj Auto Ltd.**

1. We have audited the accompanying standalone financial statements of Bajaj Auto Ltd. ('the Company'), which comprise the Balance Sheet as at 31 March 2017, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

### **Management's responsibility for the standalone Ind AS financial statements**

2. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these standalone Ind AS financial statements to give a true and fair view of the financial position, financial performance (including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### **Auditors' responsibility**

3. Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.
4. We have taken into account the provisions of the Act and the Rules made thereunder including the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.
6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.
7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

### **Opinion**

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2017, and its profit (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

### **Other matter**

9. The financial information of the Company for the year ended 31 March 2016 and the transition date opening Balance Sheet as at 1 April 2015 included in these standalone Ind AS financial statements, are based on the previously issued statutory financial statements for the years ended 31 March 2016 and 31 March 2015 prepared in accordance with the Companies (Accounting Standards) Rules, 2006 (as amended) which were audited by us, on which we expressed an unmodified opinion dated 25 May 2016 and 21 May 2015 respectively. The adjustments to those financial statements for the differences in accounting principles adopted by the Company on transition to the Ind AS have been audited by us, on which we have expressed an unmodified opinion vide our report dated 18 May 2017.

Our opinion is not qualified in respect of this matter.

## Independent Auditors' Report on the Standalone Indian Accounting Standards (Ind AS) Financial Statements (Contd.)

### Report on other legal and regulatory requirements

10. As required by the Companies (Auditors' Report) Order, 2016, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act ('the Order'), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order.
11. As required by section 143 (3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Cash Flow Statement and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards specified under section 133 of the Act.
  - (e) On the basis of the written representations received from the directors as on 31 March 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2017 from being appointed as a director in terms of section 164 (2) of the Act.
  - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure A.
  - (g) With respect to the other matters to be included in the Auditors' Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our knowledge and belief and according to the information and explanations given to us:
    - i. The Company has disclosed the impact, if any, of pending litigations as at 31 March 2017 on its financial position in its standalone Ind AS financial statements.
    - ii. The Company has long-term contracts including derivative contracts as at 31 March 2017 for which there were no material foreseeable losses.
    - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended 31 March 2017.
    - iv. The Company has provided requisite disclosures in the standalone Ind AS financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8 November 2016 to 30 December 2016. Based on audit procedures and relying on the Management representation we report that the disclosures are in accordance with books of account maintained by the Company and as produced to us by the Management – refer note 40.

## Annexure A to Independent Auditors' Report

**Referred to in paragraph 11(f) of the Independent Auditors' Report of even date to the members of Bajaj Auto Ltd. on the standalone Ind AS financial statements for the year ended 31 March 2017**

### Report on the internal financial controls under clause (i) of sub-section 3 of section 143 of the Act

1. We have audited the internal financial controls over financial reporting of Bajaj Auto Ltd. ('the Company') as of 31 March 2017 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

### Management's responsibility for internal financial controls

2. The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### Auditors' responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of internal financial controls over financial reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that
  - (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
  - (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
  - (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## **Annexure A to Independent Auditors' Report (Contd.)**

### **Inherent limitations of internal financial controls over financial reporting**

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## Annexure B to Independent Auditors' Report

**Referred to in paragraph 10 of the Independent Auditors' Report of even date to the members of Bajaj Auto Ltd. on the standalone Ind AS financial statements as of and for the year ended 31 March 2017**

1. (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of fixed assets.
- (b) The fixed assets are physically verified by the Management according to a phased programme designed to cover all the items over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the fixed assets has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification.
- (c) The title deeds of immovable properties, as disclosed in Note 2 on fixed assets to the standalone Ind AS financial statements, are held in the name of the Company, except for buildings having gross block of ₹ 15.02 crore and net block of ₹ 12.63 crore, wherein final registration is pending, as disclosed in Note 2 on fixed assets to the standalone Ind AS financial statements
2. The physical verification of inventory excluding stocks with third parties have been conducted at reasonable intervals by the Management during the year. In respect of inventory lying with third parties, these have substantially been confirmed by them. In our opinion, the frequency of verification is reasonable.
3. The Company has not granted any loans, secured or unsecured, to companies, firms, limited liability partnerships or other parties covered in the register maintained under section 189 of the Act. Therefore, the provisions of clause 3(iii), (iii)(a), (iii)(b) and (iii)(c) of the said Order are not applicable to the Company.
4. The Company has not granted any loans or provided any guarantees or security to the parties covered under section 185. In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of section 186 of the Companies Act, 2013 in respect of the loans and investments made by it.
5. The Company has not accepted any deposits from the public within the meaning of sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified.
6. The Central Government of India has not specified the maintenance of cost records under sub-section (1) of section 148 of the Act for any of the products of the Company.
7. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is regular in depositing the undisputed statutory dues, including provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, with the appropriate authorities.
- (b) According to the information and explanations given to us and the records of the Company examined by us, the particulars of dues of income tax, sales tax, service tax, duty of customs and duty of excise duty, as at 31 March 2017 which have not been deposited on account of a dispute, are as follows:

Notes to financial statements for the year ended 31 March 2017

### **Background**

Bajaj Auto Ltd. (the Company) is a company limited by shares, incorporated and domiciled in India. The Company is engaged in the business of development, manufacturing and distribution of automobiles such as motorcycles, commercial vehicles etc. and parts thereof. The Company sells its products in India as well as various other global markets.

## **1. First time adoption and summary of significant accounting policies followed by the Company**

### **1A.Basis of preparation**

These financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

The financial statements up to year ended 31 March 2016 were prepared in accordance with the Accounting Standards notified under Companies (Accounting Standard) Rules, 2006 (as amended) and other relevant provisions of the Act.

These financial statements are the first financial statements of the Company under Ind AS. Refer note 1B for an explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III (Division II) to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

### **1B.First-time adoption of Ind AS**

#### **Transition to Ind AS**

These are the Company's first standalone financial statements prepared in accordance with Ind AS.

The accounting policies set out in note 1C have been applied in preparing the financial statements for the year ended 31 March 2017, the comparative information presented in these financial statements for the year ended 31 March 2016 and in the preparation of an opening Ind AS Balance Sheet at 1 April 2015 (the Company's date of transition). In preparing its opening Ind AS Balance Sheet, the Company has adjusted the amounts reported previously in financial statements prepared in accordance with the Accounting Standards notified under Companies (Accounting Standards) Rules, 2006 (as amended) and other relevant provisions of the Act (previous GAAP or Indian GAAP). An explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows is set out in the following tables and notes.

Notes to financial statements for the year ended 31 March 2017 (Contd.)

**A. Exemptions and exceptions availed**

Set out below are the applicable Ind AS 101 optional exemptions and mandatory exceptions applied in the transition from previous GAAP to Ind AS, which are considered to be material or significant by the Company.

**A.1 Ind AS optional exemptions**

**A.1.1 Deemed cost for investment in subsidiaries**

Ind AS 101 provides a one time option to a first-time adopter either to measure its investment in subsidiaries as per previous GAAP carrying value or at fair value on the date of transition.

The Company has elected to measure its investment in subsidiaries as per previous GAAP carrying value.

**A.1.2 Leases**

Appendix C to Ind AS 17 requires an entity to assess whether a contract or arrangement contains a lease. In accordance with Ind AS 17, this assessment should be carried out at the inception of the contract or arrangement. Ind AS 101 provides an option to make this assessment on the basis of facts and circumstances existing at the date of transition to Ind AS, except where the effect is expected to be not material.

The Company has elected to apply this exemption for such contracts/arrangements.

**A.2 Ind AS mandatory exceptions**

**A.2.1 Hedge accounting**

Hedge accounting can only be applied prospectively from the transition date to transactions that satisfy the hedge accounting criteria in Ind AS 109, at that date. Hedging relationships cannot be designated retrospectively, and the supporting documentation cannot be created retrospectively. As a result, only hedging relationships that satisfied the hedge accounting criteria as of 1 April 2015 are reflected as hedges in the Company's results under Ind AS.

The Company had designated various hedging relationships as cash flow hedges under the previous GAAP. On date of transition to Ind AS, the entity had assessed that all the designated hedging relationship qualifies for hedge accounting as per Ind AS 109. Consequently, the Company continues to apply hedge accounting on and after the date of transition to Ind AS.

**A.2.2 Estimates**

An entity's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error.

Notes to financial statements for the year ended 31 March 2017 (Contd.)

Ind AS estimates as at 1 April 2015 are consistent with the estimates as at the same date made in conformity with previous GAAP. The Company made estimates for following item in accordance with Ind AS at the date of transition as this was not required under previous GAAP:

- Investment in fixed maturity plan and other mutual funds carried at Fair value through profit or loss

**A.2.3 Classification and measurement of financial assets**

Ind AS 101 requires an entity to assess classification and measurement of financial assets (investment in debt instruments) on the basis of the facts and circumstances that exist at the date of transition to Ind AS.

**A.2.4 Fair valuation of Government grant/loan**

Ind AS 101 requires that a first-time adopter shall classify all Government loans received as a financial liability or an equity instrument in accordance with Ind AS 32. Except as permitted by paragraph B11, a first-time adopter shall apply the requirements in Ind AS 109 and Ind AS 20, prospectively to Government loans existing at the date of transition to Ind AS and shall not recognise the corresponding benefit of the Government loan at a below-market rate of interest as a Government grant. Consequently, if a first-time adopter did not, under its previous GAAP, recognise and measure a Government loan at a below-market rate of interest on a basis consistent with Ind AS requirements, it shall use its previous GAAP carrying amount of the loan at the date of transition to Ind AS as the carrying amount of the loan in the opening Ind AS Balance Sheet.

In line with above mandatory exception, Company has continued previous GAAP value for sales tax deferral loan/incentive as at 31 March 2015 in the opening Ind AS Balance Sheet.

Notes to financial statements for the year ended 31 March 2017 (Contd.)

**B. Reconciliations between previous GAAP and Ind AS**

Ind AS 101 requires an entity to reconcile equity, total comprehensive income and cash flows for prior periods. The following tables represent the reconciliations from previous GAAP to Ind AS.

**Impact of Ind AS adoption on the Statement of Cash Flows for the year ended 31 March 2016**

There are no material adjustments of transition to the Statement of Cash flows to conform to Ind AS presentation for the year ended 31 March 2016.

Notes to financial statements for the year ended 31 March 2017 (Contd.)

**C. Notes to first-time adoption****Note 1: Fair valuation of investments (fixed maturity plans and other mutual funds)**

Under the previous GAAP, investments in fixed maturity plans and other mutual funds were classified as long-term investments or current investments based on the intended holding period and realisability. Long-term investments were carried at cost less provision for other than temporary decline in the value of such investments. Current investments were carried at lower of cost and fair value. Under Ind AS, these investments are required to be measured at fair value. The resulting fair value changes of these investments have been recognised in retained earnings (net of related deferred taxes) as at the date of transition and subsequently in the Statement of Profit and Loss for the year ended 31 March 2016.

**Note 2: Measurement change for some financial assets at amortised cost**

Under previous GAAP, certain debt instruments were measured at cost including pre-acquisition interest. This had impacted amortisation of premium/discount on those investments. Under Ind AS, these investments have been remeasured at cost excluding pre-acquisition interest and amortisation has been accordingly reworked. The change in carrying cost of such investments at the date of transition has been recognised in retained earnings. Subsequent amortisation changes have been recognised in the Statement of Profit and Loss.

**Note 3: Investment property**

Under the previous GAAP, investment properties were presented as part of non-current investments. Under Ind AS, investment properties are required to be separately presented on the face of the Balance Sheet. There is no impact on the total equity or profit as a result of this adjustment.

**Note 4: Hedge accounting**

Under the previous GAAP, the Company had adopted the hedge accounting principles of AS 30 Financial Instruments: Recognition and Measurement to account for derivatives used for hedging foreign exchange risk related to highly probable forecast sales transactions. In accordance with AS 30, the Company separated the intrinsic value and time value of an option contract and designated as hedging instrument only the change in intrinsic value of an option. The changes in the time value of the option contracts were recognised as expenses. Under Ind AS, these costs (i.e. time value related changes of the option contract) are also accumulated within equity and are adjusted against the carrying value of the hedged item. Consequently, the time value changes (net of tax) have been reclassified within equity from retained earnings to hedge reserve. All subsequent changes in time value have been recognised in other comprehensive income and have been accumulated in separate component of equity.

**Note 5: Proposed dividend and tax thereon**

Under the previous GAAP, dividends proposed by the Board of Directors after the Balance Sheet date but before the approval of the financial statements were considered as adjusting events. Accordingly, provision for proposed dividend was recognised as a liability. Under Ind AS, such dividends are recognised when the same is approved by the shareholders in the general meeting. Accordingly, the liability for proposed dividend and tax thereon, included under provisions has been reversed with corresponding adjustment to retained earnings.

**Note 6: Fair valuation of financial liability (sales tax deferral)**

Under previous GAAP, the sales tax deferral incentive, which is sales tax collected and repayable after a fixed tenure as prescribed by Package Scheme of Incentives was recognised at cost. Under Ind AS, the financial liability of sales tax deferral is to be measured at fair value and the difference between deferral amount and fair value is to be recognised as Government grant. The Company has availed mandatory exception under Ind AS 101 and accordingly, there is no change in accounting treatment on the amount carried forward on the date of transition.

After transition date, the difference between sales tax deferral amount and fair value has been recognised as Government grant in Balance Sheet. The Government grant has been recognised in the Statement of Profit and Loss on a straight line basis over the period of grant and unwinding of interest on fair value of sales tax deferral liability has been recognised as finance cost.

**Note 7: Excise duty**

Under the previous GAAP, revenue from sale of products was presented exclusive of excise duty. Under Ind AS, revenue from sale of goods is presented inclusive of excise duty. The excise duty paid is presented on the face of the Statement of Profit and Loss as part of expenses. There is no impact on the total equity and profit.

Notes to financial statements for the year ended 31 March 2017 (Contd.)

**C. Notes to first-time adoption** (Contd.)

**Note 8: Discount and incentives directly relatable to revenue**

Under previous GAAP, the discounts and incentives on sales were shown as other expenses. Under Ind AS, these are required to be netted off against revenue. There is no impact on the total equity and profit.

**Note 9: Remeasurements of post-employment benefit obligations**

Under Ind AS, remeasurements i.e. actuarial gains and losses and the return on plan assets, excluding amounts included in the net interest expense on the net defined benefit liability are recognised in other comprehensive income instead of profit or loss.

Under the previous GAAP, these remeasurements were forming part of the Statement of Profit and Loss for the year. There is no impact on the total equity.

**Note 10: Other comprehensive income**

Under Ind AS, all items of income and expense recognised in a period should be included in the Statement of Profit and Loss for the period, unless a standard requires or permits otherwise. Items of income and expense that are not recognised in profit or loss but are shown in the Statement of Profit and Loss as 'other comprehensive income' includes remeasurements of defined benefit plans, effective portion of gains and losses on cash flow hedging instruments etc. The concept of other comprehensive income did not exist under previous GAAP.

**1C. Summary of significant accounting policies followed by the Company**

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

**1 System of accounting**

- i) The Company follows the mercantile system of accounting and recognises income and expenditure on an accrual basis except in case of significant uncertainties.
- ii) Financial statements are prepared under the historical cost convention, except for certain financial assets and liabilities (including derivative instruments) that are measured at fair value. These costs are not adjusted to reflect the impact of changing value in the purchasing power of money.
- iii) Estimates and assumptions used in the preparation of these financial statements and disclosures made therein are based upon Management's evaluation of the relevant facts and circumstances as of the date of the financial statements, which may differ from the actual results at a subsequent date. The following are items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about basis of calculation for each affected line item in the financial statement
  - a) Estimation of fair value of derivative instruments
  - b) Provision for warranty claims and vehicle service charges
  - c) Valuation of employee benefits
  - d) Estimation of fair value of contingent liabilities and judgment on their probability of devolving on the Company
  - e) Provision for tax expenses

**2 Revenue recognition**

**a) Sales**

- i) Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are inclusive of excise duty and net of value added taxes, returns, discounts, rebates and incentives. The Company recognises revenue when the amount of revenue can be reliably measured and it is probable that future economic benefits will flow to the Company.
- ii) Domestic sales are accounted for on dispatch from the point of sale corresponding to transfer of significant risks and rewards of ownership to the buyer.
- iii) Export sales are recognised on the date of the mate's receipt/shipped on board signifying transfer of risks and rewards of ownership to the buyer as per terms of sale and initially recorded at the relevant exchange rates prevailing on the date of the transaction.

Notes to financial statements for the year ended 31 March 2017 (Contd.)

**1C. Summary of significant accounting policies followed by the Company** (Contd.)**b) Export incentives**

Export incentives are accounted for on export of goods if the entitlements can be estimated with reasonable accuracy and conditions precedent to claim are reasonably expected to be fulfilled.

**c) Other income**

The Company recognises income (including rent etc.) on accrual basis. However, where the ultimate collection of the same lacks reasonable certainty, revenue recognition is postponed to the extent of uncertainty.

**3 Property, plant and equipment and depreciation/amortisation****A. Property, plant and equipment**

- i) Property, plant and equipment except land are carried at historical cost of acquisition, construction or manufacturing cost, as the case may be, less accumulated depreciation and amortisation. Freehold land is carried at cost of acquisition.  
Cost represents all expenses directly attributable to bringing the asset to its working condition capable of operating in the manner intended.
- ii) Costs incurred to manufacture property, plant and equipment and intangible are reduced from the total expense under the head 'Expenses, included in above items, capitalised' in the Statement of Profit and Loss.
- iii) Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.
- iv) Land and buildings acquired/constructed, not intended to be used in the operations of the Company are categorised as investment property.

**B. Transition to Ind AS**

On Transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1 April 2015 measured as per previous GAAP which in case of the Company, corresponds with carrying costs measured in accordance with Ind AS 16 Property, plant and equipment.

**C. Depreciation and amortisation methods, estimated useful lives and residual value****(a) Leasehold land**

Premium on leasehold land is amortised over the period of lease.

**(b) On other tangible assets**

- i. a. Depreciation is provided on a pro rata basis on the straight line method to allocate the cost, net of residual value over the estimated useful lives of the assets.  
b. Where a significant component (in terms of cost) of an asset has an estimated economic useful life shorter than that of its corresponding asset, the component is depreciated over its shorter life.  
c. Useful life of assets are determined by the Management by internal technical assessments except in case where such assessment suggests a life significantly different from those prescribed by Schedule II- Part 'C', the useful life is as assessed and certified by a technical expert.
- ii. Assets which are depreciated over useful life/residual value different than those indicated by Schedule II are as under:

Asset class	As per Schedule II	Useful life
Aircraft	20 years	10 years
PDC Dies	8 years	3 years

Notes to financial statements for the year ended 31 March 2017 (Contd.)

**1C. Summary of significant accounting policies followed by the Company** (Contd.)

**Asset class having residual value at ₹ 1**

Computers and IT Equipment
Dies and jigs
Electric installations
Furniture
Office equipment
Electric fittings

- iii. Depreciation on additions is being provided on pro rata basis from the month of such additions.
- iv. Depreciation on assets sold, discarded or demolished during the year is being provided up to the month in which such assets are sold, discarded or demolished.

**D. Impairment of assets**

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units).

**4 Intangible assets**

**A. Technical know-how acquired**

Technical know-how acquired is stated at acquisition cost (including income-tax and R&D cess) less accumulated amortisation and impairment losses, if any. Technical know-how is amortised equally over a period of estimated useful life i.e. six years.

**B. Technical know-how developed by the Company**

- i) Expenditure incurred by the Company on development of know-how researched, is recognised as an intangible asset, if and only if the future economic benefits attributable to the use of such know-how are probable to flow to the Company and the costs/expenditure can be measured reliably.
- ii) The cost of technical know-how developed is amortised equally over its estimated useful life i.e. generally three years from the date of commencement of commercial production.

**C. Transition to Ind AS**

On Transition to Ind AS, the Company has elected to continue with the carrying value of all of intangible assets recognised as at 1 April 2015 measured as per previous GAAP which in case of the Company, corresponds with carrying costs measured in accordance with Ind AS 38 Intangible assets.

**5 Investment property**

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred.

Depreciation on investment property is provided on a pro rata basis on straight line method over the estimated useful lives. Useful life of assets, as assessed by the Management, corresponds to those prescribed by Schedule II- Part 'C'.

Notes to financial statements for the year ended 31 March 2017 (Contd.)

## 1C. Summary of significant accounting policies followed by the Company (Contd.)

### Transition to Ind AS

On Transition to Ind AS, the Company has elected to continue with the carrying value of investment property recognised as at 1 April 2015 which in case of the Company, corresponds with carrying costs measured in accordance with Ind AS 40 Investment Properties.

## 6 Investments and financial assets

### A. Investment in subsidiaries

Interest in subsidiaries are recognised at cost and not adjusted to fair value at the end of each reporting period. Cost represents amount paid for acquisition of the said investments.

The Company assesses at the end of each reporting period, if there are any indications that the said investments may be impaired. If so, the Company estimates the recoverable value/amount of the investment and provides for impairment, if any i.e. the deficit in the recoverable value over cost.

### B. Other investments and financial assets

#### i) Classification

The Company classifies its financial assets in the following measurement categories:

- ✓ those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- ✓ those measured at amortised cost.

The classification is done depending upon the Company's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income, as elected. For investments in debt instruments, this will depend on the business model in which the investment is held.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

#### ii) Measurement

At initial recognition, the Company measures a financial asset at its fair value including, in the case of 'a financial asset not at fair value through profit or loss', transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at 'fair value through profit or loss' are expensed in profit or loss.

#### Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are two measurement categories into which the Company classifies its debt instruments:

**Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost e.g. Debentures, Bonds etc. A gain or loss on a debt investment that is subsequently measured at amortised cost is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in investment income using the effective interest rate method.

**Fair value through profit or loss:** Assets that do not meet the criteria for amortised cost, are measured at fair value through profit or loss e.g. investments in mutual funds. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss is recognised in profit or loss and presented net in the Statement of Profit and Loss within other gains/(losses) in the period in which it arises.

Notes to financial statements for the year ended 31 March 2017 (Contd.)

### **1C. Summary of significant accounting policies followed by the Company** (Contd.)

#### **iii) Impairment of financial assets**

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk and if so, assess the need to provide for the same in the Statement of Profit and Loss.

#### **iv) Derecognition of financial assets**

A financial asset is derecognised only when Company has transferred the rights to receive cash flows from the financial asset. Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised.

#### **v) Income recognition**

##### **Interest income**

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

##### **Dividends**

Dividends are recognised in the Statement of Profit and Loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company and the amount of the dividend can be measured reliably.

### **7 Derivative and hedging activities**

Derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period. The accounting for subsequent changes in fair value depends on whether the derivative is designated as a hedging instrument, and if so, the nature of the item being hedged and the type of hedge relationship designated.

The Company documents its risk management objectives and strategy for undertaking various hedge transactions. In terms thereof, the Company designates their derivatives as hedges of foreign exchange risks associated with the cash flow of highly probable forecast transactions (viz. export sales).

The full fair value of a hedging derivative is classified as a non-current asset or liability when the remaining maturity of the hedged item is more than 12 months; it is classified as a current asset or liability when the remaining maturity of the hedged item is less than or equal to 12 months.

Cash flow hedges that qualify for hedge accounting –

The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is recognised in the other comprehensive income in cash flow hedging reserve within equity, limited to the cumulative change in fair value of the hedged item on a present value basis from the inception of the hedge. The gain or loss relating to the ineffective portion is recognised immediately in the Statement of Profit and Loss, within other gains/(losses).

When forward contracts are used to hedge forecast transactions, the Company designates them in entirety as the hedging instrument. Gains or losses relating to effective portion of fair value of option and forward contracts are recognised in the cash flow hedging reserve within equity.

Where option contracts are used to hedge forecast transactions, the Company designates intrinsic value of the option contract as hedging instrument.

Gains or losses relating to the effective portion of the change in intrinsic value of the option contract are recognised in the cash flow hedging reserve within equity. The changes in time value of the option contracts that relate to the hedge items are recognised through other comprehensive income in 'Costs of hedging reserve' within equity.

Notes to financial statements for the year ended 31 March 2017 (Contd.)

**1C. Summary of significant accounting policies followed by the Company** (Contd.)

Amounts accumulated in equity are reclassified to profit or loss in the periods when the hedged item affects profit or loss (for example, when the forecast sale that is hedged takes place).

When a hedging instrument expires, or is sold, or when a hedge no longer meets the criteria for hedge accounting, any cumulative gain or loss existing in equity at that time is recognised in the Statement of Profit and Loss. When a forecast transaction is no longer expected to occur, the cumulative gain or loss that was reported in equity is immediately transferred to the Statement of Profit and Loss.

If the hedge ratio for risk management is no longer optimal, but risk management objectives remain unchanged and hedge continues to qualify for hedge accounting, the hedge relationships are re-balanced so that the hedge ratio aligns. Consequently, hedge ineffectiveness is computed and accounted for in the Statement of Profit and Loss immediately.

**8 Foreign currency transactions**

- i) Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.
- ii) On initial recognition, all foreign currency transactions are recorded at foreign exchange rate on the date of transaction.
- iii) Monetary items of current assets and liabilities in foreign currency outstanding at the close of financial year are revalued at the appropriate exchange rates prevailing at the close of the year.
- iv) The gain or loss on decrease/increase in reporting currency due to fluctuations in foreign exchange rates, in case of monetary current assets and liabilities in foreign currency, are recognised in the Statement of Profit and Loss in the manner detailed in note 39 to financial statements.
- v) Fixed assets purchased at liaison offices in foreign exchange are recorded at their historical cost computed with reference to the average rate of foreign exchange remitted to the liaison office.

**9 Inventories**

Cost of inventories have been computed to include all costs of purchases (including materials), cost of conversion and other costs incurred, as the case may be, in bringing the inventories to their present location and condition.

- i) Finished stocks of vehicles and auto spare parts and stocks of work-in-progress are valued at cost of manufacturing or net realisable value whichever is lower. Cost is calculated on a weighted average basis. Cost of finished stocks of vehicles lying in the factory premises, branches, depots are valued inclusive of excise duty.
- ii) Stores, packing material and tools are valued at cost arrived at on weighted average basis or net realisable value, whichever is lower.
- iii) Raw materials and components are valued at cost arrived at on weighted average basis or net realisable value, whichever is lower, as circumstances demand. However, obsolete and slow moving items are valued at cost or estimated realisable value whichever is lower.
- iv) Inventory of machinery spares and maintenance materials not being material are expensed in the year of purchase. However, machinery spares forming key components specific to a machinery and held as insurance spares are capitalised along with the cost of the asset.
- v) Goods in transit are stated at actual cost incurred up to the date of Balance Sheet.

**10 Research & Development expenditure**

Research & Development expenditure is charged to revenue under the natural heads of account in the year in which it is incurred. Payments for R&D work by contracted agency are being expensed out up to the stage of completion. However, expenditure incurred at development phase, where it is reasonably certain that outcome of research will be commercially exploited to yield economic benefits to the Company, is considered as an Intangible asset and accounted in the manner specified in clause 4 above.

### **1C. Summary of significant accounting policies followed by the Company** (Contd.)

#### **11 Employee benefits**

##### **a) Privilege leave entitlements**

Privilege leave entitlements are recognised as a liability, in the calendar year of rendering of service, as per the rules of the Company. As accumulated leave can be availed and/or encashed at any time during the tenure of employment, subject to terms and conditions of the scheme, the liability is recognised on the basis of an independent actuarial valuation.

They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

##### **b) Gratuity**

Payment for present liability of future payment of gratuity is being made to approved gratuity fund, which fully covers the same under Cash Accumulation Policy and Debt fund of the Life Insurance Corporation of India (LIC) and Bajaj Allianz Life Insurance Company Ltd. (BALIC). However, any deficit in plan assets managed by LIC and BALIC as compared to the liability on the basis of an independent actuarial valuation is recognised as a liability.

The liability or asset recognised in the Balance Sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method in conformity with the principles and manner of computation specified in Ind AS 19.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

##### **c) Superannuation**

Defined contribution to superannuation fund is being made as per the scheme of the Company.

**d) Provident fund contributions** are made to Company's Provident Fund Trust. The contributions are accounted for as defined benefit plans and the contributions are recognised as employee benefit expense when they are due.

Deficits, if any, of the fund as compared to liability on the basis of an independent actuarial valuation is to be additionally contributed by the Company and hence recognised as a liability.

**e) Defined contribution to Employees Pension Scheme 1995** is made to Government Provident Fund Authority.

#### **12 Taxation**

**a)** Provision for tax is made for the current accounting period (reporting period) on the basis of the taxable profits computed in accordance with the Income-tax Act, 1961 and the Income Computation and Disclosure Standards prescribed therein. Excess/short provisions and interest thereon are recognised only on completion of assessment and where adjustments made by the Assessing Officer are disputed, on receiving the 'Order Giving Effect' to the tax determined by the CIT (Appeals) and thereafter on final settlement of further disputes.

**b)** Deferred tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax is determined using tax rates that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

Deferred taxes are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Notes to financial statements for the year ended 31 March 2017 (Contd.)

**1C. Summary of significant accounting policies followed by the Company** (Contd.)

**13 Provisions and contingent liabilities**

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation such as product warranty costs. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

**14 Operating leases including on investment properties**

**As a lessee**

Leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Payments made under operating leases are charged to the Statement of Profit and Loss on a straight line basis over the period of the lease in a manner which is representative of the time pattern in which benefit derived from the use of the leased asset is diminished.

**As a lessor**

The Company has leased out certain assets and such leases where the Company has substantially retained all the risks and rewards of ownership are classified as operating leases. Lease income on such operating leases are recognised in the Statement of Profit and Loss on a straight line basis over the lease term in a manner which is representative of the time pattern in which benefit derived from the use of the leased asset is diminished. Initial direct costs are recognised as an expense in the Statement of Profit and Loss in the period in which they are incurred.

**15 Government grant**

Grants from the Government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions. Government grants relating to income are deferred and recognised in the profit or loss over the period necessary to match them with the costs that they are intended to compensate and presented within other income.

**16 Dividends**

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

**17 Cash and cash equivalents**

For the purpose of presentation in the Statement of Cash Flows, cash and cash equivalents includes cash on hand, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

**18 Earnings per share**

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period. The weighted average number of equity shares outstanding during the period and all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of share outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

**19 Segment reporting**

Operating segments are reported in a manner consistent with the internal reporting provided to the Core Management Committee which includes the Managing Director who is the Chief Operating Decision Maker. The Core Management Committee examines performance both from product and a geographical perspective and has identified two operative reportable segments from which significant risks and rewards are derived viz. Automotive business and Investments.

#### Estimation of fair value

The best evidence of fair value is current prices in an active market for similar properties. Since investment properties leased out by the Company are cancellable and non-cancellable leases, the market rate for sale/purchase of such premises are representative of fair values. Company's investment properties are at a location where active market is available for similar kind of properties. Hence fair value is ascertained on the basis of market rates prevailing for similar properties in those location determined by an independent registered valuer and consequently classified as a level 2 valuation.

### Notes to Investments

- 1 Investments made by the Company other than those with a maturity of less than one year, are intended to be held for long-term. On an assessment of the expected credit loss due to significant changes in risk profile, no material provisions are required to be made.
- 2 In absence of an active market and non availability of quotes on recognised stock exchange, investment in fixed maturity plans and fixed term plans though listed on recognised stock exchange are disclosed as unquoted. Other mutual funds, though unlisted, are quoted on recognised stock exchanges at their previous day NAVs which is the quote for the day.
- 3 Refer note 1C (6) for accounting policy and valuation principles for investments and note 31 for credit risk management related to investments.

#### ii) Fair value hierarchy

This section explains the judgments and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the Accounting Standard. An explanation of each level follows underneath the table.

#### Financial assets measured at fair value - recurring fair value measurements at 31 March 2017

Commercial Papers	5	–	46.11	–	46.11
Total		1,179.40	451.54	–	1,630.94

**Level 1:** Level 1 hierarchy includes financial instruments measured using quoted prices in active markets. Quotes would include rates/values/valuation references published periodically by BSE, NSE etc. basis which trades take place in a linked or unlinked active market. This includes traded bonds and mutual funds, as the case may be, that have quoted price/rate/value.

**Level 2:** The fair value of financial instruments that are not traded in an active market are determined using valuation techniques which maximise the use of observable market data (either directly as prices or indirectly derived from prices) and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

**Level 3:** If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

#### Valuation Techniques used to determine fair value

Valuation Techniques used to determine fair value include

- Open ended mutual funds and certain bonds and debentures at NAV's/rates declared and/or quoted
- Close ended mutual funds at NAV's declared by AMFI
- For other bonds and debentures values with references to prevailing yields to maturity matching tenures, quoted on sites of credible organisation such as FIMMDA (Fixed Income Money Market and Derivative Association of India)
- Derivative Instruments at values determined by counter parties/Banks using market observable data.
- Commercial papers and certificate of deposits, being short term maturity papers, amortised cost is assumed to be the fair value

#### iii) Fair value of financial assets and liabilities measured at amortised cost

Particulars	31 March 2017		31 March 2016		1 April 2015	
	Carrying Amount	Fair value	Carrying Amount	Fair value	Carrying Amount	Fair value
<b>Investments</b>						
Bonds and debentures	1,078.81	1,091.82	668.77	674.50	1,203.03	1,214.41

Commercial Papers	340.01	340.01	336.86	336.86	46.11	46.11
Total financial assets	1,418.82	1,431.83	1,005.63	1,011.36	1,619.56	1,630.94

The carrying amounts of commercial papers, certificate of deposits, trade receivables, trade payables, other financial assets/liabilities, loans and cash and cash equivalents are considered to be the same as their fair values, due to their short-term nature.

Notes to financial statements for the year ended 31 March 2017 (Contd.)

### 31 Financial risk management

The Company's activities expose it to credit risk, liquidity risk and market risk.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the impact of hedge accounting in the financial statements.

Risk	Exposure arising from	Measurement	Management
Credit Risk	Cash and cash equivalents, derivative financial instruments, financial assets and trade receivables	Credit ratings Aging analysis	Diversification of counterparties, investment limits, check on counterparties basis credit rating and no. of overdue days
Liquidity Risk	Other liabilities	Maturity analysis	Maintaining sufficient cash/cash equivalents and marketable securities
Market Risk- Foreign Exchange	Highly probable forecast transactions and financial assets and liabilities not denominated in INR	Sensitivity analysis	Forward foreign exchange contracts and foreign currency options

The Board provides guiding principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, credit risk, use of derivative financial instruments and non-derivative financial instruments, and investment of surplus liquidity. The Company's risk management is carried out by a treasury department as per the policies approved by the Board of Directors. Accordingly, Company's treasury identifies, evaluates and hedges financial risks.

#### A) Credit risk

Credit risk arises from cash and cash equivalents, derivative financial instruments, financial assets measured at amortised cost and fair value through profit or loss and trade receivables.

#### Credit Risk Management

For Derivative instruments exposures are extended with multiple banks holding high credit risk ratings.

For other financial assets the Company has an investment policy which allows the Company to invest only with counterparties having credit rating equal to or above AA+ and P1+. The company reviews the creditworthiness of these counterparties on an on-going basis. Another source of credit risk at the reporting date is from trade receivables as these are typically unsecured. This credit risk has always been managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to whom credit is extended in the normal course of business. The Company estimates the expected credit loss on the basis of past data and experience. Expected credit losses of financial assets receivable in the next 12 months are estimated on the basis of historical data provided the Company has reasonable and supportable data. On such an assessment the expected losses are nil or negligible, as evidenced in the table below, and hence no further provision than that already made is considered necessary.

Review of outstanding trade receivables and financial assets is carried out by Management at every month end. Company has a practice to provide for doubtful debts on a case to case basis after considering inter-alia customer's credibility etc. Provision is made in the books generally, for all outstanding trade receivables which are outstanding for more than 180 days from their due date, if they are considered to be doubtful.

#### Reconciliation of loss allowance provision – Trade receivable

### **31 Financial risk management (Contd.)**

#### **B) Liquidity Risk**

The Company's principal sources of liquidity are 'cash and cash equivalents' and cash flows that are generated from operations. The Company has no outstanding term borrowings. The Company believes that its working capital is sufficient to meet its current requirements. Additionally, the Company has sizeable surplus funds invested in fixed income securities or instruments of similar profile ensuring safety of capital and availability of liquidity if and when required. Hence the Company does not perceive any liquidity risk.

#### C) Market risk

##### Foreign currency risk

The Company operates, in addition to domestic markets, significantly in international markets through its exports and is therefore exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the US\$. Foreign exchange risk arises from highly probable forecast transactions and recognised assets and liabilities denominated in a currency that is not the Company's functional currency (INR). The risk is measured through sensitivity analysis. The primary objective for forex hedging against anticipated foreign currency risks will be to hedge the Company's highly probable foreign currency cash flows arising from such transactions (thus reducing cash flow and profit volatility).

In order to minimise any adverse effects on the financial performance of the Company, derivative financial instruments, such as foreign exchange forward contracts, foreign currency option contracts are entered to hedge certain foreign currency risk exposures. Derivatives are used exclusively for hedging purposes and not as trading or speculative instruments.

The Company's Risk Management Policy permits the use of plain foreign exchange forward contracts and foreign currency option contracts including Foreign Currency - INR Option Cost Reduction Structures to hedge forecasted sales.

The Company also imports certain materials the value of which is not material as compared to value of exports. Currently, company does not hedge this exposure. Nevertheless, Company may wish to hedge such exposures.

The Company uses a combination of foreign exchange forward contracts and foreign currency option contracts to hedge its exposure in foreign currency risk. The Company designates forward contracts in entirety and intrinsic value of foreign currency option contracts as the hedging instrument. To the extent these hedges are effective; the change in fair value of the hedging instrument is recognised through other comprehensive income in the 'Cash flow hedging reserve' within equity. The change in time value that relate to the hedged item (aligned time value) is recognised through other comprehensive income in 'Costs of hedging reserve' within equity. Amount recognised in equity is reclassified to profit or loss when the hedged item (i.e. forecasted export sales) affects Statement of Profit and Loss. The ineffective portion of change in fair value of the hedging instrument and any residual time value (the non-aligned portion), if any, is recognised in the Statement of Profit and Loss immediately.

The intrinsic value of foreign exchange option contracts is determined with reference to the relevant spot market exchange rate. The differential between the contracted strike rate and the spot market exchange rate is defined as the intrinsic value. Time value of the option is the difference between fair value of the option and the intrinsic value.

The fair values (Marked-to-market) of foreign currency derivative contracts outstanding as on 31 March 2017, 31 March 2016 and 1 April 2015 are as follows:

Notes to financial statements for the year ended 31 March 2017 (Contd.)

### 31 Financial risk management (Contd.)

The company enters into hedge relationships where the critical terms of the hedging instrument match exactly with the terms of the hedged item, so a qualitative assessment of effectiveness is performed. During the years ended 31 March 2017 and 31 March 2016, the Company did not have any hedging instruments with terms which were not aligned with those of the hedged items.

Therefore, no ineffectiveness recognised in the Statement of Profit and Loss during 31 March 2017 and 31 March 2016.

##### Sensitivity Analysis

Gratuity is a lump sum plan and the cost of providing these benefits is typically less sensitive to small changes in demographic assumptions. The key actuarial assumptions to which the benefit obligation results are particularly sensitive to are discount rate and future salary escalation rate. The following table summarises the impact in percentage terms on the reported defined benefit obligation at the end of the reporting period arising on account of an increase or decrease in the reported assumption by 50 basis points.

Particulars	As at			
	31 March 2017		31 March 2016	
	Discount rate	Salary escalation rate	Discount rate	Salary escalation rate
<b>Senior staff</b>				
Impact of increase in 50 bps on DBO	(3.51%)	3.62%	(3.51%)	3.64%
Impact of decrease in 50 bps on DBO	3.73%	(3.44%)	3.73%	(3.46%)
<b>Junior staff</b>				
Impact of increase in 50 bps on DBO	(4.32%)	4.55%	(4.27%)	4.49%
Impact of decrease in 50 bps on DBO	4.69%	(4.24%)	4.60%	(4.21%)

These sensitivities have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the accounting date. There have been no changes from the previous periods in the methods and assumptions used in preparing the sensitivity analysis.

#### Funding arrangement and policy

The money contributed by the Company to the fund to finance the liabilities of the plan has to be invested.

The trustees of the plan have outsourced the investment management of the fund to insurance companies. The insurance companies in turn manage these funds as per the mandate provided to them by the trustees and the asset allocation which is within the permissible limits prescribed in the insurance regulations.

There is no compulsion on the part of the Company to fully pre fund the liability of the plan. The Company's philosophy is to fund the benefits based on its own liquidity and tax position as well as level of under funding of the plan.

The expected contribution payable to the plan next year is ₹ 65 crore.

#### Projected plan cash flow

The table below shows the expected cash flow profile of the benefits to be paid to the current membership of the plan:

## Independent Auditors' Report on the Consolidated Indian Accounting Standards (Ind AS) Financial Statements

To the Members of **Bajaj Auto Ltd.**

1. We have audited the accompanying consolidated Ind AS financial statements of Bajaj Auto Limited ('hereinafter referred to as the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), and associate company; (refer Note [1] to the attached consolidated financial statements), comprising of the consolidated Balance Sheet as at 31 March 2017, the consolidated Statement of Profit and Loss (including Other Comprehensive Income), the consolidated Cash Flow Statement for the year then ended and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information prepared based on the relevant records (hereinafter referred to as 'the Consolidated Ind AS Financial Statements').

### Management's responsibility for the consolidated Ind AS Financial statements

2. The Holding Company's Board of Directors is responsible for the preparation of these consolidated Ind AS financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as 'the Act') that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated cash flows and changes in equity of the Group including its associate in accordance with accounting principles generally accepted in India including the Indian Accounting Standards specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) under section 133 of the Act. The Holding Company's Board of Directors is also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of consolidated Ind AS financial statements. The respective Board of Directors of the companies included in the Group and of its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its associate respectively and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which has been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

### Auditors' responsibility

3. Our responsibility is to express an opinion on these consolidated Ind AS financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act and the Rules made thereunder including the Accounting Standards and matters which are required to be included in the audit report.
4. We conducted our audit of the consolidated Ind AS financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated Ind AS financial statements are free from material misstatement.
5. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated Ind AS financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated Ind AS financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated Ind AS financial statements.
6. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph 8 of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

## Independent Auditors' Report on the Consolidated Indian Accounting Standards (Ind AS) Financial Statements (Contd.)

### Opinion

7. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the consolidated state of affairs of the Group, the associate of subsidiary as at 31 March 2017, and their consolidated profit (including other comprehensive income), their consolidated cash flows and consolidated changes in equity for the year ended on that date.

### Other Matters

8. We did not audit the financial statements of one subsidiary, whose financial statements reflect total assets of ₹ 4.75 crore and net assets of ₹ 4.57 crore as at 31 March 2017, total revenue of ₹ 0.06 crore, net loss of ₹ 0.97 and net cash outflows amounting to ₹ 0.71 crore for the year ended on that date, as considered in the consolidated Ind AS financial statements. The consolidated Ind AS financial statements also include the Group's share of net profit of ₹ 254.62 crore for the year ended 31 March 2017 as considered in the consolidated Ind AS financial statements, in respect of one associate of subsidiary whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management, and our opinion on the consolidated Ind AS financial statements insofar as it relates to the amounts and disclosures included in respect of these subsidiary and associate company and our report in terms of sub-section (3) of section 143 of the Act insofar as it relates to the aforesaid subsidiary and associate of subsidiary, is based solely on the reports of the other auditors.

Our opinion on the consolidated Ind AS financial statements and our report on other legal and regulatory requirements below, is not modified in respect of the above matter with respect to our reliance on the work done and the reports of the other auditors and the financial statements/financial information certified by the Management.

9. The comparative financial information of the Company for the year ended 31 March 2016 and the transition date opening Balance Sheet as at 1 April 2015 included in these consolidated Ind AS financial statements, are based on the previously issued statutory financial statements for the year ended 31 March 2016 and 31 March 2015 prepared in accordance with the Companies (Accounting Standards) Rules, 2006 (as amended) which were audited by us, on which we expressed an unmodified opinion dated 25 May 2016 and 21 May 2015 respectively. The adjustments to those financial statements for the differences in accounting principles adopted by the Company on transition to the Ind AS have been audited by us, on which we have expressed an unmodified opinion vide our report dated, 18 May 2017.

Our opinion is not qualified in respect of these matters.

### Report on other legal and regulatory requirements

10. As required by section 143(3) of the Act, we report, to the extent applicable, that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements.
  - (b) In our opinion, proper books of account as required by law maintained by the Holding Company, incorporated in India including relevant records relating to preparation of the aforesaid consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books and records of the Holding Company. The two subsidiaries and one associate of subsidiary of the Holding Company are incorporated outside India hence requirements of section 143(3) are not applicable to them.
  - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained by the Holding Company incorporated in India including relevant records relating to the preparation of the consolidated Ind AS financial statements. The two subsidiaries and one associate of subsidiary company of the Holding Company are incorporated outside India hence requirements of section 143(3) are not applicable to them.
  - (d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Indian Accounting Standards specified under section 133 of the Act.

## Independent Auditors' Report on the Consolidated Indian Accounting Standards (Ind AS) Financial Statements (Contd.)

- (e) On the basis of the written representations received from the directors of the Holding Company as on 31 March 2017 taken on record by the Board of Directors of the Holding Company incorporated in India, none of the directors are disqualified as on 31 March 2017 from being appointed as a director in terms of section 164 (2) of the Act. The two subsidiaries and one associate of subsidiary company of the Holding Company are incorporated outside India hence requirement of section 143(3) are not applicable to them.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company and the operating effectiveness of such controls, refer to our separate Report in Annexure A. The two subsidiaries and one associate of subsidiary company of the Holding Company are incorporated outside India hence requirement of section 143(3) are not applicable to them.
- (g) With respect to the other matters to be included in the Auditors' Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The consolidated Ind AS financial statements disclose the impact, if any, of pending litigations as at 31 March 2017 on the consolidated financial position of the Group, except in case of Bajaj Auto International Holdings BV a subsidiary of the Holding Company there were no pending litigations as at 31 March 2017 which would impact the consolidated financial position of the Group.  
  
In case of PT Bajaj Auto Indonesia, a subsidiary of the Holding Company audited by other auditor, there were no pending litigations as at 31 March 2017, which would impact the consolidated financial position of the Group.
  - ii. The Group has long-term contracts including derivative contracts as at 31 March 2017 for which there were no material foreseeable losses.  
  
In case of PT Bajaj Auto Indonesia, a subsidiary audited by other auditor and Bajaj Auto International Holdings BV a subsidiary company, did not have any material foreseeable losses, if any, on long-term contracts including derivative contracts as at 31 March 2017.
  - iii. ## Annexure A to Independent Auditors' Report

Referred to in paragraph 10(f) of the Independent Auditors' Report of even date to the members of Bajaj Auto Ltd. on the consolidated Ind AS financial statements for the year ended 31 March 2017.

### Report on the internal financial controls under clause (i) of sub-section 3 of section 143 of the Act

1. In conjunction with our audit of the consolidated Ind AS financial statements of the Company as of and for the year ended 31 March 2017, we have audited the internal financial controls over financial reporting of Bajaj Auto Limited (hereinafter referred to as 'the Holding Company').

### Management's responsibility for internal financial controls

2. The respective Board of Directors of the Holding company, which is a company incorporated in India, are responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### Auditor's responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the ICAI and the Standards on Auditing deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of internal financial controls over financial reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that
  - (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
  - (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
  - (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated Ind AS financial statements.

## Annexure A to Independent Auditors' Report (Contd.)

### Inherent limitations of internal financial controls over financial reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

8. In our opinion, the Holding Company, which is a company incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### Other matters

9. Reporting on IFCFR is not applicable to subsidiaries and associate of subsidiary incorporated outside India.

Our opinion in paragraph 8 is not qualified in respect of this matter.

Notes to consolidated financial statements for the year ended 31 March 2017

- 1** a) The consolidated financial statements include results of the subsidiaries of Bajaj Auto Ltd., consolidated in accordance with Ind AS 110 'Consolidated Financial Statements' and Ind AS 28 'Investment in Associates and Joint Ventures'.

Name of the Company	Country of Incorporation	% Shareholding of Bajaj Auto Ltd.	% Shareholding of Non-controlling interest	Consolidated as
PT. Bajaj Auto Indonesia	Indonesia	99.25%	0.75%	Subsidiary
Bajaj Auto International Holdings BV	Netherlands	100.00%	–	Subsidiary

The consolidated financial statements of Bajaj Auto International Holdings BV include 47.99% interest in KTM AG as an associate.

- b) These financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

The financial statements up to year ended 31 March 2016 were prepared in accordance with the Accounting Standards notified under Companies (Accounting Standard) Rules, 2006 (as amended) and other relevant provisions of the Act.

These financial statements are the first financial statements of the Company under Ind AS. Refer note 1(e) for an explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III (Division II) to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

- c) Accounting policies applicable in consolidated financial statements

- i) The Company combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Inter-company transactions, balances and unrealised gains on transactions between group companies are eliminated.
  - ii) Non-controlling interests in the results and equity of subsidiaries are shown separately in the Consolidated Statement of Profit and Loss, Consolidated Statement of Changes in Equity and Balance Sheet respectively.
  - iii) Investments in associates are accounted for using the equity method of accounting, after initially being recognised at cost. Under the equity method of accounting, the investments are adjusted thereafter to recognise the Company's share of the post-acquisition profits or losses of the investee in profit and loss, and the Company's share of other comprehensive income of the investee in other comprehensive income.
  - iv) The results and financial position of foreign operations that have a functional currency different from the presentation currency are translated into the presentation currency as follows:
    - assets and liabilities are translated at the closing rate at the date of that Balance Sheet
    - income and expenses are translated at average exchange rates
    - All resulting exchange differences are recognised in other comprehensive income.
 Goodwill arising on the acquisition of a foreign operation are treated as assets of the foreign operation and translated at the closing rate.
  - v) Deferred tax liabilities are not recognised for temporary differences between the carrying amount and tax bases of investments in subsidiaries where the Company is able to control the timing of the reversal of the temporary differences and it is probable that the differences will not reverse in the foreseeable future.
- d) The profit after tax of KTM AG is consolidated on the basis of audited financial statements for the year ended 31 December 2016.

**e) First-time adoption of Ind AS**

**Transition to Ind AS**

These are the Company's first consolidated financial statements prepared in accordance with Ind AS.

The accounting policies set out in note 1C of standalone financial statements have been applied in preparing the financial statements for the year ended 31 March 2017, the comparative information presented in these financial statements for the year ended 31 March 2016 and in the preparation of an opening Ind AS Balance Sheet at 1 April 2015 (the Company's date

## Notes to consolidated financial statements for the year ended 31 March 2017 (Contd.)

of transition). In preparing its opening Ind AS Balance Sheet, the Company has adjusted the amounts reported previously in financial statements prepared in accordance with the Accounting Standards notified under Companies (Accounting Standards) Rules, 2006 (as amended) and other relevant provisions of the Act (previous GAAP or Indian GAAP). An explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows is set out in the following tables and notes.

### **A. Exemptions and exceptions availed**

Set out below are the applicable Ind AS 101 optional exemptions and mandatory exceptions applied in the transition from previous GAAP to Ind AS, which are considered to be material or significant by the Company.

#### **A.1 Ind AS optional exemptions**

##### **A.1.1 Business combinations**

Ind AS 101 provides the option to apply Ind AS 103 prospectively from the transition date or from a specific date prior to the transition date. This provides relief from full retrospective application that would require restatement of all business combinations (including investment in associates) prior to the transition date.

The Company elected to apply this exemption.

##### **A.1.2 Leases**

Appendix C to Ind AS 17 requires an entity to assess whether a contract or arrangement contains a lease. In accordance with Ind AS 17, this assessment should be carried out at the inception of the contract or arrangement. Ind AS 101 provides an option to make this assessment on the basis of facts and circumstances existing at the date of transition to Ind AS, except where the effect is expected to be not material.

The Company has elected to apply this exemption for such contracts/arrangements.

#### **A.2 Ind AS mandatory exceptions**

##### **A.2.1 Hedge accounting**

Hedge accounting can only be applied prospectively from the transition date to transactions that satisfy the hedge accounting criteria in Ind AS 109, at that date. Hedging relationships cannot be designated retrospectively, and the supporting documentation cannot be created retrospectively. As a result, only hedging relationships that satisfied the hedge accounting criteria as of 1 April 2015 are reflected as hedges in the Company's results under Ind AS.

The Company had designated various hedging relationships as cash flow hedges under the previous GAAP. On date of transition to Ind AS, the entity had assessed that all the designated hedging relationship qualifies for hedge accounting as per Ind AS 109. Consequently, the Company continues to apply hedge accounting on and after the date of transition to Ind AS.

##### **A.2.2 Estimates**

An entity's estimates in accordance with Ind ASs at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error.

Ind AS estimates as at 1 April 2015 are consistent with the estimates as at the same date made in conformity with previous GAAP. The Company made estimates for following item in accordance with Ind AS at the date of transition as this was not required under previous GAAP:

– Investment in fixed maturity plan and other mutual funds carried at Fair value through profit or loss

##### **A.2.3 Classification and measurement of financial assets**

Ind AS 101 requires an entity to assess classification and measurement of financial assets (investment in debt instruments) on the basis of the facts and circumstances that exist at the date of transition to Ind AS.

##### **A.2.4 Fair valuation of Government grant/loan**

Ind AS 101 requires that a first-time adopter shall classify all Government loans received as a financial liability or an equity instrument in accordance with Ind AS 32. Except as permitted by paragraph B11, a first-time adopter shall apply the requirements in Ind AS 109 and Ind AS 20, prospectively to Government loans existing at the date of transition to Ind AS and shall not recognise the corresponding benefit of the Government loan at a below-market rate of interest as a Government grant. Consequently, if a first-time adopter did not, under its previous GAAP, recognise and measure a Government loan at a below-market rate of interest on a basis consistent with Ind AS requirements, it shall use its previous GAAP carrying amount of the loan at the date of transition to Ind ASs as the carrying amount of the loan in the opening Ind AS Balance Sheet.

In line with above mandatory exception, Company has continued previous GAAP value for sales tax deferral loan/incentive as at 31 March 2015 in the opening Ind AS Balance Sheet.

Notes to consolidated financial statements for the year ended 31 March 2017 (Contd.)

**B. Reconciliations between previous GAAP and Ind AS**

Ind AS 101 requires an entity to reconcile equity, total comprehensive income and cash flows for prior periods. The following tables represent the reconciliations from previous GAAP to Ind AS.

**Impact of Ind AS adoption on the Statement of Cash Flows for the year ended 31 March 2016**

There are no material adjustments of transition to the Statement of Cash Flows to conform to Ind AS presentation for the year ended 31 March 2016.

Notes to consolidated financial statements for the year ended 31 March 2017 (Contd.)

**C. Notes to first-time adoption****Note 1: Fair valuation of investments (fixed maturity plans and other mutual funds)**

Under the previous GAAP, investments in fixed maturity plans and other mutual funds were classified as long-term investments or current investments based on the intended holding period and realisability. Long-term investments were carried at cost less provision for other than temporary decline in the value of such investments. Current investments were carried at lower of cost and fair value. Under Ind AS, these investments are required to be measured at fair value. The resulting fair value changes of these investments have been recognised in retained earnings (net of related deferred taxes) as at the date of transition and subsequently in the Statement of Profit and Loss for the year ended 31 March 2016.

**Note 2: Measurement change for some financial assets at amortised cost**

Under previous GAAP, certain debt instruments were measured at cost including pre-acquisition interest. This had impacted amortisation of premium/discount on those investments. Under Ind AS, these investments have been remeasured at cost excluding pre-acquisition interest and amortisation has been accordingly reworked. The change in carrying cost of such investments at the date of transition has been recognised in retained earnings. Subsequent amortisation changes have been recognised in the Statement of Profit and Loss.

**Note 3: Investment property**

Under the previous GAAP, investment properties were presented as part of non-current investments. Under Ind AS, investment properties are required to be separately presented on the face of the Balance Sheet. There is no impact on the total equity or profit as a result of this adjustment.

**Note 4: Hedge accounting**

Under the previous GAAP, the Company had adopted the hedge accounting principles of AS 30 Financial Instruments: Recognition and Measurement to account for derivatives used for hedging foreign exchange risk related to highly probable forecast sales transactions. In accordance with AS 30, the Company separated the intrinsic value and time value of an option contract and designated as hedging instrument only the change in intrinsic value of an option. The changes in the time value of the option contracts were recognised as expenses. Under Ind AS, these costs (i.e. time value related changes of the option contract) are also accumulated within equity and are adjusted against the carrying value of the hedged item. Consequently, the time value changes (net of tax) have been reclassified within equity from retained earnings to hedge reserve. All subsequent changes in time value have been recognised in other comprehensive income and have been accumulated in separate component of equity.

**Note 5: Proposed dividend and tax thereon**

Under the previous GAAP, dividends proposed by the Board of Directors after the Balance Sheet date but before the approval of the financial statements were considered as adjusting events. Accordingly, provision for proposed dividend was recognised as a liability. Under Ind AS, such dividends are recognised when the same is approved by the shareholders in the general meeting. Accordingly, the liability for proposed dividend and tax thereon, included under provisions has been reversed with corresponding adjustment to retained earnings.

**Note 6: Fair valuation of financial liability (sales tax deferral)**

Under previous GAAP, the sales tax deferral incentive, which is sales tax collected and repayable after a fixed tenure as prescribed by Package Scheme of Incentives was recognised at cost. Under Ind AS, the financial liability of sales tax deferral is to be measured at fair value and the difference between deferral amount and fair value is to be recognised as Government grant. The Company has availed mandatory exception under Ind AS 101 and accordingly, there is no change in accounting treatment on the amount carried forward on the date of transition.

After transition date, the difference between sales tax deferral amount and fair value has been recognised as Government grant in Balance Sheet. The Government grant has been recognised in the Statement of Profit and Loss on a straight line basis over the period of grant and unwinding of interest on fair value of sales tax deferral liability has been recognised as finance cost.

**Note 7: Excise duty**

Under the previous GAAP, revenue from sale of products was presented exclusive of excise duty. Under Ind AS, revenue from sale of goods is presented inclusive of excise duty. The excise duty paid is presented on the face of the Statement of Profit and Loss as part of expenses. There is no impact on the total equity and profit.

Notes to consolidated financial statements for the year ended 31 March 2017 (Contd.)

**C. Notes to first-time adoption (Contd.)**

**Note 8: Discount and incentives directly relatable to revenue**

Under previous GAAP, the discounts and incentives on sales were shown as other expenses. Under Ind AS, these are required to be netted off against revenue. There is no impact on the total equity and profit.

**Note 9: Remeasurements of post-employment benefit obligations**

Under Ind AS, remeasurements i.e. actuarial gains and losses and the return on plan assets, excluding amounts included in the net interest expense on the net defined benefit liability are recognised in other comprehensive income instead of profit or loss.

Under the previous GAAP, these remeasurements were forming part of the Statement of Profit and Loss for the year. There is no impact on the total equity.

**Note 10: Other comprehensive income**

Under Ind AS, all items of income and expense recognised in a period should be included in the Statement of Profit and Loss for the period, unless a standard requires or permits otherwise. Items of income and expense that are not recognised in profit or loss but are shown in the Statement of Profit and Loss as 'other comprehensive income' includes remeasurements of defined benefit plans, effective portion of gains and losses on cash flow hedging instruments etc. The concept of other comprehensive income did not exist under previous GAAP.

## **ANNEXURE TO THE NOTICE**

### **BRIEF RESUME OF DIRECTORS SEEKING RE-APPOINTMENT AT THE ANNUAL GENERAL MEETING PURSUANT TO REGULATION 36(3) OF THE SEBI LISTING REGULATIONS, 2015.**

#### **Item No. 3 of the Notice**

##### **Madhur Bajaj (DIN 00014593)**

As regards re-appointment of Madhur Bajaj referred to in Item No. 3 of the Notice, the following disclosures are made for the information of the shareholders:

The members of the Company at the annual general meeting held on 23 July 2015 approved the re-appointment of Madhur Bajaj, as a whole-time director and Vice Chairman of the Company for a period of five years with effect from 1 April 2015 till 31 March 2020.

He informed the Board that due to certain commitments and other pre-occupations, he would be unable to continue as a whole-time director of the Company and that he may be relieved of his responsibilities as a whole-time director of the Company with effect from 1 April 2017. He, however, informed that he would be willing to continue as a non-executive director and Vice Chairman of the Company and that his services will continue to be available to the Company on various matters as and when required.

Accordingly, the Board of Directors at its meeting held on 15 March 2017, on the recommendation of the Nomination and Remuneration Committee, approved the change in status of Madhur Bajaj from whole-time director to non-executive director of the Company effective from 1 April 2017, with the designation of Vice Chairman remaining unchanged.

In consideration of the services that will be rendered by him at the request of the Company from time to time in his capacity as non-executive Vice Chairman and taking into account his 31 years' contribution to the Company and in order to facilitate him to render such services as will be beneficial for the Company, the Board at its meeting held on 15 March 2017 decided that in addition to the commission and sitting fee as may be payable to him for attending the Board meetings as non-executive director, he may be extended the following facilities during his current tenure as Vice Chairman of the Company from 1 April 2017 until 31 March 2020:

A – Car with driver

B – Corporate Guest House facilities

#### **Information about the appointee:**

## Preface

Bajaj Auto Ltd. ('BAL' or 'the Company') presents its fifth 'Business Responsibility Report' (BRR), as mandated by Securities and Exchange Board of India (SEBI) and in line with the 'National Voluntary Guidelines on Social, Environmental and Economic Responsibilities of Business' (NVGs) as released by the Ministry of Corporate Affairs in July 2011. The business responsibility performance of the Company is assessed annually by BAL's Board of Directors.

### Principle 1: Businesses should conduct and govern themselves with Ethics, Transparency and Accountability

Ethics, transparency and accountability are central to BAL's business philosophy. The Company believes that trust, integrity and credibility are key elements in creating value for its stakeholders. In order to ensure that these principles are adhered to, BAL adopted a Company-wide 'Code of Conduct' (CoC) in 2009. It describes integrity, cultural and good working norms as well as the process to address any violations. All BAL employees are required to adhere to the CoC's requisites and they are introduced to the same during induction.

The CoC also contains a 'Grievance Redressal Policy' and a 'Whistle Blower Policy' which enable employees to raise concerns to the Company's Management. No complaints were received with respect to the above two policies in the year 2016-17.

There is a separate CoC specifically applicable to the Company's Directors and Senior Management. It states that 'Directors and Senior Managers shall observe the highest standards of ethical conduct and integrity and shall work to the best of their ability and judgment'. All Directors and Senior Management personnel have affirmed compliance with the CoC. A declaration to this effect, signed by the Managing Director, is given in the Annual Report.

The Company is also signatory to the Model Code of Conduct developed by Confederation of Indian Industry (CII). It seeks to promote ethical practices in business and was signed by the Company's Executive Director on 13 April 2016.

Additionally, BAL is an industry partner of the World Economic Forum's initiative, 'Partnership Against Corruption Initiative' (PACI), and has a policy of a zero-tolerance towards bribery.

## **Principle 2: Businesses should provide goods and services that are safe and contribute to sustainability throughout their life cycle**

BAL is a firm believer in the philosophy that aligning business actions with sustainability goals ensures long-term growth for the Company. It recognises that its business operations are dependent on the natural environment while simultaneously impacting it. Thus, it invests time and resources to ensure safety and resource efficiency at all stages of the product life, including product development, plant operations and supply chain management.

### **Product sustainability**

All BAL products are compliant with the environmental standards in the Indian Central Motor Vehicle Rules (CMVR), as applicable from time to time. This includes regulating the tail-pipe emissions of air pollutants such as Carbon Monoxide (CO), Hydrocarbons (HC), Nitrogen oxides (NOx) gases as well as particulate matter, as applicable. For such compliances, all BAL models are 'Type approval' certified by the Automotive Research Association of India (ARAI).

BAL also ensures compliance with the Conformity of Production (COP) requirements for emissions, under CMVR. All existing BAL models are BS IV compliant and certified by ARAI. Additionally, BAL ensures that models which are exported to various countries meet the varying environmental requirements applicable for each country.

In a preliminary study of BAL products, it was observed that their recyclability and recoverability rates were 87% and 94% respectively.

BAL is constantly working towards improving the fuel efficiency of its Two and Three-wheeler models. It has introduced a few high fuel efficiency models, which are one of the best in the class.

### **Sustainable sourcing**

BAL's 'Green Purchasing Policy' outlines the Company's requirements for energy, water and natural resource conservation for the entire supply chain. As per this Policy, all major vendors are being certified for ISO 14001 and OHSAS 18001 management systems.

An update is provided in the table below:

<b>Vendor Cluster</b>	<b>ISO 14001/OHSAS 18001 certified Cumulative</b>	
	<b>FY2016</b>	<b>FY2017</b>
Chakan	36	43
Waluj	52	61
Pantnagar	17	19
<b>Total</b>	<b>105</b>	<b>123</b>

All BAL plants have a cluster of vendors located in close proximity to the plant. BAL engages with its vendors through the 'Bajaj Auto Vendor Association' (BAVA). Currently, BAVA has 153 members out of, which 123 are ISO 14001/OHSAS 18001 certified. Going forward, the Company plans to make such certifications a mandatory requirement for all future vendors who want to become BAVA members.

Cross audits are conducted among critical vendors by safety officers. These audits, along with regular BAVA meetings, enable mutual learning. They provide the members with a platform to share their experiences, initiatives and best practices on various topics related to environmental, health and safety (EHS), quality improvement and logistics efficiency.

Another supply chain sustainability initiative is BAL's 'Total Productive Maintenance' (TPM) Policy, practiced by Tier I and II vendors which has helped improve their operational, human and cost efficiencies. As on date, 17 Tier I vendor groups and 222 Tier II vendors are practising TPM. In order to encourage adoption of TPM, BAL TPM Awards have been instituted to recognise vendors who are the best performers in TPM.

To further ensure compliance with regulations and promote the adoption of good environmental practices among vendors, third party legal and environmental audit of vendors has been started in the Pantnagar, Waluj and Chakan clusters. Also, energy audit for one vendor in each cluster was undertaken in the presence of other vendors of the cluster. This helped all of them identify best practices in energy efficiency and loss elimination. As a result, energy saving to the tune of 54 lakh units (KWH) was achieved in the year 2016-17.

Enhancing the efficiency of processes has dual benefits, it reduces their environmental impact, while also effecting their cost efficiency in a positive way. To reduce the cost of logistics, BAL focuses on the 'Bill to Ship to' (B2S2) initiative which has now been extended to the Pantnagar cluster. BAL also conducts a 'Cluster Kaizen Competition' every quarter to extend its culture of continuous improvement to vendors.

As planned in the previous year, 'Swachh Bharat Abhiyan' was rolled out across all three clusters this year. The activities under this program have progressed according to the road map. The initial cleaning and fencing activity was completed around the periphery of units, totalling to more than 28 kms. Along with fencing, tree plantation was undertaken and more than 50,000 saplings were planted. More than 100 Swachhata rallies, involving 3,000 people, were organised to create awareness.

## **Waste reduction**

BAL makes continuous efforts to reduce the quantum of waste being generated, directly or indirectly, due to its operations. For this, it works closely with its vendors, who now supply more than 95% of the parts in reusable plastic bins and trolleys. By adopting the philosophy of continuous improvement, the quantity of corrugated box material used for packaging has been reduced. Waste paint sludge generated in paint shops is burnt in incinerators to generate heat. This simultaneously reduces the quantity of waste that needs to be disposed and the energy that needs to be procured.

## **Principle 3: Businesses should promote the well-being of all**

BAL believes that its employees are one of its greatest assets. Thus, it ensures the well-being of its employees by creating a safe, inclusive and positive work environment that nurtures a high performance culture for its workforce.

In the year 2016-17, BAL hired 1,715 employees, including 273 regular employees, 1,425 trainees and 17 contractual employees. This has taken the total headcount to 9,509. All four plants have Company recognised trade unions, and 48.73% of the employees are members of the same. Currently, BAL has 25 permanent employees with disabilities.

BAL encourages employment of women across the organisation. As on 31 March 2017, there were 362 women employees in BAL, including 128 regular employees and 234 trainees, representing a 12% increase over last year. The Company has a Policy on 'Prevention of Sexual Harassment at Workplace' (POSH) in place to ensure the safety and security of women employees. As part of the International Women's Day celebration, a programme called 'Shakti – Women in Focus' was conceptualised. This was the way to celebrate and engage the women workforce with the larger objective of positioning BAL as a woman friendly organisation. It underlined the fact that women employees in the Company are safe, both emotionally and physically and know that the environment at BAL is conducive to their development and growth. With inputs from different stakeholders, a week-long learning, engagement and recognition programme was simultaneously held across all the four locations. This programme also included short sessions on various relevant topics like POSH, personal finance, stress and work life balance, campus to corporate, self-defense and health & nutrition.

BAL believes that continuously enhancing the skills of its workforce goes a long way in increasing the overall productivity of the organisation. Therefore, it provides all its employees various avenues for skill upgradation. In the year 2016-17, more than 3,350 employees were trained through more than 235 training programmes, spanning 6,138 man-days. Over and above this, 11,836 man-days of training was conducted for workers and cell members through TPM pillars, which included Safety, Health and Environment related training of 5,477 man-days.

BAL's flagship programme for leadership development, 'Act to Adapt', which was designed in collaboration with IIM – Ahmedabad, continues to nurture future leaders for the Company. Further, all developmental efforts are aligned to the leadership competency framework (Anticipate – Align – Adapt – Act). The 'Relationship Management Program' was introduced this year for employees in higher positions. This enabled smooth transition of employees into their new roles.

The Company conducts regular audits for its contract labour suppliers, which ensures that they are compliant with all applicable norms.

In March 2017, BAL has also made the 'Charter of Fair and Responsible Workplace Guidelines' for contract labour and collaborative employee relations.

During the year 2016-17, there were no complaints filed or pending relating to child labour, forced labour, involuntary labour, sexual harassment or discriminatory employment.

#### **Principle 4: Businesses should respect the interests of, and be responsive towards all stakeholders, especially those who are disadvantaged, vulnerable and marginalised**

BAL is an equal opportunity employer and ensures that there is no discrimination of any type for socially disadvantaged sections in the work place. To formalise its commitment, it launched the 'Code of Conduct for Affirmative Action' in 2006, which ensures that preference is given to people from socially disadvantaged sections of the society, provided merit and other business considerations are equal.

In line with affirmative action, in the year 2016-17, BAL recruited 1,715 new employees of which 142 (8.28%) belong to scheduled castes and scheduled tribes.

#### **Principle 5: Businesses should respect and promote human rights**

The Company is dedicated to uphold the human rights of all its internal and external stakeholders. It ensures compliance with all applicable laws pertaining to human rights. A legal compliance report is submitted to the Company's Board of Directors on a quarterly basis. There were no complaints on violation of human rights in the year 2016-17.

#### **Principle 6: Business should respect, protect and make efforts to restore the environment**

BAL continually strives to minimise the environmental impact of its operations through sustainable practices and responsible use of natural resources. Further, it is committed to creating and preserving a clean environment and society.

BAL is dedicated to the continual improvement of its safety, occupational health and environmental performance. It continues to remain in full compliance with all applicable regulations.

BAL's Safety, Health and Environment (SHE) Policy guides the decisions and operations of the Company. 'Safety' creates a safe working environment and ensures that the risk of accidents is minimised. 'Health' covers provision of individual health check-ups, worker training on hygiene and health practices, access to safe drinking water, noise reduction etc. 'Environment' refers to the initiatives that reduce air, water and land pollution, as well as management of hazardous waste and resource conservation.

Plant-wise highlights of key environmental initiatives are provided below:

**Chakan plant**

Certificate of Merit (Automobile Sector) - National Energy Conservation Award 2016 organised by Bureau of Energy Efficiency

2 MW Rooftop Solar plant being installed - phase I-1.2 MW completed

12% reduction in energy consumption of the paint shop by reduction in emission height and installation of energy efficient blowers. Also, heat energy required for pre-treatment process in paint shop is sourced through heat recovery at the in-house incinerator. This serves 30% of total heat energy requirement

4,000 cu. meter capacity of rain water harvesting pond restored

Kaizens have resulted in reduction of plastic consumption by 6,014 kg/year and Corrugated box material by 19,350 kg/year

Harvested rain water used for construction purpose during expansion of the plant

Green Building features incorporated during expansion-use of fly ash bricks, transparent roof for harnessing day light, use of wind ventilators for human comfort and use of energy efficient lighting

Chakan plant is certified with the latest version of ISO 14001, i.e. ISO 14001-2015

**Waluj plant**

Awarded National Award for Excellence in Water Management 2016 by Confederation of Indian Industry (CII)

Excellent energy efficient unit award at National Level by CII - GBC

Use of Renewable Energy increased by 41.27% to reach 58.47% of total energy consumed

20% reduction in intensity of water consumption (cu. meter/vehicle produced)

1.71% reduction in intensity of electricity consumption (KWH/vehicle produced)

Five rain water harvesting ponds with a combined capacity of 70,000 cu. meter have been constructed

Collaborated with vendors to help them reduce their water consumption by 75%

As part of the 'Swachh Bharat Abhiyan', cleaned more than 3,000 MT of garbage in association with vendors

**Pantnagar plant**

Using solar energy to dry the sludge has reduced the weight of the sludge by 75%, leading to reduction in disposal cost

Notwithstanding load increase of approximately 440 KVA, Kaizens have helped reduce power consumption by 401,100 units/year compared to last year

Kaizens have reduced PNG consumption by 35,052 SCM/year compared to last year

Kaizens have reduced water consumption by 10,850 kl/year compared to last year

**Akurdi plant**

31.32% of electricity sourced from renewable sources

R&D Centre is a IGBC Gold Certified construction with the following attributes:

1. Radiant cooling
2. 100% Day light usage
3. Electric vehicle charging points
4. Energy and water conservation devices and fittings
5. Recharge pit for ground water recharge
6. Source segregation of waste
7. Low emitting material used in construction and HVAC

1.11 MW rooftop solar plant installed in March 2017. Total installed solar capacity is 1.22 MW

221,622 KWH reduction in electricity consumption

25,000 cu. meter reduction in water consumption

Booklet distribution to raise awareness about electrical safety

### **Other Initiatives**

---

100% of canteen waste at Akurdi, Pantrnagar and Chakan is composted.

Rallies were organised at Chakan and Waluj to raise awareness about waste reduction.

Both Waluj and Chakan are water positive plants with patented rain water harvesting structures.

---

### **All Four Plants**

---

Certified under ISO 14001, 9001 and OHSAS 18001.

Zero Effluent Discharge (outside plant).

All plants have shifted from thinner to water based paints.

---

All plants of BAL operate as per the 'Consent-to-Operate' provided by the respective State Pollution Control Board (SPCB) and are within permissible limits with regards to the emissions and waste generated. No show cause notice was received from the Central Pollution Control Board or the respective SPCB.

### **Principle 8: Businesses should support inclusive growth and equitable development**

The Corporate Social Responsibility (CSR) activities of Bajaj Group are guided by the vision and philosophy of its founder, late Shri Jamnalal Bajaj, who embodied the concept of trusteeship in business and common good, and laid the foundation for ethical, value-based and transparent functioning.

Bajaj Group believes that true and full measure of growth, success and progress lies beyond balance sheets or conventional economic indices. It is best reflected in the difference that business and industry make to the lives of people.

Through its social investments, Bajaj Group addresses the needs of communities residing in the vicinity of its facilities by taking sustainable initiatives in the areas of health, education, environment conservation, infrastructure and community development, and response to natural calamities. For society, however, Bajaj is more than a corporate identity. It is a catalyst for social empowerment and the reason behind the smiles that light up a million faces.

Its goodwill resonates in the two simple words that live in the collective consciousness of Indians-Hamara Bajaj.

### Guiding principles

The Bajaj Group believes that social investments should:

- **Benefit generations:** The Company believes in ‘investment in resource creation’ for use over generations. The Company tries to identify sustainable projects which will benefit the society over long periods.
- **Educate for self-reliance and growth:** To usher in a growth-oriented society and thereby a very strong and prosperous nation, by educating each and every Indian.
- **Promote health:** The Company believes good health is a pre-requisite for both education and productivity.
- **Encourage for self-help:** To guide and do hand holding for self-help, individually and collectively to create excellence for self and for the team.
- **Be focused:** The Company believes that activities should be focused around locations where it has a presence and hence can effectively guide, monitor and implement specific projects.
- **Target those who need it most:** Care for the sections of the society, which are socially at the lowest rung irrespective of their religion or caste or language or colour.
- **Sustain natural resources:** The Company encourages balanced development and ensure least adverse impact on environment – Growth with Mother Nature’s-blessings.

### Our Activities

(Please refer to the **Annual Report on CSR activities** for a detailed list of partners and grant amounts)

#### 1. Education

- The two flagship projects for Bajaj Auto Ltd. have been the Bajaj Education Initiative (BEI) and the e-Learning Project. The BEI covers 76 low cost schools (a mix of private and government schools) in Pimpri-Chinchwad area of Pune, and supports them with infrastructure development and capacity building. The e-Learning Project has reached more than 1,550 schools till date - covering Maharashtra and Rajasthan. Both of these are implemented by Jankidevi Bajaj Gram Vikas Sanstha, our Group NGO.
- In addition, Bajaj Auto also supported school infrastructure development, vocational training for entrepreneurship, teach-to-lead as well as scholarships for meritorious students.
- Bajaj Auto is also supporting Bharatiya Yuva Shakti Trust (BYST) in training 25,000 young persons in Aurangabad and Wardha to create 1,000 entrepreneurs in five years. Over 177 entrepreneurs have been created in the first two years of the project.

#### 2. Environment and natural resources

- The extreme drought faced by many parts of the country, including in Maharashtra in 2014-15 and 2015-16, has highlighted the need for water conservation and increasing water availability. Bajaj Auto has been working with Jankidevi Bajaj Gram Vikas Sanstha (JBGVS) on this for a long time and has now expanded the size and scope of this activity to make it a focus area in the coming years.

- Bajaj Auto, in partnership with other Bajaj Group companies, is supporting JBGVS in launching the Bajaj Water Conservation Project (BWCP) at Aurangabad. BWCP aims to cover an area of 21,500 hectares over the next four years with JBGVS and is looking for partner NGOs to take up an additional 44,000 hectares.
- In addition, Bajaj Auto has supported Paani Foundation for water conservation work in Maharashtra.
- Bajaj Auto has continued its support to Swachh Bharat Abhiyan by taking part in 'Bajaj Majhi City Taka-Tak' programme run by CRT, Municipal Corporation, Aurangabad and CII. This programme aims to make Aurangabad a clean city, with minimal quantity of garbage going to landfills. Bulk of the wet garbage will be composted or used for bio-gas production and recyclable wastes will be sent to a recycling agency. The process is on and is likely to be completed by end of 2017.
- Starting 2016-17, Bajaj Auto also supported ICRIER in construction of a new green building.

### **3. Health**

- Bajaj Auto works with a wide array of partners on issues related to health. The supported projects include projects on mid-day meals, clean drinking water, sanitation, blood banks, and pathology lab services in remote mountain villages, breast cancer research and vision care.
- Bajaj Auto and YCM Hospital Pune, in collaboration with National AIDS Central Organisation, have also been operating the ART centre in YCM Hospital. This centre supports more than 5,000 patients currently.
- Bajaj Auto has also financially supported Sri Aurobindo Society, Puducherry, to set up the 'International Centre of Excellence for Integral Yoga'.

### **4. Women's empowerment and self-reliance**

- Bajaj Auto has supported IISER, one of India's leading research institutes, in constructing a dedicated hall of residence for women research scholars. Bajaj Auto has continued to support the Banasthali Vidyapeeth (a women's university) in setting up a Hostel, a Bajaj Centre for Automation and Bajaj Law School.
- Bajaj Auto also supports the Kailash Satyarthi Children's Foundation in its work on holistic development and empowerment of children.

### **5. Supporting armed forces and veterans**

- Bajaj Auto has contributed ₹ 1 crore to the Armed Forces Flag Day Fund. Bajaj Auto has also supported Paraplegic Rehabilitation Centre at Khadki, Pune, with 20 state-of-the-art wheelchairs.

### **6. Rural development and other projects**

- Bajaj Auto has supported Sevagram Pratishtan at Wardha for renovation of Bapu Kutir and associated buildings. Bajaj Auto has also initiated a partnership with Raja Dinkar Kelkar Museum at Pune for renovation of the museum.
- Other supported organisations include Social Work Research Centre - Barefoot College (Tilonia), Development Initiative for Self-Help and Awakening – DISHA (Pune), Chinmaya Organisation for Rural Development (New Delhi), Prafulla Dahanukar Arts Foundation (Mumbai) etc.

## **Principle 9: Businesses should engage with and provide value to their customers and consumers in a responsible manner**

BAL's philosophy 'Distinctly Ahead' provides guidance for its customer engagement process. BAL actively interacts with its customers through a variety of platforms such as call centres, web-based interfaces, dealer showrooms and service centres. The Company also organises service camps at various locations to interact with customers at a personal level and solve their issues.

BAL engages with its customers at different levels. In an endeavour to engage with its two-wheeler customers, BAL organises various riding activities in key markets. For its commercial vehicle customers, BAL has programmes to empower current and potential three-wheeler drivers. As part of its 'Driver Bane Malik' initiative, contract drivers are assisted in purchasing their own vehicles. The 'Swarozgar Campaign' encourages rural youth to enter the three-wheeler business.

The 'Certified Service Technician' programme helps local technicians by providing them the required tools and training. This helps the technicians increase their income, while simultaneously providing a wider network of trained technicians for BAL customers.

The Company conducts regular surveys with the dealers, brokers, roadside mechanics and its large network of retailers. It also tracks customer satisfaction trends at pre-defined intervals for significant product launches.

To ensure that its customers remain safe while driving its vehicles, BAL provides an owner's manual with each vehicle. The manual includes safety checking mechanisms, do's and don'ts and fuel saving tips, thus encouraging consumers to use BAL's vehicles in a responsible manner. During the year 2016-17, 124 cases were filed at the consumer forum, while 398 cases are pending as on 31 March 2017.

Hygiene factors in advertisements, such as displaying helmets being used by all passengers on bikes and disclaimers for advertisements with bikes performing stunts are ensured by the marketing department. BAL is a signatory to Advertising Standard Council of India (ASCI), who can evaluate and provide corrective recommendations for advertisements. There were no complaints received from ASCI in the year 2016-17.
